A BILL

To protect patients' access to quality and affordable health care by reducing the effects of excessive liability costs.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the "Patients First Act of
5 2003".

1 **SEC. 2. FINDINGS AND PURPOSE.**

2 (a) FINDINGS.—

3 (1) EFFECT ON HEALTH CARE ACCESS AND
4 COSTS.—Congress finds that our current civil justice
5 system is adversely affecting patient access to health
6 care services, better patient care, and cost-efficient
7 health care, in that the health care liability system
8 is a costly and ineffective mechanism for resolving
9 claims of health care liability and compensating in-
10 jured patients, and is a deterrent to the sharing of
11 information among health care professionals which
12 impedes efforts to improve patient safety and quality
13 of care.

14 (2) EFFECT ON INTERSTATE COMMERCE.—
15 Congress finds that the health care and insurance
16 industries are industries affecting interstate com-
17 merce and the health care liability litigation systems
18 existing throughout the United States are activities
19 that affect interstate commerce by contributing to
20 the high costs of health care and premiums for
21 health care liability insurance purchased by health
22 care system providers.

23 (3) EFFECT ON FEDERAL SPENDING.—Con-
24 gress finds that the health care liability litigation
25 systems existing throughout the United States have

1 a significant effect on the amount, distribution, and
2 use of Federal funds because of—

3 (A) the large number of individuals who
4 receive health care benefits under programs op-
5 erated or financed by the Federal Government;

6 (B) the large number of individuals who
7 benefit because of the exclusion from Federal
8 taxes of the amounts spent to provide them
9 with health insurance benefits; and

10 (C) the large number of health care pro-
11 viders who provide items or services for which
12 the Federal Government makes payments.

13 (b) PURPOSE.—It is the purpose of this Act to imple-
14 ment reasonable, comprehensive, and effective health care
15 liability reforms designed to—

16 (1) improve the availability of health care serv-
17 ices in cases in which health care liability actions
18 have been shown to be a factor in the decreased
19 availability of services;

20 (2) reduce the incidence of “defensive medi-
21 cine” and lower the cost of health care liability in-
22 surance, all of which contribute to the escalation of
23 health care costs;

24 (3) ensure that persons with meritorious health
25 care injury claims receive fair and adequate com-

1 pensation, including reasonable noneconomic dam-
2 ages;

3 (4) improve the fairness and cost-effectiveness
4 of our current health care liability system to resolve
5 disputes over, and provide compensation for, health
6 care liability by reducing uncertainty in the amount
7 of compensation provided to injured individuals;

8 (5) provide an increased sharing of information
9 in the health care system which will reduce unin-
10 tended injury and improve patient care.

11 **SEC. 3. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.**

12 The time for the commencement of a health care law-
13 suit shall be 3 years after the date of manifestation of
14 injury or 1 year after the claimant discovers, or through
15 the use of reasonable diligence should have discovered, the
16 injury, whichever occurs first. In no event shall the time
17 for commencement of a health care lawsuit exceed 3 years
18 after the date of manifestation of injury unless tolled for
19 any of the following:

20 (1) Upon proof of fraud;

21 (2) Intentional concealment; or

22 (3) The presence of a foreign body, which has
23 no therapeutic or diagnostic purpose or effect, in the
24 person of the injured person.

1 Actions by a minor shall be commenced within 3 years
2 from the date of the alleged manifestation of injury except
3 that actions by a minor under the full age of 6 years shall
4 be commenced within 3 years of manifestation of injury
5 or prior to the minor's 8th birthday, whichever provides
6 a longer period. Such time limitation shall be tolled for
7 minors for any period during which a parent or guardian
8 and a health care provider or health care organization
9 have committed fraud or collusion in the failure to bring
10 an action on behalf of the injured minor.

11 **SEC. 4. COMPENSATING PATIENT INJURY.**

12 (a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL
13 ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any
14 health care lawsuit, the full amount of a claimant's eco-
15 nomic loss may be fully recovered without limitation.

16 (b) ADDITIONAL NONECONOMIC DAMAGES.—In any
17 health care lawsuit, the amount of noneconomic damages
18 recovered may be as much as \$250,000, regardless of the
19 number of parties against whom the action is brought or
20 the number of separate claims or actions brought with re-
21 spect to the same occurrence.

22 (c) NO DISCOUNT OF AWARD FOR NONECONOMIC
23 DAMAGES.—In any health care lawsuit, an award for fu-
24 ture noneconomic damages shall not be discounted to
25 present value. The jury shall not be informed about the

1 maximum award for noneconomic damages. An award for
2 noneconomic damages in excess of \$250,000 shall be re-
3 duced either before the entry of judgment, or by amend-
4 ment of the judgment after entry of judgment, and such
5 reduction shall be made before accounting for any other
6 reduction in damages required by law. If separate awards
7 are rendered for past and future noneconomic damages
8 and the combined awards exceed \$250,000, the future
9 noneconomic damages shall be reduced first.

