WHO REGISTER BY MAIL” and inserting “FOR PRO-

(2) by striking paragraphs (1) through (3) and

inserting the following:

“(1) Individuals voting in person.—

“(A) Requirement to provide identification.—Notwithstanding any other provision

of law and except as provided in subparagraph

(B), the appropriate State or local election offi-
cial may not provide a ballot for an election for
Federal office to an individual who desires to vote in person unless the individual presents to the official—

“(i) a government-issued, current, and valid photo identification; or

“(ii) in the case of the regularly scheduled general election for Federal office held in November 2010 and each subsequent election for Federal office, a government-issued, current, and valid photo identification for which the individual was required to provide proof of United States citizenship as a condition for the issuance of the identification.

“(B) AVAILABILITY OF PROVISIONAL BALLOT.—If an individual does not present the identification required under subparagraph (A), the individual shall be permitted to cast a provisional ballot with respect to the election under section 302(a), except that the appropriate State or local election official may not make a determination under section 302(a)(4) that the individual is eligible under State law to vote in the election unless the individual presents the identification required under subparagraph (A) to the
official not later than 48 hours after casting the
provisional ballot.

or by the government of a State; and
