- [1460b. Regulations.

[§ 1456. Supplemental spouse coverage: establishment of plan; definitions

[(a) ESTABLISHMENT OF SUPPLEMENTAL SURVIVOR BENEFIT PLAN.—

[(1) PLAN.—The Secretary of Defense shall carry out a program in accordance with this subchapter to enable participants in the Survivor Benefit Plan who are providing coverage for a spouse or former spouse beneficiary under that Plan to also provide a supplemental annuity for that spouse or former spouse beginning when the participant dies or when the spouse or former spouse becomes 62 years of age, whichever is later, in order to offset the effects of the two-tier annuity computation under the Survivor Benefit Plan.

[(2) NAME OF PLAN.—The program under this subchapter shall be known as the Supplemental Survivor Benefit Plan.

[(b) DEFINITIONS.—

[(1) INCORPORATION OF DEFINITIONS APPLICABLE TO SURVIVOR BENEFIT PLAN.—The definitions in section 1447 of this title apply in this subchapter.

[(2) SUPPLEMENTAL SPOUSE ANNUITY DEFINED.—In this subchapter, the term “supplemental spouse annuity” means an annuity provided to a spouse or former spouse under this subchapter.

[§ 1457. Supplemental spouse coverage: payment of annuity; amount

[(a) COMMENCEMENT OF ANNUITY.—A supplemental spouse annuity commences on the later of—

[(1) the day on which an annuity under the Survivor Benefit Plan becomes payable to the beneficiary; or

[(2) the first day of the first month after the month in which the beneficiary becomes 62 years of age.

[(b) AMOUNT OF ANNUITY FOR BENEFICIARY OF PERSON PROVIDING STANDARD ANNUITY UNDER SBP.—In the case of a person providing a standard annuity for a spouse or former spouse beneficiary under the Survivor Benefit Plan and providing a supplemental spouse annuity for that beneficiary under this subchapter, the monthly annuity payable to the beneficiary under this subchapter shall be the amount equal to 5, 10, 15, or 20 percent of the base amount under the Survivor Benefit Plan of the person providing the annuity, as specified by that person when electing to provide the annuity. The annuity shall be computed as of the date of the death of the person providing the annuity, notwithstanding that the annuity is not payable at that time by reason of subsection (a).

[(c) AMOUNT OF ANNUITY FOR BENEFICIARY OF PERSON PROVIDING RESERVE-COMPONENT ANNUITY UNDER SBP.—In the case of a person providing a reserve-component annuity for a spouse or former spouse beneficiary under the Survivor Benefit Plan and providing a supplemental spouse annuity for that beneficiary under this subchapter, the monthly annuity payable to that beneficiary under this subchapter shall be determined as follows:

[(1) BENEFICIARY INITIALLY 62 YEARS OF AGE OR OLDER.—If the beneficiary is 62 years of age or older when the beneficiary becomes entitled to the reserve-component annuity under the Survivor Benefit Plan, the monthly amount of the supplemental spouse annuity is the difference between—

[(A) the amount of the reserve-component annuity under the Survivor Benefit Plan to which the beneficiary would be entitled if that beneficiary were under 62 years of age (as computed under section 1451(a)(2)(A) of this title); and

[(B) the amount of the reserve-component annuity to which the beneficiary is entitled (as computed under section 1451(a)(2)(B) of this title).

[(2) BENEFICIARY INITIALLY UNDER 62 YEARS OF AGE.—If the beneficiary is under 62 years of age when the beneficiary becomes entitled to the reserve-component annuity under the

Survivor Benefit Plan, the monthly amount of the supplemental spouse annuity of that beneficiary (commencing on the date specified in subsection (a)(2)) is the amount by which the beneficiary's annuity under the Survivor Benefit Plan is reduced (on the same day) under section 1451(d) of this title.

[(3) EXCLUSION OF DIC OFFSET.—Computations under paragraphs (1) and (2) shall be made without regard to any reduction required under section 1450(c) of this title (or any other provision of law) with respect to the receipt of dependency and indemnity compensation under section 1311 of title 38.

