13 the chairman of the Committee on the Budget may make  
14 the appropriate adjustments in allocations of a committee  
15 or committees and budgetary aggregates, but only to the  
16 extent that such bill or joint resolution (as amended, in  
17 the case of an amendment) in the form placed before the  
18 House by the Committee on Rules would not increase the  
19 deficit or decrease the surplus for the period of fiscal years  
20 2007 through 2012 and the period of fiscal years 2007  
21 through 2017. The adjustments may be made whenever  
22 a rule providing for consideration of such a bill or joint

7 tion (or an amendment thereto or conference report there-  
8 on) that provides for the reauthorization of the Secure  
9 Rural Schools and Community Self-Determination Act  
10 (Public Law 106-393), the chairman of the Committee on

15 form placed before the House by the Committee on Rules  
16 would not increase the deficit or decrease the surplus for  
17 the period of fiscal years 2007 through 2012 and the pe-  
18 riod of fiscal years 2007 through 2017. The adjustments  
19 may be made whenever a rule providing for consideration  
20 of such a bill or joint resolution is filed, such a bill or  
21 joint resolution is placed on any calendar, or an amend-

4 tion (or an amendment thereto or conference report there-  
5 on) that prohibits the Bonneville Power Administration  
6 from making early payments on its Federal Bond Debt  
7 to the Department of the Treasury, the chairman of the  
8 Committee on Budget may make the appropriate adjust-  
9 ments in allocations of a committee or committees and  
10 budgetary aggregates, but only to the extent that such bill  
11 or joint resolution (as amended, in the case of an amend-  
12 ment) in the form placed before the House by the Com-  
13 mittee on Rules would not increase the deficit or decrease  
14 the surplus for the period of fiscal years 2007 through  
15 2012 and the period of fiscal years 2007 through 2017.  
16 The adjustments may be made whenever a rule providing  
17 for consideration of such a bill or joint resolution is filed,  
18 such a bill or joint resolution is placed on any calendar,  
19 or an amendment is offered or considered as adopted or  
20 a conference report is submitted on such a bill or joint  
21 resolution.

22 **SEC. 212. RESERVE FUND FOR TRANSITIONAL MEDICAL AS-**  
23 **SISTANCE.**

24 In the House, with respect to a bill or a joint resolu-  
25 tion (or an amendment thereto or conference report there-  
26 on) that extends the Transitional Medical Assistance pro-

1 gram, included in title 19 of the Social Security Act,  
2 through fiscal year 2008, the chairman of the Committee  
3 on Budget may make the appropriate adjustments in allo-

7 form placed before the House by the Committee on Rules  
8 would not increase the deficit or decrease the surplus for  
9 the period of fiscal years 2007 through 2012 and the pe-  
10 riod of fiscal years 2007 through 2017. The adjustments  
11 may be made whenever a rule providing for consideration  
12 of such a bill or joint resolution is filed, such a bill or  
13 joint resolution is placed on any calendar, or an amend-  
14 ment is offered or considered as adopted or a conference  
15 report is submitted on such a bill or joint resolution.

10 from that budget authority for fiscal year 2008.

11           (4) UNEMPLOYMENT INSURANCE IMPROPER

24           (b) PROCEDURE FOR ADJUSTMENTS.—

25           (1) IN GENERAL.—

1           (A) CHAIRMAN.—After the reporting of a  
2 bill or joint resolution, or the offering of an  
3 amendment thereto or the submission of a con-  
4 ference report thereon, the chairman of the  
5 Committee on the Budget shall make the ad-  
6 justments set forth in subparagraph (B) for the

10 from that budget authority.

11           (B) MATTERS TO BE ADJUSTED.—The ad-  
12 justments referred to in subparagraph (A) are  
13 to be made to—

14           (i) the allocations made pursuant to  
15 the appropriate concurrent resolution on  
16 the budget pursuant to section 302(a) of  
17 the Congressional Budget Act of 1974; and

18           (ii) the budgetary aggregates as set  
19 forth in this resolution.

