A BILL

To amend subchapter IV of chapter 53 of title 31, United States Code, and section 1084 of title 18 of such Code to clarify the applicability of such provisions to games of skill, and establish certain requirements with respect to such games, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act shall be known as the “Skill Game Protec-
5 tion Act”.

1 **SEC. 2. CONGRESSIONAL FINDINGS.**

2 The Congress finds as follows:

3 (1) Millions of Americans enjoy competing with
4 other players in a variety of games of skill, including
5 bridge, mah-jong, backgammon, and poker, over the
6 Internet, where the operator provides the Internet
7 venue for competition and receives a fee for such
8 service.

9 (2) For some Americans, these games provide
10 their primary source of income.

11 (3) While each of these games contains an ele-
12 ment of chance, over any substantial interval, a
13 player's success at any of these games is determined
14 by that player's relative level of skill and is widely
15 recognized as such.

16 (4) Games where success is predominantly de-
17 termined by the skill of the players involved, as a
18 matter of law and of policy, are distinct from the
19 games of chance traditionally described and ad-
20 dressed in Federal and State gambling statutes.

21 (5) Despite the fact that the language in sec-
22 tion 1084 of title 18, United States Code, commonly
23 referred to as the "Wire Act", has been interpreted
24 by Federal courts as applying only to betting on
25 sports, some in law enforcement interpret the section

1 as prohibiting the acceptance of both sports and
2 non-sports betting through a communications device.

3 (6) The Federal Government should take appro-
4 priate steps to ensure that, with respect to skill
5 games—

6 (A) minors are prevented from playing for
7 money;

8 (B) persons with compulsive behavior
9 should be identified and referred to treatment;

10 (C) operators of such games should not be
11 vulnerable to, or participate in criminal or ter-
12 rorist money laundering; and

13 (D) appropriate taxes are collected.

14 **SEC. 3. CLARIFICATION.**

15 Section 1084 of title 18, United States Code, is
16 amended by adding at the end the following new sub-
17 section: (f)

18 “(f) As used in this section, the term ‘bets or wagers’
19 does not include operating, or participation in, poker,
20 chess, bridge, mahjong or any other game where success
21 is predominantly determined by a player’s skill, to the ex-
22 tent that—

23 “(1) the game provides for competition only be-
24 tween and among participants, and not against the
25 person operating the game; and

1 “(2) the operator is in compliance with regula-
2 tions issued pursuant to section 5368 of title 31,
3 United States Code.”.

4 **SEC. 4. SAFEGUARDS.**

5 (a) IN GENERAL.—Subchapter IV of chapter 53 of
6 title 31, United States Code, is amended by adding at the

12 each person who operates a game of skill on the Internet
13 to maintain the following:

16 age or older.

17 “(2) Appropriate safeguards to ensure that the
18 individual participant is physically located in a juris-
19 diction that does not bar participation in the par-
20 ticular Internet games of skill in which the indi-
21 vidual participates at the time in the individual par-
22 ticipates.

23 “(3) Appropriate mechanisms to ensure that all
24 taxes relating to Internet games of skill due to Fed-
25 eral and State governments and to Indian tribes

1 from individual participants are collected as required
2 by at the time of any payment of any proceeds of

6 lations issued by the Secretary or a designee of the
7 Secretary.

9 sive participation in Internet games of skill.

14 for subchapter IV of chapter 53 of title 31, United States
15 Code, is amended by inserting after the item relating to

17 **SEC. 5. RULES OF CONSTRUCTION.**

18 (a) NONAPPLICABILITY TO GAMES OF SKILL.—Sec-

20 ed—

23 (ix) and inserting “; or”; and

25 clause:

2 which does not constitute “bets or wagers”
3 within the meaning of section 1084(f) of
4 title 18 and is operated in compliance with
5 the regulations issued pursuant to section
6 5368.”.

7 (b) NONAPPLICABILITY TO NON-SPORTS WAGER-
8 ING.—No provision of this Act, or amendment made by
9 this Act to any other provision of law, shall be construed
10 as implying that section 1084 of title 18, United States
11 Code, applies or applied to non-sports wagering before or
12 after the enactment of this Act.
