To direct the Secretary of Homeland Security to establish national emergency centers on military installations.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “National Emergency Centers Establishment Act”.
SEC. 2. ESTABLISHMENT OF NATIONAL EMERGENCY CENTERS.

(a) In General.—In accordance with the requirements of this Act, the Secretary of Homeland Security shall establish not fewer than 6 national emergency centers on military installations.

(b) Purpose of National Emergency Centers.—The purpose of a national emergency center shall be to use existing infrastructure—

(1) to provide temporary housing, medical, and humanitarian assistance to individuals and families dislocated due to an emergency or major disaster;

(2) to provide centralized locations for the purposes of training and ensuring the coordination of Federal, State, and local first responders;

(3) to provide centralized locations to improve the coordination of preparedness, response, and recovery efforts of government, private, and not-for-profit entities and faith-based organizations; and

(4) to meet other appropriate needs, as determined by the Secretary of Homeland Security.

SEC. 3. DESIGNATION OF MILITARY INSTALLATIONS AS NATIONAL EMERGENCY CENTERS.

(a) In General.—Not later than 60 days after the date of the enactment of this Act, the Secretary of Homeland Security, in consultation with the Secretary of De-
fense, shall designate not fewer than 6 military installa-
tions as sites for the establishment of national emergency
centers.

(b) MINIMUM REQUIREMENTS.—A site designated as
a national emergency center shall be—

(1) capable of meeting for an extended period
of time the housing, health, transportation, edu-
cation, and humanitarian needs of a large number of
individuals affected by an emergency or major dis-
aster;

(2) environmentally safe and shall not pose a
health risk to individuals who may use the center;

(3) capable of accommodating major disaster
preparedness and response drills, operations, and
procedures; and

(4) easily accessible at all times, including dur-
ing an emergency or major disaster.

(c) LOCATION OF NATIONAL EMERGENCY CEN-
TERS.—There shall be established not fewer than one na-
tional emergency center in each of the following areas:

(1) The area consisting of Federal Emergency
Management Agency Regions I, II, and III.

(2) The area consisting of Federal Emergency
Management Agency Region IV.
(3) The area consisting of Federal Emergency Management Agency Regions V and VII.

(4) The area consisting of Federal Emergency Management Agency Region VI.

(5) The area consisting of Federal Emergency Management Agency Regions VIII and X.

(6) The area consisting of Federal Emergency Management Agency Region IX.

(d) Preference for Designation of Closed Military Installations.—Wherever possible, the Secretary of Homeland Security, in consultation with the Secretary of Defense, shall designate a closed military installation as a site for a national emergency center. If the Secretaries of Homeland Security and Defense jointly determine that there is not a sufficient number of closed military installations that meet the requirements of subsections (b) and (c), the Secretaries shall jointly designate portions of existing military installations other than closed military installations as national emergency centers.

(e) Transfer of Control of Closed Military Installations.—If a closed military installation is designated as a national emergency center, not later than 180 days after the date of designation, the Secretary of Defense shall transfer to the Secretary of Homeland Security
administrative jurisdiction over such closed military installation.

(f) Cooperative Agreement for Joint Use of Existing Military Installations.—If an existing military installation other than a closed military installation is designated as a national emergency center, not later than 180 days after the date of designation, the Secretary of Homeland Security and the Secretary of Defense shall enter into a cooperative agreement to provide for the establishment of the national emergency center.

(g) Reports.—

(1) Preliminary report.—Not later than 90 days after the date of the enactment of this Act, the Secretary of Homeland Security, acting jointly with the Secretary of Defense, shall submit to Congress a report that contains for each designated site—

(A) an outline of the reasons why the site was selected;

(B) an outline of the need to construct, repair, or update any existing infrastructure at the site;

(C) an outline of the need to conduct any necessary environmental clean-up at the site;

(D) an outline of preliminary plans for the transfer of control of the site from the Sec-
retary of Defense to the Secretary of Homeland Security, if necessary under subsection (e); and

(E) an outline of preliminary plans for entering into a cooperative agreement for the establishment of a national emergency center at the site, if necessary under subsection (f).

(2) UPDATE REPORT.—Not later than 120 days after the date of the enactment of this Act, the Secretary of Homeland Security, acting jointly with the Secretary of Defense, shall submit to Congress a report that contains for each designated site—

(A) an update on the information contained in the report as required by paragraph (1);

(B) an outline of the progress made toward the transfer of control of the site, if necessary under subsection (e);

(C) an outline of the progress made toward entering a cooperative agreement for the establishment of a national emergency center at the site, if necessary under subsection (f); and

(D) recommendations regarding any authorizations and appropriations that may be necessary to provide for the establishment of a national emergency center at the site.
(3) **Final report.**—Not later than 1 year after the date of the enactment of this Act, the Secretary of Homeland Security, acting jointly with the Secretary of Defense, shall submit to Congress a report that contains for each designated site—

(A) finalized information detailing the transfer of control of the site, if necessary under subsection (e);

(B) the finalized cooperative agreement for the establishment of a national emergency center at the site, if necessary under subsection (f); and

(C) any additional information pertinent to the establishment of a national emergency center at the site.

(4) **Additional reports.**—The Secretary of Homeland Security, acting jointly with the Secretary of Defense, may submit to Congress additional reports as necessary to provide updates on steps being taken to meet the requirements of this Act.

**SEC. 4. LIMITATIONS ON STATUTORY CONSTRUCTION.**

This Act does not affect—

(1) the authority of the Federal Government to provide emergency or major disaster assistance or to implement any disaster mitigation and response pro-
gram, including any program authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.); or

(2) the authority of a State or local government to respond to an emergency.

6 SEC. 5. AUTHORIZATION OF APPROPRIATIONS.

There is authorized to be appropriated $125,000,000 for each of fiscal years 2006 and 2007 to carry out this Act. Such funds shall remain available until expended.