20           (c) OVERSIGHT OF GOVERNMENT PERFORMANCE.—

21 In the House, all committees are directed to review pro-  
22 grams within their jurisdiction to root out waste, fraud,  
23 and abuse in program spending, giving particular scrutiny  
24 to issues raised by Government Accountability Office re-  
25 ports. Based on these oversight efforts and committee per-

1 formance reviews of programs within their jurisdiction,  
2 committees are directed to include recommendations for  
3 improved governmental performance in their annual views  
4 and estimates reports required under section 301(d) of the  
5 Congressional Budget Act of 1974 to the Committee on  
6 the Budget.

7 **SEC. 302. ADVANCE APPROPRIATIONS.**

8 (a) IN GENERAL.—In the House, except as provided  
9 in subsection (b), a bill or joint resolution making a gen-  
10 eral appropriation or continuing appropriation, or an  
11 amendment thereto may not provide for advance appro-  
12 priations.

13 (b) ADVANCE APPROPRIATION.—In the House, an  
14 advance appropriation may be provided for fiscal year  
15 2009 or 2010 for programs, projects, activities, or ac-  
16 counts identified in the joint explanatory statement of  
17 managers accompanying this resolution under the heading  
18 “Accounts Identified for Advance Appropriations” in an  
19 aggregate amount not to exceed \$25,558,000,000 in new  
20 budget authority.

21 (c) DEFINITION.—In this section, the term “advance  
22 appropriation” means any new discretionary budget au-  
23 thority provided in a bill or joint resolution making gen-  
24 eral appropriations or any new discretionary budget au-  
25 thority provided in a bill or joint resolution continuing ap-

1 appropriations for fiscal year 2008 that first becomes avail-  
2 able for any fiscal year after 2008.

3 **SEC. 303. OVERSEAS DEPLOYMENTS AND EMERGENCY**  
4 **NEEDS.**

5 (a) OVERSEAS DEPLOYMENTS AND RELATED ACTIVI-  
6 TIES.—In the House, any bill or joint resolution or amend-  
7 ment offered or considered as adopted or a conference re-  
8 port thereon, that makes appropriations for fiscal year  
9 2008 or fiscal year 2009 for overseas deployments and re-  
10 lated activities, and such amounts are so designated pur-  
11 suant to this subsection, then new budget authority, out-  
12 lays or receipts resulting therefrom shall not count for the  
13 purposes of titles III and IV of the Congressional Budget  
14 Act of 1974.

15 (b) EMERGENCY NEEDS.—In the House, any bill or  
16 joint resolution, or amendment offered or considered as  
17 adopted or conference report thereon, that makes appro-  
18 priations for nondefense discretionary amounts, and such  
19 amounts are designated as necessary to meet emergency  
20 needs, then the new budget authority, outlays, or receipts  
21 resulting therefrom shall not be counted for the purposes  
22 of titles III and IV of the Congressional Budget Act of  
23 1974.

1 **SEC. 304. APPLICATION AND EFFECT OF CHANGES IN ALLO-**  
2 **CATIONS AND AGGREGATES.**

3 (a) APPLICATION.—Any adjustments of allocations  
4 and aggregates made pursuant to this resolution shall—

5 (1) apply while that measure is under consider-  
6 ation;

7 (2) take effect upon the enactment of that  
8 measure; and

9 (3) be published in the Congressional Record as  
10 soon as practicable.

11 (b) EFFECT OF CHANGED ALLOCATIONS AND AG-  
12 GREGATES.—Revised allocations and aggregates resulting  
13 from these adjustments shall be considered for the pur-  
14 poses of the Congressional Budget Act of 1974 as alloca-  
15 tions and aggregates contained in this resolution.

16 (c) COMMITTEE ON THE BUDGET DETERMINA-  
17 TIONS.—For purposes of this resolution, the levels of new  
18 budget authority, outlays, direct spending, new entitle-  
19 ment authority, revenues, deficits, and surpluses for a fis-  
20 cal year or period of fiscal years shall be determined on  
21 the basis of estimates made by the Committee on the  
22 Budget.

