

Assistance and Training (TAT) is a competitive grant program, which RHS administers. Section 306 of the Consolidated Farm and Rural Development Act (CONACT), was amended by Section 6006 of the Agriculture Act of 2014 to establish the Community Facilities Technical Assistance and Training Grant. Section 6006 authorized grants to be made to public bodies and private nonprofit corporations (including Indian Tribes) that will serve rural areas for the purpose of enabling the grantees to provide to associations technical assistance and training with respect to essential community facilities authorized under Section 306(a)(1) of the Consolidated Farm and Rural Development Act. Grants can be made for 100 percent of the cost of assistance.

Title: 7 CFR 3570 Community Facilities Technical Assistance and Training Grant Program.

OMB Control Number: 0575–0198.

Type of Request: Revision of a currently approved information collection.

Abstract: The Community Facilities Technical Assistance and Training (TAT) is a competitive grant program which the Rural Housing Service (RHS) administers. Section 306 of the Consolidated Farm and Rural Development Act (CONACT), 7 U.S.C. 1926, was amended by Section 6006 of the Agriculture Act of 2014 (Pub. L. 113–79) to establish the Community Facilities Technical Assistance and Training Grant. Section 6006 authorized grants to be made to public bodies and private nonprofit corporations (including Indian Tribes) that will serve rural areas for the purpose of enabling the grantees to provide to associations technical assistance and training with respect to essential community facilities authorized under Section 306(a)(1) of the Consolidated Farm and Rural Development Act (7 U.S.C. 1926(a)). Grants can be made for 100 percent of the cost of assistance.

Need and Use of the Information: Eligible entities receive TAT grants to help small rural communities or areas identify and solve problems relating to essential community facilities. The grant recipients may provide technical assistance to public bodies and private nonprofit corporations. Applicants applying for TAT grants must submit an application, which includes an application form, narrative proposal, various other forms, certifications, and supplemental information. The Rural Development State Offices and the RHS National Office staff will use the information collected to determine applicant eligibility, project feasibility, and the applicant's ability to meet the grant and regulatory requirements. Failure to collect proper information could result in improper determinations of eligibility or improper use of funds.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 1 hour per response.

Respondents: Not-for-Profit Institutions, Public Bodies and Tribal Organizations.

Estimated Number of Respondents: 51.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 1,397.

Copies of this information collection can be obtained from Robin M. Jones, Innovation Center, at (202)772–1172, Email: robin.m.jones@wdc.usda.gov.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Title: Rural Energy Savings Program (RESP).

OMB Control Number: 0572–0151.

Type of Request: Extension of a currently approved information collection.

Abstract: The USDA, through the RUS, provides RESP loans to Eligible entities that agree to, in turn, make loans to Qualified consumers such as rural families and small businesses for energy efficiency measures and cost-effective renewable energy or energy storage systems. These loans are made available under the authority of Section 6407 of the Farm Security and Rural Investment Act of 2002, as amended, (Section 6407) and Title VII, Section 741 of the Consolidated Appropriations Act, 2018. Eligible Energy efficiency measures must be for or at a property or properties served by a RESP borrower, using commercially available technologies that would allow Qualified consumers to decrease their energy use or costs through cost-effective measures including structural improvements to the structure. Loans made by RESP borrowers under this program may be repaid through charges added to the Qualified consumer's bill for the property or properties for, or at which, energy efficiencies are or will be implemented.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 6.32 hour per response.

Respondents: Non-profit institutions.
