TITLE II—BUDGET PROCESS

SEC. 201. PAY-AS-YOU-GO POINT OF ORDER IN THE SENATE.

(a) POINT OF ORDER.—

(1) IN GENERAL.—It shall not be in order in the Senate to consider any direct spending or revenue legislation that would increase the on-budget deficit or cause an on-budget deficit for either of the applicable time periods as measured in paragraphs (5) and (6).

(2) APPLICABLE TIME PERIODS.—For purposes of this subsection, the term “applicable time period” means either—

(A) the period of the current fiscal year, the budget year, and the ensuing 4 fiscal years following the budget year; or

(B) the period of the current fiscal year, the budget year, and the ensuing 9 fiscal years following the budget year.

(3) DIRECT SPENDING LEGISLATION.—For purposes of this subsection and except as provided in paragraph (4), the term “direct spending legislation” means any bill, joint resolution, amendment, motion, or conference report that affects direct spending as that term is defined by, and interpreted for purposes of, the Balanced Budget and Emergency Deficit Control Act of 1985.

(4) EXCLUSION.—For purposes of this subsection, the terms “direct spending legislation” and “revenue legislation” do not include—

(A) any concurrent resolution on the budget; or

(B) any provision of legislation that affects the full funding of, and continuation of, the deposit insurance guarantee commitment in effect on the date of enactment of the Budget Enforcement Act of 1990.

(5) BASELINE.—Estimates prepared pursuant to this subsection shall—

(A) use the baseline surplus or deficit used for the most recently adopted concurrent resolution on the budget; and

(B) be calculated under the requirements of subsections (b) through (d) of section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985 (as in effect prior to September 30, 2002) for fiscal years beyond those covered by that concurrent resolution on the budget.

(6) PRIOR SURPLUS.—If direct spending or revenue legislation increases the on-budget deficit or causes an on-budget deficit when taken individually, it must also increase the on-budget deficit or cause an on-budget deficit when taken together with all direct spending and revenue legislation enacted since the beginning of the calendar year not accounted for in the baseline under paragraph (5)(A), except that direct spending or revenue effects resulting in net deficit reduction enacted in any bill pursuant to a reconciliation instruction since the beginning of that same calendar year shall never be made available on the pay-as-you-go ledger and shall be dedicated only for deficit reduction.

(b) SUPERMAJORITY WAIVER AND APPEALS.—

(1) WAIVER.—This section may be waived or suspended in the Senate only by the affirmative vote of three-fifths of the Members, duly chosen and sworn.

(2) APPEALS.—Appeals in the Senate from the decisions of the Chair relating to any provision of this section shall be limited to 1 hour, to be equally divided between, and controlled by, the appellant and the manager of the bill or joint resolution, as the case may be. An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required to sustain an appeal of the ruling of the Chair on a point of order raised under this section.

(c) DETERMINATION OF BUDGET LEVELS.—For purposes of this section, the levels of new budget authority, outlays, and revenues for a fiscal year shall be determined on the basis of estimates made by the Senate Committee on the Budget.

(d) SUNSET.—This section shall expire on September 30, 2017.

(e) REPEAL.—In the Senate, section 505 of H. Con. Res. 95 (108th Congress), the fiscal year 2004 concurrent resolution on the budget, shall no longer apply.

SEC. 202. SENATE POINT OF ORDER AGAINST RECONCILIATION LEGISLATION THAT WOULD INCREASE THE DEFICIT OR REDUCE A SURPLUS.

(a) IN GENERAL.—It shall not be in order in the Senate to consider any reconciliation bill, resolution, amendment, amendment between Houses, motion, or conference report pursuant to section 310 of the Congressional Budget Act of 1974 that would cause or increase a deficit or reduce a surplus in either of the following periods:

- (1) The current fiscal year, the budget year, and the ensuing 4 fiscal years following the budget year.
- (2) The current fiscal year, the budget year, and the ensuing 9 fiscal years following the budget year.

(b) SUPERMAJORITY WAIVER AND APPEAL IN THE SENATE.—

(1) WAIVER.—This section may be waived or suspended in the Senate only by an affirmative vote of three-fifths of the Members, duly chosen and sworn.

