

conflict of interest, and that the witness may only be represented during testimony before the Committee by personal counsel not from the government, corporation, or association or by personal counsel not representing other witnesses. This paragraph shall not be construed to excuse a witness from testifying in the event the witness's counsel is ejected for conducting himself or herself in such manner as to prevent, impede, disrupt, obstruct, or interfere with the orderly administration of a hearing or the taking of a deposition. This paragraph may not be construed as authorizing counsel to coach the witness or to answer for the witness. The failure of any witness to secure counsel shall not excuse the witness from complying with a subpoena.

3. RECORD.—An accurate electronic or stenographic record shall be kept of the testimony of all witnesses in executive and public hearings and depositions. If testimony given by deposition is transcribed, the individual administering the oath shall certify on the transcript that the witness was duly sworn in his or her presence and the transcriber shall certify that the transcript is a true record of the testimony. The transcript with these certifications shall be filed with the chief clerk of the Committee. The record of a witness's testimony, whether in public or executive session or in a deposition, shall be made available for inspection by the witness or the witness's counsel under Committee supervision. A copy of any testimony given in public session, or that part of the testimony given by the witness in executive session or deposition and subsequently quoted or made part of the record in a public session, shall be provided to that witness at the witness's expense if so requested. Upon inspecting the transcript, within a time limit set by the Clerk of the Committee, a witness may request changes in the transcript to correct errors of transcription and grammatical errors. The witness may also bring to the attention of the Committee errors of fact in the witness's testimony by submitting a sworn statement about those facts with a request that it be attached to the transcript. The Chair or a member of the Committee staff designated by the Chair shall rule on such requests.

#### RULE VI—BROADCASTING OF HEARINGS

#### RULE VII—SUBCOMMITTEES

1. HEARINGS.—Any member of the Committee may sit with any subcommittee during its hearings.

2. CHANGE OF CHAIR.—Subcommittees shall be considered de novo whenever there is a change in the Chair, and seniority on the particular subcommittee shall not necessarily apply.

### SENATE COMMITTEE ON HEALTH, EDUCATION, LABOR, AND PENSIONS RULES OF PROCEDURE

Mr. SANDERS. Mr. President, the Committee on Health, Education, Labor, and Pensions has adopted rules governing its procedures for the 118th Congress. Pursuant to rule XXVI, paragraph 2, of the Standing Rules of the Senate, I ask unanimous consent that a copy of the committee rules be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

### SENATE COMMITTEE ON HEALTH, EDUCATION, LABOR, AND PENSIONS

#### RULES OF PROCEDURE

Rule 1.—Subject to the provisions of rule XXVI, paragraph 5, of the Standing Rules of the Senate, regular meetings of the committee shall be held on the second and fourth Wednesday of each month, at 10:00 a.m., in room SD-430, Dirksen Senate Office Building. The chair may, upon proper notice, call such additional meetings as the chair deems necessary.

Rule 2.—The chair of the committee or of a subcommittee, or if the chair is not present, the ranking majority member present, shall preside at all meetings. The chair may designate the ranking minority member to preside at hearings of the committee or subcommittee.

Rule 3.—Meetings of the committee or a subcommittee, including meetings to conduct hearings, shall be open to the public except as otherwise specifically provided in subsections (b) and (d) of rule XXVI, paragraph 5, of the Standing Rules of the Senate.

Rule 4.—(a) Subject to paragraph (b), one-third of the membership of the committee, actually present, shall constitute a quorum for the purpose of transacting business. Any quorum of the committee which is composed of less than a majority of the members of the committee shall include at least one member of the majority and one member of the minority.

(b) A majority of the members of a subcommittee, actually present, shall constitute a quorum for the purpose of transacting business; provided, no measure or matter shall be ordered reported unless such majority shall include at least one member of the minority who is a member of the subcommittee. If, at any subcommittee meeting, a measure or matter cannot be ordered reported because of the absence of such a minority member, the measure or matter shall lay over for a day. If the presence of a member of the minority is not then obtained, a majority of the members of the subcommittee, actually present, may order such measure or matter reported.

(c) No measure or matter shall be ordered reported from the committee or a subcommittee unless a majority of the committee or subcommittee is physically present.

Rule 5.—With the approval of the chair of the committee or subcommittee, one member thereof may conduct public hearings other than taking sworn testimony.

Rule 6.—Proxy voting shall be allowed on all measures and matters before the committee or a subcommittee if the absent member has been informed of the matter on which the member is being recorded and has affirmatively requested that the member be so recorded. While proxies may be voted on a motion to report a measure or matter from the committee, such a motion shall also require the concurrence of a majority of the members who are actually present at the time such action is taken.

The committee may poll any matters of committee business as a matter of unanimous consent; provided that every member is polled and every poll consists of the following two questions:

- (1) Do you agree or disagree to poll the proposal; and
- (2) Do you favor or oppose the proposal.

