“(B) DEDUCTION.—Except as provided in subparagraph (C), a household with earned income shall be allowed a deduction of 20 percent of all earned income to compensate for taxes, other mandatory deductions from salary, and work expenses.

“(C) EXCEPTION.—The deduction described in subparagraph (B) shall not be allowed with respect to determining an overissuance due to the failure of a household to report earned income in a timely manner.

“(3) DEPENDENT CARE DEDUCTION.—

“(A) IN GENERAL.—A household shall be entitled, with respect to expenses (other than
excluded expenses described in subparagraph (B)) for dependent care, to a dependent care deduction, the maximum allowable level of which shall be $200 per month for each dependent child under 2 years of age and $175 per month for each other dependent, for the actual cost of payments necessary for the care of a dependent if the care enables a household member to accept or continue employment, or training or education that is preparatory for employment.

“(A) IN GENERAL.—A household containing an elderly or disabled member shall be entitled, with respect to expenses other than expenses paid on behalf of the household by a third party, to an excess medical expense deduction for the portion of the actual costs of allowable medical expenses, incurred by the elderly or disabled member, exclusive of special diets, that exceeds $35 per month.

“(B) METHOD OF CLAIMING DEDUCTION.—

of the member pursuant to the method;

to use a standard utility allowance that reflects heating or cooling costs, the standard utility allowance shall be made available to households receiving a payment, or on behalf of which a payment is made, under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) or other similar energy assistance program, if the household still incurs out-of-pocket heating or cooling expenses in excess of any assistance paid on behalf of the household to an energy provider.

“(II) SEPARATE ALLOWANCE.—A State agency may use a separate standard utility allowance for households on behalf of which a payment described in subclause (I) is made, but may not be required to do so.

“(III) STATES NOT ELECTING TO USE SEPARATE ALLOWANCE.—A State agency that does not elect to use a separate allowance but makes a single standard utility allowance available to
households incurring heating or cooling expenses (other than a household described in subclause (I) or (II) of subparagraph (C)(ii)) may not be required to reduce the allowance due to the provision (directly or indirectly) of assistance under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.).

SEC. 4101. FINDINGS.

The Congress makes the following findings:

(1) Marriage is the foundation of a successful society.

(2) Marriage is an essential institution of a successful society which promotes the interests of children.

(3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the well-being of children.

(4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one-half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.

(5) The number of individuals receiving aid to families with dependent children (in this section referred to as “AFDC”) has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children receiving
AFDC benefits now live in homes in which no father is present.

(A)(i) The average monthly number of children receiving AFDC benefits—

(I) was 3,300,000 in 1965;

(II) was 6,200,000 in 1970;

(III) was 7,400,000 in 1980; and

(IV) was 9,300,000 in 1992.

(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.

(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:
(A) It is estimated that the rate of non-marital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

(7) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years on welfare once enrolled. These combined effects of “younger and longer” increase total
AFDC costs per household by 25 percent to 30 percent for 17-year-olds.

(B) Children born out-of-wedlock have a substantially higher risk of being born at a very low or moderately low birth weight.

(C) Children born out-of-wedlock are more likely to experience low verbal cognitive attainment, as well as more child abuse, and neglect.

(D) Children born out-of-wedlock were more likely to have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

(E) Being born out-of-wedlock significantly reduces the chances of the child growing up to have an intact marriage.

(F) Children born out-of-wedlock are 3 times more likely to be on welfare when they grow up.

(8) Currently 35 percent of children in single-parent homes were born out-of-wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced (37 percent). While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, neverthe-
less, the negative consequences of raising children in
single-parent homes are well documented as follows:

(A) Only 9 percent of married-couple fami-
lies with children under 18 years of age have
income below the national poverty level. In con-
trast, 46 percent of female-headed households
with children under 18 years of age are below
the national poverty level.

(B) Among single-parent families, nearly
½ of the mothers who never married received
AFDC while only ½ of divorced mothers re-
ceived AFDC.

(C) Children born into families receiving
welfare assistance are 3 times more likely to be
on welfare when they reach adulthood than chil-
dren not born into families receiving welfare.

(D) Mothers under 20 years of age are at
the greatest risk of bearing low-birth-weight ba-
bies.

(E) The younger the single parent mother,
the less likely she is to finish high school.

(F) Young women who have children be-
fore finishing high school are more likely to re-
ceive welfare assistance for a longer period of
time.
(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at $120,000,000,000.

(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact 2-parent families.

(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas with higher percentages of single-parent households have higher rates of violent crime.

(M) Of those youth held for criminal offenses within the State juvenile justice system,
only 29.8 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation’s resident population were living with both parents.

