18 **SEC. 525. RELIEF FOR CRAWFISH INDUSTRY.**

19 (a) FINDINGS.—Congress makes the following find-
20 ings:

21 (1) Since September 15, 1997, there has been
22 an antidumping duty order requiring payment of
23 antidumping duties on imports of freshwater craw-
24 fish tail meat from the People’s Republic of China.

1 (2) The United States Bureau of Customs and
2 Border Protection is required to collect all customs
3 duties, including antidumping duties, lawfully im-
4 posed on imports of merchandise entering the
5 United States. Nevertheless, less than \$30,000,000
6 in antidumping duties on imports of freshwater
7 crawfish tail meat from the People's Republic of
8 China has been collected since 1997, while more
9 than \$285,000,000 in antidumping duties are owed
10 but uncollected.

11 (3) During each of the fiscal years 2002, 2003,
12 and 2004, non-collection of lawful antidumping du-
13 ties has deprived the affected domestic producers of
14 freshwater crawfish tail meat in Louisiana of ap-
15 proximately \$46,187,768 to which they would other-
16 wise have been entitled under the Continued Dump-
17 ing and Subsidy Offset Act of 2000 (section 754 of
18 the Tariff Act of 1930).

19 (4) Freshwater crawfish tail meat is produced
20 in the United States only in Louisiana and the do-
21 mestic product is sold almost exclusively to pur-
22 chasers within Louisiana.

23 (5) The United States International Trade
24 Commission has found that over 97 percent of the
25 domestic industry's sales since 2000 have been to

1 purchasers within Louisiana, such as food stores,
2 restaurants, and seafood markets. Since 1999, more
3 than half of the domestic industry's sales has been
4 to local food stores in Louisiana. New Orleans, the
5 State's largest city has accounted for a large portion
6 of the domestic industry's sales.

7 (6) Hurricane Katrina has damaged or destroyed tra-
8 ditional markets in southern Louisiana on which the do-
9 mestic industry relies, creating an urgent need among
10 such producers for immediate restitution of amounts re-
11 quired to be collected by the Bureau of Customs and Bor-
12 der Protection and distributed to affected domestic pro-
13 ducers of freshwater crawfish tail meat.

14 (7) Under existing law, payments to affected
15 domestic producers under the Continued Dumping
16 and Subsidy Offset Act of 2000 are limited to the
17 amount of such producers' qualifying expenditures,
18 and all antidumping duties collected beyond that
19 amount are paid into the Treasury to meet the gen-
20 eral expenses of the Federal Government. Because
21 the total amount of unpaid antidumping duties on
22 freshwater crawfish tail meat exceeds the domestic
23 industry's qualifying expenditures by more than
24 \$200,000,000, full collection of all duties owed will
25 provide a net benefit to United States taxpayers.

1 (8) All relief provided to the domestic crawfish
2 industry should be fully repaid to the Treasury
3 under existing law upon collection of the unpaid
4 antidumping duties. Accordingly, the relief provided
5 by this section does not increase the burden on
6 United States taxpayers. The provisions of this sec-
7 tion ensure that the Bureau of Customs and Border
8 Protection complies in a timely fashion with its pre-
9 existing legal obligations.

10 (9) Payments owed to domestic crawfish proc-
11 essors have been further delayed because of a recent
12 policy change by the Department of Commerce
13 which delays the issuance of liquidation instructions
14 for certain imports of freshwater crawfish tail meat.
15 Reversal of this unwarranted policy change is re-
16 quired in order to provide prompt relief to the do-
17 mestic crawfish industry.

18 (b) EMERGENCY RESTITUTION OF AMOUNTS OWED
19 TO AFFECTED DOMESTIC PRODUCERS OF FRESHWATER
20 CRAWFISH TAIL MEAT.—

21 (1) IN GENERAL.—The Secretary of the Treas-
22 ury shall distribute, within 30 days after receiving a
23 request therefor, a pro rata portion of the
24 \$46,187,768, to each person that was determined by
25 the Bureau of Customs and Border Protection under

1 the Continued Dumping and Subsidy Offset Act of
2 2000 to be an affected domestic producer of fresh-
3 water crawfish tail meat during fiscal year 2004.