23 **SEC. 305. ADJUSTMENTS TO REFLECT CHANGES IN CON-**  
24 **CEPTS AND DEFINITIONS.**

25 Upon the enactment of a bill or joint resolution pro-  
26 viding for a change in concepts or definitions, the chair-

1 man of the Committee on the Budget shall make adjust-  
2 ments to the levels and allocations in this resolution in  
3 accordance with section 251(b) of the Balanced Budget  
4 and Emergency Deficit Control Act of 1985 (as in effect  
5 on September 30, 2002).

6 **SEC. 306. COMPLIANCE WITH SECTION 13301 OF THE BUDG-**  
7 **ET ENFORCEMENT ACT OF 1990.**

8 (a) IN GENERAL.—In the House and the Senate, not-  
9 withstanding section 302(a)(1) of the Congressional  
10 Budget Act of 1974 and section 13301 of the Budget En-  
11 forcement Act of 1990, the joint explanatory statement  
12 accompanying the conference report on any concurrent  
13 resolution on the budget shall include in its allocation  
14 under section 302(a) of the Congressional Budget Act of  
15 1974 to the Committee on Appropriations amounts for the  
16 discretionary administrative expenses of the Social Secu-  
17 rity Administration.

18 (b) SPECIAL RULE.—In the House, for purposes of  
19 applying section 302(f) of the Congressional Budget Act  
20 of 1974, estimates of the level of total new budget author-  
21 ity and total outlays provided by a measure shall include  
22 any discretionary amounts provided for the Social Security  
23 Administration.

24 **SEC. 307. EXERCISE OF RULEMAKING POWERS.**

25 Congress adopts the provisions of this title—

1           (1) as an exercise of the rulemaking power of  
2           the House and as such they shall be considered as  
3           part of the rules of the House, and such rules shall  
4           supersede other rules only to the extent that they  
5           are inconsistent therewith; and

6           (2) with full recognition of the constitutional  
7           right of the House to change those rules at any  
8           time, in the same manner, and to the same extent  
9           as in the case of any other rule of the House.

## 10                           **TITLE IV—POLICY**

### 11   **SEC. 401. POLICY ON MIDDLE-INCOME TAX RELIEF.**

12           It is the policy of this resolution to minimize fiscal  
13           burdens on middle-income families and their children and  
14           grandchildren. It is the policy of this resolution to provide  
15           immediate relief for the tens of millions of middle-income  
16           households who would otherwise be subject to the Alter-  
17           native Minimum Tax (AMT) under current law in the con-  
18           text of permanent, revenue-neutral AMT reform. Further-  
19           more, it is the policy of this resolution to support extension  
20           of middle-income tax relief and enhanced economic equity  
21           through policies such as—

22                       (1) extension of the child tax credit;

23                       (2) extension of marriage penalty relief;

24                       (3) extension of the 10 percent individual in-  
25           come tax bracket;

1           (4) elimination of estate taxes on all but a  
2           minute fraction of estates by reforming and substan-  
3           tially increasing the unified tax credit;

4           (5) extension of the research and experimen-  
5           tation tax credit;

6           (6) extension of the deduction for State and  
7           local sales taxes;

8           (7) extension of the deduction for small busi-  
9           ness expensing; and

10          (8) enactment of a tax credit for school con-  
11          struction bonds.

12 This resolution assumes the cost of enacting such policies  
13 is offset by reforms within the Internal Revenue Code of  
14 1986 that promote a fairer distribution of taxes across  
15 families and generations, economic efficiency, higher rates  
16 of tax compliance to close the “tax gap”, and reduced tax-  
17 payer burdens through tax simplification.

