SEC. 206. UNITED STATES PENSION PLANS.

(a) FINDINGS.—Congress finds the following:

(1) The United States and the international

community face no greater threat to their security

than the prospect of rogue regimes who support inter-

national terrorism obtaining weapons of mass de-

struction, and particularly nuclear weapons.

(2) Iran is the leading state sponsor of inter-

national terrorism and is close to achieving nuclear

weapons capability but has paid no price for nearly

twenty years of deception over its nuclear program.

Foreign entities that have invested in Iran’s energy

sector, despite Iran’s support of international ter-

rorism and its nuclear program, have afforded Iran

a free pass while many United States entities have

unknowingly invested in those same foreign entities.
United States investors have a great deal at stake in preventing Iran from acquiring nuclear weapons.

United States investors can have considerable influence over the commercial decisions of the foreign entities in which they have invested.

(b) PUBLICATION IN FEDERAL REGISTER.—Not later than six months after the date of the enactment of this Act and every six months thereafter, the President shall ensure publication in the Federal Register of a list of all United States and foreign entities that have invested more than $20,000,000 in Iran’s energy sector between August 5, 1996, and the date of such publication. Such list shall include an itemization of individual investments of each such entity, including the dollar value, intended purpose, and current status of each such investment.

(c) SENSE OF CONGRESS RELATING TO DIVESTITURE FROM IRAN.—It is the sense of Congress that, upon publication of a list in the relevant Federal Register under subsection (b), managers of United States Government pension plans or thrift savings plans, managers of pension plans maintained in the private sector by plan sponsors in the United States, and managers of mutual funds sold or distributed in the United States should immediately initiate
efforts to divest all investments of such plans or funds in any entity included on the list.

(d) Sense of Congress Relating to Prohibition on Future Investment.—It is the sense of Congress that, upon publication of a list in the relevant Federal Register under subsection (b), there should be no future investment in any entity included on the list by managers of United States Government pension plans or thrift savings plans, managers of pension plans maintained in the private sector by plan sponsors in the United States, and managers of mutual funds sold or distributed in the United States.

(e) Disclosure to Investors.—

(1) In general.—Not later than 30 days after the date of publication of a list in the relevant Federal Register under subsection (b), managers of United States Government pension plans or thrift savings plans, managers of pension plans maintained in the private sector by plan sponsors in the United States, and managers of mutual funds sold or distributed in the United States shall notify investors that the funds of such investors are invested in an entity included on the list. Such notification shall contain the following information:

(A) The name or other identification of the entity.
(B) The amount of the investment in the entity.

(C) The potential liability to the entity if sanctions are imposed by the United States on Iran or on the entity.

(D) The potential liability to investors if such sanctions are imposed.

(2) FOLLOW-UP NOTIFICATION.—

(A) IN GENERAL.—Except as provided in subparagraph (C), in addition to the notification required under paragraph (1), such managers shall also include such notification in every prospectus and in every regularly provided quarterly, semi-annual, or annual report provided to investors, if the funds of such investors are invested in an entity included on the list.

(B) CONTENTS OF NOTIFICATION.—The notification described in subparagraph (A) shall be displayed prominently in any such prospectus or report and shall contain the information described in paragraph (1).

(C) GOOD-FAITH EXCEPTION.—If, upon publication of a list in the relevant Federal Register under subsection (b), such managers verifiably divest all investments of such plans or
funds in any entity included on the list and such
managers do not initiate any new investment in
any other such entity, such managers shall not
be required to include the notification described
in subparagraph (A) in any prospectus or report
provided to investors.

SEC. 207. REPORT BY OFFICE OF GLOBAL SECURITY RISKS.

Not later than 30 days after the date of publication
of a list in the relevant Federal Register under section
206(b), the Office of Global Security Risks within the Divi-
sion of Corporation Finance of the United States Securities
and Exchange Commission shall issue a report containing
a list of the United States and foreign entities identified
in accordance with such section, a determination of whether
or not the operations in Iran of any such entity constitute
a political, economic, or other risk to the United States,
and a determination of whether or not the entity faces
United States litigation, sanctions, or similar cir-
sumstances that are reasonably likely to have a material
adverse impact on the financial condition or operations of
the entity.

(1) in paragraph (9)—

(A) in the matter preceding subparagraph (A), by—

(i) striking “, or with the Government of Libya or a nongovernmental entity in Libya,”; and

•HR 282 RH
TITLE III—DIPLOMATIC EFFORTS TO CURTAIL IRANIAN NUCLEAR PROLIFERATION AND SPONSORSHIP OF INTERNATIONAL TERRORISM

SEC. 301. DIPLOMATIC EFFORTS.

