5 ment under paragraph (1) or (2) that were  
6 entered in that applicable 1-year period.  
7 To the extent that the quantity so deter-

1 labor, a minimum age for the employment  
2 of children, and acceptable conditions of  
3 work with respect to minimum wages,  
4 hours of work, and occupational safety and  
5 health;

6 “(B) does not engage in activities that un-  
7 dermine United States national security or for-  
8 eign policy interests; and

9 “(C) does not engage in gross violations of  
10 internationally recognized human rights or pro-  
11 vide support for acts of international terrorism  
12 and cooperates in international efforts to elimi-  
13 nate human rights violations and terrorist ac-  
14 tivities.

15 “(2) TIME LIMIT FOR DETERMINATION.—The  
16 President shall determine whether Haiti meets the  
17 requirements of paragraph (1) not later than 90  
18 days after the date of the enactment of the Haitian  
19 Hemispheric Opportunity through Partnership En-  
20 couragement Act of 2006.

21 “(3) CONTINUING COMPLIANCE.—If the Presi-  
22 dent determines that Haiti is not making continual  
23 progress in meeting the requirements described in  
24 paragraph (1)(A), the President shall terminate the  
25 preferential treatment under this section.

1       “(e) CONDITIONS REGARDING ENFORCEMENT OF  
2 CIRCUMVENTION.—

3           “(1) IN GENERAL.—The preferential treatment  
4 under subsection (b)(1) shall not apply unless the  
5 President certifies to Congress that Haiti is meeting  
6 the following conditions:

7           “(A) Haiti has adopted an effective visa  
8 system, domestic laws, and enforcement proce-  
9 dures applicable to articles described in sub-  
10 section (b) to prevent unlawful transshipment  
11 of the articles and the use of counterfeit docu-  
12 ments relating to the importation of the articles  
13 into the United States.

14           “(B) Haiti has enacted legislation or pro-  
15 mulgated regulations that would permit the Bu-  
16 reau of Customs and Border Protection  
17 verification teams to have the access necessary  
18 to investigate thoroughly allegations of trans-  
19 shipment through such country.

20           “(C) Haiti agrees to report, on a timely  
21 basis, at the request of the Bureau of Customs  
22 and Border Protection, on the total exports  
23 from and imports into that country of articles  
24 described in subsection (b), consistent with the  
25 manner in which the records are kept by Haiti.

1           “(D) Haiti agrees to cooperate fully with  
2           the United States to address and take action  
3           necessary to prevent circumvention as provided  
4           in Article 5 of the Agreement on Textiles and  
5           Clothing.

6           “(E) Haiti agrees to require all producers  
7           and exporters of articles described in subsection  
8           (b) in that country to maintain complete  
9           records of the production and the export of  
10          such articles, including materials used in the  
11          production, for at least 5 years after the pro-  
12          duction or export (as the case may be).

13          “(F) Haiti agrees to report, on a timely  
14          basis, at the request of the Bureau of Customs  
15          and Border Protection, documentation estab-  
16          lishing the country of origin of articles de-  
17          scribed in subsection (b) as used by that coun-  
18          try in implementing an effective visa system.

19          “(2) DEFINITION OF TRANSSHIPMENT.—Trans-  
20          shipment within the meaning of this subsection has  
21          occurred when preferential treatment for a textile or  
22          apparel article under this section has been claimed  
23          on the basis of material false information concerning  
24          the country of origin, manufacture, processing, or  
25          assembly of the article or any of its components. For

1 purposes of this paragraph, false information is ma-  
2 terial if disclosure of the true information would  
3 mean or would have meant that the article is or was  
4 ineligible for preferential treatment under this sec-  
5 tion.

6 “(f) REGULATIONS.—The President shall issue regu-  
7 lations to carry out this section not later than 180 days  
8 after the date of the enactment of the Haitian Hemi-  
9 spheric Opportunity through Partnership Encouragement  
10 Act of 2006. The President shall consult with the Com-  
11 mittee on Ways and Means of the House of Representa-  
12 tives and the Committee on Finance of the Senate in pre-  
13 paring such regulations.”.

14 **SEC. 303. ITC STUDY.**

15 The International Trade Commission shall, not later  
16 than 18 months after the date of the enactment of this  
17 Act, submit a report to Congress on the effects of the  
18 amendments made by this Act on the trade markets and  
19 industries, involving textile and apparel articles, of Haiti,  
20 the countries described in clauses (ii) and (iii) of section  
21 213A(b)(2)(C) of the Caribbean Basin Economic Recovery  
22 Act (as added by section 302 of this Act), and the United  
23 States.

