2 For purposes of this Act:

3 (1) The term “coastal population” means the  
4 population of all political subdivisions, as determined  
5 by the most recent official data of the Census Bu-  
6 reau, contained in whole or in part within the des-  
7 ignated coastal boundary of a State as defined in a  
8 State’s coastal zone management program under the  
9 Coastal Zone Management Act (16 U.S.C. 1451 et  
10 seq.).

11 (2) The term “coastal political subdivision”  
12 means a political subdivision of a coastal State all or  
13 part of which political subdivision is within the  
14 coastal zone (as defined in section 304 of the Coast-  
15 al Zone Management Act (16 U.S.C. 1453)).

16 (3) The term “coastal State” has the same  
17 meaning as provided by section 304 of the Coastal  
18 Zone Management Act (16 U.S.C. 1453).

19 (4) The term “coastline” has the same meaning  
20 that it has in the Submerged Lands Act (43 U.S.C.  
21 1301 et seq.).

22 (5) The term “distance” means minimum great  
23 circle distance, measured in statute miles.

24 (6) The term “fiscal year” means the Federal  
25 Government’s accounting period which begins on Oc-

1 tober 1st and ends on September 30th, and is des-  
2 ignated by the calendar year in which it ends.

3 (7) The term “Governor” means the highest  
4 elected official of a State or of any other political en-  
5 tity that is defined as, or treated as, a State under

8 1937 (16 U.S.C. 669 et seq.), commonly referred to  
9 as the Federal Aid in Wildlife Restoration Act or the  
10 Pittman-Robertson Act, the Urban Park and Recre-  
11 ation Recovery Act of 1978 (16 U.S.C. 2501 et

16 any portion of such moneys.

17 cal year shall each be reduced proportionately.

18 (d) INTEREST.—

19 (1) IN GENERAL.—The Secretary of the Treas-

21 est), and in any fund or account to which moneys  
22 are transferred pursuant to subsection (b) of this  
23 section, in public debt securities with maturities  
24 suitable to the needs of the Fund, as determined by  
25 the Secretary of the Treasury, and bearing interest

1 at rates determined by the Secretary of the Treas-  
2 ury, taking into consideration current market yields  
3 on outstanding marketable obligations of the United  
4 States of comparable maturity. Such invested mon-  
5 eys shall remain invested until needed to meet re-  
6 quirements for disbursement for the programs fi-  
7 nanced under this Act.

8 (2) USE OF INTEREST.—Except as provided in  
9 paragraphs (3) and (4), interest earned on such  
10 moneys shall be available, without further appropria-  
11 tion, for obligation or expenditure under—

12 (A) chapter 69 of title 31, United States  
13 Code (relating to payments in lieu of taxes);

18 In each fiscal year such interest shall be allocated  
19 between the programs referred to in subparagraphs  
20 (A) and (B) in proportion to the amounts appro-  
21 priated for that fiscal year under other provisions of  
22 law for purposes of such programs. To the extent  
23 that the total amount available for a fiscal year  
24 under this paragraph and such other provisions of  
25 law for one of such programs exceeds the authorized

1 limit of that program, the amount available under  
2 this paragraph that contributes to such excess shall  
3 be allocated to the other such program, but not in  
4 excess of its authorized limit. To the extent that for  
5 both such programs such total amount for each pro-  
6 gram exceeds the authorized limit of that program,  
7 the amount available under this paragraph that con-  
8 tributes to such excess shall be deposited into the  
9 Fund and shall be considered interest for purposes  
10 of subsection (a)(3). Interest shall cease to be avail-  
11 able for obligation or expenditure for a fiscal year  
12 for purposes of subparagraph (A) if the annual ap-  
13 propriation for that fiscal year under other provi-  
14 sions of law for the program referred to in subpara-  
15 graph (A) is less than \$100,000,000, and in any  
16 such case, the allocation provisions of this paragraph  
17 shall not apply and all such interest shall be avail-  
18 able for purposes of the program referred to in sub-  
19 paragraph (B), up to the authorized limit of such  
20 program. Interest shall cease to be available for obli-  
21 gation or expenditure for a fiscal year for purposes  
22 of subparagraph (B) if the annual appropriation for  
23 that fiscal year under other provisions of law for the  
24 program referred to in subparagraph (A) is less than  
25 \$15,000,000, and in any such case, the allocation

