Blair & Rives, but the amount cannot be here stated, as they have not yet rendered their account for payment. There is probably also a small sum due for newspapers, during the same period, not included, for the like reason.

POST OFFICE DEPARTMENT—*Letter to Hon. D. Webster.*

AUDITOR'S OFFICE, POST OFFICE DEPARTMENT,
December 2, 1841.

SIR: The information from this office necessary to enable you to form a Biennial Register, under the joint resolutions of Congress, approved April 27, 1816, and July 14, 1832, is completed, and lodged in the Department of State.

The lists comprise the names and compensation of—

1st. Auditor and Clerks.

2d. Printers employed by the Postmaster General, and by this office.

3d. Post Offices, Postmasters, and Clerks.

4th. General Contractors.

5th. Special Contractors.

6th. Special Mail Agents.

7th. Agents travelling with the Mail on important Railroad, and Steamboat routes.

Inserting the counties in the list of Post Offices, was on your own suggestion, and will greatly add to the value and convenience of the Register. Other additions are made with the same object, and will produce the same result.

As far as has been practicable within the time limited to prepare the mass of information furnished by this office, I have embraced the whole period of two years, which seems to me to be required by the resolutions mentioned.

The compensation to Postmasters is given to the 30th of June, 1841; whereas, I perceive by the last Register, that it terminated on the 31st of March, 1839.

Most sincerely yours,
E. WHITTLESEY.

Hon. DANIEL WEBSTER,
Secretary of State.
