## RESOLUTION

For the re-opening of investigative hearings into the Counter-Intelligence Program (COINTELPRO) and other intelligence and law enforcement programs and agencies, and an expansion of those hearings to include renewal of previously curtailed abuses, and other activities sanctioned by the USA PATRIOT ACT.

Whereas the Congress affirms both constitutional and international law and all existing legislation and resolutions that protect, defend, and assert human and civil rights;

Whereas the Congress denounces the criminalization of political expression;

Whereas the Congress condemns any abuse of human, civil, and constitutional rights undertaken by Federal, State, or local law enforcement agencies and agents;

Whereas the Congress acknowledges the violations of law perpetrated by the U.S. Federal Bureau of Investigation (FBI) conducted under the Counter Intelligence Program (COINTELPRO), and other intelligence agency and law enforcement programs such as CHAOS, GARDEN PLOT, CABLE SPLICER, LANTERN SPIKE, and others, which targeted the leadership of progressive social movements and implemented extra-constitutional aggregations of executive power or martial law;

Whereas the Congress recognizes the findings of the Church Committee which identified COINTELPRO and related activities as an illegal, extra-judicial effort designed to disrupt and destroy opposition groups and movements, and anti-war protest, among others;

Whereas the Congress regrets that the government investigations stopped short of making recommendations for relief for the victims of COINTELPRO and, as a result, dozens still remain imprisoned, unjustly incarcerated as the result of FBI operations to “neutralize” the leadership of the civil rights movement; and

Whereas the Congress recognizes that such abuses have been renewed in the United States under special Executive branch orders and mandates following the attacks of 9/11, by existing and newly formed intelligence, security and law enforcement agencies including but not limited to the Defense Intelligence Agency (DIA), Central Intelligence Agency (CIA), National Security Agency (NSA), Federal Bureau of Investigation (FBI), Immigration and Customs Enforcement (ICE), Department of Homeland

Security (DHS), Transportation Security Agency (TSA), and Director of National Intelligence (DNI), and by certain provisions of the USA PATRIOT ACT and related legislation: Now, therefore, be it

1       *Resolved*, That the U.S. Congress will release any re-  
2 lated classified documents that do not involve compromise  
3 of an existing source, agent, or method, and renew and  
4 administer hearings by all appropriate committees and  
5 subcommittees of Congress, or through the formation of  
6 a select oversight committee to investigate the past abuses  
7 and appropriate legal relief due to the victims of such  
8 abuses carried out under COINTELPRO and related pro-  
9 grams by other intelligence and law enforcement agencies,  
10 and to identify any renewal of similar abuses following the  
11 attacks of 9/11 by any Federal or local agencies or Execu-  
12 tive branch orders, or under the provisions of the USA  
13 PATRIOT ACT; and

14       *Be it further resolved*, That Congress intends to renew  
15 legislation that will end these abuses and fully protect the  
16 constitutional, civil, and human rights of all U.S. citizens  
17 and others who fall under the protection of our laws and  
18 international laws and treaties the United States is signa-  
19 tory to.
