5 (a) FINDINGS.—The Congress finds that—

6 (1) derivatives markets serving United States
7 industry are increasingly global in scope;

8 (2) developments in data processing and com-
9 munications technologies enable users of risk man-
10 agement services to analyze and compare those serv-
11 ices on a worldwide basis;

12 (3) financial services regulatory policy must be
13 flexible to account for rapidly changing derivatives
14 industry business practices;

15 (4) regulatory impediments to the operation of
16 global business interests can compromise the com-
17 petitiveness of United States businesses;

18 (5) events that disrupt financial markets and

20 regulatory response, and coordinated regulatory ef-
21 fort across international jurisdictions;

23 Organisation of Securities Commissions, the Com-
24modity Futures Trading Commission has promoted

1 beneficial communication among market regulators
2 and international regulatory cooperation; and

3 (7) the Commodity Futures Trading Commis-
4 sion and other United States financial regulators
5 and self-regulatory organizations should continue to
6 foster productive and cooperative working relation-
7 ships with their counterparts in foreign jurisdictions.

8 (b) SENSE OF THE CONGRESS.—It is the sense of
9 the Congress that, consistent with its responsibilities
10 under the Commodity Exchange Act, the Commodity Fu-
11 tures Trading Commission should, as part of its inter-
12 national activities, continue to coordinate with foreign reg-
13 ulatory authorities, to participate in international regu-
14 latory organizations and forums, and to provide technical
15 assistance to foreign government authorities, in order to
16 encourage—

17 (1) the facilitation of cross-border transactions
18 through the removal or lessening of any unnecessary
19 legal or practical obstacles;

20 (2) the development of internationally accepted
21 regulatory standards of best practice;

22 (3) the enhancement of international super-
23 visory cooperation and emergency procedures;

24 (4) the strengthening of international coopera-
25 tion for customer and market protection; and

3 “(A) FILING REQUIRED.—A self-regulatory
4 organization that is an exchange registered with
5 the Commission pursuant to section 6(g) of this
6 title or that is a national securities association
7 registered pursuant to section 15A(k) of this
8 title shall file with the Commission, in accord-
9 ance with such rules as the Commission may
10 prescribe, copies of any proposed rule change or
11 any proposed change in, addition to, or deletion
12 from the rules of such self-regulatory organiza-
13 tion (hereinafter in this paragraph collectively
14 referred to as a ‘proposed rule change’) that re-
15 lates to higher margin levels, fraud or manipu-
16 lation, recordkeeping, reporting, listing stand-
17 ards, or decimal pricing for security futures
18 products, sales practices for security futures
19 products for persons who effect transactions in
20 security futures products, or rules effectuating
21 such self-regulatory organization’s obligation to
22 enforce the securities laws. Such proposed rule
23 change shall be accompanied by a concise gen-
24 eral statement of the basis and purpose of such
25 proposed rule change. The Commission shall,

1 upon the filing of any proposed rule change,
2 promptly publish notice thereof together with
3 the terms of substance of the proposed rule
4 change or a description of the subjects and
5 issues involved. The Commission shall give in-
6 terested persons an opportunity to submit data,
7 views, and arguments concerning such proposed
8 rule change.

9 “(B) FILING WITH CFTC.—A proposed rule
10 change filed with the Commission pursuant to
11 subparagraph (A) shall be filed concurrently
12 with the Commodity Futures Trading Commis-
13 sion. Such proposed rule change may take ef-
14 fect upon filing of a written certification with
15 the Commodity Futures Trading Commission
16 under section 5c(c) of the Commodity Exchange
17 Act, upon a determination by the Commodity
18 Futures Trading Commission that review of the
19 proposed rule change is not necessary, or upon
20 approval of the proposed rule change by the
21 Commodity Futures Trading Commission.

22 “(C) ABROGATION OF RULE CHANGES.—
23 Any proposed rule change of a self-regulatory
24 organization that has taken effect pursuant to
25 subparagraph (B) may be enforced by such self-

1 regulatory organization to the extent such rule
2 is not inconsistent with the provisions of this
3 title, the rules and regulations thereunder, and
4 applicable Federal law. At any time within 60
5 days of the date of the filing of a written cer-
6 tification with the Commodity Futures Trading
7 Commission under section 5c(c) of the Com-
8 modity Exchange Act, the date the Commodity
9 Futures Trading Commission determines that
10 review of such proposed rule change is not nec-
11 essary, or the date the Commodity Futures
12 Trading Commission approves such proposed
13 rule change, the Commission, after consultation
14 with the Commodity Futures Trading Commis-
15 sion, may summarily abrogate the proposed rule
16 change and require that the proposed rule
17 change be refiled in accordance with the provi-
18 sions of paragraph (1), if it appears to the
19 Commission that such proposed rule change un-
20 duly burdens competition or efficiency, conflicts
21 with the securities laws, or is inconsistent with
22 the public interest and the protection of inves-
23 tors. Commission action pursuant to the pre-
24 ceding sentence shall not affect the validity or
25 force of the rule change during the period it

1 was in effect and shall not be reviewable under
2 section 25 of this title nor deemed to be a final
3 agency action for purposes of section 704 of
4 title 5, United States Code.