4 (2) AMOUNT PAYABLE.—The Secretary shall
5 distribute to each person making a request under
6 paragraph (1) an amount in the same proportion as
7 such person’s share of the total distribution of fresh-
8 water crawfish tail meat duties under the Continued
9 Dumping and Subsidy Offset Act of 2000 at the end
10 of fiscal year 2004, as stated in the Continued
11 Dumping and Subsidy Offset Act Annual Report for
12 fiscal Year 2004 (CDSOA FY2004 Annual Report).

13 (3) REQUEST FOR AMOUNT.—A person request-
14 ing an amount under this section shall be required
15 to provide only the person’s name, address, social se-
16 curity number or taxpayer identification number,
17 and a certification that—

18 (A) the person is the same person named
19 in the CDSOA FY2004 Annual Report and de-
20 termined by the Bureau of Customs and Border
21 Protection to have been an affected domestic
22 producer of freshwater crawfish tail meat dur-
23 ing fiscal year 2004; and

24 (B) the total amount of any funds received
25 by such person under this section shall be ex-

1 cluded from the amount claimed as qualifying
2 expenditures in any subsequent certification
3 submitted for the purpose of obtaining a pay-
4 ment under the Continued Dumping and Sub-
5 sidy Offset Act of 2000.

6 (c) INCENTIVE FOR IMPROVED ENFORCEMENT AND
7 COLLECTION OF THE ANTIDUMPING DUTY ORDER RE-
8 LATING TO IMPORTS OF FRESHWATER CRAWFISH TAIL
9 MEAT.—Not later than January 15 of each year, the Sec-
10 retary of the Treasury shall review the amount of duties
11 collected during the preceding fiscal year pursuant to the
12 antidumping duty order issued on September 15, 1997
13 against imports of freshwater crawfish tail meat from the
14 People’s Republic of China. If the Secretary determines
15 that the total amount of antidumping duties collected pur-
16 suant to that order is 5 percent or less of the total amount
17 of antidumping duties owed to the United States on liq-
18 uidations occurring during such preceding fiscal year on
19 entries of merchandise subject to such order—

20 (1) an amount equal to 15 percent of such du-
21 ties owed but uncollected during such preceding fis-
22 cal year under such order shall be transferred, on or
23 before the last day of the current fiscal year, into
24 the special account established under section 754(e)

1 of the Tariff Act of 1930 with respect to such order;
2 and

3 (2) the amount transferred into the special ac-
4 count shall be treated, for purposes of section 754
5 of the Tariff Act of 1930, as duties assessed during
6 the current fiscal year pursuant to such order and
7 shall be excluded from the calculation of whether the
8 total amount of duties collected pursuant to the
9 order is 5 percent or less of the total amount of
10 antidumping duties owed on liquidations occurring
11 during the preceding fiscal year.

12 (d) **TIMELY ISSUANCE OF LIQUIDATION INSTRUC-**
13 **TIONS BY COMMERCE.**—In any antidumping duty admin-
14 istrative review conducted under section 751 of the Tariff
15 Act of 1930, the Department of Commerce, or such other
16 officer of the United States acting as the administering
17 authority under section 771(1) of such Act, shall, within
18 30 days after receiving a request for review from an inter-
19 ested party (as defined in section 771(9) (C), (D), (E),
20 (F), or (G) of such Act) issue instructions to the Bureau
21 of Customs and Border Protection for the immediate liq-
22 uidation and assessment of duties with respect to entries
23 of the subject merchandise that were made during the pe-

3 **ASTER VICTIMS**

4 **SEC. 701. PENALTY FREE WITHDRAWALS FROM RETIRE-**
5 **MENT PLANS FOR VICTIMS OF FEDERALLY**
6 **DECLARED NATURAL DISASTERS.**

7 (a) IN GENERAL.—Paragraph (2) of section 72(t)
8 (relating to 10-percent additional tax on early distribu-
9 tions from qualified retirement plans) is amended by add-
10 ing at the end the following new subparagraph:

11 “(G) DISTRIBUTIONS FROM RETIREMENT
12 PLANS TO VICTIMS OF FEDERALLY DECLARED
13 NATURAL DISASTERS.—

14 “(i) DISTRIBUTION ALLOWED.—Any
15 qualified disaster-relief distribution.