10 (d) FAIR SHARE RULE.—In any health care lawsuit,
11 each party shall be liable for that party's several share
12 of any damages only and not for the share of any other
13 person. Each party shall be liable only for the amount of
14 damages allocated to such party in direct proportion to
15 such party's percentage of responsibility. A separate judg-
16 ment shall be rendered against each such party for the
17 amount allocated to such party. For purposes of this sec-
18 tion, the trier of fact shall determine the proportion of
19 responsibility of each party for the claimant's harm.

20 **SEC. 5. MAXIMIZING PATIENT RECOVERY.**

21 (a) COURT SUPERVISION OF SHARE OF DAMAGES
22 ACTUALLY PAID TO CLAIMANTS.—In any health care law-
23 suit, the court shall supervise the arrangements for pay-
24 ment of damages to protect against conflicts of interest
25 that may have the effect of reducing the amount of dam-

1 ages awarded that are actually paid to claimants. In par-
2 ticular, in any health care lawsuit in which the attorney
3 for a party claims a financial stake in the outcome by vir-
4 tue of a contingent fee, the court shall have the power
5 to restrict the payment of a claimant's damage recovery
6 to such attorney, and to redirect such damages to the
7 claimant based upon the interests of justice and principles
8 of equity. In no event shall the total of all contingent fees
9 for representing all claimants in a health care lawsuit ex-
10 ceed the following limits:

11 (1) 40 percent of the first \$50,000 recovered by
12 the claimant(s).

13 (2) $33\frac{1}{3}$ percent of the next \$50,000 recovered
14 by the claimant(s).

15 (3) 25 percent of the next \$500,000 recovered
16 by the claimant(s).

17 (4) 15 percent of any amount by which the re-
18 covery by the claimant(s) is in excess of \$600,000.

19 (b) APPLICABILITY.—The limitations in subsection
20 (a) shall apply whether the recovery is by judgment, settle-
21 ment, mediation, arbitration, or any other form of alter-
22 native dispute resolution. In a health care lawsuit involv-
23 ing a minor or incompetent person, a court retains the
24 authority to authorize or approve a fee that is less than
25 the maximum permitted under this section.

1 (c) EXPERT WITNESSES.—

2 (1) REQUIREMENT.—No individual shall be
3 qualified to testify as an expert witness concerning
4 issues of negligence in any health care lawsuit
5 against a defendant unless such individual—

6 (A) except as required under paragraph
7 (2), is a health care professional who—

8 (i) is appropriately credentialed or li-
9 censed in 1 or more States to deliver
10 health care services; and

11 (ii) typically treats the diagnosis or
12 condition or provides the type of treatment
13 under review; and

14 (B) can demonstrate by competent evi-
15 dence that, as a result of training, education,
16 knowledge, and experience in the evaluation, di-
17 agnosis, and treatment of the disease or injury
18 which is the subject matter of the lawsuit
19 against the defendant, the individual was sub-
20 stantially familiar with applicable standards of
21 care and practice as they relate to the act or
22 omission which is the subject of the lawsuit on
23 the date of the incident.

24 (2) PHYSICIAN REVIEW.—In a health care law-
25 suit, if the claim of the plaintiff involved treatment

1 that is recommended or provided by a physician
 2 (allopathic or osteopathic), an individual shall not be
 3 qualified to be an expert witness under this sub-
 4 section with respect to issues of negligence con-
 5 cerning such treatment unless such individual is a
 6 physician.

7 (3) SPECIALTIES AND SUBSPECIALTIES.—With
 8 respect to a lawsuit described in paragraph (1), a
 9 court shall not permit an expert in one medical spe-
 10 cialty or subspecialty to testify against a defendant
 11 in another medical specialty or subspecialty unless,
 12 in addition to a showing of substantial familiarity in
 13 accordance with paragraph (1)(B), there is a show-
 14 ing that the standards of care and practice in the
 15 two specialty or subspecialty fields are similar.

16 (4) LIMITATION.—The limitations in this sub-
 17 section shall not apply to expert witnesses testifying
 18 as to the degree or permanency of medical or phys-
 19 ical impairment.