18 **SEC. 402. POLICY ON DEFENSE PRIORITIES.**

19       It is the policy of this resolution that—

20           (1) recommendations of the National Commis-  
21           sion on Terrorist Attacks Upon the United States  
22           (commonly referred to as the 9/11 Commission) to  
23           fund cooperative threat reduction and nuclear non-  
24           proliferation programs at a level commensurate with  
25           the risk is a high priority, and the President’s budg-

1 et should have requested sufficient funding for these  
2 programs;

3 (2) ensuring that the TRICARE fees for mili-  
4 tary retirees under the age of 65 remain at current  
5 levels;

6 (3) funds be provided for increasing pay to en-  
7 sure retention of experienced personnel and for im-  
8 proving military benefits in general;

9 (4) the Missile Defense Agency should be fund-  
10 ed at an adequate but lower level and the elimi-  
11 nation of space-based interceptor development will  
12 ensure a more prudent acquisition strategy, yet still  
13 support a robust ballistic missile defense program;

14 (5) satellite research, development, and procure-  
15 ment be funded at a level below the amount re-  
16 quested for fiscal year 2008, which amounts to a 26  
17 percent increase above the current level, but at a  
18 level sufficient to develop new satellite technologies  
19 while ensuring a more prudent acquisition strategy;

20 (6) sufficient resources be provided to imple-  
21 ment Government Accountability Office (GAO) rec-  
22 ommendations, such as improving financial manage-  
23 ment and contracting practices at the Department of  
24 Defense (DOD), and that substantial savings should  
25 result from the identification of billions of dollars of

1 obligations and disbursements and Government over-  
2 charges for which the Department of Defense cannot  
3 account;

4 (7) that the Department of Defense should do  
5 a more careful job of addressing the 1,378 Govern-  
6 ment Accountability Office recommendations made  
7 to the Department of Defense and its components  
8 over the last six years that have yet to be imple-  
9 mented, which could produce billions of dollars in  
10 savings; and

11 (8) accruing all savings from the actions rec-  
12 ommended in paragraphs (4) through (7) should be  
13 used to fund higher priorities within Function 050  
14 (Defense), and especially those high priorities identi-  
15 fied in paragraphs (1) through (3) and to help fund  
16 recommendations of the bipartisan “Walter Reed  
17 Commission” (the President’s Commission on Care  
18 for America’s Returning Wounded Warriors) and  
19 other United States Government investigations into  
20 military healthcare facilities and services.

21 **SEC. 403. POLICY ON COLLEGE AFFORDABILITY.**

22 It is the policy of this resolution that the reconcili-  
23 ation directive to the Committee on Education and Labor  
24 shall not be construed to reduce any assistance that makes  
25 college more affordable for students, including but not lim-

1 ited to assistance to student aid programs run by non-  
2 profit state agencies.

### 3 **TITLE V—SENSE OF THE HOUSE**

#### 4 **SEC. 501. SENSE OF THE HOUSE ON SERVICEMEMBERS’** 5 **AND VETERANS’ HEALTH CARE AND OTHER** 6 **PRIORITIES.**

7 It is the sense of the House that—

8 (1) the House supports excellent health care for  
9 current and former members of the United States  
10 Armed Services, who have served well and honorably  
11 and have made significant sacrifices for this Nation;

12 (2) this resolution provides \$43,055,000,000 in  
13 discretionary budget authority for 2008 for Function  
14 700 (Veterans Benefits and Services), including vet-  
15 erans’ health care, which is \$6,598,000,000 more  
16 than the 2007 level, \$5,404,000,000 more than the  
17 Congressional Budget Office’s baseline level for  
18 2008, and \$3,506,000,000 more than the Presi-  
19 dent’s budget for 2008;

20 (3) this resolution provides funding to imple-  
21 ment, in part, recommendations of the bi-partisan  
22 “Walter Reed Commission” (the President’s Com-  
23 mission on Care for America’s Returning Wounded  
24 Warriors) and other United States Government in-

1 investigations into military and veterans health care  
2 facilities and services;

3 (4) this resolution assumes the rejection of the  
4 enrollment fees and co-payment increases in the  
5 President's budget;

6 (5) this resolution provides additional funding  
7 above the President's inadequate budget levels for  
8 the Department of Veterans Affairs to research and  
9 treat veterans' mental health, post-traumatic stress  
10 disorder, and traumatic brain and spinal cord inju-  
11 ries; and

12 (6) this resolution provides additional funding  
13 above the President's inadequate budget levels for  
14 the Department of Veterans Affairs to improve the  
15 speed and accuracy of its processing of disability  
16 compensation claims, including funding to hire addi-  
17 tional personnel above the President's requested  
18 level.