(2) APPEAL.—An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required in the Senate to sustain an appeal of the ruling of the Chair on a point of order raised under this section.

(c) DETERMINATION OF BUDGET LEVELS.—For purposes of this section, the levels of net deficit increases shall be determined on the basis of estimates provided by the Senate Committee on the Budget.

SEC. 203. SENATE POINT OF ORDER AGAINST LEGISLATION INCREASING LONG-TERM DEFICITS.

(a) CONGRESSIONAL BUDGET OFFICE ANALYSIS OF PROPOSALS.—The Director of the Congressional Budget Office shall, to the extent practicable, prepare for each bill and joint resolution reported from committee (except measures within the jurisdiction of the Committee on Appropriations), and amendments thereto and conference reports thereon, an estimate of whether the measure would cause, relative to current law, a net increase in deficits in excess of \$5,000,000,000 in any of the four 10-year periods beginning in fiscal year 2018 through fiscal year 2057.

(b) POINT OF ORDER.—It shall not be in order in the Senate to consider any bill, joint resolution, amendment, motion, or conference report that would cause a net increase in deficits in excess of \$5,000,000,000 in any of the 4 10-year periods beginning in 2018 through 2057.

(c) SUPERMAJORITY WAIVER AND APPEAL IN THE SENATE.—

(1) WAIVER.—This section may be waived or suspended only by the affirmative vote of three-fifths of the Members, duly chosen and sworn.

(2) APPEAL.—An affirmative vote of three-fifths of the Members, duly chosen and sworn, shall be required to sustain an appeal of the ruling of the Chair on a point of order raised under this section.

(d) DETERMINATIONS OF BUDGET LEVELS.—For purposes of this section, the levels of net deficit increases shall be determined on the basis of estimates provided by the Senate Committee on the Budget.

(e) REPEAL.—In the Senate, section 407 of H. Con. Res. 95 (109th Congress), the concurrent resolution on the budget for fiscal year 2006, shall no longer apply.

(f) SUNSET.—This section shall expire on September 30, 2017.

SEC. 204. EMERGENCY LEGISLATION.

(a) SENATE.—

(1) AUTHORITY TO DESIGNATE.—In the Senate, with respect to a provision of direct spending or receipts legislation or appropriations for discretionary accounts that Congress designates as an emergency requirement in such measure, the amounts of new budget authority, outlays, and receipts in all fiscal years resulting from that provision shall be treated as an emergency requirement for the purpose of this subsection.

(2) EXEMPTION OF EMERGENCY PROVISIONS.—Any new budget authority, outlays, and receipts resulting from any provision designated as an emergency requirement, pursuant to this subsection, in any bill, joint resolution, amendment, or conference report shall not count for purposes of sections 302 and 311 of the Congressional Budget Act of 1974 and sections 201, 203, and 207 of this resolution (relating to pay-as-you-go in the Senate, long-term deficits, and discretionary spending limits).

(3) DESIGNATIONS.—If a provision of legislation is designated as an emergency requirement under this subsection, the committee report and any statement of managers accompanying that legislation shall include an explanation of the manner in which the provision meets the criteria in paragraph (6).

(4) DEFINITIONS.—In this subsection, the terms “direct spending”, “receipts”, and “appropriations for discretionary accounts” mean any provision of a bill, joint resolution, amendment, motion, or conference report that affects direct spending, receipts, or appropriations as those terms have been defined and interpreted for purposes of the Balanced Budget and Emergency Deficit Control Act of 1985.

(5) POINT OF ORDER.—

(A) IN GENERAL.—When the Senate is considering a bill, resolution, amendment, motion, or conference report, if a point of order is made by a Senator against an emergency designation in that measure, that provision making such a designation shall be stricken from the measure and may not be offered as an amendment from the floor.

(B) SUPERMAJORITY WAIVER AND APPEALS.—

(i) WAIVER.—Subparagraph (A) may be waived or suspended in the Senate only by an affirmative vote of three-fifths of the Members, duly chosen and sworn.