[(d) ADJUSTMENTS IN ANNUITIES.—

[(1) PERIODIC ADJUSTMENTS (COLAS).—Whenever annuities under the Survivor Benefit Plan are increased under section 1451(g)(1) of this title (or any other provision of law) or recomputed under section 1451(i) of this title, each annuity under this subchapter shall be increased or recomputed at the same time. The increase shall, in the case of any such annuity, be by the same percent as the percent by which the annuity of that beneficiary is increased or recomputed under the Survivor Benefit Plan.

[(2) ROUNDING DOWN.—The monthly amount of an annuity payable under this subchapter, if not a multiple of \$1, shall be rounded to the next lower multiple of \$1.

[(e) TERMINATION OF ANNUITY.—A supplemental spouse annuity terminates effective as of the first day of the month in which the beneficiary dies or otherwise becomes ineligible to continue to receive an annuity under the Survivor Benefit Plan.

Except as provided in section 1459(b) of this title, in no case shall a person be deemed to have made an election to provide a supplemental annuity for a spouse or former spouse of such person.

[(b) LIMITATION ON ELIGIBILITY FOR CERTAIN SBP PARTICIPANTS NOT AFFECTED BY TWO-TIER ANNUITY COMPUTATION.—A person is not eligible to make an election under this section if (as determined by the Secretary concerned) the annuity of a spouse or former spouse beneficiary of that person under the Survivor Benefit Plan will be computed under section 1451(e) of this title. However,

such a person may waive the right to have that annuity computed under section 1451(e) of this title. Any such election is irrevocable. A person making such a waiver may make an election under this section as in the case of any other participant in the Survivor Benefit Plan.

[(c) ELECTION OF SUPPLEMENTAL SPOUSE ANNUITY BEFORE BECOMING A PARTICIPANT IN SBP.—

[(1) IN GENERAL.—A person anticipating becoming a participant in the Survivor Benefit Plan who has a spouse or former spouse may elect to provide a supplemental spouse annuity under this subchapter for that spouse or former spouse.

[(2) CONDITIONS ON ELECTION.—An election under paragraph (1)—

[(A) must be made before the day on which the person making the election first becomes a participant in the Survivor Benefit Plan; and

[(B) shall be made in the same manner as an election under section 1448 of this title that is available to that person at the same time.

[(3) REQUIREMENT OF SPOUSE ANNUITY UNDER SBP.—If upon becoming a participant in the Survivor Benefit Plan under section 1448 of this title the person is not providing an annuity for the person's spouse or former spouse, an election under this section to provide a supplemental spouse annuity shall be void.

[(4) SPECIAL RULE FOR RCSBP PARTICIPANTS.—For the purposes of this subsection, a person providing a reserve-component annuity under the Survivor Benefit Plan shall not be considered to have become a participant in that Plan until the end of the 90-day period referred to in clause (iii) of section 1448(a)(2)(B) of this title.

[(d) ELECTION OF FORMER SPOUSE AFTER BECOMING ELIGIBLE FOR SURVIVOR BENEFIT PLAN.—

[(1) ELECTION OF COVERAGE.—A person who elects under section 1448(b)(3) of this title to provide coverage under the Survivor Benefit Plan for a former spouse may elect to provide a supplemental spouse annuity for that former spouse. Any such election must be signed by the person and received by the Secretary concerned within one year after the date of the decree of divorce, dissolution, or annulment.

[(2) EFFECTIVE DATE OF ELECTION.—An election under paragraph (1) is effective as of the same day as the election under section 1448(b)(3) of this title.

[(e) NOTICE TO SPOUSE OF FORMER SPOUSE COVERAGE.—If a married person who is eligible to provide an annuity under the Survivor Benefit Plan elects to provide an annuity under that Plan for a former spouse (or for a former spouse and dependent child) and elects under this section to provide a supplemental spouse annuity for that former spouse, the notification to the person's spouse under section 1448(a)(3)(E) or 1448(b)(3)(D) of this title shall include notice of the election under this section.

