

110TH CONGRESS
1ST SESSION

S. 2411

To require the establishment of a credit card safety star rating system
for the benefit of consumers, and for other purposes.

IN THE SENATE OF THE UNITED STATES

DECEMBER 5, 2007

Mr. WYDEN (for himself and Mr. OBAMA) introduced the following bill; which
was read twice and referred to the Committee on Banking, Housing, and
Urban Affairs

A BILL

To require the establishment of a credit card safety star
rating system for the benefit of consumers, and for other
purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Credit Card Safety
5 Star Act of 2007”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1 (1) competition in the credit card market is se-
2 verely hindered by a lack of transparency, which re-
3 sults in inefficient consumer choices;

4 (2) such lack of transparency is largely due to
5 confusing terms and overwhelming information for
6 consumers;

7 (3) the marketplace has not increased competi-
8 tion based on the merits of credit cards;

9 (4) a Government rating system that would use
10 market forces by encouraging better transparency
11 would increase such competition and assist con-
12 sumers in making better credit card choices; and

13 (5) such a rating system would not preclude ad-
14 ditional regulation or legislation that may eliminate
15 certain practices considered unfair or abusive.

16 **SEC. 3. TRUTH IN LENDING ACT AMENDMENTS.**

17 The Truth in Lending Act (15 U.S.C. 1601 et seq.)
18 is amended by inserting after section 127A the following
19 new section:

20 **“SEC. 127B. CREDIT CARD SAFETY STAR RATING SYSTEM.**

21 “(a) **DEFINITIONS.**—In this section—

22 “(1) the term ‘agreement’ means the terms and
23 conditions applicable to an open end credit plan of-
24 fered by an issuer of credit;

1 “(2) references to a reading grade level shall be
2 as determined by the Board, using available meas-
3 urements for assessing such reading levels, including
4 those used by the Department of Education;

5 “(3) the term ‘Safety Star System’ means the
6 credit card safety star rating system established
7 under this section;

8 “(4) the term ‘multiple-cycle billing’ means the
9 practice of calculating average daily balances over
10 more than 1 billing cycle; and

11 “(5) the term ‘junk mail’ means a form of dis-
12 closure that does not inform the consumer in a
13 meaningful and significant way about changes in the
14 contract, including small type, using separate pieces
15 of paper for separate disclosures, and mixing disclo-
16 sure materials with product advertisements.

17 “(b) RULEMAKING.—

18 “(1) IN GENERAL.—Not later than 12 months
19 after the date of enactment of this section, the
20 Board shall issue final rules to implement the Safety

22 consumers to quickly and easily compare the levels
23 of safety associated with various open end credit
24 plan agreements.

1 “(2) CONSULTATION.—The Board shall consult
2 with the Comptroller of the Currency in issuing
3 rules to implement the Safety Star System.

11 “(7) the card issuer has in place a system to
12 minimize fees to the consumer that is at least as fi-

14 under which payments are applied to principal in a
15 manner that divides the payment among the dif-
16 ferent interest rate balances proportionally;

17 “(8) interest is not accrued on new purchases
18 between the end of the billing cycle and the due date
19 when a balance is outstanding;

20 “(9) the card issuer does not use multiple-cycle

2 undisclosed in the agreement materials);

3 “(3) junk mailer disclosures are used to inform
4 cardholders of changes in their agreements;

5 “(4) over-the-limit fees are imposed more than
6 once based on the same transaction;

7 “(5) fees are imposed to pay bills by check, over

7 “(13) the issuer may unilaterally change the
8 terms in the agreement without written consent

19 pact on the interests of the consumer, as determined
20 by the Board in accordance with subsection (h).