(ii) APPEALS.—Appeals in the Senate from the decisions of the Chair relating to any provision of this paragraph shall be limited to 1 hour, to be equally divided between, and controlled by, the appellant and the manager of the bill or joint resolution, as the case may be. An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required to sustain an appeal of the ruling of the Chair on a point of order raised under this paragraph.

(C) DEFINITION OF AN EMERGENCY DESIGNATION.—For purposes of subparagraph (A), a provision shall be considered an emergency designation if it designates any item as an emergency requirement pursuant to this subsection.

(D) FORM OF THE POINT OF ORDER.—A point of order under subparagraph (A) may be raised by a Senator as provided in section 313(e) of the Congressional Budget Act of 1974.

(E) CONFERENCE REPORTS.—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a bill, upon a point of order being made by any Senator pursuant to this subsection, and such point of order being sustained, such material contained in such conference report shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this paragraph), no further amendment shall be in order.

(6) CRITERIA.—

(A) IN GENERAL.—For purposes of this subsection, any provision is an emergency requirement if the situation addressed by such provision is—

- (i) necessary, essential, or vital (not merely useful or beneficial);
- (ii) sudden, quickly coming into being, and not building up over time;
- (iii) an urgent, pressing, and compelling need requiring immediate action;
- (iv) subject to subparagraph (B), unforeseen, unpredictable, and unanticipated; and
- (v) not permanent, temporary in nature.

(B) UNFORESEEN.—An emergency that is part of an aggregate level of anticipated emergencies, particularly when normally estimated in advance, is not unforeseen.

(7) REPEAL.—In the Senate, section 402 of H. Con. Res. 95 (109th Congress), the concurrent resolution on the budget for fiscal year 2006, shall no longer apply.

(b) HOUSE.—In the House, if any bill or joint resolution, or amendment offered or considered as adopted or conference report thereon, that makes appropriations for discretionary amounts, and such amounts are designated as necessary to meet emergency needs, then the new budget authority and outlays resulting therefrom shall not be counted for the purposes of titles III and IV of the Congressional Budget Act of 1974.

SEC. 205. EXTENSION OF ENFORCEMENT OF BUDGETARY POINTS OF ORDER IN THE SENATE.

Notwithstanding any provision of the Congressional Budget Act of 1974, subsections (c)(2) and (d)(3) of section 904 of the

Congressional Budget Act of 1974 shall remain in effect for purposes of Senate enforcement through September 30, 2017, and Section 403 of H. Con. Res. 95 (109th Congress) shall no longer apply in the Senate.

SEC. 206. POINT OF ORDER AGAINST ADVANCE APPROPRIATIONS.

(4) FORM OF POINT OF ORDER.—A point of order under paragraph (1) may be raised by a Senator as provided in section 313(e) of the Congressional Budget Act of 1974.

(5) CONFERENCE REPORTS.—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a bill, upon a point of order being made by any Senator pursuant to this subsection, and such point of order being sustained, such material contained in such conference report shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report

by operation of this subsection), no further amendment shall be in order.

(a) **IN GENERAL.**—In the Senate, it shall not be in order to consider any appropriations legislation, including any amendment thereto, motion in relation thereto, or conference report thereon, that includes any provision which constitutes a change in a mandatory program producing net costs, as defined in subsection (b), that would have been estimated as affecting direct spending or receipts under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985 (as in effect prior to September 30, 2002) were they included in legislation other than appropriations legislation. A point of order pursuant to this section shall be raised against such provision or provisions as described in subsections (e) and (f).

(b) **CHANGES IN MANDATORY PROGRAMS PRODUCING NET COSTS.**—A provision or provisions shall be subject to a point of order pursuant to this section if—

(1) the provision would increase budget authority in at least 1 of the 9 fiscal years that follow the budget year and over the period of the total of the budget year and the 9 fiscal years following the budget year;

(2) the provision would increase net outlays over the period of the total of the 9 fiscal years following the budget year; and

(3) the sum total of all changes in mandatory programs in the legislation would increase net outlays as measured over the period of the total of the 9 fiscal years following the budget year.

