18 (3) *as this legislation demonstrates, Congress be-*
 19 *lieves it to be a vital national mission to restore and*
 20 *preserve this ecosystem and accordingly is authorizing*
 21 *a significant Federal investment to do so;*

22 (4) *Congress seeks to have the remaining prop-*

20 *potential environmental impacts of various reuse op-*
21 *tions;*

22 *(3) the redevelopment of the former base should*
23 *be consistent with restoration goals, provide desirable*
24 *numbers of jobs and economic redevelopment for the*

1 community, and be consistent with other applicable
2 laws;

3 (4) consistent with applicable laws, the Secretary
4 of the Air Force should proceed as quickly as prac-
5 ticable to issue a final SEIS and Record of Decision
6 so that reuse of the former air base can proceed expe-
7 ditiously;

8 (5) following conveyance of the remaining sur-
9 plus property, the Secretary, as part of his oversight
10 for Everglades restoration, should cooperate with the
11 entities to which the various parcels of surplus prop-
12 erty were conveyed so that the planned use of those
13 properties is implemented in such a manner as to re-
14 main consistent with the goals of the Everglades res-
15 toration plan; and

16 (6) by August 1, 2002, the Secretary should sub-