1 provisions of this paragraph shall not apply and all  
2 such interest shall be available for purposes of the  
3 program referred to in subparagraph (A), up to the  
4 authorized limit of such program. Interest shall  
5 cease to be available for obligation or expenditure  
6 for a fiscal year for purposes of this paragraph if the  
7 annual appropriation for that fiscal year under other  
8 provisions of law for each of the program referred to  
9 in subparagraph (A) and the program referred to in  
10 subparagraph (B) is less than \$100,000,000 and  
11 \$15,000,000, respectively, and in any such case, the  
12 allocation provisions of this paragraph shall not  
13 apply and all such interest shall be deposited into  
14 the Fund and be considered interest for purposes of  
15 subsection (a)(3).

16 (3) CEILING ON EXPENDITURES OF INTER-  
17 EST.—Amounts made available under paragraph (2)  
18 in each fiscal year shall not exceed the lesser of the  
19 following:

20 (A) \$200,000,000.

21 (B) The total amount authorized and ap-  
22 propriated for that fiscal year under other pro-  
23 visions of law for purposes of the programs re-  
24 ferred to in subparagraphs (A) and (B) of para-  
25 graph (2).

1           (4) TITLE III INTEREST.—All interest attrib-  
2           utable to amounts transferred by the Secretary of  
3           the Treasury to the Secretary of the Interior for  
4           purposes of title III of this Act (and the amend-  
5           ments made by such title III) shall be available,  
6           without further appropriation, for obligation or ex-  
7           penditure for purposes of the North American Wet-  
8           lands Conservation Act of 1989 (16 U.S.C. 4401 et  
9           seq.).

10          (e) REFUNDS.—In those instances where through ju-  
11          dicial decision, administrative review, arbitration, or other  
12          means there are royalty refunds owed to entities gener-  
13          ating revenues under this title, refunds shall be paid by  
14          the Secretary of the Treasury from amounts available in  
15          the Fund to the extent that such refunds are attributable  
16          to qualified Outer Continental Shelf revenues deposited in  
17          the Fund under this Act.

18          (f) INTENT OF CONGRESS TO SUPPLEMENT ANNUAL  
19          APPROPRIATIONS FOR NATIONAL PARK SERVICE.—  
20          Amounts made available by this Act are intended by the  
21          Congress to supplement, and not detract from, annual ap-  
22          propriations for the National Park Service.

23          (g) ENSURING SOCIAL SECURITY AND MEDICARE  
24          SOLVENCY.—The Secretary of the Treasury shall not

1 transfer funds to the Conservation and Reinvestment Act  
2 Fund under this Act during any fiscal year unless—

3 (1) the Director of the Congressional Budget  
4 Office has certified that the House and Senate have  
5 approved legislation that—

6 (A) ensures that a sufficient portion of the  
7 on-budget surplus is reserved for debt retire-  
8 ment to put the Government on a path to elimi-  
9 nate the publicly held debt by fiscal year 2013  
10 under current economic and technical projec-  
11 tions; and

12 (B) ensures that there is not an on-budget  
13 deficit for that fiscal year;

14 (2) the Board of Trustees of the Federal Old-  
15 Age and Survivors Insurance Trust Fund and the  
16 Federal Disability Insurance Trust Fund has cer-  
17 tified that outlays from such trust funds are not an-  
18 ticipated to exceed the revenues to such trust funds  
19 during any of the next 5 fiscal years; and

20 (3) the Board of Trustees of the Federal Hos-  
21 pital Insurance Trust Fund has certified that the  
22 outlays from such trust fund are not anticipated to  
23 exceed the revenues to such trust fund during any  
24 of the next 5 fiscal years.