19 **SEC. 502. SENSE OF THE HOUSE ON THE INNOVATION**  
20 **AGENDA: A COMMITMENT TO COMPETITIVE-**  
21 **NESS TO KEEP AMERICA #1.**

22 (a) It is the sense of the House to provide sufficient  
23 funding that our Nation may continue to be the world  
24 leader in education, innovation and economic growth. This  
25 resolution provides \$450,000,000 above the President's

1 requested level for 2008, and additional amounts in subse-  
2 quent years in Function 250 (General Science, Space and  
3 Technology) and Function 270 (Energy). Additional in-  
4 creases for scientific research and education are included  
5 in Function 500 (Education, Employment, Training, and  
6 Social Services), Function 550 (Health), Function 300  
7 (Environment and Natural Resources), Function 350 (Ag-  
8 riculture), Function 400 (Transportation), and Function  
9 370 (Commerce and Housing Credit), all of which receive  
10 more funding than the President requested.

11 (b) America's greatest resource for innovation resides  
12 within classrooms across the country. The increased fund-  
13 ing provided in this resolution will support important ini-  
14 tiatives to educate 100,000 new scientists, engineers, and  
15 mathematicians, and place highly qualified teachers in  
16 math and science K-12 classrooms.

17 (c) Independent scientific research provides the foun-  
18 dation for innovation and future technologies. This resolu-  
19 tion will put us on the path toward doubling funding for  
20 the National Science Foundation, basic research in the  
21 physical sciences across all agencies, and collaborative re-  
22 search partnerships; and toward achieving energy inde-  
23 pendence through the development of clean and sustain-  
24 able alternative energy technologies.

1 **SEC. 503. SENSE OF THE HOUSE ON HOMELAND SECURITY.**

2 It is the sense of the House that—

3 (1) this resolution assumes additional homeland  
4 security funding above the President's requested  
5 level for 2008 and every subsequent year;

6 (2) this resolution assumes funding above the  
7 President's requested level for 2008, and additional  
8 amounts in subsequent years, in the four budget  
9 functions: Function 400 (Transportation), Function  
10 450 (Community and Regional Development), Func-  
11 tion 550 (Health), and Function 750 (Administra-  
12 tion of Justice) that fund most nondefense homeland  
13 security activities; and

14 (3) the homeland security funding provided in  
15 this resolution will help to strengthen the security of  
16 our Nation's transportation system, particularly our  
17 ports where significant security shortfalls still exist  
18 and foreign ports, by expanding efforts to identify  
19 and scan all high-risk United States-bound cargo,  
20 equip first responders, strengthen border patrol, and  
21 increase the preparedness of the public health sys-  
22 tem.

23 **SEC. 504. SENSE OF THE HOUSE REGARDING THE ONGOING**  
24 **NEED TO RESPOND TO HURRICANES**  
25 **KATRINA AND RITA.**

26 It is the sense of the House that:

1           (1) Critical needs in the Gulf Coast region  
2           should be addressed without further delay. The  
3           budget resolution creates a reserve fund that would  
4           allow for affordable housing that may be used to  
5           focus on areas devastated by Hurricanes Katrina  
6           and Rita, as well as new funding for additional re-  
7           covery priorities.

8           (2) Additional oversight and investigation is  
9           needed to ensure that recovery efforts are on track,  
10          develop legislation to reform the contracting process,  
11          and better prepare for future disasters. Those ef-  
12          forts should be made in close consultation with resi-  
13          dents of affected areas. The budget resolution pro-  
14          vides additional 2007 funding for the Federal Emer-  
15          gency Management Agency, some of which may be  
16          used for this purpose.

17 **SEC. 505. SENSE OF THE HOUSE REGARDING LONG-TERM**  
18 **SUSTAINABILITY OF ENTITLEMENTS.**

19          (a) FINDINGS.—The House finds the following:

20               (1) The aging of the United States population  
21               is going to put unprecedented pressure on the Na-  
22               tion's retirement and health care systems.

