SECTION 1. SHORT TITLE.

This Act may be cited as the “Electronic Freedom of Information Improvement Act of 1995”.

SEC. 2. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds that—
(1) the purpose of the Freedom of Information Act is to require agencies of the Federal Government to make certain agency information available for public inspection and copying and to establish and enable enforcement of the right of any person to obtain access to the records of such agencies (subject to statutory exemptions) for any public or private purpose;

(2) since the enactment of the Freedom of Information Act in 1966, and the amendments enacted in 1974 and 1986, the Freedom of Information Act has been a valuable means through which any person can learn how the Federal Government operates;

(3) the Freedom of Information Act has led to the disclosure of waste, fraud, abuse, and wrongdoing in the Federal Government;

(4) the Freedom of Information Act has led to the identification of unsafe consumer products, harmful drugs, and serious health hazards;

(5) Government agencies increasingly use computers to conduct agency business and to store publicly valuable agency records and information; and

(6) Government agencies should use new technology to enhance public access to agency records and information.
(b) Purposes.—The purposes of this Act are to—

(1) foster democracy by ensuring public access to agency records and information;
(2) improve public access to agency records and information;
(3) ensure agency compliance with statutory time limits; and

The remaining fees collected under this section shall be remitted to the Treasury as general funds or miscellaneous receipts.”

(b) Payment of the Expenses of the Person Making a Request.—Section 552(a)(4)(E) of title 5, United States Code, is amended by adding at the end thereof the following: “The court may assess against the United States all out-of-pocket expenses incurred by the person making a request, and reasonable attorney fees incurred in the administrative process, in any case in which the agency has failed to comply with the time limit provisions of paragraph (6) of this subsection. In determining whether to award such fees and expenses, a court should consider whether an agency’s failure to comply with statutory time limits was not warranted and demonstrated bad faith or was otherwise unreasonable in the context of the circumstances of the particular request.”
(c) **Demonstration of Circumstances for Delay.**—Section 552(a)(4)(E) of title 5, United States Code, is further amended—

(1) by inserting ``(i)'' after ``(E)''; and

(2) by adding at the end thereof the following new clause:

(f) **Notification of Denial.**—The last sentence of section 552(a)(6)(C) of title 5, United States Code, is
amended to read: “Any notification of any full or partial
denial of any request for records under this subsection
shall set forth the names and titles or positions of each
person responsible for the denial of such request and the
total number of denied records and pages considered by
the agency to have been responsive to the request.”.

(g) **MULTITRACK FIFO PROCESSING AND EXPEDITED ACCESS.**—Section 552(a)(6) of title 5, United
States Code, is amended by adding at the end thereof the
following new subparagraphs:

“(D) (i) Each agency shall adopt a first-in,
first-out (hereafter in this subparagraph referred to
as FIFO) processing policy in determining the order
in which requests are processed. The agency may es-

(i) a simple request shall be a request re-
quiring 10 days or less to make a determination
on whether to comply with such a request; and

(ii) a complex request shall be a request requiring more than 10 days to make a deter-
mination on whether to comply with such a request.

“(iii) A multitrack system shall not negate a claim of due diligence under subparagraph (C), if FIFO processing within each track is maintained and the agency can show that it has reasonably allocated resources to handle the processing for each track.

“(E) (i) Each agency shall promulgate regulations, pursuant to notice and receipt of public comment, providing that upon receipt of a request for expedited access to records and a showing by the person making such request of a compelling need for expedited access to records, the agency shall determine within 5 days (excepting Saturdays, Sundays, and legal public holidays) after the receipt of such a request, whether to comply with such request. No more than one day after making such determination the agency shall notify the person making a request for expedited access of such determination, the reasons therefor, and of the right to appeal to the head of the agency. A request for records to which the agency has granted expedited access shall be processed as soon as practicable. A request for records to which the agency has denied expedited access
shall be processed within the time limits under paragraph (6) of this subsection.

“(ii) A person whose request for expedited access has not been decided within 5 days of its receipt by the agency or has been denied shall be required to exhaust administrative remedies. A request for expedited access which has not been decided may be appealed to the head of the agency within 7 days (excepting Saturdays, Sundays, and legal public holidays) after its receipt by the agency. A request for expedited access that has been denied by the agency may be appealed to the head of the agency within 2 days (excepting Saturdays, Sundays, and legal public holidays) after the person making such request receives notice of the agency’s denial. If an agency head has denied, affirmed a denial, or failed to respond to a timely appeal of a request for expedited access, a court which would have jurisdiction of an action under paragraph (4)(B) of this subsection may, upon complaint, require the agency to show cause why the request for expedited access should not be granted, except that such review shall be limited to the record before the agency.

“(iii) The burden of demonstrating a compelling need by a person making a request for expedited ac-
cess may be met by a showing, which such person
certifies under penalty of perjury to be true and cor-
rect to the best of such person's knowledge and be-
lief, that failure to obtain the requested records
within the timeframe for expedited access under this
paragraph would—

``(I) threaten an individual's life or safety;
``(II) result in the loss of substantial due
process rights and the information sought is not
otherwise available in a timely fashion; or
``(III) affect public assessment of the na-
ture and propriety of actual or alleged govern-
mental actions that are the subject of wide-
spread, contemporaneous media coverage.''.

SEC. 7. COMPUTER REDACTION.

Section 552(b) of title 5, United States Code, is
amended by inserting before the period in the sentence
following paragraph (9) the following: ``, and the extent
of such deletion shall be indicated on the released portion
of the record at the place in the record where such deletion
was made''.

SEC. 8. DEFINITIONS.

Section 552(f) of title 5, United States Code, is
amended to read as follows:

``(f) For purposes of this section—
“(1) the term ‘agency’ as defined in section 551(1) of this title includes any executive department, military department, Government corporation, Government controlled corporation, or other establishment in the executive branch of the Government (including the Executive Office of the President), or any independent regulatory agency;
