# GEORGIA.

## PROCEEDINGS

OF

## INHABITANTS OF SAVANNAH, GEORGIA.

*Against a restoration of the public deposites to the Bank of the United States.*

April 28, 1834.

[Read, and ordered to lie upon the table.]

The citizens of Savannah having, by a decided majority, at a recent meeting held under a call addressed to the citizens generally, expressed their dissent to any act censuring the administration of the General Government, for having removed the public deposites from the Bank of the United States, or seeking the restoration of them to that institution; and the association which denominates itself the States' Rights Association of Chatham county having invited a meeting for the purpose of obtaining the expression of a counter sentiment, we, the subscribers, inhabitants and citizens of said county, deem it proper to make known to the constituted authorities of the country, our opinion that it is inexpedient to restore the public deposites to the Bank of the United States.