(a) Sense of Congress Relating to United Nations Security Council and the International Atomic Energy Agency.—It is the sense of Congress that the President should instruct the United States Permanent Representative to the United Nations to work to secure support at the United Nations Security Council for a resolution that would impose sanctions on Iran as a result of its repeated breaches of its nuclear nonproliferation obligations, to remain in effect until Iran has verifiably dismantled its weapons of mass destruction programs.

(b) Prohibition on Assistance to Countries That Invest in the Energy Sector of Iran.—

(1) Withholding of Assistance.—If, on or after April 13, 2005, a foreign person (as defined in section 14 of the Iran Sanctions Act of 1996 (50 U.S.C. 1701 note), as renamed pursuant to section 208(g)(1)) or an agency or instrumentality of a foreign government has more than $20,000,000 invested in Iran’s energy sector, the President shall, until the
date on which such person or agency or instrumentality of such government terminates such investment, withhold assistance under the Foreign Assistance Act of 1961 (22 U.S.C. 2151 et seq.) to the government of the country to which such person owes allegiance or to which control is exercised over such agency or instrumentality.

(2) WAIVER.—Assistance prohibited by this section may be furnished to the government of a foreign country described in subsection (a) if the President determines that furnishing such assistance is important to the national security interests of the United States, furthers the goals described in this Act, and, not later that 15 days before obligating such assistance, notifies the Committee on International Relations of the House of Representatives, the Committee on Foreign Relations of the Senate, the Committee on Appropriations of the House of Representatives, and the Committee on Appropriations of the Senate of such determination and submits to such committees a report that includes—

(A) a statement of the determination;

(B) a detailed explanation of the assistance to be provided;
(C) the estimated dollar amount of the assistance; and

(D) an explanation of how the assistance furthers United States national security interests.

SEC. 302. STRENGTHENING THE NUCLEAR NONPROLIFERATION TREATY.

(a) FINDINGS.—Congress finds the following:

(1) Article IV of the Treaty on the Non-Proliferation of Nuclear Weapons (commonly referred to as the “Nuclear Nonproliferation Treaty” or “NPT”) states that countries that are parties to the Treaty have the “inalienable right . . . to develop research, production and use of nuclear energy for peaceful purposes without discrimination and in conformity with articles I and II of this Treaty.”.

(2) Iran has manipulated Article IV of the Nuclear Nonproliferation Treaty to acquire technologies needed to manufacture nuclear weapons under the guise of developing peaceful nuclear technology.

(3) Legal authorities, diplomatic historians, and officials closely involved in the negotiation and ratification of the Nuclear Nonproliferation Treaty state that the Treaty neither recognizes nor protects such a per se right to all nuclear technology, such as enrich-
ment and reprocessing, but rather affirms that the right to the use of peaceful nuclear energy is qualified.

(b) Declaration of Congress Regarding United States Policy to Strengthen the Nuclear Nonproliferation Treaty.—Congress declares that it should be the policy of the United States to support diplomatic efforts to end the manipulation of Article IV of the Nuclear Nonproliferation Treaty, as undertaken by Iran, without undermining the Treaty itself.

TITLE IV—DEMOCRACY IN IRAN

(a) In General.—Congress declares that it should be the policy of the United States to support independent human rights and peaceful pro-democracy forces in Iran.

(b) Rule of Construction.—Nothing in this Act shall be construed as authorizing the use of force against Iran.

SEC. 402. Assistance to Support Democracy in Iran.

(a) Authorization.—

(1) In General.—The President is authorized to provide financial and political assistance (including the award of grants) to foreign and domestic individuals, organizations, and entities that support democ-
racy and the promotion of democracy in Iran. Such assistance may include the award of grants to eligible independent pro-democracy radio and television broadcasting organizations that broadcast into Iran.

(2) LIMITATION ON ASSISTANCE.—In accordance with the rule of construction described in subsection (b) of section 401, none of the funds authorized under this section shall be used to support the use of force against Iran.

(b) ELIGIBILITY FOR ASSISTANCE.—Financial and political assistance under this section may be provided only to an individual, organization, or entity that—

(1) officially opposes the use of violence and terrorism and has not been designated as a foreign terrorist organization under section 219 of the Immigration and Nationality Act (8 U.S.C. 1189) at any time during the preceding four years;

(2) advocates the adherence by Iran to non-proliferation regimes for nuclear, chemical, and biological weapons and materiel;

(3) is dedicated to democratic values and supports the adoption of a democratic form of government in Iran;

(4) is dedicated to respect for human rights, including the fundamental equality of women;
(5) works to establish equality of opportunity for people; and