[(f) IRREVOCABILITY OF ELECTIONS.—

2437.	<i>Development of major defense acquisition programs: sustainment and modernization of system to be replaced.</i>
	* * * * *

§ 2437. Development of major defense acquisition programs: sustainment and modernization of system to be replaced

(a) *REQUIREMENT FOR SUSTAINING AND MODERNIZING EXISTING FORCES.*—(1) The Secretary of Defense shall require that, whenever a new major defense acquisition program begins development, the defense acquisition authority responsible for that program shall develop a plan (to be known as a sustainment and modernization plan) for the existing system that the system under development is intended to replace. Any such sustainment and modernization plan shall provide for budgeting, sustaining, and modernizing the existing system until the replacement system to be developed under the major defense acquisition program is fielded and assumes the majority responsibility for the mission of the existing system. This section does not apply to a major defense acquisition that reaches initial operational capability before October 1, 2008.

(2) In this section, the term “defense acquisition authority” means the Secretary of a military department or the commander of the United States Special Operations Command.

(b) *SUSTAINMENT AND MODERNIZATION PLAN.*—The Secretary of Defense shall require that each sustainment and modernization plan under this section include, at a minimum, the following:

(1) *The milestone schedule for the development of the major defense acquisition program, including low-rate initial production, initial operational capability, full-rate production, full operational capability, and the date when the replacement system assumes the majority responsibility for the mission of the existing system.*

(2) *An analysis of the existing system to determine the following:*

(A) *A sustainment plan and budget requirements necessary to provide service life extension to the existing system at acceptable reliability and availability rates.*

(B) *A modernization plan and budget requirements necessary to maintain mission capability against the relevant threats.*

(C) *A modernization plan and budget requirements necessary—*

(i) *to transfer mature technologies from the new system or other systems so that the mission capability of the existing system is enhanced against relevant threats; and*

(ii) *to provide interoperability with the new system during the period from initial fielding until the new system assumes the majority of responsibility for the mission of the existing system.*

(c) *ANNUAL REVIEW.—Each fiscal year, before the submission to Congress of the President's budget for the next fiscal year, the Secretary of Defense shall review the schedule performance of each replacement major defense acquisition program for which a sustainment and modernization plan has been developed under this section to compare that performance with the schedule set forth under subsection (b)(1). If the schedule for the program has changed, then the Secretary shall notify the congressional defense committees of such change.*

(d) *EXCEPTIONS.—Subsection (a) shall not apply to a major defense acquisition program if the Secretary of Defense determines that—*

(1) *the existing system is no longer relevant to the mission;*

(2) *the mission has been eliminated;*

(3) *the mission has been consolidated with another mission in such a manner that another existing system can adequately meet the mission requirements; or*

(4) *the duration of time until the new system assumes the majority of responsibility for the existing system's mission is sufficiently short so that mission availability, capability, interoperability, and force protection requirements are maintained.*

(e) *WAIVER.—The Secretary of Defense may waive the applicability of subsection (a) to a major defense acquisition program if the Secretary determines that, but for such a waiver, the Department would be unable to meet national security objectives. Whenever the Secretary makes such a determination and authorizes such a waiver, the Secretary shall submit notice of such waiver and of the Secretary's determination and the reasons therefor in writing to the congressional defense committees.*

§ 2461. Commercial or industrial type functions: required studies and reports before conversion to contractor performance

- (a) * * *
- (b) NOTIFICATION AND ELEMENTS OF ANALYSIS.—(1) * * *

(5)(A) *A function of the Department of Defense performed by 10 or more civilian employees may not be converted, in whole or in part, to performance by a contractor unless, the conversion is based on the results of a public-private competition process that—*

(i) formally compares the cost of civilian employee performance of the function with the costs of performance by a contractor;

(ii) creates an agency tender, including a most efficient organization plan, in accordance with Office of Management and Budget Circular A-76, as implemented on May 29, 2003;

