IN THE HOUSE OF REPRESENTATIVES

A BILL

To direct the Secretary of the Interior to establish the Cooperative Landscape Conservation Program.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Cooperative Landscape
5 Conservation Act”.

6 **SEC. 2. PURPOSE.**

7 The purpose of this Act is to establish a program ad-
8 ministered by the Secretary of the Interior to provide
9 matching grants to certain eligible entities to facilitate the
10 acquisition of permanent conservation easements on lands

1 in order to conserve wildlife, fisheries, public recreation,
2 open space, and other important conservation values
3 where consistent with the continuation of traditional uses
4 of those lands by private landowners.

5 **SEC. 3. ESTABLISHMENT OF THE COOPERATIVE LAND-**
6 **SCAPE PROTECTION PROGRAM.**

7 (a) ESTABLISHMENT.—The Secretary of the Interior
8 shall establish and carry out a program, to be known as
9 the Cooperative Landscape Conservation Program, under
10 which the Secretary, subject to the availability of appro-
11 priations, shall provide grants to eligible entities to provide
12 the Federal share of the cost of acquiring permanent con-
13 servation easements on private lands that provide impor-
14 tant wildlife, fisheries, public recreation, open space, or
15 other conservation benefits to the public, for the purpose
16 of preventing the loss of those benefits due to development
17 that is inconsistent with the traditional uses of the land.

18 (b) APPLICATION FOR EASEMENTS.—To request a
19 grant under this section, an eligible entity shall submit
20 an application that—

22 to the easement and the conservation benefits that
23 will result from acquiring the easement; and

24 (2) demonstrates how the traditional use of the
25 property will be maintained.

1 (c) PRIORITY.—In providing grants under this sec-
2 tion, the Secretary shall give priority to grants to acquire
3 easements that—

4 (1) are in areas where rapid population growth
5 and increasing land values are creating development
6 pressures that threaten traditional use of land and
7 the ability to maintain open space; and

8 (2) in comparison to other easements for which
9 grant applications are submitted under this section
10 in the same year, will provide the greatest conserva-
11 tion benefit for wildlife, fish, natural resources, or
12 open space while maintaining the traditional use of
13 land.

14 (d) COST SHARING.—

15 (1) FEDERAL SHARE.—The Federal share of
16 the cost of acquiring a conservation easement with
17 a grant under this section may not exceed 50 per-
18 cent of the total cost of acquiring the easement.

19 (2) IN-KIND CONTRIBUTIONS.—Subject to such
20 reasonable conditions as the Secretary may estab-
21 lish, the Secretary shall apply to the non-Federal
22 share of the cost of such acquisition the value of any
23 land, interest in land, good, or service applied to
24 that acquisition.

1 (e) TITLE; ENFORCEMENT.—Title to a conservation
2 easement acquired with a grant under this section may
3 be held and enforced only by an eligible entity.

4 (f) STATE CERTIFICATION.—As a condition of the re-
5 ceipt by an eligible entity of a grant under subsection (a),
6 the attorney general of the State in which the conservation
7 easement is to be acquired using the grant funds must
8 certify that the conservation easement to be acquired is
9 in a form that is sufficient, under the laws of the State,
10 to achieve the conservation purposes of the easement and
11 the terms and conditions of the grant.

12 (g) TECHNICAL ASSISTANCE.—The Secretary may
13 not use more than 10 percent of the amount that is avail-
14 able for any fiscal year to carry out this Act to provide
15 technical assistance to carry out this section.

16 (h) DEFINITIONS.—In this section:

17 (1) ELIGIBLE ENTITY.—The term “eligible enti-
18 ty” means—