Rule 7.—There shall be prepared and kept a complete transcript or electronic recording adequate to fully record the proceedings of each committee meeting, subcommittee meeting, or conference, whether or not such meeting or any part thereof is closed pursuant to the specific provisions of subsections (b) and (d) of rule XXVI, paragraph 5, of the

Standing Rules of the Senate, unless a majority of said members vote to forgo such a record. Such records shall contain the vote cast by each member of the committee or subcommittee on any question on which a "yea and nay" vote is demanded, and shall be available for inspection by any committee member. The clerk of the committee, or the clerk's designee, shall have the responsibility to make appropriate arrangements to implement this rule.

Rule 8.—The committee and each subcommittee shall undertake, consistent with the provisions of rule XXVI, paragraph 4, of the Standing Rules of the Senate, to issue public announcement of any hearing or executive session it intends to hold at least one week prior to the commencement of such hearing or executive session. In the case of an executive session, the text of any bill or joint resolution to be considered must be provided to the chair for prompt electronic distribution to the members of the committee.

Rule 9.—The committee or a subcommittee shall require all witnesses heard before it to file written testimony at least 48 hours before a hearing, unless the chair and the ranking minority member determine that there is good cause for failure to so file, and to limit their oral presentation to brief summaries of their arguments. Written testimony may be filed electronically. The presiding officer at any hearing is authorized to limit the time of each witness appearing before the committee or a subcommittee. The committee or a subcommittee shall, as far as practicable, utilize testimony previously taken on bills and measures similar to those before it for consideration.

Rule 10.—Should a subcommittee fail to report back to the full committee on any measure within a reasonable time, the chair may withdraw the measure from such subcommittee and report that fact to the full committee for further disposition.

Rule 11.—No subcommittee may schedule a meeting or hearing at a time designated for a hearing or meeting of the full committee. No more than one subcommittee executive meeting may be held at the same time.

Rule 12.—It shall be the duty of the chair in accordance with section 133(c) of the Legislative Reorganization Act of 1946, as amended, to report or cause to be reported to the Senate, any measure or recommendation approved by the committee and to take or cause to be taken, necessary steps to bring the matter to a vote in the Senate.

Rule 13.—Whenever a meeting of the committee or subcommittee is closed pursuant to the provisions of subsection (b) or (d) of rule XXVI, paragraph 5, of the Standing Rules of the Senate, no person other than members of the committee, members of the staff of the committee, and designated assistants to members of the committee shall be permitted to attend such closed session, except by special dispensation of the committee or subcommittee or the chair thereof.

Rule 14.—The chair of the committee or a subcommittee shall be empowered to adjourn any meeting of the committee or a subcommittee if a quorum is not present within fifteen minutes of the time scheduled for such meeting.

Rule 15.—Whenever a bill or joint resolution shall be before the committee or a subcommittee for final consideration, the clerk shall distribute to each member of the committee or subcommittee a document prepared by the sponsor of the bill or joint resolution. If the bill or joint resolution has no underlying statutory language, the document shall consist of a detailed summary of the purpose and impact of each section. If the bill or joint resolution repeals or amends any statute or part thereof, the document

shall consist of a detailed summary of the underlying statute and the proposed changes in each section of the underlying law and either a print of the statute or the part or section thereof to be amended or replaced showing by stricken-through type, the part or parts to be omitted and, in italics, the matter proposed to be added, along with a summary of the proposed changes; or a side-by-side document showing a comparison of current law, the proposed legislative changes, and a detailed description of the proposed changes.

*Rule 16.*—An appropriate opportunity shall be given the minority to examine the proposed text of committee reports prior to their filing or publication. In the event there are supplemental, minority, or additional views, an appropriate opportunity shall be given the majority to examine the proposed text prior to filing or publication. Unless the chair and ranking minority member agree on a shorter period of time, the minority shall have no fewer than three business days to prepare supplemental, minority, or additional views for inclusion in a committee report from the time the majority makes the proposed text of the committee report available to the minority.

*Rule 17.*—(a) The committee, or any subcommittee, may issue subpoenas, or hold hearings to take sworn testimony or hear subpoenaed witnesses, only if such investigative activity has been authorized by a majority vote of the committee.

(b) For the purpose of holding a hearing to take sworn testimony or hear subpoenaed witnesses, three members of the committee or subcommittee shall constitute a quorum; provided, with the concurrence of the chair and ranking minority member of the committee or subcommittee, a single member may hear subpoenaed witnesses or take sworn testimony.

(c) The committee may, by a majority vote, delegate the authority to issue subpoenas to the chair of the committee or a subcommittee, or to any member designated by such chair. Prior to the issuance of each subpoena, the ranking minority member of the committee or subcommittee, and any other member so requesting, shall be notified regarding the identity of the person to whom it will be issued and the nature of the information sought and its relationship to the authorized investigative activity, except where the chair of the committee or subcommittee, in consultation with the ranking minority member, determines that such notice would unduly impede the investigation. All information obtained pursuant to such investigative activity shall be made available as promptly as possible to each member of the committee requesting the information, or to any assistant to a member of the committee designated by such member in writing, but the use of any such information is subject to restrictions imposed by the rules of the Senate. Such information, to the extent that it is relevant to the investigation shall, if requested by a member, be summarized in writing as soon as practicable. Upon the request of any member, the chair of the committee or subcommittee shall call an executive session to discuss such investigative activity or the issuance of any subpoena in connection therewith.