(iii) determines whether the submitted offers meet the needs of the Department of Defense with respect to factors other than cost, including quality and reliability;

(iv) requires continued performance of the function by civilian employees if the cost of performance of the function by a contractor would, over all performance periods required by the solicitation, cost less than—

(I) 10 percent of the personnel-related costs for performance of that activity or function in the agency tender; or

(II) \$10,000,000; and

(v) provides no advantage to an offeror for a proposal to reduce costs for the Department of Defense by—

(I) not making an employer-sponsored health insurance plan available to the workers who are to be employed in the performance of such function under a contract; or

(II) offering to such workers an employer-sponsored health benefits plan that requires the employer to contribute less towards the premium or subscription share than that which is paid by the Department of Defense for health benefits for civilian employees under chapter 89 of title 5.

(B) Any modification, reorganization, division, or other change in the organization of a function of the Department of Defense so that is performed by less than 10 civilian employees of the Department of Defense and, therefore, excluded from subparagraph (A), is prohibited.

(C) Any function that is performed by civilian employees of the Department of Defense and is proposed to be reengineered, reorga-

nized, modernized, upgraded, expanded, or changed in order to become more efficient, but the civilian employees would still provide essentially the same service, is subject to the competition requirement in subparagraph (A).

(D) The cost savings requirement specified in subparagraph (A) does not apply to any contracts for special studies and analyses, construction services, architectural services, medical services, scientific and technical services related to (but not in support of) research and development, and depot-level maintenance and repair services.

(E) The Secretary of Defense may waive the competition requirement in specific instances if—

(i) the written waiver is prepared by the Secretary of Defense, or the relevant Assistant Secretary or agency head;

(ii) the written waiver is accompanied by a detailed determination that national security interests are so compelling as to preclude compliance with the requirement for a public-private competition; and

(iii) a copy of the waiver is published in the Federal Register within 10 working days after the date on which the waiver is invoked, although use of the waiver need not be delayed until its publication.

§2481. Existence and purpose of defense commissary system

(a) *EXISTENCE OF SYSTEM.—The Secretary of the Defense shall operate, using funds appropriated to the Department of Defense, a world-wide system of commissary stores that sell, at reduced prices, food and other merchandise consistent with societal norms for product selection in commercial large-scale grocery stores in the United States to members of the uniformed services on active duty, members of the uniformed services entitled to retired pay, dependents of such members, and patrons authorized to use the system under chapter 54 of this title.*

(b) *PURPOSE OF SYSTEM.—The purpose of the defense commissary system is to enhance the quality of life of members of the uniformed services, retired members, dependents of such members,*

(c) *CLOSURE CONSIDERATIONS.*—(1) Whenever assessing whether to close a commissary store, the effect of the closure on the quality of life of members of the uniformed services and their dependents using the store and on the welfare and security of the military community in which the commissary is located shall be the primary consideration. In all cases, the quality of life for military patrons shall take priority over any consideration of economic criteria relative to store financial performance.

(2) The Secretary of Defense shall give the quality of life for members of a reserve component the same priority as the quality of life for active duty members whenever assessing whether to close a commissary store, including when the assessment is undertaken as a result of the closure or realignment of a military installation under a base closure law.

(d) *CONGRESSIONAL NOTIFICATION.*—The closure of a commissary store shall not take effect until the end of the 90-day period beginning on the date on which the Secretary of Defense submits to Congress written notice of the reasons supporting the closure. The written notice shall include an assessment of the impact closure will have on the quality of life for military patrons and the welfare and security of the military community in which the commissary is located.

months thereafter. However a member on an inactive status list or in a retired status may not be ordered to active duty under this subsection unless the Secretary concerned, with the approval of the Secretary of Defense in the case of the Secretary of a military department, determines that there are not enough qualified Reserves in an active status or in the inactive National Guard in the required category who are readily available.