1 **SEC. 6. LIMITATION ON USE OF AVAILABLE AMOUNTS FOR**  
2 **ADMINISTRATION.**

3 Notwithstanding any other provision of law, of  
4 amounts made available by this Act (including the amend-  
5 ments made by this Act) for a particular activity, not more  
6 than 2 percent may be used for administrative expenses  
7 of that activity. Nothing in this section shall affect the  
8 prohibition contained in section 4(c)(3) of the Federal Aid  
9 in Wildlife Restoration Act (as amended by this Act).

10 **SEC. 7. RECORDKEEPING REQUIREMENTS.**

11 The Secretary of the Interior in consultation with the  
12 Secretary of Agriculture shall establish such rules regard-  
13 ing recordkeeping by State and local governments and the  
14 auditing of expenditures made by State and local govern-  
15 ments from funds made available under this Act as may  
16 be necessary. Such rules shall be in addition to other re-  
17 quirements established regarding recordkeeping and the  
18 auditing of such expenditures under other authority of  
19 law.

20 **SEC. 8. MAINTENANCE OF EFFORT AND MATCHING FUND-**  
21 **ING.**

22 (a) IN GENERAL.—It is the intent of the Congress  
23 in this Act that States not use this Act as an opportunity  
24 to reduce State or local resources for the programs funded  
25 by this Act. Except as provided in subsection (b), no State  
26 or local government shall receive any funds under this Act

1 during any fiscal year when its expenditures of non-Fed-  
2 eral funds for recurrent expenditures for programs for  
3 which funding is provided under this Act will be less than  
4 its expenditures were for such programs during the pre-  
5 ceding fiscal year. No State or local government shall re-  
6 ceive funding under this Act with respect to a program  
7 unless the Secretary is satisfied that such a grant will be  
8 so used to supplement and, to the extent practicable, in-  
9 crease the level of State, local, or other non-Federal funds  
10 available for such program.

11 (b) EXCEPTION.—The Secretary may provide fund-  
12 ing under this Act to a State or local government not  
13 meeting the requirements of subsection (a) if the Sec-  
14 retary determines that a reduction in expenditures—

15 (1) is attributable to a nonselective reduction in  
16 expenditures for the programs of all executive  
17 branch agencies of the State or local government; or

18 (2) is a result of reductions in State or local  
19 revenue as a result of a downturn in the economy.

20 (c) USE OF FUND TO MEET MATCHING REQUIRE-  
21 MENTS.—All funds received by a State or local govern-  
22 ment under this Act shall be treated as Federal funds for  
23 purposes of compliance with any provision in effect under  
24 any other law requiring that non-Federal funds be used

1 to provide a portion of the funding for any program or  
2 project.

3 **SEC. 9. SUNSET.**

4 This Act, including the amendments made by this

7 **SEC. 10. PROTECTION OF PRIVATE PROPERTY RIGHTS.**

14 any lands until the lands or water, or an interest therein,  
15 is acquired, unless authorized to do so by another Act of  
16 Congress.

