18 tioner is not a factor with respect to meeting condi-
19 tions under this subparagraph.

20 “(iii) The practitioner does not for the provision
21 of such services receive any compensation from such
22 patients, from the entity, or from third-party payors
23 (including reimbursement under any insurance pol-

12 (1)(B)(ii) applies to health services provided to individuals
13 who are not patients of the entity involved if, as deter-
14 mined under criteria issued by the Secretary, the following
15 conditions are met:

16 (i) The services are provided by a contractor,
17 volunteer practitioner (as defined in subsection
18 (k)(4)(B)), or employee of the entity who is a physi-
19 cian or other licensed or certified health care practi-
20 tioner and who is otherwise deemed to be an em-
21 ployee for purposes of paragraph (1)(A) when pro-
22 viding services with respect to the entity.

23 (ii) The services are provided in an emergency
24 area (as defined in subparagraph (D)), with respect
25 to a public health emergency or major disaster de-
26 scribed in subparagraph (D), and during the period

1 for which such emergency or disaster is determined
2 or declared, respectively.

3 “(iii) The services of the contractor, volunteer
4 practitioner, or employee (referred to in this para-
5 graph as the ‘out-of-area practitioner’) are provided
6 under an arrangement with—

7 “(I) an entity that is deemed to be an em-
8 ployee for purposes of paragraph (1)(A) and
9 that serves the emergency area involved (re-
10 ferred to in this paragraph as an ‘emergency-
11 area entity’); or

12 “(II) a Federal agency that has respon-
13 sibilities regarding the provision of health serv-
14 ices in such area during the emergency.

15 “(iv) The purposes of the arrangement are—

16 “(I) to coordinate, to the extent prac-

23 gency area to which such practitioner should re-
24 port for purposes of providing health services,
25 and to identify an individual or individuals in

1 the area to whom the practitioner should report
2 for such purposes; and

3 “(III) to verify the identity of the practi-
4 tioner and that the practitioner is licensed or
5 certified by one or more of the States.

6 “(v) With respect to the licensure or certifi-
7 cation of health care practitioners, the provision of
8 services by the out-of-area practitioner in the emer-
9 gency area is not a violation of the law of the State
10 in which the area is located.

11 “(B) In issuing criteria under subparagraph (A), the
12 Secretary shall take into account the need to rapidly enter
13 into arrangements under such subparagraph in order to
14 provide health services in emergency areas promptly after
15 the emergency begins.

16 “(C) Subparagraph (A) applies with respect to an act
17 or omission of an out-of-area practitioner only to the ex-
18 tent that the practitioner is not immune from liability for

20 of 1997.

21 “(D) For purposes of this paragraph, the term ‘emer-