5 “(D) REVIEW OF RESUBMITTED ABRO-
6 GATED RULES.—

7 “(i) PROCEEDINGS.—Within 35 days
8 of the date of publication of notice of the
9 filing of a proposed rule change that is ab-

11 (C) and refiled in accordance with para-
12 graph (1), or within such longer period as
13 the Commission may designate up to 90
14 days after such date if the Commission
15 finds such longer period to be appropriate
16 and publishes its reasons for so finding or
17 as to which the self-regulatory organization
18 consents, the Commission shall—

19 “(I) by order approve such pro-
20 posed rule change; or

21 “(II) after consultation with the
22 Commodity Futures Trading Commis-
23 sion, institute proceedings to deter-
24 mine whether the proposed rule
25 change should be disapproved. Pro-

1 ceedings under subclause (II) shall in-
2 clude notice of the grounds for dis-
3 approval under consideration and op-
4 portunity for hearing and be con-
5 cluded within 180 days after the date
6 of publication of notice of the filing of
7 the proposed rule change. At the con-
8 clusion of such proceedings, the Com-
9 mission, by order, shall approve or
10 disapprove such proposed rule change.
11 The Commission may extend the time
12 for conclusion of such proceedings for
13 up to 60 days if the Commission finds
14 good cause for such extension and
15 publishes its reasons for so finding or
16 for such longer period as to which the
17 self-regulatory organization consents.

18 “(ii) GROUNDS FOR APPROVAL.—The
19 Commission shall approve a proposed rule
20 change of a self-regulatory organization
21 under this subparagraph if the Commission
22 finds that such proposed rule change does
23 not unduly burden competition or effi-
24 ciency, does not conflict with the securities
25 laws, and is not inconsistent with the pub-

1 lic interest or the protection of investors.
 2 The Commission shall disapprove such a
 3 proposed rule change of a self-regulatory
 4 organization if it does not make such find-
 5 ing. The Commission shall not approve any
 6 proposed rule change prior to the 30th day
 7 after the date of publication of notice of
 8 the filing thereof, unless the Commission
 9 finds good cause for so doing and pub-
 10 lishes its reasons for so finding.”.

11 (2) DECIMAL PRICING PROVISIONS.—Section
 12 19(b) of the Securities Exchange Act of 1934 (15

15 “(8) DECIMAL PRICING.—Not later than 9
 16 months after the date on which trading in any secu-

 18 self-regulatory organizations listing or trading secu-

 20 necessary to implement decimal pricing of security
 21 futures products. The Commission may not require
 22 such rules to contain equal minimum increments in

10 15A(a) or a national securities exchange subject
11 to the provisions of subsection (a) that pri-
12 marily concerns conduct related to transactions
13 in security futures products, except where the
14 Commission determines that an emergency ex-
15 ists requiring expeditious or summary action
16 and publishes its reasons therefor.

17 “(B) RESPONSES TO CFTC COMMENTS AND
18 FINDINGS.—If the Commodity Futures Trading
19 Commission comments in writing to the Com-
20 mission on a proposed rule that has been pub-
21 lished for comment, the Commission shall re-
22 spond in writing to such written comment be-
23 fore approving or disapproving the proposed
24 rule. If the Commodity Futures Trading Com-
25 mission determines, and notifies the Commis-

1 sion, that such rule, if implemented or as ap-
 2 plied, would—

3 “(i) adversely affect the liquidity or
 4 efficiency of the market for security fu-
 5 tures products; or

6 “(ii) impose any burden on competi-
 7 tion not necessary or appropriate in fur-
 8 therance of the purposes of this section,
 9 the Commission shall, prior to approving or dis-
 10 approving the proposed rule, find that such rule
 11 is necessary and appropriate in furtherance of
 12 the purposes of this section notwithstanding the

 14 termination.”.

8 contract, or transaction, this subsection shall apply
9 only to the extent such violation involves a security
10 futures product.”.
