## CONCURRENT RESOLUTION

Expressing the sense of Congress regarding the efforts of people of the United States of Korean ancestry to reunite with their family members in North Korea.

Whereas such reunions have been held in North and South Korea since the signing of the joint declaration, reuniting family members who had not seen or heard from each other for more than 50 years;

Whereas 500,000 people of the United States of Korean ancestry bear the pain of being separated from their families in North Korea;

Whereas the United States values peace in the global community and has long recognized the significance of uniting families torn apart by the tragedy of war; and

Whereas a petition drive is taking place throughout the United States, urging the United States Government to assist in the reunification efforts: Now, therefore, be it