16 “(ii) AMOUNT DISTRIBUTED MAY BE
17 REPAID.—

18 “(I) IN GENERAL.—Any indi-
19 vidual who receives a qualified dis-
20 aster-relief distribution may, at any
21 time during the 3-year period begin-
22 ning on the day after the date on
23 which such distribution was made,
24 make one or more contributions in an
25 aggregate amount not to exceed the

1 amount of such distribution to an eli-
2 gible retirement plan (as defined in
3 section 402(c)(8)(B)) of which such
4 individual is a beneficiary and to
5 which a rollover contribution of such
6 distribution could be made under sec-
7 tion 402(c), 403(a)(4), 403(b)(8),
8 408(d)(3), or 457(e)(16), as the case
9 may be.

10 “(II) TREATMENT OF REPAY-
11 MENTS FOR DISTRIBUTIONS FROM EL-
12 IGIBLE RETIREMENT PLANS OTHER
13 THAN IRAS.—For purposes of this
14 title, if a contribution is made pursu-
15 ant to subclause (I) with respect to a
16 qualified disaster-relief distribution
17 from an eligible retirement plan (as so
18 defined) other than an individual re-
19 tirement plan, then the taxpayer shall,
20 to the extent of the amount of the
21 contribution, be treated as having re-
22 ceived the qualified disaster-relief dis-
23 tribution in an eligible rollover dis-
24 tribution (as defined in section
25 402(c)(4)) and as having transferred

1 the amount to the eligible retirement
2 plan in a direct trustee to trustee
3 transfer within 60 days of the dis-
4 tribution.

5 “(III) TREATMENT OF REPAY-
6 MENTS FOR DISTRIBUTIONS FROM
7 IRAS.—For purposes of this title, if a
8 contribution is made pursuant to sub-
9 clause (I) with respect to a qualified
10 disaster-relief distribution from an in-
11 dividual retirement plan, then, to the
12 extent of the amount of the contribu-
13 tion, the qualified disaster-relief dis-
14 tribution shall be treated as a dis-
15 tribution described in section
16 408(d)(3) and as having been trans-
17 ferred to the eligible retirement plan
18 in a direct trustee to trustee transfer
19 within 60 days of the distribution.

20 “(IV) APPLICATION TO GOVERN-
21 MENTAL SECTION 457 PLANS.—In de-
22 termining whether any distribution is
23 a qualified disaster-relief distribution
24 for purposes of this clause, an eligible
25 deferred compensation plan (as de-

1 fined in section 457(b)) maintained by
2 an employer described in section
3 457(e)(1)(A) shall be treated as a
4 qualified retirement plan.

7 clause (iv), for purposes of this subpara-
8 graph, the term ‘qualified disaster-relief
9 distribution’ means any distribution—

10 “(I) to an individual who has
11 sustained a loss as a result of a major
12 disaster declared under section 401 of
13 the Robert T. Stafford Disaster Relief

15 who has a principal place of abode im-
16 mediately before the declaration in a
17 qualified disaster area, and

19 year period beginning on the date
20 such declaration is made.

21 “(iv) DOLLAR LIMITATION.—

22 “(I) IN GENERAL.—The term
23 ‘qualified disaster-relief distribution’
24 shall not include any distributions for
25 any taxable year to the extent the ag-

1 aggregate amount of such distributions
2 exceeds \$100,000, reduced by the ag-
3 gregate amounts treated as qualified
4 disaster-relief distributions with re-
5 spect to such individual for all prior
6 taxable years.

7 “(II) TREATMENT OF PLAN DIS-
8 TRIBUTIONS.—If a distribution to an
9 individual with respect to any such
10 major disaster would (without regard
11 to subclause (I)) be a qualified dis-
12 aster-relief distribution, a plan shall
13 not be treated as violating any re-
14 quirement of this title merely because
15 it treats such distribution as a quali-
16 fied disaster-relief distribution, unless
17 the aggregate amount of such dis-
18 tributions from all plans maintained
19 by the employer (and any member of
20 any controlled group which includes
21 the employer) to such individual ex-
22 ceeds \$100,000.

23 “(v) QUALIFIED DISASTER AREA.—
