The Smithsonian Institution is an independent trust instrumentality created in accordance with the terms of the will of James Smithson of England who in 1826 bequeathed his property to the United States of America "to found at Washington under the name of the Smithsonian Institution an establishment for the increase and diffusion of knowledge among men." Congress pledged the faith of the United States to carry out the trust in 1836 (Act of July 1, 1836, C. 252, 5 Stat. 64), and established the Institution in its present form in 1846 (August 10, 1846, C. 178, 9 Stat. 102), entrusting the management of the institution to its independent Board of Regents.

RULES GOVERNING PRESS GALLERIES

1. Administration of the press galleries shall be vested in a Standing Committee of Correspondents elected by accredited members of the galleries. The Committee shall consist of five persons elected to serve for terms of two years. Provided, however, that at the election in January 1951, the three candidates receiving the highest number of votes shall serve for two years and the remaining two for one year. Thereafter, three members shall be elected in odd-numbered years and two in even-numbered years. Elections shall be held in January. The Committee shall elect its own chairman and secretary. Vacancies on the Committee shall be filled by special election to be called by the Standing Committee.

2. Persons desiring admission to the press galleries of Congress shall make application in accordance with Rule 34 of the House of Representatives, subject to the direction and control of the Speaker and Rule 33 of the Senate, which rules shall be interpreted and administered by the Standing Committee of Correspondents, subject to the review and approval by the Senate Committee on Rules and Administration.

Persons desiring admission to the Radio and Television Galleries of Congress shall make application to the Speaker, as required by Rule 34 of the House of Representatives, as amended, and to the Committee on Rules and Administration of the Senate, as required by Rule 33, as amended, for the regulation of Senate wing of the Capitol. Applicants shall state in writing the names of all radio stations, television stations, systems, or news-gathering organizations by which they are employed and what other occupation or employment they may have, if any. Applicants shall further declare that they are not engaged in the prosecution of claims or the promotion of legislation pending before Congress, the Departments, or the independent agencies, and that they will not become so employed without resigning from the galleries. They shall further declare that they are not employed in any legislative or executive department or independent agency of the Government, or by any foreign government or representative thereof; that they are not engaged in any lobbying activities; that they

do not and will not, directly or indirectly, furnish special information to any organization, individual, or group of individuals for the influencing of prices on any commodity or stock exchange; that they will not do so during the time they retain membership in the galleries. Holders of visitors' cards who may be allowed temporary admission to the galleries must conform to all the restrictions of this paragraph.

2. It shall be prerequisite to membership that the radio station, television station, system, or news-gathering agency which the applicant represents shall certify in writing to the Radio and Television Correspondents' Galleries that the applicant conforms to the foregoing regulations.

3. The applications required by the above rule shall be authenticated in a manner that shall be satisfactory to the Executive Committee of the Radio and Television Correspondents' Galleries who shall see that the occupation of the galleries is confined to bona fide news gatherers and/or reporters of reputable standing in their business who represent radio stations, television stations, systems, or news-gathering agencies engaged primarily in serving radio stations, television stations, or systems. It shall be the duty of the Executive Committee of the Radio and Television Correspondents' Galleries to report, at its discretion, violation of the privileges of the galleries to the Speaker or to the Senate Committee on Rules and Administration, and pending action thereon, the offending individual may be suspended.

4. Persons engaged in other occupations, whose chief attention is not given to—or more than one-half of their earned income is not derived from—the gathering or reporting of news for radio stations, television stations, systems, or news-gathering agencies primarily serving radio stations or systems, shall not be entitled to admission to the Radio and Television Galleries. The Radio and Television Correspondents' List in the Congressional Directory shall be a list only of persons whose chief attention is given to or more than one-half of their earned income is derived from the gathering and reporting of news for radio stations, television stations, and systems engaged in the daily dissemination of news, and of representatives of news-gathering agencies engaged in the daily service of news to such radio stations, television stations, or systems.

5. Members of the families of correspondents are not entitled to the privileges of the galleries.

6. The Radio and Television Galleries shall be under the control of the Executive Committee of the Radio and Television Correspondents' Galleries, subject to the approval and supervision of the Speaker of the House of Representatives and the Senate Committee on Rules and Administration.

Approved.

RULES GOVERNING PERIODICAL PRESS GALLERIES

1. Persons eligible for admission to the Periodical Press Galleries must be bona fide resident correspondents of reputable standing, giving their chief attention to the gathering and reporting of news. They shall state in writing the names of their employers and their additional sources of earned income; and they shall declare that, while a member of the Galleries, they will not act as an agent in the prosecution of claims, and will not become engaged or assist, directly or indirectly, in any lobbying, promotion, advertising, or publicity activity intended to influence legislation or any other action of the Congress, nor any matter before any independent agency, or any department or other instrumentality of the Executive branch; and that they will not act as an agent for, or be employed by the Federal, or any State, local or foreign government or representatives thereof; and that they will not, directly or indirectly, furnish special or “insider” information intended to influence prices or for the purpose of trading on any commodity or stock exchange; and that they will not become employed, directly or indirectly, by any stock exchange, board of trade or other organization or member thereof, or brokerage house or broker engaged in the buying and selling of any security or commodity. Applications shall be submitted to the Executive Committee of the Periodical Correspondents’ Association and shall be authenticated in a manner satisfactory to the Executive Committee.

2. Applicants must be employed by periodicals that regularly publish a substantial volume of news material of either general, economic, industrial, technical, cultural, or trade character. The periodical must require such Washington coverage on a continuing basis and must be owned and operated independently of any government, industry, institution, association, or lobbying organization. Applicants must also be employed by a periodical that is published for profit and is supported chiefly by advertising or by subscription, or by a periodical meeting the conditions in this paragraph but published by a nonprofit organization that, first, operates independently of any government, industry, or institution and, second, does not engage, directly or indirectly, in any lobbying or other activity intended to influence any matter before Congress or before any independent agency or any department or other instrumentality of the Executive branch. House organs are not eligible.

*Information is based on data furnished and edited by each respective gallery.

3. Members of the families of correspondents are not entitled to the privileges of the galleries.

4. The Executive Committee may issue temporary credentials permitting the privileges of the galleries to individuals who meet the rules of eligibility but who may be on short-term assignment or temporarily residing in Washington.

5. Under the authority of rule 6 of the House of Representatives and of rule 33 of the Senate, the Periodical Galleries shall be under the control of the Executive Committee, subject to the approval and supervision of the Speaker of the House of Representatives and the Senate Committee on Rules and Administration. It shall be the duty of the Executive Committee, at its discretion, to report violations of the privileges of the galleries to the Speaker or the Senate Committee on Rules and Administration, and pending action thereon, the offending correspondent may be suspended. The committee shall be elected at the start of each Congress by members of the Periodical Correspondents' Association and shall consist of seven members with no more than one member from any one publishing organization. The committee shall elect its own officers and a majority of the committee may fill vacancies on the committee. The list in the Congressional Directory shall be a list only of members of the Periodical Correspondents' Association.

J. DENNIS HASTERT,
Speaker, House of Representatives.

CHRISTOPHER DODD,
Chairman, Senate Committee on Rules and Administration.