20 **SEC. 6. ADDITIONAL HEALTH BENEFITS.**

21 In any health care lawsuit, any party may introduce
 22 evidence of collateral source benefits. If a party elects to
 23 introduce such evidence, any opposing party may intro-
 24 duce evidence of any amount paid or contributed or rea-
 25 sonably likely to be paid or contributed in the future by

1 or on behalf of the opposing party to secure the right to
2 such collateral source benefits. No provider of collateral
3 source benefits shall recover any amount against the
4 claimant or receive any lien or credit against the claim-
5 ant's recovery or be equitably or legally subrogated to the
6 right of the claimant in a health care lawsuit. This section
7 shall apply to any health care lawsuit that is settled as
8 well as a health care lawsuit that is resolved by a fact
9 finder. This section shall not apply to section 1862(b) (42
10 U.S.C. 1395y(b)) or section 1902(a)(25) (42 U.S.C.
11 1396a(a)(25)) of the Social Security Act.

12 **SEC. 7. PUNITIVE DAMAGES.**

13 (a) IN GENERAL.—Punitive damages may, if other-
14 wise permitted by applicable State or Federal law, be
15 awarded against any person in a health care lawsuit only
16 if it is proven by clear and convincing evidence that such
17 person acted with malicious intent to injure the claimant,
18 or that such person deliberately failed to avoid unneces-
19 sary injury that such person knew the claimant was sub-
20 stantially certain to suffer. In any health care lawsuit
21 where no judgment for compensatory damages is rendered
22 against such person, no punitive damages may be awarded
23 with respect to the claim in such lawsuit. No demand for
24 punitive damages shall be included in a health care lawsuit
25 as initially filed. A court may allow a claimant to file an

1 amended pleading for punitive damages only upon a mo-
2 tion by the claimant and after a finding by the court, upon
3 review of supporting and opposing affidavits or after a
4 hearing, after weighing the evidence, that the claimant has
5 established by a substantial probability that the claimant
6 will prevail on the claim for punitive damages. At the re-
7 quest of any party in a health care lawsuit, the trier of
8 fact shall consider in a separate proceeding—

9 (1) whether punitive damages are to be award-
10 ed and the amount of such award; and

11 (2) the amount of punitive damages following a
12 determination of punitive liability.

13 If a separate proceeding is requested, evidence relevant
14 only to the claim for punitive damages, as determined by
15 applicable State law, shall be inadmissible in any pro-
16 ceeding to determine whether compensatory damages are
17 to be awarded.

18 (b) DETERMINING AMOUNT OF PUNITIVE DAM-
19 AGES.—

20 (1) FACTORS CONSIDERED.—In determining
21 the amount of punitive damages, if awarded, in a
22 health care lawsuit, the trier of fact shall consider
23 only the following:

24 (A) the severity of the harm caused by the
25 conduct of such party;

1 (B) the duration of the conduct or any
2 concealment of it by such party;

3 (C) the profitability of the conduct to such
4 party;

5 (D) the number of products sold or med-
6 ical procedures rendered for compensation, as
7 the case may be, by such party, of the kind
8 causing the harm complained of by the claim-
9 ant;

10 (E) any criminal penalties imposed on such
11 party, as a result of the conduct complained of
12 by the claimant; and

13 (F) the amount of any civil fines assessed
14 against such party as a result of the conduct
15 complained of by the claimant.

16 (2) MAXIMUM AWARD.—The amount of punitive
17 damages, if awarded, in a health care lawsuit may
18 be as much as \$250,000 or as much as two times
19 the amount of economic damages awarded, which-
20 ever is greater. The jury shall not be informed of
21 this limitation.

22 (c) NO CIVIL MONETARY PENALTIES FOR PRODUCTS
23 IN COMPLIANCE WITH FDA STANDARDS.—

24 (1) PUNITIVE DAMAGES.—

1 (A) IN GENERAL.—In addition to the re-
2 quirements of subsection (a), punitive damages
3 may not be awarded against the manufacturer
4 or distributor of a medical product, or a sup-
5 plier of any component or raw material of such
6 medical product, on the basis that the harm to
7 the claimant was caused by the lack of safety
8 or effectiveness of the particular medical prod-
9 uct involved, unless the claimant demonstrates
10 by clear and convincing evidence that—

11 (i) the manufacturer or distributor of
12 the particular medical product, or supplier
13 of any component or raw material of such
14 medical product, failed to comply with a
15 specific requirement of the Federal Food,
16 Drug, and Cosmetic Act or the regulations
17 promulgated thereunder; and

18 (ii) the harm attributed to the par-
19 ticular medical product resulted from such
20 failure to comply with such specific statu-
21 tory requirement or regulation.

22 (B) RULE OF CONSTRUCTION.—Subpara-
23 graph (A) may not be construed as establishing
24 the obligation of the Food and Drug Adminis-
25 tration to demonstrate affirmatively that a

1 manufacturer, distributor, or supplier referred
2 to in such subparagraph meets any of the con-
3 ditions described in such subparagraph.

