8 “(d) VALUATION RULES FOR CERTAIN TRANSFERS  
9 OF NONBUSINESS ASSETS.—For purposes of this chapter  
10 and chapter 12—

11 “(1) IN GENERAL.—In the case of the transfer  
12 of any interest in an entity other than an interest  
13 which is actively traded (within the meaning of sec-  
14 tion 1092)—

15 “(A) the value of any nonbusiness assets  
16 held by the entity shall be determined as if the  
17 transferor had transferred such assets directly  
18 to the transferee (and no valuation discount  
19 shall be allowed with respect to such nonbusi-  
20 ness assets), and

21 “(B) the nonbusiness assets shall not be  
22 taken into account in determining the value of  
23 the interest in the entity.

24 “(2) NONBUSINESS ASSETS.—For purposes of  
25 this subsection—

1           “(A) IN GENERAL.—The term ‘nonbusi-

7           (C), a passive asset shall not be treated for pur-  
8           poses of subparagraph (A) as used in the active  
9           conduct of a trade or business unless—

10           “(i) the asset is property described in  
11           paragraph (1) or (4) of section 1221(a) or  
12           is a hedge with respect to such property,  
13           or

14           “(ii) the asset is real property used in  
15           the active conduct of 1 or more real prop-  
16           erty trades or businesses (within the mean-  
17           ing of section 469(c)(7)(C)) in which the  
18           transferor materially participates and with  
19           respect to which the transferor meets the  
20           requirements of section 469(c)(7)(B)(ii).

21           For purposes of clause (ii), material participa-  
22           tion shall be determined under the rules of sec-  
23           tion 469(h), except that section 469(h)(3) shall  
24           be applied without regard to the limitation to  
25           farming activity.

1           “(C) EXCEPTION FOR WORKING CAP-  
2           ITAL.—Any asset (including a passive asset)  
3           which is held as a part of the reasonably re-  
4           quired working capital needs of a trade or busi-  
5           ness shall be treated as used in the active con-  
6           duct of a trade or business.

7           “(3) PASSIVE ASSET.—For purposes of this  
8           subsection, the term ‘passive asset’ means any—

9           “(A) cash or cash equivalents,

10           “(B) except to the extent provided by the  
11           Secretary, stock in a corporation or any other  
12           equity, profits, or capital interest in any entity,

13           “(C) evidence of indebtedness, option, for-  
14           ward or futures contract, notional principal con-  
15           tract, or derivative,

16           “(D) asset described in clause (iii), (iv), or  
17           (v) of section 351(e)(1)(B),

18           “(E) annuity,

19           “(F) real property used in 1 or more real  
20           property trades or businesses (as defined in sec-  
21           tion 469(e)(7)(C)),

2           tion 401(m)), or

3           “(J) any other asset specified in regula-  
4           tions prescribed by the Secretary.

5           “(4) LOOK-THRU RULES.—

6           “(A) IN GENERAL.—If a nonbusiness asset  
7           of an entity consists of a 10-percent interest in  
8           any other entity, this subsection shall be ap-  
9           plied by disregarding the 10-percent interest  
10          and by treating the entity as holding directly its  
11          ratable share of the assets of the other entity.  
12          This subparagraph shall be applied successively  
13          to any 10-percent interest of such other entity  
14          in any other entity.

15          “(B) 10-PERCENT INTEREST.—The term  
16          ‘10-percent interest’ means—

17               “(i) in the case of an interest in a cor-

19               (by vote or value) of the stock in such cor-  
20               poration,

21               “(ii) in the case of an interest in a  
22               partnership, ownership of at least 10 per-  
23               cent of the capital or profits interest in the  
24               partnership, and

1                   “(iii) in any other case, ownership of  
2                   at least 10 percent of the beneficial inter-  
3                   ests in the entity.

4                   “(5) COORDINATION WITH SUBSECTION (b).—  
5                   Subsection (b) shall apply after the application of  
6                   this subsection.

7                   “(e) LIMITATION ON MINORITY DISCOUNTS.—For  
8                   purposes of this chapter and chapter 12, in the case of  
9                   the transfer of any interest in an entity other than an in-  
10                  terest which is actively traded (within the meaning of sec-  
11                  tion 1092), no discount shall be allowed by reason of the  
12                  fact that the transferee does not have control of such enti-  
13                  ty if the transferee and members of the family (as defined  
14                  in section 2032A(e)(2)) of the transferee have control of  
15                  such entity.”

16                  (b) EFFECTIVE DATE.—The amendments made by  
17                  this section shall apply to transfers after the date of the  
18                  enactment of this Act.