23               (2) The long-term strength of social security  
24               would be improved through a fiscally responsible pol-  
25               icy of reducing the deficit and paying down the debt

1 that has accumulated since 2001, thus reducing debt  
2 service payments and freeing up billions of dollars  
3 that can be dedicated to meeting social security's ob-  
4 ligations.

5 (3) A policy of reducing and eventually elimi-  
6 nating the deficit and paying down the debt is a key  
7 factor in improving the long-term strength of the  
8 economy as a whole, because a lower debt burden  
9 frees up resources for productive investments that  
10 will result in higher economic growth, provide a  
11 higher standard of living for future generations, and  
12 enhance the Nation's ability to meet its commit-  
13 ments to its senior citizens.

14 (4) The most significant factor affecting the  
15 Nation's entitlement programs is the rapid increase  
16 in health care costs. The projected increasing costs  
17 of medicare and medicaid are not unique to these  
18 programs but rather are part of a pattern of rising  
19 costs for the health sector as a whole.

20 (b) SENSE OF THE HOUSE.—It is the sense of the  
21 House that the growing cost of entitlements should be ad-  
22 dressed in a way that is fiscally responsible and promotes  
23 economic growth, that addresses the causes of cost growth  
24 in the broader health care system, and that protects bene-

1 ficiaries without leaving a legacy of debt to future genera-  
2 tions.

3 **SEC. 506. SENSE OF THE HOUSE REGARDING THE NEED TO**  
4 **MAINTAIN AND BUILD UPON EFFORTS TO**  
5 **FIGHT HUNGER.**

6 (a) FINDINGS.—The House finds the following:

7 (1) More than 35 million individuals (12.4 mil-  
8 lion of them children) are food insecure, uncertain of  
9 having, or unable to acquire enough food. 10.8 mil-  
10 lion Americans are hungry because of lack of food.

11 (2) Despite the critical contributions of the De-  
12 partment of Agriculture nutrition programs and par-  
13 ticularly the food stamp program that significantly  
14 reduced payment error rates while increasing enroll-  
15 ment to partially mitigate the impact of recent in-  
16 creases in the poverty rate, significant need remains.

17 (3) Nearly 25 million people, including nine  
18 million children and three million seniors, sought  
19 emergency food assistance from food pantries, soup  
20 kitchens, shelters, and local charities last year.

21 (b) SENSE OF THE HOUSE.—It is the sense of the  
22 House that the Department of Agriculture programs that  
23 help fight hunger should be maintained and that the  
24 House should seize opportunities to enhance those pro-  
25 grams to reach people in need and to fight hunger.

1 **SEC. 507. SENSE OF THE HOUSE REGARDING AFFORDABLE**  
2 **HEALTH COVERAGE.**

3 (a) FINDINGS.—The House finds the following:

4 (1) More than 46 million Americans, including  
5 nine million children, lack health insurance. People  
6 without health insurance are more likely to experi-  
7 ence problems getting medical care and to be hos-  
8 pitalized for avoidable health problems.

9 (2) Most Americans receive health coverage  
10 through their employers. A major issue facing all  
11 employers is the rising cost of health insurance.  
12 Small businesses, which have generated most of the  
13 new jobs annually over the last decade, have an es-  
14 pecially difficult time affording health coverage, due  
15 to higher administrative costs and fewer people over  
16 whom to spread the risk of catastrophic costs. Be-  
17 cause it is especially costly for small businesses to  
18 provide health coverage, their employees make up a  
19 large proportion of the nation's uninsured individ-  
20 uals.

21 (b) SENSE OF THE HOUSE.—It is the sense of the  
22 House that legislation consistent with the pay-as-you-go  
23 principle should be adopted that makes health insurance  
24 more affordable and accessible, with attention to the spe-  
25 cial needs of small businesses, and that lowers costs and  
26 improves the quality of health care by encouraging inte-

1 gration of health information technology tools into the  
2 practice of medicine, and promoting improvements in dis-  
3 ease management and disease prevention.

4 **SEC. 508. SENSE OF THE HOUSE REGARDING EXTENSION**  
5 **OF THE STATUTORY PAY-AS-YOU-GO RULE.**

6 It is the sense of the House that in order to reduce  
7 the deficit Congress should extend PAYGO in its original  
8 form in the Budget Enforcement Act of 1990.