1 **SEC. 304. SENSE OF CONGRESS ON INTERPRETATION OF**  
2 **TEXTILE AND APPAREL PROVISIONS FOR**  
3 **HAITI.**

4 It is the sense of the Congress that the executive  
5 branch, particularly the Committee for the Implementa-  
6 tion of Textile Agreements (CITA), the Bureau of Cus-  
7 toms and Border Protection of the Department of Home-  
8 land Security, and the Department of Commerce, should  
9 interpret, implement, and enforce the provisions of section  
10 213A(b) of the Caribbean Basin Economic Recovery Act,  
11 as added by section 302 of this Act, relating to pref-  
12 erential treatment of textile and apparel articles, broadly  
13 in order to expand trade by maximizing opportunities for  
14 imports of such articles from Haiti.

15 **SEC. 305. TECHNICAL AMENDMENTS.**

16 (a) CBI.—Section 213(b)(2)(A)(v) of the Caribbean  
17 Basin Economic Recovery Act (19 U.S.C.  
18 2703(b)(2)(A)(v)) is amended by adding at the end the  
19 following new subclause:

20 “(III) If the President determines  
21 that any fabric or yarn was determined to  
22 be eligible for preferential treatment under  
23 subclause (I) on the basis of fraud, the  
24 President is authorized to remove that des-  
25 ignation from that fabric or yarn with re-

1           spect to articles entered after such re-  
2           moval.”.

3           (b) ATPA.—Section 204(b)(3)(B) of the Andean  
4 Trade Preference Act (19 U.S.C. 3202(b)(3)(B)) is  
5 amended by adding at the end the following new clause:

6                   “(viii) REMOVAL OF DESIGNATION OF  
7                   FABRICS OR YARNS NOT AVAILABLE IN  
8                   COMMERCIAL QUANTITIES.—If the Presi-  
9                   dent determines that any fabric or yarn  
10                  was determined to be eligible for pref-  
11                  erential treatment under clause (i)(III) or  
12                  (ii) on the basis of fraud, the President is  
13                  authorized to remove that designation from  
14                  that fabric or yarn with respect to articles  
15                  entered after such removal.”.

16 **SEC. 306. EFFECTIVE DATE.**

17           This title and the amendments made by this title  
18 apply to articles entered, or withdrawn from warehouse  
19 for consumption, on or after the 15th day after the date  
20 of the enactment of this Act.

21                   **TITLE IV—ANDEAN TRADE**  
22                   **PREFERENCE ACT**

23 **SEC. 401. SHORT TITLE.**

24           This title may be cited as the “Andean Bridge to a  
25 Reciprocal Trade Partnership Act”.

1 **SEC. 402. FINDINGS.**

2 The Congress finds the following:

3 (1) The Andean Trade Promotion and Drug  
4 Eradication Act (ATPDEA) has provided trade pref-  
5 erences for Andean countries to provide alternatives  
6 to illicit drug production, thereby enhancing political  
7 security in the region.

8 (2) Building upon the success of the ATPDEA,  
9 Peru and Colombia have each negotiated comprehen-  
10 sive trade promotion agreements with the United  
11 States that would, for the first time, create a 2-way  
12 trade relationship by providing duty-free access for  
13 United States exports of goods and services to their  
14 combined markets of 72,000,000 people.

15 (3) The trade promotion agreements reached  
16 with Peru and Colombia symbolize the commitment  
17 of the United States to important allies and to free-  
18 dom and democracy in a region where these prin-  
19 ciples have been under attack.

20 (4) On June 28, 2006, the Congress of Peru  
21 approved the United States–Peru Trade Promotion  
22 Agreement by an overwhelming vote of 79-14.

23 (5) The United States-Colombia Trade Pro-  
24 motion Agreement was signed on November 22,  
25 2006. On November 30, 2006, Alvaro Uribe, the  
26 President of Colombia, submitted the United States–

1 Colombia Trade Promotion Agreement to the Con-  
2 gress of Colombia for its approval, which is expected  
3 in early 2007.

4 (6) It is a priority for the United States Con-  
5 gress that the trade promotion agreements with  
6 Peru and Colombia enter into force as soon as pos-  
7 sible.

8 (7) The ATPDEA is currently scheduled to ex-  
9 pire on December 31, 2006. Providing a short-term  
10 extension of ATPDEA benefits to Peru and Colom-  
11 bia is appropriate to provide a seamless transition  
12 while the United States Congress considers the trade  
13 promotion agreements with those countries and  
14 while each country approves all the implementing  
15 legislation necessary for the agreements to enter into  
16 force.

