13 Services shall establish a fund, administered through  
14 the National Center for Health Statistics, to provide

16                      subclause (II).

17                      “(II) SPECIAL RULE FOR FAILURE OF

2 VERIFICATION.—

3           “(A) IN GENERAL.—After completion of

6           “(i) retain the form and make it avail-  
7 able for inspection by officers of the De-  
8 partment of Homeland Security, the Spe-  
9 cial Counsel for Immigration-Related Un-  
10 fair Employment Practices, or the Depart-  
11 ment of Labor during a period beginning  
12 on the date of the hiring, recruiting, or re-  
13 ferral of the individual and ending—

14           “(I) in the case of the recruiting  
15 or referral for a fee (without hiring)  
16 of an individual, three years after the  
17 date of the recruiting or referral; and

18           “(II) in the case of the hiring of  
19 an individual, the later of—

20           “(aa) three years after the

23 date the individual’s employment  
24 is terminated; and

1           “(ii) make an inquiry, as provided in  
2 paragraph (4), using the verification sys-  
3 tem to seek verification of the identity and  
4 employment eligibility of an individual, by

6 (as specified by the Secretary of Homeland  
7 Security) after the date of the hiring (or  
8 recruitment or referral, as the case may  
9 be).

10           “(B) VERIFICATION.—

11           “(i) VERIFICATION RECEIVED.—If the  
12 person or other entity receives an appro-  
13 priate verification of an individual’s iden-  
14 tity and work eligibility under the  
15 verification system within the time period  
16 specified, the person or entity shall record  
17 on the form an appropriate code that is  
18 provided under the system and that indi-  
19 cates a final verification of such identity  
20 and work eligibility of the individual.

21           “(ii) TENTATIVE NONVERIFICATION  
22 RECEIVED.—If the person or other entity  
23 receives a tentative nonverification of an  
24 individual’s identity or work eligibility  
25 under the verification system within the

1 time period specified, the person or entity  
2 shall so inform the individual for whom the  
3 verification is sought. If the individual does  
4 not contest the nonverification within the  
5 time period specified, the nonverification  
6 shall be considered final. The person or en-  
7 tity shall then record on the form an ap-  
8 propriate code which has been provided  
9 under the system to indicate a tentative  
10 nonverification. If the individual does con-  
11 test the nonverification, the individual shall  
12 utilize the process for secondary  
13 verification provided under paragraph (4).  
14 The nonverification will remain tentative  
15 until a final verification or nonverification  
16 is provided by the verification system with-  
17 in the time period specified. In no case  
18 shall an employer terminate employment of  
19 an individual because of a failure of the in-  
20 dividual to have identity and work eligi-  
21 bility confirmed under this section until a  
22 nonverification becomes final. Nothing in  
23 this clause shall apply to a termination of  
24 employment for any reason other than be-  
25 cause of such a failure.

1                   “(iii) FINAL VERIFICATION OR  
2 NONVERIFICATION RECEIVED.—If a final  
3 verification or nonverification is provided  
4 by the verification system regarding an in-  
5 dividual, the person or entity shall record  
6 on the form an appropriate code that is  
7 provided under the system and that indi-  
8 cates a verification or nonverification of  
9 identity and work eligibility of the indi-  
10 vidual.

11                   “(iv) EXTENSION OF TIME.—If the  
12 person or other entity in good faith at-  
13 tempts to make an inquiry during such 3  
14 working days and the verification system  
15 has registered that not all inquiries were  
16 received during such time, the person or  
17 entity may make an inquiry in the first  
18 subsequent working day in which the  
19 verification system registers that it has re-  
20 ceived all inquiries. If the verification sys-  
21 tem cannot receive inquiries at all times  
22 during a day, the person or entity merely  
23 has to assert that the entity attempted to  
24 make the inquiry on that day for the pre-  
25 vious sentence to apply to such an inquiry,

1 and does not have to provide any addi-  
 2 tional proof concerning such inquiry.

3 “(v) CONSEQUENCES OF  
 4 NONVERIFICATION.—If the person or other  
 5 entity has received a final nonverification  
 6 regarding an individual, the person or enti-  
 7 ty shall terminate employment (or recruit-  
 8 ment or referral) of the individual.”.

9 (b) EFFECTIVE DATE.—The amendments made by  
 10 subsection (a) shall take effect 2 years after the date of  
 11 the enactment of this Act. Retention of form requirements  
 12 under section 274A(b)(3) of the Immigration and Nation-  
 13 ality Act, as in effect before such effective date, shall re-  
 14 main in effect as if this section had not been enacted for  
 15 forms completed before such effective date.