The Presiding Officer may sustain the point of order as to some or all of the provisions against which the Senator raised the point of order. If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the point of order, then only those provisions (including provision of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section. Before the Presiding Officer rules on such a point of order, any Senator may move to waive such a point of order as it applies to some or all of the provisions against which the point of order was raised. Such a motion to waive is amendable in accordance with rules and precedents of the Senate. After the Presiding Officer rules on such a point of order, any Senator may appeal the ruling of the Presiding Officer on such a point of order as it applies to some or all of the provisions on which the Presiding Officer ruled.

(f) FORM OF THE POINT OF ORDER.—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a bill, upon a point of order being made by any Senator pursuant to this section, and such point of order being sustained, such material contained in such conference report or amendment shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

(g) EFFECTIVENESS.—This section shall not apply to—

(1) legislation making supplemental appropriations for fiscal year 2007; and

(2) any provision constituting a change in a mandatory program in appropriations legislation if such provision has been enacted in each of the 3 fiscal years prior to the budget year.

TITLE IV—POLICY

SEC. 401. POLICY ON MIDDLE-INCOME TAX RELIEF.

(a) IN THE HOUSE.—

(1) IN GENERAL.—It is the policy of the House to minimize fiscal burdens on middle-income families and their children and grandchildren. It is the policy of the House to provide immediate relief for the tens of millions of middle-income households who would otherwise be subject to the Alternative Minimum Tax under current law. Furthermore, it is the policy of the House to support extension of middle-income tax relief and enhanced economic equity through policies such as—

- (A) extension of the child tax credit;
- (B) extension of marriage penalty relief;
- (C) extension of the 10 percent individual income tax bracket;
- (D) elimination of estate taxes on all but a minute fraction of estates by reforming and substantially increasing the unified tax credit;
- (E) extension of the research and experimentation tax credit;
- (F) extension of the deduction for State and local sales taxes;
- (G) extension of the deduction for small business expensing; and

S. Con. Res. 21—38

(H) enactment of a tax credit for school construction bonds.

(2) OTHER MATTERS.—The House assumes the cost of enacting such policies is offset by reforms within the Internal Revenue Code of 1986 that promote economic efficiency, higher rates of tax compliance to close the “tax gap”, and reduced taxpayer burdens through tax simplification.

(b) IN THE SENATE.—

(1) IN GENERAL.—The Senate adopted by a vote of 97 to 1 an amendment to S. Con. Res. 21 as reported by the Senate Committee on the Budget which, with regard to tax relief, reduced the revenue aggregates by \$179,816,000,000 to provide for—

- (A) extension of the child tax credit;
- (B) extension of marriage penalty relief;
- (C) extension of the 10 percent individual income tax bracket;
- (D) reform of the estate tax to protect small businesses and family farms;
- (E) extension of the adoption tax credit;
- (F) extension of the dependent care tax credit;
- (G) extension of the treatment of combat pay for purposes of determining the Earned Income Tax Credit; and
- (H) other, unspecified tax relief.

(2) POLICY.—It is the policy of the Senate that this resolution supports both the enactment of the policies listed in paragraph (1) and the Senate pay-as-you-go rule in section 201, and that any additional revenues needed to meet the Senate’s tax policy goals can be achieved by closing the tax gap, shutting down abusive tax shelters, addressing offshore tax havens, and without raising taxes.

SEC. 402. POLICY ON DEFENSE PRIORITIES.

It is the policy of this resolution that—

(1) implementing the recommendation of the National Commission on Terrorist Attacks Upon the United States (commonly referred to as the 9/11 Commission) to adequately fund cooperative threat reduction and nuclear nonproliferation programs should receive higher priority than the President’s budget provides;

(2) TRICARE fees for military retirees under the age of 65 should remain at current levels;

(3) military pay and benefits should be enhanced to improve retention of experienced personnel;

(4) the recommendations of the bipartisan “Walter Reed Commission” (the President’s Commission on Care for America’s Returning Wounded Warriors) and other United States Government investigations into military healthcare facilities and services should be funded;

(5) higher priority defense needs could be addressed by funding missile defense at an adequate but lower level, not providing funding for development of space-based missile defense interceptors, and by restraining excessive cost and schedule growth in defense research, development and procurement programs;

(6) sufficient resources should be provided for the Department of Defense to do a more careful job of addressing as

many as possible of the 1,378 unimplemented recommendations made by the Government Accountability Office over the last 6 years to improve practices at the Department of Defense, including investigation of the billions of dollars of obligations, disbursements and overcharges for which the Department of Defense cannot account; and

(7) savings from the actions recommended in paragraphs (5) and (6) of this section should be used to fund the priorities identified in paragraphs (1) through (4) in this section.