17 (8) It is also desirable that the United States,  
18 Ecuador, and Bolivia continue and enhance their  
19 trade relationship by concluding comprehensive,  
20 commercially meaningful trade promotion agree-  
21 ments.

22 (9) The United States and Ecuador have held  
23 several negotiating rounds for a trade promotion  
24 agreement, and if the political will is present on both  
25 sides to resume negotiations, an agreement could be

1 concluded quickly. To resume trade negotiations, Ec-  
2 uador must demonstrate that it is a reliable trading  
3 partner that honors its international commitments  
4 such as under the United States-Ecuador Bilateral  
5 Investment Treaty and as a member of the Inter-  
6 national Labor Organization.

7 (10) Bolivia has observed several rounds of ne-  
8 gotiations for an Andean trade promotion agree-  
9 ment.

10 (11) If a trade promotion agreement is con-  
11 cluded with Ecuador or Bolivia within a reasonable  
12 period of time, it is appropriate to extend ATPDEA  
13 benefits to provide a rebate of duties on eligible en-  
14 tries from that country retroactively after the trade  
15 promotion agreement with that country enters into  
16 force.

17 **SEC. 403. ATPDEA-TPA BRIDGE.**

18 Section 208 of the Andean Trade Preference Act (19  
19 U.S.C. 3206) is amended—

20 (1) by striking “No” and inserting “(a) TERMI-  
21 NATION.—Subject to subsection (b), no”; and

22 (2) by adding at the end the following:

23 “(b) TEMPORARY EXTENSIONS AND CONDITIONAL  
24 REBATE BENEFITS.—

25 “(1) COLOMBIA AND PERU.—

1           “(A) TEMPORARY EXTENSION.—Duty-free  
2 treatment and other preferential treatment  
3 under this title shall remain in effect with re-

7 treatment and other preferential treatment  
8 under this title shall remain in effect—

9                   “(i) with respect to Colombia, during

11 ending on December 31, 2007, only if be-  
12 fore June 30, 2007—

13                           “(I) an implementing bill with re-  
14 spect to the United States-Colombia  
15 Trade Promotion Agreement has been  
16 enacted into law pursuant to the Bi-  
17 partisan Trade Promotion Authority  
18 Act of 2002; and

19                           “(II) the President determines  
20 that the Congress of Colombia has ap-  
21 proved the United States-Colombia  
22 Trade Promotion Agreement; and

23                           “(ii) with respect to Peru, during the  
24 period beginning on July 1, 2007, and end-

1 ing on December 31, 2007, only if before  
2 June 30, 2007—

3 “(I) an implementing bill with re-  
4 spect to the United States-Peru Trade  
5 Promotion Agreement has been en-  
6 acted into law pursuant to the Bipar-  
7 tisan Trade Promotion Authority Act  
8 of 2002; and

9 “(II) the President determines  
10 that the Congress of Peru has ap-  
11 proved the United States-Peru Trade  
12 Promotion Agreement.

13 “(2) CONDITIONAL REBATE BENEFITS FOR BO-  
14 LIVIA AND ECUADOR.—

15 “(A) GENERAL RULE.—

16 “(i) ENTRY INTO TRADE AGREE-

18 between the United States and a country  
19 described in clause (ii) that was an  
20 ATPDEA beneficiary country as of De-  
21 cember 31, 2006, is entered into under the  
22 authority of section 2103(b) of the Bipar-  
23 tisan Trade Promotion Authority Act of  
24 2002, then upon the entry into force of the  
25 agreement with respect to the United

1 States, the entry of any good of that  
2 ATPDEA beneficiary country—

3 “(I) to which duty-free or pref-  
4 erential treatment under this title  
5 would have applied if the entry had  
6 been made on December 31, 2006,  
7 and

8 “(II) that was made after De-  
9 cember 31, 2006, and before the ear-  
10 lier of—

11 “(aa) the date on which the  
12 trade promotion agreement be-  
13 tween the United States and that  
14 ATPDEA beneficiary country en-  
15 ters into force with respect to the  
16 United States, or

17 “(bb) the date that is 1 year  
18 after the date of enactment of  
19 the Andean Bridge to a Recip-  
20 rocal Trade Partnership Act,  
21 shall, notwithstanding section 514 of  
22 the Tariff Act of 1930 or any other  
23 provision of law, be liquidated or re-  
24 liquidated as if such duty-free or pref-  
25 erential treatment (as the case may

1                   be) applied to such entry, subject to  
2                   subparagraph (B).