17 **SEC. 11. SIGNS.**

18 (a) IN GENERAL.—The Secretary shall require, as a

5 **TITLE I—IMPACT ASSISTANCE**  
6 **AND COASTAL CONSERVATION**

7 **SEC. 101. IMPACT ASSISTANCE FORMULA AND PAYMENTS.**

8 (a) IMPACT ASSISTANCE PAYMENTS TO STATES.—

9 (1) GRANT PROGRAM.—Amounts transferred to  
10 the Secretary of the Interior from the Conservation  
11 and Reinvestment Act Fund under section 5(b)(1) of  
12 this Act for purposes of making payments to coastal  
13 States under this title in any fiscal year shall be al-  
14 located by the Secretary of the Interior among coast-  
15 al States as provided in this section in each such fis-  
16 cal year. In each such fiscal year, the Secretary of  
17 the Interior shall, without further appropriation, dis-  
18 burse such allocated funds to those coastal States  
19 for which the Secretary has approved a Coastal  
20 State Conservation and Impact Assistance Plan as  
21 required by this title. Payments for all projects shall  
22 be made by the Secretary to the Governor of the  
23 State or to the State official or agency designated by  
24 the Governor or by State law as having authority  
25 and responsibility to accept and to administer funds

1 paid hereunder. No payment shall be made to any  
2 State until the State has agreed to provide such re-  
3 ports to the Secretary, in such form and containing  
4 such information, as may be reasonably necessary to  
5 enable the Secretary to perform his duties under this  
6 title, and provide such fiscal control and fund ac-  
7 counting procedures as may be necessary to assure  
8 proper disbursement and accounting for Federal rev-  
9 enues paid to the State under this title.

10 (2) FAILURE TO HAVE PLAN APPROVED.—At  
11 the end of each fiscal year, the Secretary shall re-  
12 turn to the Conservation and Reinvestment Act  
13 Fund any amount that the Secretary allocated, but  
14 did not disburse, in that fiscal year to a coastal  
15 State that does not have an approved plan under  
16 this title before the end of the fiscal year in which  
17 such grant is allocated, except that the Secretary  
18 shall hold in escrow until the final resolution of the  
19 appeal any amount allocated, but not disbursed, to  
20 a coastal State that has appealed the disapproval of  
21 a plan submitted under this title.

22 (b) ALLOCATION AMONG COASTAL STATES.—

23 (1) ALLOCABLE SHARE FOR EACH STATE.—For  
24 each coastal State, the Secretary shall determine the  
25 State's allocable share of the total amount of the

1 revenues transferred from the Fund under section  
2 5(b)(1) for each fiscal year using the following  
3 weighted formula:

4 (A) Fifty percent of such revenues shall be  
5 allocated among the coastal States as provided  
6 in paragraph (2).

7 (B) Twenty-five percent of such revenues  
8 shall be allocated to each coastal State based on  
9 the ratio of each State's shoreline miles to the  
10 shoreline miles of all coastal States.

11 (C) Twenty-five percent of such revenues  
12 shall be allocated to each coastal State based on  
13 the ratio of each State's coastal population to  
14 the coastal population of all coastal States.

15 (2) OFFSHORE OUTER CONTINENTAL SHELF  
16 SHARE.—If any portion of a producing State lies  
17 within a distance of 200 miles from the geographic  
18 center of any leased tract with qualified Outer Con-  
19 tinental Shelf revenues, the Secretary of the Interior  
20 shall determine such State's allocable share under  
21 paragraph (1)(A) based on the formula set forth in  
22 this paragraph. Such State share shall be calculated  
23 as of the date of the enactment of this Act. Each  
24 such State's allocable share of the revenues dis-  
25 bursed under paragraph (1)(A) shall be based on

1 qualified Outer Continental Shelf revenues from  
2 each leased tract or portion of a leased tract the ge-  
3 ographic center of which is within a distance (to the  
4 nearest whole mile) of 200 miles from the coastline  
5 of the State and shall be inversely proportional to  
6 the distance between the nearest point on the coast-  
7 line of such State and the geographic center of each  
8 such leased tract or portion, as determined by the  
9 Secretary. In applying this paragraph a leased tract  
10 or portion of a leased tract shall be excluded if the  
11 tract or portion is located in a geographic area sub-  
12 ject to a leasing moratorium on January 1, 1999,  
13 unless the lease was issued prior to the establish-  
14 ment of the moratorium and was in production on  
15 January 1, 1999.