(9) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very important Government interests and the policy contained in part A of title IV of the Social Security Act (as amended by section 4103(a) of this Act) is intended to address the crisis.

SEC. 4102. REFERENCE TO SOCIAL SECURITY ACT.

Except as otherwise specifically provided, wherever in this subtitle an amendment is expressed in terms of an amendment to or repeal of a section or other provision, the reference shall be considered to be made to that section or other provision of the Social Security Act.

SEC. 4103. BLOCK GRANTS TO STATES.

(a) In General.—Part A of title IV (42 U.S.C. 601 et seq.) is amended—

(1) by striking all that precedes section 418 (as added by section 4803(b)(2) of this Act) and inserting the following:

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

“SEC. 401. PURPOSE.

“(ii) Require a parent or caretaker receiving assistance under the program to engage in work (as defined by the State) once the State determines the parent or caretaker is ready to engage in work, or once the parent or caretaker has received assistance under the program for 24 months (whether or not consecutive), whichever is earlier.
“(iii) Ensure that parents and caretakers receiving assistance under the program engage in work activities in accordance with section 407.

“(i) use the formula developed under

subparagraph (C) to assign a score to each

eligible State for the fiscal year that imme-
diately precedes the bonus year; and

“(ii) prescribe a performance thresh-

old in such a manner so as to ensure

that—

“(I) the average annual total

amount of grants to be made under

Subtitle D—Restricting Welfare and Public Benefits for Aliens

SEC. 4400. STATEMENTS OF NATIONAL POLICY CONCERNING WELFARE AND IMMIGRATION.

The Congress makes the following statements concerning national policy with respect to welfare and immigration:
(1) Self-sufficiency has been a basic principle of United States immigration law since this country’s earliest immigration statutes.

(2) It continues to be the immigration policy of the United States that—

(A) aliens within the Nation’s borders not depend on public resources to meet their needs, but rather rely on their own capabilities and the resources of their families, their sponsors, and private organizations, and

(B) the availability of public benefits not constitute an incentive for immigration to the United States.

(3) Despite the principle of self-sufficiency, aliens have been applying for and receiving public benefits from Federal, State, and local governments at increasing rates.

(4) Current eligibility rules for public assistance and unenforceable financial support agreements have proved wholly incapable of assuring that individual aliens not burden the public benefits system.

(5) It is a compelling government interest to enact new rules for eligibility and sponsorship agreements in order to assure that aliens be self-reliant in accordance with national immigration policy.
(6) It is a compelling government interest to remove the incentive for illegal immigration provided by the availability of public benefits.

(7) With respect to the State authority to make determinations concerning the eligibility of qualified aliens for public benefits in this subtitle, a State that chooses to follow the Federal classification in determining the eligibility of such aliens for public assistance shall be considered to have chosen the least restrictive means available for achieving the compelling governmental interest of assuring that aliens be self-reliant in accordance with national immigration policy.

with special needs.
“(e) DETERMINATION OF PAYMENTS.—The amount of the payments to be made in any case under subsection (b) shall be determined through agreement between the adoptive parents and the State or a public or nonprofit private agency administering the program under this part, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

“(f) PAYMENT EXCEPTION.—Notwithstanding subsection (e), no payment may be made to parents with respect to any child who has attained the age of 18 (or, where the State determines that the child has a mental or physical disability which warrants the continuation of assistance, the age of 21), and no payment may be made to parents with respect to any child if the State determines that the parents are no longer legally responsible for the support of the child or if the State determines that the

•HR 3734 EH
child is no longer receiving any support from such parents. Parents who have been receiving adoption assistance payments under this part shall keep the State or public or nonprofit private agency administering the program under this part informed of circumstances which would, pursuant to this section, make them ineligible for such assistance payments, or eligible for assistance payments in a different amount.

“(g) PREADOP PAYMENTS.—For purposes of this part, individuals with whom a child who has been determined by the State, pursuant to subsection (h), to be a child with special needs is placed for adoption in accordance with applicable State and local law shall be eligible for adoption assistance payments during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

“(h) DETERMINATION OF CHILD WITH SPECIAL NEEDS.—For purposes of this section, a child shall not be considered a child with special needs unless—

“(1) the State has determined that the child cannot or should not be returned to the home of the child’s parents; and

“(2) the State had first determined—

“(A) that there exists with respect to the child a specific factor or condition such as the
child’s ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this part or medical assistance under title XIX; and

“(B) that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under title XIX.”.

(e) Payments to States; Allotments to States.—Section 474 of such Act (42 U.S.C. 674) is amended to read as follows:

“(i) one-half of any additional
amounts expended by such State for such
programs; or
“(ii) the maximum additional amount
for such State under subsection (e)(1) of
such section.
“(b) Automated Data Collection Expenditures.—The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems, without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

expenditures, the source or sources from which

which adjustment has not already been made under
this subsection.