3                   “(ii) COUNTRIES.—A country is de-  
4                   scribed in this clause if it is Bolivia or Ec-  
5                   uador.

6                   “(B) REQUESTS.—

7                   “(i) GENERAL RULE.—Subject to  
8                   clause (ii), liquidation or reliquidation may  
9                   be made under subparagraph (A)(i) with  
10                  respect to an entry described in such sub-  
11                  paragraph only if a request therefor is filed  
12                  with the Bureau of Customs and Border  
13                  Protection of the Department of Homeland  
14                  Security within 90 days after the date on  
15                  which the applicable trade promotion  
16                  agreement described in subparagraph  
17                  (A)(i) enters into force with respect to the  
18                  United States, and the request contains  
19                  sufficient information to enable the Bureau  
20                  of Customs and Border Protection to lo-  
21                  cate the entry or reconstruct the entry if  
22                  it cannot be located.

23                  “(ii) EXPEDITED REFUNDS IN CER-  
24                  TAIN CASES.—If an importer of record, at  
25                  the time an entry described in subpara-

1 graph (A)(i) is made, identifies the entry,  
2 in the documentation required to be filed  
3 with the Bureau of Customs and Border  
4 Protection for the entry, as eligible for  
5 duty free or preferential treatment (as the  
6 case may be), under this title, and pays the  
7 duties, or posts the bond, required at the  
8 time of the entry, then—

9 “(I) the requirements of clause  
10 (i) shall be considered to have been  
11 met; and

12 “(II) the Bureau of Customs and  
13 Border Protection shall refund the du-

18 subparagraph (A)(i) enters into force  
19 with respect to the United States.

20 “(iii) DEPOSITS OF AMOUNTS PAID.—  
21 The Secretary of the Treasury shall estab-  
22 lish in the Treasury of the United States  
23 a special account into which the Bureau of

2           record under clause (ii).

3                   “(iv) PROTESTS.—Any person that  
4           disputes a determination of the Bureau of

7           test with respect to that determination in  
8           accordance with section 514 of the Tariff  
9           Act of 1930.”.

8 **MENT (NORMAL TRADE RELA-**

10 **PRODUCTS OF VIETNAM**

11 **SEC. 501. FINDINGS.**

12 Congress finds the following:

13 (1) In July 1995, President Bill Clinton an-  
14 nounced the formal normalization of diplomatic rela-  
15 tions between the United States and Vietnam.

16 (2) Vietnam has taken cooperative steps with  
17 the United States under the United States Joint  
18 POW/MIA Accounting Command (formerly the  
19 Joint Task Force-Full Accounting) established in  
20 1992 by President George H.W. Bush to provide the  
21 fullest possible accounting of MIA and POW cases.

22 (3) In 2000, the United States and Vietnam  
23 concluded a bilateral trade agreement that included  
24 commitments on goods, services, intellectual prop-  
25 erty rights, and investment. The agreement was ap-

1 proved by joint resolution enacted pursuant to sec-  
2 tion 405(c) of the Trade Act of 1974 (19 U.S.C.  
3 2435(c)), and entered into force in December 2001.

4 (4) Since 2001, normal trade relations treat-  
5 ment has consistently been extended to Vietnam pur-  
6 suant to title IV of the Trade Act of 1974.

7 (5) Vietnam has undertaken significant market-  
8 based economic reforms, including the reduction of  
9 government subsidies, tariffs and nontariff barriers,  
10 and extensive legal reform. These measures have  
11 dramatically improved Vietnam's business and in-  
12 vestment climate.

13 (6) Vietnam is in the process of acceding to the  
14 World Trade Organization. On May 31, 2006, the  
15 United States and Vietnam signed a comprehensive  
16 bilateral agreement providing greater market access  
17 for goods and services and other trade liberalizing  
18 commitments as part of the World Trade Organiza-  
19 tion accession process.

20 **SEC. 502. TERMINATION OF APPLICATION OF TITLE IV OF**  
21 **THE TRADE ACT OF 1974 TO VIETNAM.**

22 (a) **PRESIDENTIAL DETERMINATIONS AND EXTEN-**  
23 **SION OF NON-DISCRIMINATORY TREATMENT.**—Notwith-  
24 standing any provision of title IV of the Trade Act of 1974  
25 (19 U.S.C. 2431 et seq.), the President may—

1           (1) determine that such title should no longer  
2           apply to Vietnam; and

3           (2) after making a determination under para-  
4           graph (1) with respect to Vietnam, proclaim the ex-  
5           tension of nondiscriminatory treatment (normal  
6           trade relations treatment) to the products of that  
7           country.