16 (3) MINIMUM STATE SHARE.—

17 (A) IN GENERAL.—The allocable share of  
18 revenues determined by the Secretary under  
19 this subsection for each coastal State with an  
20 approved coastal management program (as de-  
21 fined by the Coastal Zone Management Act (16  
22 U.S.C. 1451)), or which is making satisfactory  
23 progress toward one, shall not be less in any  
24 fiscal year than 0.50 percent of the total  
25 amount of the revenues transferred by the Sec-

1           retary of the Treasury to the Secretary of the  
2           Interior for purposes of this title for that fiscal  
3           year under subsection (a). For any other coast-  
4           al State the allocable share of such revenues  
5           shall not be less than 0.25 percent of such reve-  
6           nues.

7           (B) RECOMPUTATION.—Where one or  
8           more coastal States' allocable shares, as com-  
9           puted under paragraphs (1) and (2), are in-  
10          creased by any amount under this paragraph,  
11          the allocable share for all other coastal States  
12          shall be recomputed and reduced by the same  
13          amount so that not more than 100 percent of  
14          the amount transferred by the Secretary of the  
15          Treasury to the Secretary of the Interior for  
16          purposes of this title for that fiscal year under  
17          section 5(b)(1) is allocated to all coastal States.

18          The reduction shall be divided pro rata among  
19          such other coastal States.

20          (c) PAYMENTS TO POLITICAL SUBDIVISIONS.—In the  
21          case of a producing State, the Governor of the State shall  
22          pay 50 percent of the State's allocable share, as deter-  
23          mined under subsection (b), to the coastal political sub-  
24          divisions in such State. Such payments shall be allocated  
25          among such coastal political subdivisions of the State ac-

1 cording to an allocation formula analogous to the alloca-  
2 tion formula used in subsection (b) to allocate revenues  
3 among the coastal States, except that a coastal political  
4 subdivision in the State of California that has a coastal  
5 shoreline, that is not within 200 miles of the geographic  
6 center of a leased tract or portion of a leased tract, and  
7 in which there is located one or more oil refineries shall  
8 be eligible for that portion of the allocation described in  
9 subsection (b)(1)(A) and (b)(2) in the same manner as  
10 if that political subdivision were located within a distance  
11 of 50 miles from the geographic center of the closest  
12 leased tract with qualified Outer Continental Shelf reve-  
13 nues.

14 (d) TIME OF PAYMENT.—Payments to coastal States  
15 and coastal political subdivisions under this section shall  
16 be made not later than December 31 of each year from  
17 revenues received during the immediately preceding fiscal  
18 year.

19 **SEC. 102. COASTAL STATE CONSERVATION AND IMPACT AS-**  
20 **SISTANCE PLANS.**

21 (a) DEVELOPMENT AND SUBMISSION OF STATE  
22 PLANS.—Each coastal State seeking to receive grants  
23 under this title shall prepare, and submit to the Secretary,  
24 a Statewide Coastal State Conservation and Impact As-  
25 sistance Plan. In the case of a producing State, the Gov-

1 ernor shall incorporate the plans of the coastal political  
2 subdivisions into the Statewide plan for transmittal to the  
3 Secretary. The Governor shall solicit local input and shall  
4 provide for public participation in the development of the  
5 Statewide plan. The plan shall be submitted to the Sec-  
6 retary by April 1 of the calendar year after the calendar  
7 year in which this Act is enacted.

8 (b) APPROVAL OR DISAPPROVAL.—

9 (1) IN GENERAL.—Approval of a Statewide  
10 plan under subsection (a) is required prior to dis-  
11 bursement of funds under this title by the Secretary.  
12 The Secretary shall approve the Statewide plan if  
13 the Secretary determines, in consultation with the  
14 Secretary of Commerce, that the plan is consistent  
15 with the uses set forth in subsection (c) and if the  
16 plan contains each of the following:

17 (A) The name of the State agency that will  
18 have the authority to represent and act for the  
19 State in dealing with the Secretary for purposes  
20 of this title.

