## IN THE HOUSE OF REPRESENTATIVES

JANUARY 31, 2001

Mr. GREEN of Texas introduced the following bill; which was referred to the Committee on Energy and Commerce

---

## A BILL

To amend the Communications Act of 1934 to provide for the use of unexpended universal service funds in low-income schools, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Children’s Access to  
5 Technology Act”.

6 **SEC. 2. AMENDMENT.**

7 Section 254(h) of the Communications Act of 1934  
8 (47 U.S.C. 254(h)) is amended—

1           (1) by redesignating paragraph (7) as para-  
2           graph (8); and

3           (2) by inserting after paragraph (6) the fol-  
4           lowing new paragraph:

5           “(7) ADDITIONAL ELIGIBLE USES FOR REVERT-  
6           ING FUNDS.—

7                   “(A) UNEXPENDED BALANCES AVAILABLE  
8                   FOR EXPANDED PURPOSES.—If at the conclu-  
9                   sion of any program year, any amount which  
10                  has been authorized for payment for eligible  
11                  services under this section remains unexpended,  
12                  such amount shall be available for distribution  
13                  under this paragraph to schools serving eligible  
14                  school districts for expanded services during the  
15                  succeeding program year, except that—

16                       “(i) the total amount so made avail-  
17                       able shall not exceed \$100,000,000 for any  
18                       program year; and

19                       “(ii) the amount made available to  
20                       any individual school for any program year  
21                       shall not exceed \$25,000.

22                   “(B) EXPANDED SERVICES.—Funds avail-  
23                   able under this paragraph may be used to ac-  
24                   quire, in addition to the telecommunications  
25                   services available under this subsection, infor-

1           mation services, including devices necessary to  
2           access and use such services.

3           “(C) DISTRIBUTION OF FUNDS FOR EX-  
4           PANDED SERVICES.—Funds shall be made  
5           available under this paragraph by a system of  
6           random selection from schools serving eligible  
7           school districts that have submitted applications  
8           complying with such regulations as the Com-  
9           mission shall prescribe for purposes of this  
10          paragraph.

11          “(D) ELIGIBLE SCHOOL DISTRICT.—The  
12          term ‘eligible school district’ means, for any  
13          program year, a local educational agency that is  
14          eligible for a concentration grant under section  
15          1124A of the Elementary and Secondary Edu-  
16          cation Act of 1965 for the preceding fiscal  
17          year.”.
