NOTES

The information contained in the Register has been brought as far as practicable to December 2.

The law directing the compilation and publication annually of the Official Register by the Director of the Census provides that the heads of the different departments and establishments of the Government shall cause the data required for the Register to be furnished to the Census Bureau. It is from the material thus supplied that the Register is compiled.

The names of officers of the Army, Navy, and Marine Corps have been included only where it was necessary to show the organization of the War and Navy Departments and the Military and Naval Establishments and of the civil establishments in which by detail or membership they hold executive or administrative positions.

To prevent duplication of presentation, the material for departments issuing registers giving complete information as to organization and personnel has been limited, and reference is made to the publications from which detailed information can be had.

The Congressional Directory contains biographical sketches of the Senators and Representatives; maps showing the area embraced in each congressional district; the official duties of every branch and executive official of the Government; members of the embassies and legations and names and location of the consular officers of the United States to foreign countries, and of diplomatic and consular officers and of foreign consuls in the United States; and much additional miscellaneous information concerning the Congress and the executive and judicial branches of the Government. The Directory is for sale by the Superintendent of Documents, Washington, D. C., and the usual price is 60 cents.

[1] There is issued annually by the Navy Department, as of January 1 the "Register of Commissioned and Warrant Officers of the United States Navy and Marine Corps." It gives complete information concerning the rank, service, place and date of birth, and date of entry into the service of every commissioned and warrant officer of the Navy and Marine Corps on both the active and retired lists. Pay tables are included, and a name index closes the Register. In addition, there is issued every two months a Navy Directory, which lists alphabetically "Officers of the United States Navy and Marine Corps; Also Including Officers of the U. S. Naval Reserve (Active), Marine Corps Reserve (Active), and Foreign Officers Serving With the Navy." This Directory gives complete information concerning the organization of the Navy Department and of the Naval Establishment, including ships and shore stations. Copies of the Register can be secured by purchase, at 75 cents a copy, from the Superintendent of Public Documents, Washington, D. C., and copies of the Directory at 25 cents a copy.

[1] Serves without compensation.
[2] Paid from fund appropriated by Congress, through Interior Department, for activities of the board.
[3] Howard University is not a part of the Interior Department. It was incorporated by act of Congress of March 2, 1867, as "a university for the education of youth in liberal arts and sciences under the name, style, and title of Howard University." The first appropriation to the university from the United States Government was made on March 3, 1879, and each year since Congress has continued to make appropriations for the maintenance and development of the university. Such appropriations are required to be expended under the supervision of the Secretary of the Interior. The total university budget for the fiscal year 1925–26 is $905,935, of which sum Congress has appropriated $591,000. Of this appropriation $370,000 is for the construction of a new building for the medical school.
[4] The governors and secretaries of the Territories are Presidential appointees. The reports of the governors are made to the Secretary of the Interior. The organization of the courts of Alaska and Hawaii are shown on pp. 131–133.
[17] Freedman's Hospital is an institution placed by law under the supervision of the Secretary of the Interior. It is maintained by receipts from the District of Columbia for indigent residents; receipts from the Federal Government for indigent residents of the States; and by receipts from pay patients. The cost of construction for most of the buildings has been borne by the Federal Government and of a few by the District of Columbia.
[18] This institution is managed by a board of trustees, but certain duties in connection with the administration are under the supervision of the Secretary of the Interior (see p. 125).

NATIONAL ADVISORY COMMITTEE FOR AERONAUTICS

The National Advisory Committee for Aeronautics was appointed by the President, pursuant to act of Congress approved March 3, 1915 (naval appropriations act, Sixty-third Congress). Its membership consists of two officers of the Army, two officers of the Navy, a representative each of the Smithsonian Institution, the Weather Bureau, and the Bureau of Standards, with five additional persons acquainted with the needs of aeronautical science, or skilled in aeronautical engineering or its allied sciences. All the members, as such, serve without compensation. The duties of the committee are to supervise and direct the scientific study of the problems of flight; also to direct and conduct research and experiment in aeronautics. Under the rules and regulations approved by the President, technical subcommittees have been established whose duties are to aid in determining the problems in their respective branches of the aeronautical field to be scientifically attacked, and to endeavor to coordinate the research and experimental work involved in the study of the problems agreed upon. These subcommittees are composed in part of specially appointed representatives of the Army and Navy Air Services. The committee directly conducts research and experiment in aeronautics at the Langley Memorial Aeronautical Laboratory, at Langley Field, Va. The entire committee meets twice a year, in October and April; the executive committee holds regular monthly meetings and special meetings as necessary.

COLUMBIA INSTITUTION FOR THE DEAF

Patron ex officio.—Calvin Coolidge, President of the United States.
President.—Percival Hall, Kendall Green, Washington, D. C.
Directors.—Wesley L. Jones, Senator from Washington; John E. Raker, Representative from California; Addison T. Smith, Representative from Idaho; Theodore W. Noyes, Frederic A. Delano, Howard L. Hodgkins, and Vernon Kellogg, citizens of the District of Columbia; Ernest G. Draper, citizen of New York; William E. Humphrey, citizen of Washington; the president and the secretary of the institution.
Secretary.—Rev. Ulysses G. B. Pierce, Washington, D. C.
Treasurer.—H. Ralph Burton, Washington, D. C.