22 the plan which shall include (i) a description of  
23 how the plan will address environmental con-  
24 cerns, (ii) for producing States, a description of  
25 how funds will be used to address the impacts

2 nental Shelf, and (iii) a description of how the  
3 State will evaluate the effectiveness of the plan.

4 (C) Certification by the Governor that  
5 ample opportunity has been accorded for public  
6 participation in the development and revision of  
7 the plan.

8 (D) Measures for taking into account other  
9 relevant Federal resources and programs. The  
10 plan shall be correlated so far as practicable  
11 with other State, regional, and local plans.

12 (2) PROCEDURE AND TIMING; REVISIONS.—The  
13 Secretary shall approve or disapprove each plan sub-  
14 mitted in accordance with this section. If a State  
15 first submits a plan by not later than 90 days before  
16 the beginning of the first fiscal year to which the  
17 plan applies, the Secretary shall approve or dis-  
18 approve the plan by not later than 30 days before  
19 the beginning of that fiscal year.

20 (3) AMENDMENT OR REVISION.—Any amend-  
21 ment to or revision of the plan shall be prepared in  
22 accordance with the requirements of this subsection  
23 and shall be submitted to the Secretary for approval  
24 or disapproval. Any such amendment or revision  
25 shall take effect only for fiscal years after the fiscal

1 year in which the amendment or revision is approved  
2 by the Secretary.

3 (c) AUTHORIZED USES OF STATE GRANT FUND-  
4 ING.—The funds provided under this title to a coastal  
5 State and for coastal political subdivisions are authorized

9 fishery or marine mammal stock surveys in State  
10 waters or both, cooperative State, interstate, and  
11 Federal fishery or marine mammal stock surveys or

21 on onshore infrastructure.

22           (11) Projects that promote research, education,  
23 training, and advisory services in fields related to  
24 ocean, coastal, and Great Lakes resources.

1 (d) COMPLIANCE WITH AUTHORIZED USES.—Based  
2 on the annual reports submitted under section 4 of this  
3 Act and on audits conducted by the Secretary under sec-  
4 tion 7, the Secretary shall review the expenditures made  
5 by each State and coastal political subdivision from funds

19 ratio that the population of the State bears to  
20 the total population of all States.

21 No amount may be apportioned under this paragraph to  
22 any State (herein referred to as an ‘unfunded State’) that

13 State may define its own priorities and criteria for selec-  
14 tion of outdoor conservation and recreation acquisition  
15 and development projects eligible for grants under this  
16 Act, so long as the priorities and criteria defined by the  
17 State are consistent with the purposes of this Act, the  
18 State provides for public involvement in this process, and  
19 the State publishes an accurate and current State Action  
20 Agenda for Community Conservation and Recreation (in  
21 this Act referred to as the ‘State Action Agenda’) indi-  
22 cating the needs it has identified and the priorities and  
23 criteria it has established. In order to assess its needs and  
24 establish its overall priorities, each State, in partnership  
25 with its local governments and Federal agencies, and in

14 providers of conservation and recreation lands within each  
15 State, including Federal, regional, and local government  
16 resources, and shall be correlated whenever possible with  
17 other State, regional, and local plans for parks, recreation,  
18 open space, and wetlands conservation. Recovery action  
19 programs developed by urban localities under section 1007  
20 of the Urban Park and Recreation Recovery Act of 1978  
21 shall be used by a State as a guide to the conclusions,  
22 priorities, and action schedules contained in State Action  
23 Agenda. Each State shall assure that any requirements  
24 for local outdoor conservation and recreation planning,

3 of recovery action programs to meet such requirements.”.

19 public health and safety. Any conversion must satisfy such  
20 conditions as the Secretary deems necessary to assure the  
21 substitution of other conservation and recreation prop-  
22 erties of at least equal fair market value and reasonably