(d) Any witness summoned to testify at a hearing, or any witness giving sworn testimony, may be accompanied by counsel of the witness's own choosing who shall be permitted, while the witness is testifying, to advise the witness of any legal rights.

(e) No confidential testimony taken or confidential material presented in an executive hearing, or any report of the proceedings of such an executive hearing, shall be made public, either in whole or in part or by way

of summary, unless authorized by a majority of the members of the committee or subcommittee.

*Rule 18.*—Presidential nominees shall submit a statement of the nominee's background and financial interests, including the financial interests of the nominee's spouse and children living in the household, on a form approved by the committee which shall be sworn to as to its completeness and accuracy. The committee form shall be in two parts—

(I) information relating to employment, education, and background of the nominee relating to the position to which the individual is nominated, and which is to be made public; and,

(II) information relating to financial and other background of the nominee, to be made public when the committee determines that such information bears directly on the nominee's qualifications to hold the position to which the individual is nominated.

Information relating to background and financial interests (parts I and II) shall not be required of nominees for less than full-time appointments to councils, commissions, or boards when the committee determines that some or all of the information is not relevant to the nature of the position. Information relating to other background and financial interests (part II) shall not be required of any nominee when the committee determines that it is not relevant to the nature of the position.

Committee action on a nomination, including hearings or meetings to consider a motion to recommend confirmation, shall not be initiated until at least five days after the nominee submits the form required by this rule unless the chair, with the concurrence of the ranking minority member, waives this waiting period.

*Rule 19.*—Subject to statutory requirements imposed on the committee with respect to procedure, the rules of the committee may be changed, modified, amended, or suspended at any time; provided, not less than a majority of the entire membership so determine at a regular meeting with due notice, or at a meeting specifically called for that purpose.

*Rule 20.*—When the ratio of members on the committee is even, the term "majority" as used in the committee's rules and guidelines shall refer to the party of the chair for purposes of party identification. Numerical requirements for quorums, votes, and the like shall be unaffected.

*Rule 21.*—First degree amendments must be filed with the chair at least 24 hours before an executive session. The chair shall promptly distribute all filed amendments electronically to the members of the committee. The chair may modify the filing requirements to meet special circumstances with the concurrence of the ranking minority member.

*Rule 22.*—In addition to the foregoing, the proceedings of the committee shall be governed by the Standing Rules of the Senate and the provisions of the Legislative Reorganization Act of 1946, as amended.

GUIDELINES OF THE SENATE COMMITTEE ON HEALTH, EDUCATION, LABOR, AND PENSIONS WITH RESPECT TO HEARINGS, MARKUP SESSIONS, AND RELATED MATTERS  
HEARINGS

Section 133A(a) of the Legislative Reorganization Act requires each committee of the Senate to publicly announce the date, place, and subject matter of any hearing at least one week prior to the commencement of such hearing.

The spirit of this requirement is to assure adequate notice to the public and other members of the Senate as to the time and subject matter of proposed hearings. In the

spirit of section 133A(a) and in order to assure that members of the committee are themselves fully informed and involved in the development of hearings:

1. Public notice of the date, place, and subject matter of each committee or subcommittee hearing should be inserted in the Congressional Record seven days prior to the commencement of such hearing.

2. At least seven days prior to public notice of each committee or subcommittee hearing, the majority should provide notice to the minority of the time, place, and specific subject matter of such hearing.

3. At least three days prior to the date of such hearing, the committee or subcommittee should provide to each member a list of witnesses who have been or are proposed to be invited to appear.

4. The committee and its subcommittee should, to the maximum feasible extent, enforce the provisions of rule 9 of the committee rules as it relates to the submission of written testimony of witnesses 48 hours in advance of a hearing. Witnesses will be urged to submit written testimony even earlier whenever possible. When written testimony is received in advance of a hearing, the committee or subcommittee (as appropriate) should distribute copies of such testimony to each of its members. Witness testimony may be submitted and distributed electronically.

EXECUTIVE SESSIONS FOR THE PURPOSE OF MARKING UP BILLS

In order to expedite the process of marking up bills and to assist each member of the committee so that there may be full and fair consideration of each bill which the committee or a subcommittee is marking up the following procedures should be followed:

1. Seven days prior to the proposed date for an executive session for the purpose of marking up bills the committee or subcommittee (as appropriate) should provide written notice to each of its members as to the time, place, and specific subject matter of such session, including an agenda listing each bill or other matters to be considered, and:

(a) a copy of each bill, joint resolution, or other legislative matter (or committee print thereof) to be considered at such executive session; and

(b) a copy of a summary of the provisions of each bill, joint resolution, or other legislative matter to be considered at such executive session including, whenever possible, an explanation of changes to existing law proposed to be made.

2. Insofar as practical, prior to the scheduled date for an executive session for the purpose of marking up bills, the committee or a subcommittee (as appropriate) should provide each member with a copy of the printed record or a summary of any hearings conducted by the committee or a subcommittee with respect to each bill, joint resolution, or other legislative matter to be considered at such executive session.