“(3) PRO RATA SHARE.— The pro rata share to
which the United States is equitably entitled, as de-

be considered an overpayment to be adjusted under
this subsection.

“(d) Program Objectives.—In carrying out the purpose described in subsection (a), it shall be the objective of each program established under this section to help the individuals participating in such program to prepare to live independently upon leaving foster care. 474(a)(4) for a fiscal year shall be an amount which bears the same ratio to the basic ceiling for such fiscal year as such State’s average number of children receiving foster care maintenance payments under part E in fiscal year 1984 bore to the total of the average number of children receiving such payments under such part for all States for fiscal year 1984.

“(B) MAXIMUM ADDITIONAL AMOUNT.—The maximum additional amount to which a State shall be entitled under section 474(a)(4) for a fiscal year shall be an amount which bears the same ratio to the additional ceiling for such fiscal year as the basic amount of such State bears to $45,000,000.

“(3) Supplement to Other Funds.—Any amounts payable to States under this section shall be in addition to amounts payable to States under paragraphs (1), (2), and (3) of section 474(a), and shall supplement and not replace any other funds which may be available for the same general purposes in the localities involved.

sources.—Notwithstanding any other provision of this
title, payments made and services provided to participants

of their participation in such program, shall not be consid-

sistance under the State’s plan approved under this part
or part A, or for purposes of determining the level of such
assistance.”.

U.S.C. 670 et seq.) is amended—
(1) by redesignating section 479 as section 477;

and

For requirements with respect to the collection of data relating to adoption and foster care, see section 424.”.

Subchapter C—Miscellaneous

SEC. 4721. SECRETARIAL SUBMISSION OF LEGISLATIVE PROPOSAL FOR TECHNICAL AND CONFORMING AMENDMENTS.

Not later than 90 days after the date of the enactment of this chapter, the Secretary of Health and Human Services, in consultation, as appropriate, with the heads of other Federal agencies, shall submit to the appropriate committees of Congress a legislative proposal providing for such technical and conforming amendments in the law as are required by the provisions of this chapter.

SEC. 4722. SENSE OF THE CONGRESS REGARDING TIMELY ADOPTION OF CHILDREN.

It is the sense of the Congress that—
(1) too many children who wish to be adopted are spending inordinate amounts of time in foster care;

(2) there is an urgent need for States to increase the number of waiting children being adopted in a timely and lawful manner;

(3) studies have shown that States spend an excess of $15,000 each year on each special needs child in foster care, and would save significant amounts of money if they offered incentives to families to adopt special needs children;

(4) States should allocate sufficient funds under this subtitle for adoption assistance and medical assistance to encourage more families to adopt children who otherwise would languish in the foster care system for a period that many experts consider detrimental to their development;

(5) States should offer incentives for families that adopt special needs children to make adoption more affordable for middle-class families;

(6) when it is necessary for a State to remove a child from the home of the child’s biological parents, the State should strive—
(A) to provide the child with a single foster

care placement and a single coordinated case

team; and

(B) to conclude an adoption of the child,

when adoption is the goal of the child and the

State, within one year of the child’s placement

in foster care; and

(7) States should participate in local, regional,
or national programs to enable maximum visibility of

waiting children to potential parents. Such programs

should include a nationwide, interactive computer

network to disseminate information on children eligi-
able for adoption to help match them with families

around the country.

SEC. 4723. REMOVAL OF BARRIERS TO INTERETHNIC ADOPTION.

(a) State Plan Requirements.—Section 422(a)
of the Social Security Act (42 U.S.C 622(a)), as added
by section 4701 of this Act, is amended by adding at the
end the following:

“(15) Certification regarding removal of
barriers to interethnic adoption.—A certifi-
cation that, not later than January 1, 1997, the
State has in effect such laws and procedures as may
be necessary to ensure that neither the State nor
any other entity in the State that receives funds from the Federal Government and is involved in adoption or foster care placements may—

“(A) deny to any person the opportunity to become an adoptive or a foster parent, on the basis of the race, color, or national origin of the person, or of the child, involved; or

“(B) delay or deny the placement of a child for adoption or into foster care, on the basis of the race, color, or national origin of the adoptive or foster parent, or the child, involved.”.