SEC. 403. POLICY ON COLLEGE AFFORDABILITY.

It is the policy of this resolution that nothing in this resolution should be construed to reduce any assistance that makes college more affordable for students, including but not limited to assistance to student aid programs run by nonprofit state agencies.

**TITLE V—SENSE OF THE HOUSE AND
SENSE OF CONGRESS**

**SEC. 501. SENSE OF CONGRESS ON SERVICEMEMBERS' AND VETERANS'
HEALTH CARE AND OTHER PRIORITIES.**

It is the sense of Congress that—

(1) Congress supports excellent health care for current and former members of the United States Armed Services, who have served well and honorably and have made significant sacrifices for this Nation;

(2) this resolution provides \$43,125,000,000 in discretionary budget authority for 2008 for Function 700 (Veterans Benefits and Services), including veterans' health care, which is \$6,668,000,000 more than the 2007 level, \$5,474,000,000 more than the Congressional Budget Office's baseline level for 2008, and \$3,576,000,000 more than the President's budget for 2008;

(3) this resolution provides funding to implement, in part, recommendations of the bi-partisan "Walter Reed Commission" (the President's Commission on Care for America's Returning Wounded Warriors) and other United States Government investigations into military and veterans health care facilities and services;

(4) this resolution assumes the rejection of the enrollment fees and co-payment increases in the President's budget;

(5) this resolution provides additional funding above the President's inadequate budget levels for the Department of Veterans Affairs to research and treat veterans' mental health, post-traumatic stress disorder, and traumatic brain and spinal cord injuries; and

(6) this resolution provides additional funding above the President's inadequate budget levels for the Department of Veterans Affairs to improve the speed and accuracy of its processing of disability compensation claims, including funding to hire additional personnel above the President's requested level.

SEC. 502. SENSE OF CONGRESS ON THE INNOVATION AGENDA: A COMMITMENT TO COMPETITIVENESS TO KEEP AMERICA #1.

(a) It is the sense of Congress to provide sufficient funding that our Nation may continue to be the world leader in education, innovation and economic growth. This resolution provides substantial increased funding above the President's requested level for 2008, and additional amounts in subsequent years in Function 250 (General Science, Space and Technology) and Function 270 (Energy). Additional increases for scientific research and education are included in Function 500 (Education, Employment, Training, and Social Services), Function 550 (Health), Function 300 (Environment and Natural Resources), Function 350 (Agriculture), Function 400 (Transportation), and Function 370 (Commerce and Housing Credit), all of which receive more funding than the President requested.

(b) America's greatest resource for innovation resides within classrooms across the country. The increased funding provided in this resolution will support important initiatives to educate 100,000 new scientists, engineers, and mathematicians, and place highly qualified teachers in math and science K–12 classrooms.

(c) Independent scientific research provides the foundation for innovation and future technologies. This resolution will put us on the path toward doubling funding for the National Science Foundation, basic research in the physical sciences, and collaborative research partnerships; and toward achieving energy independence through the development of clean and sustainable alternative energy technologies.

SEC. 503. SENSE OF CONGRESS ON HOMELAND SECURITY.

It is the sense of Congress that—

(1) this resolution assumes additional homeland security funding above the President's requested level for 2008 and every subsequent year;

(2) this resolution assumes funding above the President's requested level for 2008, and additional amounts in subsequent years, in the four budget functions: Function 400 (Transportation), Function 450 (Community and Regional Development), Function 550 (Health), and Function 750 (Administration of Justice) that fund most nondefense homeland security activities; and

(3) the homeland security funding provided in this resolution will help to strengthen the security of our Nation's transportation system, particularly our ports where significant security shortfalls still exist and foreign ports, by expanding efforts to identify and scan all high-risk United States-bound cargo, equip, train and support first responders (including enhancing interoperable communications and emergency management), strengthen border patrol, and increase the preparedness of the public health system.