8           (b) TERMINATION OF THE APPLICABILITY OF TITLE  
9           IV.—On and after the effective date of the extension of  
10          nondiscriminatory treatment to the products of Vietnam  
11          under subsection (a), title IV of the Trade Act of 1974  
12          shall cease to apply to that country.

13       **TITLE VI—PROCEDURE FOR IM-**  
14       **POSING QUOTAS ON IMPORTS**  
15       **OF SUBSIDIZED TEXTILE AND**  
16       **APPAREL PRODUCTS OF**  
17       **VIETNAM**

18       **SEC. 601. PROCEDURE FOR DETERMINING PROHIBITED**  
19       **SUBSIDIES BY VIETNAM.**

20           (a) AUTHORITY OF TRADE REPRESENTATIVE.—The  
21          Trade Representative may conduct proceedings under this  
22          section to determine whether the Government of Vietnam  
23          is providing, on or after the date on which Vietnam ac-  
24          cedes to the World Trade Organization, a prohibited sub-  
25          sidy to its textile or apparel industry, if such proceedings

1 are begun, and consultations under section 602 are initi-  
2 ated, during the 1-year period beginning on the date on  
3 which Vietnam accedes to the World Trade Organization.

4 (b) PETITIONS.—

5 (1) FILING.—Any interested person may file a  
6 petition with the Trade Representative requesting  
7 that the Trade Representative make a determination  
8 under subsection (a). The petition shall set forth the  
9 allegations in support of the request.

10 (2) REVIEW BY TRADE REPRESENTATIVE.—  
11 The Trade Representative shall review the allega-  
12 tions in any petition filed under paragraph (1) and,  
13 not later than 20 days after the date on which the  
14 Trade Representative receives the petition, shall de-  
15 termine whether to initiate proceedings to make a  
16 determination under subsection (a).

17 (3) PROCEDURES.—

18 (A) DETERMINATION TO INITIATE PRO-  
19 CEEDINGS.—If the Trade Representative makes  
20 an affirmative determination under paragraph  
21 (2) with respect to a petition, the Trade Rep-  
22 resentative shall publish a summary of the peti-

1 **SEC. 603. PUBLIC PARTICIPATION AND CONSULTATION.**

2 (a) PUBLIC PARTICIPATION.—In the notice published  
3 under subsection (b)(3)(A) or (c) of section 601, the  
4 Trade Representative shall provide an opportunity to the  
5 public for the presentation of views concerning the  
6 issues—

7 (1) within the 30-day period beginning on the  
8 date of the notice (or on a date after such period if  
9 agreed to by the petitioner), or

10 (2) at such other time if a timely request there-  
11 for is made by the petitioner or by any interested  
12 person,

13 with a public hearing if requested by an interested person.

14 (b) CONSULTATION.—The Trade Representative shall  
15 consult with the Committee on Ways and Means of the  
16 House of Representatives and the Committee on Finance  
17 of the Senate, and with the appropriate advisory commit-  
18 tees established under section 135 of the Trade Act of  
19 1974 (19 U.S.C. 2155), with respect to whether to initiate  
20 proceedings under section 601 and, if proceedings are con-  
21 ducted, with respect to making the determination under  
22 subsection (c).

23 (c) DETERMINATION.—After considering all com-  
24 ments submitted, and within 30 days after the close of  
25 the comment period under subsection (a), the Trade Rep-

3 Government of Vietnam is providing, on or  
4 after the date on which Vietnam accedes to the  
5 World Trade Organization, a prohibited subsidy  
6 to its textile or apparel industry; or

7 (B) if the arbitrator does not issue a deci-  
8 sion within 120 days after the request for arbi-  
9 tration, in which case the limitations cease to  
10 be effective if the arbitrator, after such limita-  
11 tions are imposed, determines that the Govern-  
12 ment of Vietnam is not providing, on or after  
13 the date on which Vietnam accedes to the  
14 World Trade Organization, a prohibited subsidy  
15 to its textile or apparel industry.

24 cause of a prohibited subsidy, the Trade Representative  
25 determines that the Government of Vietnam is not pro-

1 viding, on or after the date on which Vietnam accedes to  
2 the World Trade Organization, a prohibited subsidy to its  
3 textile or apparel industry, the quantitative limitations  
4 shall cease to be effective on the date on which that deter-
