Mr. INOUYE, from the Committee on Appropriations, submitted the following

REPORT

The Committee on Appropriations submits the following report revising the section 302(b) allocation to subcommittees set forth in Senate Report 111–30 (June 18, 2009).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. The conference report on the concurrent resolution for fiscal year 2010 (S. Con. Res. 13) was agreed to by the Congress on April 29, 2009.

AMOUNTS CONTAINED IN THE RESOLUTION

Rept. 111–89; filed April 27, 2009) contains allocations to the Senate Committee on Appropriations for fiscal year 2010. These were subsequently modified on May 19, June 3, and June 17, 2009. The modifications were reflected in the initial 302(b) allocation.

The Committee notes that, under the terms of several provisions of the budget resolution, the chairman of the Committee on the Budget may increase the 302(a) allocation of the Committee on Ap-

On June 23, the Committee on the Budget filed a revised 302(a) allocation for the Committee reflecting an increase of $242,000,000 in the budget authority and $194,000,000 in outlays pursuant to section 401(c)(4) of the budget resolution.