* * * * *

(c) So far as practicable, during any expansion of the active armed forces that requires that units and members of the reserve components be ordered to active duty [(other than for training)] *as provided in subsection (a)*, members of units organized and trained to serve as units who are ordered to that duty without their consent shall be so ordered with their units. However, members of those units may be reassigned after being [ordered to active duty (other than for training)] *so ordered to active duty*.

* * * * *

(e) The period of time allowed between the date when a Reserve ordered to active duty [(other than for training)] *as provided in subsection (a)* is alerted for that duty and the date when the Reserve is required to enter upon that duty shall be determined by the Secretary concerned based upon military requirements at that time.

* * * * *

§ 12302. Ready Reserve

(a) In time of national emergency declared by the President after January 1, 1953, or when otherwise authorized by law, an authority designated by the Secretary concerned may, without the consent of the persons concerned, order any unit, and any member not assigned to a unit organized to serve as a unit, in the Ready Reserve under the jurisdiction of that Secretary to active duty [(other than for training)] for not more than 24 consecutive months.

* * * * *

(c) Not more than 1,000,000 members of the Ready Reserve may be on active duty [(other than for training)], without their consent, under this section at any one time.

of the Selected Reserve (as defined in section 10143(a) of this title), or any member in the Individual Ready Reserve mobilization category and designated as essential under regulations prescribed by the Secretary concerned, under their respective jurisdictions, to active duty [(other than for training)] for not more than 270 days.

* * * * *

§ 12306. Standby Reserve

(a) Units and members in the Standby Reserve may be ordered to active duty [(other than for training) only] *as provided in section 12301(a)* as provided in section 12301 of this title.

(b) In time of emergency—

(1) no unit in the Standby Reserve organized to serve as a unit or any member thereof may be ordered to active duty [(other than for training)] *as provided in section 12301(a) of this title*, unless the Secretary concerned, with the approval of the Secretary of Defense in the case of a Secretary of a military department, determines that there are not enough of the required kinds of units in the Ready Reserve that are readily available; and

(2) no other member in the Standby Reserve may be ordered to active duty [(other than for training)] *as provided in section 12301(a) of this title* as an individual without his consent, unless the Secretary concerned, with the approval of the Secretary of Defense in the case of a Secretary of a military department, determines that there are not enough qualified members in the Ready Reserve in the required category who are readily available.

SECTION 1123 OF THE NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEARS 1990 AND 1991

SEC. 1123. PROFESSIONAL MILITARY EDUCATION IN JOINT MATTERS

(a) * * *

[(b) STATEMENT OF CONGRESSIONAL POLICY.—As part of the efforts of the Secretary of Defense to improve professional military education, Congress urges, as a matter of policy, and fully expects the Secretary to establish the following:

[(1) A coherent and comprehensive framework for the education of officers, including officers nominated for the joint specialty.

[(2) A two-phase approach to strengthening the focus on joint matters, as follows:

[(A) Phase I instruction consisting of a joint curriculum, in addition to the principal curriculum taught to all officers at service-operated professional military education schools.

[(B) Phase II instruction consisting of a follow-on, solely joint curriculum taught at the Armed Forces Staff College to officers who are expected to be selected for the joint specialty. The curriculum should emphasize multiple “hands on” exercises and must adequately prepare students to perform effectively from the outset in what will probably be their first exposure to a totally new environment, an assignment to a joint, multiservice organization. Phase II instruction should be structured so that students progress from a basic knowledge of joint matters learned in Phase I to the level of expertise necessary for successful performance in the joint arena.

[(3) A sequenced approach to joint education in which the norm would require an officer to complete Phase I instruction before proceeding to Phase II instruction. An exception to the normal sequence should be granted by the Chairman of the Joint Chiefs of Staff only on a case-by-case basis for compelling cause. Officers selected to receive such an exception should be required to demonstrate a basic knowledge of joint matters and other aspects of the Phase I curriculum that qualifies them to meet the minimum requirements established for entry into Phase II instruction without first completing Phase I instruction. The number of officers selected to attend an offering of the principal course of instruction at the Armed Forces Staff

College who have not completed Phase I instruction should comprise only a small portion of the total number of officers selected.]