SEC. 504. SENSE OF CONGRESS REGARDING THE ONGOING NEED TO RESPOND TO HURRICANES KATRINA AND RITA.

The sense of Congress is as follows:

(1) Critical needs in the Gulf Coast region should be addressed without further delay. The budget resolution creates a reserve fund that would allow for affordable housing that

may be used to focus on areas devastated by Hurricanes Katrina and Rita, as well as new funding for additional recovery priorities.

(2) Additional oversight and investigation is needed to ensure that recovery efforts are on track, develop legislation to reform the contracting process, and better prepare for future disasters. Those efforts should be made in close consultation with residents of affected areas. For example, the budget resolution provides additional 2007 funding for the Federal Emergency Management Agency, some of which may be used for this purpose.

SEC. 505. SENSE OF CONGRESS REGARDING LONG-TERM SUSTAINABILITY OF ENTITLEMENTS.

(a) FINDINGS.—Congress finds the following:

(1) The aging of the United States population is going to put unprecedented pressure on the Nation's retirement and health care systems.

(2) The long-term strength of Social Security would be improved through a fiscally responsible policy of reducing the deficit and paying down the debt that has accumulated since 2001, thus reducing debt service payments and freeing up billions of dollars that can be dedicated to meeting social security's obligations.

(3) A policy of reducing and eventually eliminating the deficit and paying down the debt is a key factor in improving the long-term strength of the economy as a whole, because a lower debt burden frees up resources for productive investments that will result in higher economic growth, provide a higher standard of living for future generations, and enhance the Nation's ability to meet its commitments to its senior citizens.

(4) The most significant factor affecting the Nation's entitlement programs is the rapid increase in health care costs. The projected increasing costs of Medicare and Medicaid are not unique to these programs but rather are part of a pattern of rising costs for the health sector as a whole.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the growing cost of entitlements should be addressed in a way that is fiscally responsible and promotes economic growth, that addresses the causes of cost growth in the broader health care system, and that protects beneficiaries without leaving a legacy of debt to future generations.

SEC. 506. SENSE OF CONGRESS REGARDING THE NEED TO MAINTAIN AND BUILD UPON EFFORTS TO FIGHT HUNGER.

(a) FINDINGS.—Congress finds the following:

(1) More than 35 million individuals (12.4 million of them children) are food insecure, uncertain of having, or unable to acquire enough food. 10.8 million Americans are hungry because of lack of food.

(2) Despite the critical contributions of the Department of Agriculture nutrition programs and particularly the food stamp program that significantly reduced payment error rates while increasing enrollment to partially mitigate the impact of recent increases in the poverty rate, significant need remains.

(3) Nearly 25 million people, including nine million children and three million seniors, sought emergency food assistance

from food pantries, soup kitchens, shelters, and local charities last year.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the Department of Agriculture programs that help fight hunger should be maintained and that Congress should seize opportunities to enhance those programs to reach people in need and to fight hunger.

SEC. 507. SENSE OF CONGRESS REGARDING AFFORDABLE HEALTH COVERAGE.

(a) FINDINGS.—Congress finds the following:

(1) More than 46 million Americans, including nine million children, lack health insurance. People without health insurance are more likely to experience problems getting medical care and to be hospitalized for avoidable health problems.

(2) Most Americans receive health coverage through their employers. A major issue facing all employers is the rising cost of health insurance. Small businesses, which have generated most of the new jobs annually over the last decade, have an especially difficult time affording health coverage, due to higher administrative costs and fewer people over whom to spread the risk of catastrophic costs. Because it is especially costly for small businesses to provide health coverage, their employees make up a large proportion of the nation's uninsured individuals.