21 “(h) BOARD CONSIDERATIONS.—For purposes of
22 subsections (f)(15) and (g)(16), the Board may consider—

23 “(1) the level of difficulty in understanding
24 terms of the subject agreement by an average con-
25 sumer;

1 “(2) how such terms will affect consumers who
2 are close to the edge of their credit limits;

3 “(3) how such terms will affect consumers who
4 do not have a good credit score, history, or rating,
5 using commonly employed credit measurement meth-
6 ods (if it creates greater access to credit by reducing
7 safety, or by other means);

8 “(4) whether such terms create what would ap-
9 pear to a reasonable consumer to be an arbitrary
10 deadline or limit that may frustrate consumers and
11 result in excess fees or worse financial outcomes for
12 the consumer;

13 “(5) whether such terms, or the severity of such
14 terms, is not based on the credit risks created by a
15 particular consumer behavior, but rather is designed
16 to solely increase revenue through lack of trans-
17 parency;

18 “(6) whether any State has sought to limit such
19 terms or terms that are similar thereto;

20 “(7) whether provisions of State law relating to
21 unfair and deceptive practices would prohibit any
22 such terms, but for the national bank exclusion from
23 non-home State banking laws;

24 “(8) whether such terms have an anticompeti-
25 tive or procompetitive effect on the marketplace; and

1 “(9) such additional terms or concepts that are
2 not specified in paragraphs (1) through (8) that the
3 Board deems difficult for an average consumer to
4 manage, such as terms that are confusing to the
5 typical consumer or that create a greater risk of
6 negative financial outcomes for the typical consumer,
7 and terms that promote transparency or competi-
8 tion.

9 “(i) LIMITATIONS.—For purposes of subsection (h),
10 the Board may not consider, with respect to the terms of
11 an open end credit plan agreement, the profitability or im-
12 pact on the success of any particular business model of
13 such terms.

14 “(j) AUTOMATIC RATING.—Notwithstanding any
15 other provision of this section, or any other provision of
16 State or Federal law, any open end credit plan that allows
17 the card issuer or a designee thereof to modify the terms
18 of the agreement at any time or periodically for unspec-
19 ified or unstated reasons, or under which other accounts,
20 or changes in the credit rating of the consumer by a third
21 party, are used as a basis for adverse changes in the
22 agreement (including universal default) shall automati-
23 cally give rise to a 1-star rating for such open end credit
24 plan.

1 “(k) NO POINTS IF TERMS ARE REQUIRED BY
2 LAW.—If a particular term in an agreement becomes re-
3 quired by law or regulation, no points may be awarded
4 under the Safety Star System for that term.

5 “(l) PROCEDURES FOR RATINGS.—

6 “(1) CERTIFICATION TO THE BOARD.—Each
7 issuer of credit under an open end credit plan shall
8 certify in writing to the Board, the number of stars
9 to be awarded, separately for each of the card
10 issuer’s agreements. Each such certification shall
11 specify which terms in each agreement are subject to
12 the Safety Star System, and how the issuer arrived
13 at the star rating for each agreement based on the
14 Safety Star System in accordance with paragraph
15 (2).

16 “(2) SUBMISSIONS TO THE BOARD.—Each
17 agreement that is subject to a Safety Star System
18 rating shall be submitted electronically to the Board,
19 together with a written explanation of whether the
20 agreement has or does not have each of the terms
21 specified in subsections (f) and (g), before issuing or
22 marketing a credit card under that agreement.

23 “(3) BOARD VERIFICATION.—

24 “(A) IN GENERAL.—The Board shall verify
25 that the terms in the submitted agreement and

1 supporting materials (such as examples of fu-
2 ture disclosures or examples of websites with
3 cardholder agreements) comply with the certifi-
4 cation submitted to the Board by the issuer
5 under this subsection, not later than 30 days
6 after the date of submission.

7 “(B) AVOIDING DUPLICATIVE
8 VERIFICATIONS.—A card issuer may certify to
9 the Board, in writing, that all agreements that
10 it markets include a particular term, or that the
11 issuer will use certain practices (with sup-
12 porting documents, including showing how fu-
13 ture disclosures will be made) so that the Board
14 is required to determine only once, with respect
15 to that term or practice, how that term or prac-
16 tice affects the star ratings of the credit card
17 agreements of the issuer.

