1 **SEC. 2. FINDINGS; PURPOSE.**

2 (a) FINDINGS.—Congress finds the following:

3 (1) A combination of accumulated operating
4 deficits, cash shortages, management inefficiencies,
5 and deficit spending in the current fiscal year have
6 created a fiscal emergency in the District of Colum-
7 bia.

8 (2) As a result of its current financial problems
9 and management inefficiencies, the District of Co-
10 lumbia government fails to provide its citizens with
11 effective and efficient services in areas such as edu-
12 cation, health care, crime prevention, trash collec-
13 tion, drug abuse treatment and prevention, human
14 services delivery, and the supervision and training of
15 government personnel.

16 (3) The current financial and management
17 problems of the District government have already
18 adversely affected the long-term economic health of
19 the District of Columbia by causing the migration of
20 residents and business out of the District of Colum-
21 bia and the failure of new residents and businesses
22 to move to the District of Columbia.

1 (4) The fiscal and management problems in the
2 District of Columbia government are pervasive
3 across all segments of the government.

4 (5) A comprehensive approach to fiscal, man-
5 agement, and structural problems must be under-
6 taken which exempts no part of the District govern-
7 ment and which preserves home rule for the citizens
8 of the District of Columbia.

9 (6) The current deficit of the District of Colum-
10 bia must be resolved over a multi-year period, since
11 it cannot be effectively addressed in a single year.

12 (7) The ability of the District government to
13 obtain funds from capital markets in the future will
14 be severely diminished without Congressional action
15 to restore its financial stability.

16 (8) The failure to improve the financial situa-
17 tion of the District government will adversely affect
18 the long-term economic health of the entire National
19 Capital region.

20 (9) The efficient operation of the Federal Gov-
21 ernment may be adversely affected by the current
22 problems of the District of Columbia not only
23 through the services the District government pro-
24 vides directly to the Federal Government but
25 through services provided indirectly such as street

1 and traffic flow maintenance, public safety, and
2 services affecting tourism.

3 (b) PURPOSE.—The purposes of this Act are as
4 follows:

5 (1) To eliminate budget deficits and cash short-
6 ages of the District of Columbia through visionary
7 financial planning, sound budgeting, accurate reve-
8 nue forecasts, and careful spending.

9 (2) To ensure the most efficient and effective
10 delivery of services, including public safety services,
11 by the District government during a period of fiscal
12 emergency.

13 (3) To conduct necessary investigations and
14 studies to determine the fiscal status and oper-
15 ational efficiency of the District government.

16 (4) To assist the District government in—

17 (A) restructuring its organization and
18 workforce to ensure that the residents of the
19 District of Columbia are served by a local gov-
20 ernment that is efficient and effective;

21 (B) achieving an appropriate relationship
22 with the Federal Government;

23 (C) ensuring the appropriate and efficient
24 delivery of services; and

1 (D) modernizing its budget, accounting,
2 personnel, procurement, information technology,
3 and management systems to ensure the maxi-
4 mum financial and performance accountability
5 of the District government and its officers and
6 employees.

7 (5) To enhance the District government's ac-
8 cess to the capital markets and to ensure the contin-
9 ued orderly payment of its debt service obligations.

10 (6) To ensure the long-term financial, fiscal,
11 and economic vitality and operational efficiency of
12 the District of Columbia.

13 (7) To examine the programmatic and struc-
14 tural relationship between the District government
15 and the Federal Government.

16 (8) To provide for the review of the financial
17 impact of activities of the District government before
18 such activities are implemented or submitted for
19 Congressional review.

20 (c) RULES OF CONSTRUCTION.—Nothing in this Act
21 may be construed—

22 (1) to relieve any obligations existing as of the
23 date of the enactment of this Act of the District gov-
24 ernment to repay any individual or entity from

1 whom the District has borrowed funds, whether
2 through the issuance of bonds or otherwise; or

3 (2) to limit the authority of Congress to exer-
4 cise ultimate legislative authority over the District of
5 Columbia pursuant to Article I, section 8, clause 17
6 of the Constitution of the United States.