(b) ENFORCEMENT.—Section 423(e) of such Act (42 U.S.C. 623(e)), as added by section 4701 of this Act, is amended by redesignating paragraphs (5), (6), and (7) as paragraphs (6), (7), and (8), respectively, and by inserting after paragraph (4) the following:

“(5) Penalty for failure to remove barriers to interethnic adoption.—

“(A) Reduction of payments to the state.—If a State’s program operated under this part is found, as a result of a review conducted under section 1123, to have violated section 422(a)(15) during a quarter with respect to any person, then, notwithstanding any regu-
lations promulgated under section 1123(b)(3),
the Secretary shall reduce the amount otherwise
payable to the State under this part, for the
quarter and for each subsequent quarter before
the 1st quarter for which the State program is
found, as a result of such a review, not to have
violated section 422(a)(15) with respect to any
person, by—

“(i) 2 percent of such otherwise pay-
able amount, in the case of the 1st such
finding with respect to the State;

“(ii) 5 percent of such otherwise pay-
able amount, in the case of the 2nd such
finding with respect to the State; or

“(iii) 10 percent of such otherwise
payable amount, in the case of the 3rd or
subsequent such finding with respect to the
State.

“(B) Return of funds paid to other
violators.—Any other entity which is in a
State that receives funds under this part and
which violates section 422(a)(15) during a
quarter with respect to any person shall remit
to the Secretary all funds that were paid by the
State to the entity during the quarter from such funds.

“(C) PRIVATE CAUSE OF ACTION.—

“(i) IN GENERAL.—Any individual who is aggrieved by a violation of section 422(a)(15) by a State or other entity may bring an action seeking relief from the State or other entity in any United States district court.

“(ii) LIMITATION.—An action under this subparagraph may not be brought more than 2 years after the date the alleged violation occurred.

“(D) NO EFFECT ON THE INDIAN CHILD WELFARE ACT OF 1978.—This paragraph shall not be construed to affect the application of the Indian Child Welfare Act of 1978.”.

(c) CIVIL RIGHTS.—

(1) PROHIBITED CONDUCT.—A person or government that is involved in adoption or foster care placements may not—

(A) deny to any individual the opportunity to become an adoptive or a foster parent, on the basis of the race, color, or national origin of the individual, or of the child, involved; or
(B) delay or deny the placement of a child for adoption or into foster care, on the basis of the race, color, or national origin of the adoptive or foster parent, or the child, involved.

(2) Enforcement.—Noncompliance with paragraph (1) is deemed a violation of title VI of the Civil Rights Act of 1964.

(d) Conforming Repeal.—Section 553 of the Howard M. Metzenbaum Multiethnic Placement Act of 1994 (42 U.S.C. 5115a) is repealed.

SEC. 4724. EFFECTIVE DATE; TRANSITION RULES.

(a) Effective Date.—

(1) In general.—Except as provided in paragraph (2), this chapter and the amendments made by this chapter shall be effective on and after October 1, 1996.

(2) Exception.—Section 425 of the Social Security Act, as added by section 4701 of this Act, shall take effect on the date of the enactment of this chapter.
(3) Temporary redesignation of section 425.—During the period beginning on the date of the enactment of this chapter and ending on October 1, 1996, section 425 of the Social Security Act, as added by section 4701 of this Act, is redesignated as section 425A.

(b) Transition Rules.—

(1) Claims, actions, and proceedings.—The amendments made by this chapter shall not apply with respect to—

(A) powers, duties, functions, rights, claims, penalties, or obligations applicable to aid, assistance, or services provided before the effective date of this chapter under the provisions amended; and

(B) administrative actions and proceedings commenced before such date, or authorized before such date to be commenced, under such provisions.

(2) Closing out account for those programs terminated or substantially modified by this chapter.—In closing out accounts, Federal and State officials may use scientifically acceptable statistical sampling techniques. Claims made under programs which are repealed or substantially
amended in this chapter and which involve State ex-
penditures in cases where assistance or services were
provided during a prior fiscal year, shall be treated
as expenditures during fiscal year 1995 for purposes
of reimbursement even if payment was made by a
State on or after October 1, 1995. States shall com-
plete the filing of all claims no later than September
30, 1997. Federal department heads shall—

(A) use the single audit procedure to re-
view and resolve any claims in connection with
the closeout of programs; and

(B) reimburse States for any payments
made for assistance or services provided during
a prior fiscal year from funds for fiscal year
1995, rather than the funds authorized by this
chapter.

The Child Abuse Prevention and Treatment Act (42

“(1) Each year, close to 1,000,000 American children are victims of abuse and neglect.

“(E) is sensitive to ethnic and cultural diversity.

“(4) The child protection system should be comprehensive, child-centered, family-focused, and community-based, should incorporate all appropriate
measures to prevent the occurrence or recurrence of child abuse and neglect, and should promote physical and psychological recovery and social reintegration in an environment that fosters the health, safety, self-respect, and dignity of the child.