18 “(4) MISREPRESENTATIONS AS VIOLATIONS.—
19 Any certification to the Board under this section
20 that the issuer knew, or should have known, was
21 false or misrepresented to the Board or to a con-
22 sumer the terms or conditions of a card agreement
23 or of a Safety Star System rating under this section
24 shall be treated as a violation of this title, and shall

1 be subject to enforcement in accordance with section
2 108.

3 “(5) MODIFICATIONS BY CARD ISSUERS.—

4 “(A) IN GENERAL.—After the first annual
5 review by the Board, mentioned in subsection
6 (o), before implementing any new term or con-
7 cept, or new way of approaching a term or con-
8 cept, with respect to an open end credit plan,
9 the card issuer shall submit the new term or
10 concept and any supporting materials to the
11 Board, other than with respect to an adjust-
12 ment to the applicable rate of interest in an ex-
13 isting agreement that clearly specifies that such
14 rate would be adjustable and under what condi-
15 tions such adjustments could occur.

16 “(B) DETERMINATION OF THE BOARD.—
17 Not later than 30 days after the date of a sub-
18 mission under subparagraph (A), the Board
19 shall complete a review of the effects on safety
20 of the subject new concept or term, and shall
21 issue a decision on whether it affects the Safety
22 Star System rating for the open end credit plan
23 that will include the term or concept.

24 “(m) DISPLAY OF AND ACCESS TO RATINGS.—

1 “(1) DISPLAY OF RATING REQUIRED.—The
2 Safety Star System rating for each credit card shall
3 be clearly displayed on all marketing material, appli-
4 cations, billing statements, and agreements associ-
5 ated with that credit card, as well as on the back of
6 each such credit card, including a brief explanation
7 of the system displayed below each rating (other
8 than on the back of the credit card).

9 “(2) NEW CARDS REQUIRED FOR LOWER RAT-
10 INGS.—In any case in which the Safety Star System
11 rating for a credit card is lowered for any reason,
12 the card issuer shall provide new cards to account
13 holders displaying the new rating in accordance with
14 paragraph (1).

15 “(3) GRAPHIC DISPLAY.—The Safety Star Sys-
16 tem rating for a credit card shall be represented by
17 a graphic that demonstrates not only the number of
18 stars that the credit card has received, but also the
19 number of stars that the card did not receive.

20 “(4) DEVELOPMENT OF GRAPHIC BY THE
21 BOARD.—The Board shall determine the graphic and
22 description of the Safety Star System for display on
23 materials and the back of cards for purposes of this
24 section.

25 “(n) CONSUMER ACCESS TO RATINGS.—

1 “(1) IN GENERAL.—The Board shall engage in
2 an extensive campaign to educate consumers about
3 the Safety Star System ratings for credit cards,
4 using commonly used and accessible communications
5 media.

6 “(2) WEBSITE.—Not later than 12 months
7 after the date of enactment of this section, the
8 Board shall establish and shall maintain a stand-
9 alone website—

10 “(A) to provide easily understandable, in-
11 depth information on the criteria used to assign
12 the ratings, as provided in subsections (f) and
13 (g); and

14 “(B) to include a listing of the Safety Star
15 System ratings for each open end consumer
16 credit plan, information on how the issuer ar-
17 rived at that rating, and the number of con-
18 sumers that have that plan with the issuer.

19 “(o) ANNUAL REVIEW BY THE BOARD.—

20 “(1) IN GENERAL.—The Board shall conduct a
21 thorough annual review (of not longer than 6
22 months in duration) of the Safety Star System, to
23 determine whether the point system is effectively
24 aiding consumers, and shall promptly implement any
25 regulatory changes as are necessary to ensure that

1 the System protects consumers and encourages
2 transparent competition and fairness to consumers,
3 including implementing a system in which terms are
4 weighted to distinguish between different levels of
5 safety, in accordance with the purposes of this sec-
6 tion.

7 “(2) AVAILABILITY OF RESULTS.—Results of
8 the review conducted under this subsection shall be
9 submitted to Congress, and shall be made available
10 to the public.

