“SEC. 505. FORMULA.

“(a) ALLOCATION AMONG STATES.—

“(1) IN GENERAL.—Of the total amount appropriated for this subpart, the Attorney General shall, except as provided in paragraph (2), allocate—
“(A) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

“(i) the total population of a State to—

“(ii) the total population of the United States; and

“(B) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

“(i) the average annual number of part 1 violent crimes of the Uniform Crime Reports of the Federal Bureau of Investigation reported by such State for the three most recent years reported by such State to—

“(ii) the average annual number of such crimes reported by all States for such years.

“(2) MINIMUM ALLOCATION.—If carrying out paragraph (1) would result in any State receiving an allocation less than 0.25 percent of the total amount (in this paragraph referred to as a ‘minimum allocation State’), then paragraph (1), as so carried out,
shall not apply, and the Attorney General shall instead—

“(A) allocate 0.25 percent of the total amount to each State; and

“(B) using the amount remaining after carrying out subparagraph (A), carry out paragraph (1) in a manner that excludes each minimum allocation State, including the population of and the crimes reported by such State.

“(b) ALLOCATION BETWEEN STATES AND UNITS OF LOCAL GOVERNMENT.—Of the amounts allocated under subsection (a)—

“(1) 60 percent shall be for direct grants to States, to be allocated under subsection (c); and

“(2) 40 percent shall be for grants to be allocated under subsection (d).

“(c) ALLOCATION FOR STATE GOVERNMENTS.—

“(1) In general.—Of the amounts allocated under subsection (b)(1), each State may retain for the purposes described in section 501 an amount that bears the same ratio of—

“(A) total expenditures on criminal justice by the State government in the most recently completed fiscal year to—
“(B) the total expenditure on criminal jus-
tice by the State government and units of local
government within the State in such year.

“(2) REMAINING AMOUNTS.—Except as pro-
vided in subsection (e)(1), any amounts remaining
after the allocation required by paragraph (1) shall
be made available to units of local government by
the State for the purposes described in section 501.

“(d) ALLOCATIONS TO LOCAL GOVERNMENTS.—

“(1) IN GENERAL.—Of the amounts allocated
under subsection (b)(2), grants for the purposes de-
dcribed in section 501 shall be made directly to units
of local government within each State in accordance
with this subsection, subject to subsection (e).

“(2) ALLOCATION.—

“(A) IN GENERAL.—From the amounts re-
ferred to in paragraph (1) with respect to a
State (in this subsection referred to as the
‘local amount’), the Attorney General shall allo-
cate to each unit of local government an
amount which bears the same ratio to such
share as the average annual number of part 1
violent crimes reported by such unit to the Fed-
eral Bureau of Investigation for the 3 most re-
cent calendar years for which such data is avail-
able bears to the number of part 1 violent
crimes reported by all units of local government
in the State in which the unit is located to the
Federal Bureau of Investigation for such years.

“(B) Transitional rule.—Notwithstanding subparagraph (A), for fiscal years
2006, 2007, and 2008, the Attorney General
shall allocate the local amount to units of local
government in the same manner that, under the
Local Government Law Enforcement Block
Grants program in effect immediately before
the date of the enactment of this section, the
reserved amount was allocated among reporting
and nonreporting units of local government.

“(3) Annexed units.—If a unit of local gov-
ernment in the State has been annexed since the
date of the collection of the data used by the Attor-
ney General in making allocations pursuant to this
section, the Attorney General shall pay the amount
that would have been allocated to such unit of local
government to the unit of local government that an-
nexed it.

“(4) Resolution of disparate allocations.—(A) Notwithstanding any other provision of
this subpart, if—
“(i) the Attorney General certifies that a unit of local government bears more than 50 percent of the costs of prosecution or incarceration that arise with respect to part 1 violent crimes reported by a specified geographically constituent unit of local government; and

“(ii) but for this paragraph, the amount of funds allocated under this section to—

“(I) any one such specified geographically constituent unit of local government exceeds 150 percent of the amount allocated to the unit of local government certified pursuant to clause (i); or

“(II) more than one such specified geographically constituent unit of local government exceeds 400 percent of the amount allocated to the unit of local government certified pursuant to clause (i), then in order to qualify for payment under this subsection, the unit of local government certified pursuant to clause (i), together with any such specified geographically constituent units of local government described in clause (ii), shall submit to the Attorney General a joint application for the aggregate of funds allocated to such units of local government.
Such application shall specify the amount of such funds that are to be distributed to each of the units of local government and the purposes for which such funds are to be used. The units of local government involved may establish a joint local advisory board for the purposes of carrying out this paragraph.

“(B) In this paragraph, the term ‘geographically constituent unit of local government’ means a unit of local government that has jurisdiction over areas located within the boundaries of an area over which a unit of local government certified pursuant to clause (i) has jurisdiction.

“(e) LIMITATION ON ALLOCATIONS TO UNITS OF LOCAL GOVERNMENT.—

“(1) MAXIMUM ALLOCATION.—No unit of local government shall receive a total allocation under this section that exceeds such unit’s total expenditures on criminal justice services for the most recently completed fiscal year for which data are available. Any amount in excess of such total expenditures shall be allocated proportionally among units of local government whose allocations under this section do not exceed their total expenditures on such services.

“(2) ALLOCATIONS UNDER $10,000.—If the allocation under this section to a unit of local govern-
ment is less than $10,000 for any fiscal year, the di-
rect grant to the State under subsection (c) shall be
increased by the amount of such allocation, to be
distributed (for the purposes described in section
501) among State police departments that provide
criminal justice services to units of local government
and units of local government whose allocation under
this section is less than $10,000.

“(3) **Non-reporting units.**—No allocation
under this section shall be made to a unit of local
government that has not reported at least three
years of data on part 1 violent crimes of the Uni-
form Crime Reports to the Federal Bureau of Invest-
tigation within the immediately preceding 10 years.

“(f) **Funds not used by the State.**—If the At-
torney General determines, on the basis of information
available during any grant period, that any allocation (or
portion thereof) under this section to a State for such
grant period will not be required, or that a State will be
unable to qualify or receive funds under this subpart, or
that a State chooses not to participate in the program es-
tablished under this subpart, then such State’s allocation
(or portion thereof) shall be awarded by the Attorney Gen-
eral to units of local government, or combinations thereof,
within such State, giving priority to those jurisdictions
with the highest annual number of part 1 violent crimes of the Uniform Crime Reports reported by the unit of local government to the Federal Bureau of Investigation for the three most recent calendar years for which such data are available.

“(g) Special Rules for Puerto Rico.—

“(1) All Funds Set Aside for Commonwealth Government.—Notwithstanding any other provision of this subpart, the amounts allocated under subsection (a) to Puerto Rico, 100 percent shall be for direct grants to the Commonwealth government of Puerto Rico.

Each participating tribe shall exercise its right of self-determination and self-governance in allocating and using funds made available under the program. Each participating tribe may use funds under the program to support its specific tribally based response to increasing the safety of members of Indian tribes. Grants under the program shall support the governmental efforts identified by the Indian tribe required according to its distinctive ways of life to increase the safety of members of Indian tribes from crimes of sexual assault, domestic violence, dating violence, stalking, kidnapping, and murder.

receiving an appropriation referred to in paragraph
(1), the Director shall set aside not less than 5 per-

tribes in addressing domestic violence, dating vio-

At least one of the cooperative agreements or contracts shall be entered into with a single tribal organization to provide comprehensive technical assistance to participating tribal governments.