Columbia Institution for the Deaf is a corporation established in 1857 by private enterprise. It is now maintained by direct appropriations by Congress, by tuition fees, and by endowment. The act of Congress in 1857 incorporating the institution allowed $150 per annum from the United States Treasury for each indigent pupil from the District of Columbia. In 1858 Congress granted $3,000 a year for five years for salaries and incidental expenses of the institution, and authorized free admission of deaf and dumb or blind children of men in the military or naval service of the United States. In 1865 Congress provided for the transfer of the blind children and removed the words "and the blind" from the corporate name of the institution. In 1864 Congress authorized the institution to confer collegiate degrees. With this new departure Congress made a considerable increase in its annual grants and provided that a limited number of students be admitted to the collegiate department from the several States and Territories free of charge. The number of students thus admitted free was at first 10; the number has been increased by acts of Congress until now it is 125. In 1887 the college was opened to young women and in 1891 a department for the training of hearing teachers of the deaf was established.

AMERICAN NATIONAL RED CROSS

Vice chairman.—James L. Fieser, Washington, D. C., in charge of domestic operations; Ernest P. Bicknell, Washington, D. C., in charge of insular and foreign operations.

The American National Red Cross is organized to furnish volunteer aid to the sick and wounded of armies in time of war; to act in matters of voluntary relief with similar national societies of other governments through the international committee and the Government; to carry on a system of national and international relief in time of peace for mitigating the sufferings caused by pestilence, famine, fire, floods, and other great national calamities; and generally to promote measures of humanity and welfare. The work of the Red Cross in the United States is carried on largely through the chapter, the local unit of organization. The national headquarters are located at Washington, D. C. It receives no direct Federal appropriation, its activities being maintained by voluntary contributions and donations. In accordance with the terms of its charter, it reports annually to the Secretary of War, and its accounts are audited by the War Department.

Chief clerk.—William V. Griffin.

The Pan American Union (formerly International Bureau of the American Republics) is the official international organization of all the Republics of the Western Hemisphere, founded and maintained by them for the purpose of exchanging mutually useful information and fostering commerce, intercourse, friendship, and peace. It is supported through their joint contributions, each nation annually paying that part of the budget of expenses which its population bears to the total population of all the Republics. Its general control is vested in a governing board made up of the diplomatic representatives in Washington of all the Latin-American Governments and the Secretary of State of the United States. It is strictly international in its scope, purpose, and control, and each nation has equal authority in its administration. The Pan American Union occupies and owns a monumental building on extensive grounds in Washington, D. C., overlooking the White House park.

Members board of directors.—Dr. Gregorio Araoz Alfaro, Buenos Aires, Argentina; Dr. Alfonso Pruneda, City of Mexico; Dr. Raul Almeida Magalhaes, Brazil; Dr. Carlos E. Paz Soldan, Lima, Peru.

The Pan American Sanitary Bureau was established in accordance with a resolution of the Second International Conference of American States, held in the City of Mexico, 1901–2, under the name of International Sanitary Bureau. The Fifth International American Conference, held in Chile in 1923, changed the name to Pan American Sanitary Bureau. It was established upon a treaty basis by the Seventh Pan American Sanitary Conference, which met in Havana, Cuba, in 1924. The bureau works in close cooperation with the Pan American Union, and acts as a clearing house of sanitary information of the Western Hemisphere. The bureau publishes a monthly bulletin in Spanish and a bimonthly bulletin in Portuguese, copies of which can be had on application.

[1] The pay of the General of the Armies of the United States is $13,500 per annum, with such rental and subsistence allowances as may be fixed by the President.

NOTES.—The maximum allowances which will accrue to an officer below the grade of brigadier general, to a brigadier general, or to a major general, will be such that the total of base pay, pay for length of service, and allowances for subsistence and rental of quarters will not exceed $7,200, $7,500, and $9,700, respectively, per annum.

The total of base pay and pay for length of service of an officer below the grade of colonel shall not exceed $5,750 per annum.

Increase of pay for foreign service, and commutation of quarters, heat, and light are repealed effective July 1, 1922.

In addition to the rates of pay shown in the table, commissioned officers receive a daily allowance for "subsistence" and "rental of quarters." The subsistence allowance is payable at all times, and for officers without dependents is a fixed amount. The amount of subsistence allowance of officers with dependents depends upon rank and length of service. The amount of rental allowance depends upon the duty status of the officer—whether or not he is assigned Government quarters for himself and dependents, his rank, and length of service.

NOTES.—The rates of pay shown in the above table become effective on 1 July, 1922, for all commissioned officers except: That those officers whose base pay plus longevity (under the act of May 13, 1908) is, on 30 June, 1922, in excess of their pay as given above shall continue to receive the base pay plus longevity to which entitled on 30 June, 1922, until such time as their pay under the above table exceeds this amount. An officer's rental and subsistence allowances according to grade and length of service, become effective 1 July, 1922, whether or not he retains his old rate of pay.

Rental allowances do not accrue to any officer on shore duty furnished public quarters or to officers without dependents when on sea or field duty.

When the total of pay and allowances exceeds $7,200 the rental allowance shall be reduced by the amount of the excess above $7,200.

In addition to the rates of pay shown in the table, commissioned officers receive a daily allowance for "subsistence" and "rental of quarters." The susbsistence allowance is payable a tall times, and for officers without dependents is a fixed amount. The amount of subsistence allowance of officers with dependents depends upon rank and length of service. The amount of rental allowance depends upon the duty status of the officer—whether or not he is assigned Government quarters for himself and dependents, his rank, and length of service.