11 “(p) PERIODIC REVIEW OF STANDARDS.—Once every
12 2 years, the Board shall determine whether the require-
13 ments to satisfy 2-star standards and above should be
14 raised on the grounds that card issuers have abandoned
15 the most unfair practices. In making such determination,
16 the Board may not consider the profitability of business
17 models, but may consider whether competition in the cred-
18 it industry will improve consumer protection, and how the
19 change in standards will affect such competition.”.

20 **SEC. 4. SAFETY STAR ADVISORY COMMISSION.**

21 (a) ESTABLISHMENT.—There is established the Cred-
22 it Card Safety Star Advisory Commission (in this section
23 referred to as the “Commission”).

1 (1) REVIEW OF THE CREDIT CARD SAFETY
2 STAR SYSTEM AND ANNUAL REPORTS.—The Com-
3 mission shall—

4 (A) review the effectiveness of the credit
5 card Safety Star System under this section, in-
6 cluding the topics described in paragraph (2);

7 (B) make recommendations to Congress
8 concerning such system;

9 (C) study whether it would better protect
10 consumers to ban some practices by creditors
11 rather than use a rating system for those prac-
12 tices, including universal default, unilateral
13 changes without consumer consent, allowing in-
14 terest charges on fees, or allowing interest rate
15 increases to apply to past debt; and

16 (D) by not later than March 1 of each cal-
17 endar year following the date of enactment of
18 this Act, submit a report to Congress con-
19 taining the results of such reviews and its rec-
20 ommendations concerning such system.

21 (2) SPECIFIC TOPICS TO BE REVIEWED.—The
22 Commission shall review—

23 (A) with respect to all credit card users—

24 (i) the methodology for awarding stars
25 to credit cards under the Safety Star Sys-

1 tem, and whether there may be a better
2 way to award stars that takes into account
3 unfair or unsafe practices that remain
4 uncaptured in the Safety Star System;

5 (ii) the consumer awareness of the
6 Safety Star System and what may make
7 the system more useful to consumers; and

8 (iii) other major issues in implementa-
9 tion and further development of the Safety
10 Star System;

11 (B) with respect to credit card users who
12 are at or close to their credit limits, whether
13 such consumers are being specifically targeted
14 in credit card agreements, and whether the
15 Safety Star System should incorporate more
16 terms or be revised to encourage more fair
17 terms for such consumers; and

18 (C) the effects of the Safety Star System
19 on the availability and affordability of credit
20 and the implications of changes in credit avail-
21 ability and affordability in the United States
22 and in the general market for credit services
23 due to the Safety Star System.

24 (3) COMMENTS ON CERTAIN BOARD RE-
25 PORTS.—

1 (A) TRANSMITTAL TO COMMISSION.—If

5 Board shall transmit a copy of the report to the
6 Commission.

7 (B) INDEPENDENT REVIEW.—The Com-
8 mission shall review any report received under
9 subparagraph (A) and, not later than 6 months
10 after the date of submission of the report to

17 Commission shall consult periodically with the chair-
18 person and ranking minority members of the appro-

20 of the Commission and progress towards achieving
21 the agenda. The Commission may conduct additional
22 reviews, and submit additional reports to the appro-

24 such topics relating to the Safety Star System as
25 may be requested by such chairpersons and mem-

1 bers, and as the Commission determines appro-
2 priate.

3 (5) AVAILABILITY OF REPORTS.—The Commis-
4 sion shall transmit to the Board a copy of each re-

6 make such reports available to the public in an eas-
7 ily accessible format, including operating a website
8 containing the reports.

9 (6) APPROPRIATE COMMITTEES OF CON-
10 GRESS.—For purposes of this subsection, the term
11 “appropriate committees of Congress” means the
12 Committee on Banking, Housing, and Urban Affairs
13 of the Senate and the Committee on Financial Serv-
14 ices of the House of Representatives.

15 (7) VOTING AND REPORTING REQUIREMENTS.—
16 With respect to each recommendation contained in a
17 report submitted under paragraph (1), each member

20 the results of that vote in the report containing the
21 recommendation. The Commission may file a minor-
22 ity report.

23 (8) EXAMINATION OF BUDGET CON-
24 SEQUENCES.—Before making any recommendation
25 that is likely to have a Federal budgetary impact,