(b) SENSE OF CONGRESS.—It is the sense of Congress that legislation consistent with the pay-as-you-go principle should be adopted that makes health insurance more affordable and accessible, with attention to the special needs of small businesses, and that lowers costs and improves the quality of health care by encouraging integration of health information technology tools into the practice of medicine, and promoting improvements in disease management and disease prevention.

SEC. 508. SENSE OF CONGRESS REGARDING EXTENSION OF THE STATUTORY PAY-AS-YOU-GO RULE.

It is the sense of Congress that in order to reduce the deficit Congress should extend PAYGO consistent with provisions of the Budget Enforcement Act of 1990.

SEC. 509. SENSE OF CONGRESS ON LONG-TERM BUDGETING.

It is the sense of Congress that the determination of the congressional budget for the United States Government and the President's budget request should include consideration of the Financial Report of the United States Government, especially its information regarding the Government's net operating cost, financial position, and long-term liabilities.

SEC. 510. SENSE OF CONGRESS REGARDING PAY PARITY.

It is the sense of Congress that rates of compensation for civilian employees of the United States should be adjusted at the same time, and in the same proportion, as are rates of compensation for members of the uniformed services.

SEC. 511. SENSE OF CONGRESS REGARDING WASTE, FRAUD, AND ABUSE.

It is the sense of Congress that all committees should examine programs within their jurisdiction to identify wasteful and fraudulent spending. To this end, section 207 of this resolution includes cap adjustments to provide appropriations for 3 programs that accounted for a significant share of improper payments reported by Federal agencies in 2006: Social Security Administration Continuing Disability Reviews, the Medicare/Medicaid Health Care Fraud and Abuse Control Program, and Unemployment Insurance. Section 207 also includes a cap adjustment for the Internal Revenue Service for tax compliance efforts to close the tax gap. In addition, the resolution's deficit-neutral reserve funds require authorizing committees to cut lower-priority and wasteful spending to accommodate higher-priority programs. Finally, section 207 of the resolution directs all committees to review the performance of programs within their jurisdiction and report recommendations annually to the Committees on the Budget as part of the views and estimates process required by section 301(d) of the Congressional Budget Act of 1974.

SEC. 512. SENSE OF CONGRESS REGARDING THE IMPORTANCE OF CHILD SUPPORT ENFORCEMENT.

It is the sense of Congress that—

(1) additional legislative action is needed to ensure that States have the necessary resources to collect all child support that is owed to families and to allow them to pass 100 percent of support on to families without financial penalty; and

(2) when 100 percent of child support payments are passed to the child, rather than administrative expenses, program integrity is improved and child support participation increases.

SEC. 513. SENSE OF THE HOUSE ON STATE VETERANS CEMETERIES.

It is the sense of the House that the Federal Government should pay the plot allowance for the interment in a State veterans cemetery of any spouse or eligible child of a veteran, consistent with the pay-as-you-go principle.

SEC. 514. SENSE OF CONGRESS ON THE STATE CRIMINAL ALIEN ASSISTANCE PROGRAM.

(a) FINDINGS.—Congress makes the following findings:

(1) Control of illegal immigration is a Federal responsibility.

(2) The State Criminal Alien Assistance Program (referred to in this section as "SCAAP") carried out pursuant to section 241(i) of the Immigration and Nationality Act (8 U.S.C. 1231(i)) provides critical funding to States and localities for reimbursement of costs incurred as a result of housing undocumented criminal aliens.

(3) Congress appropriated \$300,000,000 for SCAAP to reimburse State and local governments for those costs in fiscal year 2004.

(4) Congress appropriated \$305,000,000 for SCAAP to reimburse State and local governments for those costs in fiscal year 2005.

(5) Congress appropriated \$405,000,000 for SCAAP to reimburse State and local governments for those costs in fiscal year 2006.

S. Con. Res. 21—44

(6) Congress appropriated \$399,000,000 for SCAAP to reimburse State and local governments for those costs in fiscal year 2007.

(7) Congress has authorized to be appropriated \$950,000,000 to carry out SCAAP for each of the fiscal years 2008 through 2011.

(b) SENSE OF CONGRESS.—It is the sense of Congress that SCAAP funding for fiscal year 2008 should be consistent with the goal of achieving the program's fully authorized level.