9 **SEC. 509. SENSE OF THE HOUSE ON LONG-TERM BUDG-**  
10 **ETING.**

11 It is the sense of Congress that the determination of  
12 the congressional budget for the United States Govern-  
13 ment and the President's budget request should include  
14 consideration of the Financial Report of the United States  
15 Government, especially its information regarding the Gov-  
16 ernment's net operating cost, financial position, and long-  
17 term liabilities.

18 **SEC. 510. SENSE OF THE HOUSE REGARDING PAY PARITY.**

19 It is the sense of the House that rates of compensa-  
20 tion for civilian employees of the United States should be  
21 adjusted at the same time, and in the same proportion,  
22 as are rates of compensation for members of the uni-  
23 formed services.

1 **SEC. 511. SENSE OF THE HOUSE REGARDING WASTE,**  
2 **FRAUD, AND ABUSE.**

3 It is the sense of the House that all committees  
4 should examine programs within their jurisdiction to iden-  
5 tify wasteful and fraudulent spending. To this end, section  
6 301 of this resolution includes cap adjustments to provide  
7 appropriations for three programs that accounted for a  
8 significant share of improper payments reported by Fed-  
9 eral agencies in 2006: Social Security Administration Con-  
10 tinuing Disability Reviews, the Medicare/Medicaid Health  
11 Care Fraud and Abuse Control Program, and Unemploy-  
12 ment Insurance. Section 301 also includes a cap adjust-  
13 ment for the Internal Revenue Services for tax compliance  
14 efforts to close the \$300,000,000,000 tax gap. In addition,  
15 the resolution's deficit-neutral reserve funds require au-  
16 thorizing committees to cut lower priority and wasteful  
17 spending to accommodate new high-priority entitlement  
18 benefits. Finally, section 301 of the resolution directs all  
19 committees to review the performance of programs within  
20 their jurisdiction and report recommendations annually to  
21 the Committee on the Budget as part of the views and  
22 estimates process required by section 301(d) of the Con-  
23 gressional Budget Act.

24 **SEC. 512. SENSE OF THE HOUSE REGARDING THE IMPOR-**  
25 **TANCE OF CHILD SUPPORT ENFORCEMENT.**

26 It is the sense of the House that—

1           (1) additional legislative action is needed to en-  
2           sure that States have the necessary resources to col-  
3           lect all child support that is owed to families and to  
4           allow them to pass 100 percent of support on to  
5           families without financial penalty; and

6           (2) when 100 percent of child support payments  
7           are passed to the child, rather than administrative  
8           expenses, program integrity is improved and child  
9           support participation increases.

10 **SEC. 513. SENSE OF THE HOUSE ON STATE VETERANS**  
11 **CEMETERIES.**

12           It is the sense of the House that the Federal Govern-  
13           ment should pay the plot allowance for the interment in  
14           a State veterans cemetery of any spouse or eligible child  
15           of a veteran, consistent with the pay-as-you-go principle.

16 **TITLE VI—RECONCILIATION**

17 **SEC. 601. RECONCILIATION.**

18           (a) INSTRUCTIONS.—The House Committee on Edu-  
19           cation and Labor shall report changes in laws to reduce  
20           the deficit by \$75,000,000 for the period of fiscal years  
21           2007 through 2012.

22           (b) MANDATORY SAVINGS.—Not later than Sep-  
23           tember 10, 2007, the House Committee on Education and  
24           Labor shall submit its recommendations to the House of  
25           Representatives.

1       (c) SUBMISSION OF REVISED ALLOCATIONS.—Upon  
2 the submission to the House of a reconciliation bill or con-  
3 ference report thereon, that complies with this reconcili-  
4 ation instruction, the chairman of the Committee on the  
5 Budget may file with the House appropriately revised allo-  
6 cations and budgetary aggregates. Such revisions shall be  
7 considered to be the allocations and aggregates established  
8 by the concurrent resolution on the budget pursuant to  
9 section 301 of the Congressional Budget Act of 1974.