4 (2) LIABILITY OF HEALTH CARE PROVIDERS.—

5 A health care provider who prescribes a medical
6 product approved or cleared by the Food and Drug
7 Administration shall not be named as a party to a
8 product liability lawsuit involving such product and
9 shall not be liable to a claimant in a class action
10 lawsuit against the manufacturer, distributor, or
11 seller of such product.

12 **SEC. 8. AUTHORIZATION OF PAYMENT OF FUTURE DAM-**
13 **AGES TO CLAIMANTS IN HEALTH CARE LAW-**
14 **SUITS.**

15 (a) IN GENERAL.—In any health care lawsuit, if an
16 award of future damages, without reduction to present
17 value, equaling or exceeding \$50,000 is made against a
18 party with sufficient insurance or other assets to fund a
19 periodic payment of such a judgment, the court shall, at
20 the request of any party, enter a judgment ordering that
21 the future damages be paid by periodic payments in ac-
22 cordance with the Uniform Periodic Payment of Judg-
23 ments Act promulgated by the National Conference of
24 Commissioners on Uniform State Laws.

1 (b) APPLICABILITY.—This section applies to all ac-
2 tions which have not been first set for trial or retrial be-
3 fore the effective date of this Act.

4 **SEC. 9. DEFINITIONS.**

19 past and future medical expenses, loss of past and
20 future earnings, cost of obtaining domestic services,
21 loss of employment, and loss of business or employ-
22 ment opportunities.

23 (7) HEALTH CARE LAWSUIT.—The term
24 “health care lawsuit” means any health care liability
25 claim concerning the provision of health care goods

1 or services affecting interstate commerce, or any

3 of health care goods or services affecting interstate
4 commerce, brought in a State or Federal court or
5 pursuant to an alternative dispute resolution system,
6 against a health care provider, a health care organi-
7 zation, or the manufacturer, distributor, supplier,
8 marketer, promoter, or seller of a medical product,
9 regardless of the theory of liability on which the
10 claim is based, or the number of claimants, plain-

14 (8) HEALTH CARE LIABILITY ACTION.—The

20 marketer, promoter, or seller of a medical product,
21 regardless of the theory of liability on which the
22 claim is based, or the number of plaintiffs, defend-
23 ants, or other parties, or the number of causes of ac-

25 ability claim.

1 (9) HEALTH CARE LIABILITY CLAIM.—The
2 term “health care liability claim” means a demand
3 by any person, whether or not pursuant to ADR,
4 against a health care provider, health care organiza-

6 keter, promoter, or seller of a medical product, in-
7 cluding, but not limited to, third-party claims, cross-
8 claims, counter-claims, or contribution claims, which
9 are based upon the provision of, use of, or payment
10 for (or the failure to provide, use, or pay for) health
11 care services or medical products, regardless of the
12 theory of liability on which the claim is based, or the

7 States, or any political subdivision thereof.

8 **SEC. 10. EFFECT ON OTHER LAWS.**

9 (a) VACCINE INJURY.—

10 (1) To the extent that title XXI of the Public
11 Health Service Act establishes a Federal rule of law
12 applicable to a civil action brought for a vaccine-re-
13 lated injury or death—

14 (A) this Act does not affect the application
15 of the rule of law to such an action; and

16 (B) any rule of law prescribed by this Act
17 in conflict with a rule of law of such title XXI
18 shall not apply to such action.

19 (2) If there is an aspect of a civil action
20 brought for a vaccine-related injury or death to
21 which a Federal rule of law under title XXI of the
22 Public Health Service Act does not apply, then this
23 Act or otherwise applicable law (as determined
24 under this Act) will apply to such aspect of such ac-
25 tion.

1 (b) OTHER FEDERAL LAW.—Except as provided in
2 this section, nothing in this Act shall be deemed to affect
3 any defense available to a defendant in a health care law-
4 suit or action under any other provision of Federal law.

5 **SEC. 11. STATE FLEXIBILITY AND PROTECTION OF STATES’**
6 **RIGHTS.**

7 (a) HEALTH CARE LAWSUITS.—The provisions gov-
8 erning health care lawsuits set forth in this Act preempt,
9 subject to subsections (b) and (c), State law to the extent
10 that State law prevents the application of any provisions
11 of law established by or under this Act. The provisions
12 governing health care lawsuits set forth in this Act super-
13 sede chapter 171 of title 28, United States Code, to the
14 extent that such chapter—

15 (1) provides for a greater amount of damages
16 or contingent fees, a longer period in which a health
17 care lawsuit may be commenced, or a reduced appli-
18 cability or scope of periodic payment of future dam-
19 ages, than provided in this Act; or

20 (2) prohibits the introduction of evidence re-
21 garding collateral source benefits, or mandates or