16 **SEC. 142. EMPLOYMENT ELIGIBILITY VERIFICATION SYS-**  
 17 **TEM.**

18 (a) IN GENERAL.—Section 274A(b)(4) (8 U.S.C.  
 19 1324a(b)(4)) is amended to read as follows:

20 “(4) EMPLOYMENT ELIGIBILITY VERIFICATION  
 21 SYSTEM.—

22 “(A) IN GENERAL.—The Secretary of  
 23 Homeland Security shall establish a verification  
 24 system through which the Secretary (or a des-

1           ignee of the Secretary, which may be a non-  
2           governmental entity)—

3                   “(i) responds to inquiries made by  
4                   persons at any time through a toll-free  
5                   telephone line or other toll-free electronic  
6                   media concerning an individual’s identity  
7                   and whether the individual is authorized to  
8                   be employed; and

9                   “(ii) maintains records of the inquir-  
10                  ies that were made, of verifications pro-  
11                  vided (or not provided), and of the codes  
12                  provided to inquirers as evidence of their  
13                  compliance with their obligations under  
14                  this section.

15           To the extent practicable, the Secretary shall  
16           seek to establish such a system using one or  
17           more nongovernmental entities.

18                   “(B) INITIAL RESPONSE.—The verification  
19                   system shall provide verification or a tentative  
20                   nonverification of an individual’s identity and  
21                   employment eligibility within 3 working days of  
22                   the initial inquiry. If providing verification or  
23                   tentative nonverification, the verification system  
24                   shall provide an appropriate code indicating  
25                   such verification or such nonverification.

1           “(C) SECONDARY VERIFICATION PROCESS  
2           IN CASE OF TENTATIVE NONVERIFICATION.—In  
3           cases of tentative nonverification, the Secretary  
4           of Homeland Security shall specify, in consulta-  
5           tion with the Commissioner of Social Security,  
6           an available secondary verification process to  
7           confirm the validity of information provided and  
8           to provide a final verification or nonverification  
9           within 7 working days after the date of the ten-  
10          tentative nonverification. When final verification or  
11          nonverification is provided, the verification sys-  
12          tem shall provide an appropriate code indicating  
13          such verification or nonverification.

14          “(D) DESIGN AND OPERATION OF SYS-  
15          TEM.—The verification system shall be designed  
16          and operated—

17                 “(i) to maximize its reliability and  
18                 ease of use by persons and other entities  
19                 consistent with insulating and protecting  
20                 the privacy and security of the underlying  
21                 information;

22                 “(ii) to respond to all inquiries made  
23                 by such persons and entities on whether  
24                 individuals are authorized to be employed

1 and to register all times when such inquir-  
2 ies are not received;

3 “(iii) with appropriate administrative,  
4 technical, and physical safeguards to pre-  
5 vent unauthorized disclosure of personal  
6 information; and

7 “(iv) to have reasonable safeguards  
8 against the system’s resulting in unlawful  
9 discriminatory practices based on national  
10 origin or citizenship status, including—

11 “(I) the selective or unauthorized  
12 use of the system to verify eligibility;

13 “(II) the use of the system prior  
14 to an offer of employment; or

15 “(III) the exclusion of certain in-  
16 dividuals from consideration for em-  
17 ployment as a result of a perceived  
18 likelihood that additional verification  
19 will be required, beyond what is re-  
20 quired for most job applicants.

21 “(E) RESPONSIBILITIES OF THE COMMIS-  
22 SIONER OF SOCIAL SECURITY.—As part of the  
23 verification system, the Commissioner of Social  
24 Security, in consultation with the entity respon-  
25 sible for administration of the system, shall es-

1            establish a reliable, secure method, which, within  
2            the time periods specified under subparagraphs  
3            (B) and (C), verifies, for each individual whose  
4            identity and employment eligibility must be con-  
5            firmed under this section, the individual’s name  
6            and social security account number, the cor-  
7            respondence of the name and number, and  
8            whether the social security number presented is  
9            valid for employment. The Commissioner shall  
10           not disclose or release social security informa-  
11           tion (other than such verification or  
12           nonverification). If, in carrying out this sub-  
13           paragraph, the Commissioner becomes aware of  
14           a suspicious pattern of use of a social security  
15           account number, the Commissioner shall inves-  
16           tigate such suspicious pattern, or shall notify  
17           the Secretary of Homeland Security of it. Noth-  
18           ing in the Social Security Act or any other pro-  
19           vision of law shall be construed to prevent the  
20           Commissioner from so notifying the Secretary.  
21           Upon receipt of such notification, the Secretary  
22           shall investigate in lieu of the Commissioner.

23                    “(F) RESPONSIBILITIES OF THE SEC-  
24                    RETARY OF HOMELAND SECURITY.—As part of  
25                    the verification system, the Secretary of Home-
