"Information Collection Review."

SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information is
required by the Trademark Act (Act), 15
U.S.C. 1051 *et seq.*,¹ which provides for
the Federal registration of trademarks,
service marks, collective trademark and
service marks, collective membership
marks, and certification marks.
Individuals and businesses that use
such marks, or intend to use such
marks, in interstate commerce may file
an application to register their marks
with the United States Patent and
Trademark Office (USPTO). The USPTO
also administers the Trademark Act
through Title 37 of the Code of Federal
Regulations. These regulations allow the
USPTO to request and receive
information required to process
applications and allows applicants to
submit certain amendments to their
applications. This information
collection includes information that was
not submitted with the initial
application and is needed by the
USPTO to review applications for
trademark registration.

In some cases, the USPTO issues
Office Actions to applicants who have
applied to register a mark, requesting
information that was not provided with
the initial submission, but is required
before the issuance of a registration.
Also, the USPTO may determine that a
mark is not entitled to registration,
pursuant to one or more provisions of
the Trademark Act. In such cases, the
USPTO will issue an Office Action
advising the applicant of the refusal to
register the mark. Applicants reply to
these Office Actions by providing the
required information and/or by putting
forth legal arguments as to why the
refusal of registration should be
withdrawn.

Applicants may also supplement their
applications and provide further
information by filing a Voluntary
Amendment Not in Response to USPTO
Office Action/Letter, a Request for

Reconsideration after Final Office
Action, a Post-Approval/Publication/
Post-Notice of Allowance (NOA)
Amendment, a Petition to Amend Basis
Post-Publication, or a Response to
Suspension Inquiry or Letter of
Suspension. In rare instances, an
applicant may also submit a Substitute
Trademark/Service mark, Substitute
Certification Mark, Substitute Collective
Membership Mark, or Substitute
Collective Trademark/Service mark
application.

II. Method of Collection

Items in this information collection
may be submitted via online electronic
submissions. In limited circumstances,
applicants may be permitted to submit
the information in paper form by mail,
fax, or hand delivery.

IV. Request for Comments

The USPTO is soliciting public comments to:

(a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(b) Evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) Enhance the quality, utility, and clarity of the information to be collected; and

(d) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

All comments submitted in response to this notice are a matter of public record. USPTO will include or summarize each comment in the request to OMB to approve this information collection. Before including an address, phone number, email address, or other personal identifying information in a comment, be aware that the entire comment— including personal identifying information—may be made publicly available at any time. While you may ask in your comment to withhold personal identifying information from public view, USPTO cannot guarantee that it will be able to do so.
