## A BILL

To provide for additional development at War in the Pacific  
National Historical Park, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. FINDINGS.**

4       Congress finds that—

5               (1) June 15 through August 10, 1994, marks  
6       the 50th anniversary of the Mariana campaign of  
7       World War II in which American forces captured the  
8       islands of Saipan and Tinian in the Northern Mari-

1        anas and liberated the United States Territory of  
2        Guam from Japanese occupation;

3            (2) an attack during this campaign by the Jap-  
4        anese Imperial fleet, aimed at countering the Amer-  
5        ican forces that had landed on Saipan, led to the  
6        battle of the Philippine Sea, which resulted in a  
7        crushing defeat for the Japanese by United States  
8        naval forces and the destruction of the effectiveness  
9        of the Japanese carrier-based airpower;

10           (3) the recapture of Guam liberated one of the  
11        few pieces of United States territory that was occu-  
12        pied for two and one-half years by the enemy during  
13        World War II and restored freedom to the indige-  
14        nous Chamorros on Guam who suffered as a result  
15        of the Japanese occupation;

16           (4) Army, Navy, Marine Corps, and Coast  
17        Guard units distinguished themselves with their he-  
18        roic bravery and sacrifice;

19           (5) the Guam Insular Force Guard, the Guam  
20        militia, and the people of Guam earned the highest  
21        respect for their defense of the island during the  
22        Japanese invasion and their resistance during the  
23        occupation; their assistance to the American forces  
24        as scouts for the American invasion was invaluable;  
25        and their role, as members of the Guam Combat Pa-

1 trol, was instrumental in seeking out the remaining  
2 Japanese forces and restoring peace to the island;

3 (6) during the occupation, the people of  
4 Guam—

5 (A) were forcibly removed from their  
6 homes;

7 (B) were relocated to remote sections of  
8 the island;

9 (C) were required to perform forced labor  
10 and faced other harsh treatment, injustices, and  
11 death; and

12 (D) were placed in concentration camps  
13 when the American invasion became imminent  
14 and were brutalized by their occupiers when the  
15 liberation of Guam became apparent to the  
16 Japanese;

17 (7) the liberation of the Mariana Islands  
18 marked a pivotal point in the Pacific war and led to  
19 the American victories at Iwo Jima, Okinawa, the  
20 Philippines, Taiwan, and the south China coast, and  
21 ultimately against the Japanese home islands;

22 (8) the Mariana Islands of Guam, Saipan, and  
23 Tinian provided, for the first time during the war,  
24 air bases which allowed land-based American bomb-  
25 ers to reach strategic targets in Japan; and

1           (9) the air offensive conducted from the Mari-  
2       anas against the Japanese war-making capability  
3       helped shorten the war and ultimately reduced the  
4       toll of lives to secure peace in the Pacific.

5   **SEC. 2. SENSE OF CONGRESS.**

6       It is the sense of Congress that—

7           (1) an appropriate commemoration of the 50th  
8       anniversary of the Mariana campaign should be  
9       planned by the United States in conjunction with  
10      the Government of Guam and the Government of the  
11      Commonwealth of the Northern Mariana Islands;  
12      and

13          (2) the Secretary of the Interior should take all  
14      necessary steps to ensure that two visitor centers,  
15      one at the War in the Pacific National Historical  
16      Park on Guam and the other at the American Me-  
17      morial Park in Saipan, are completed before June  
18      15, 1994, for the 50th anniversary commemoration,  
19      to provide adequate historical interpretation of the  
20      events described in section 1.
