10 section shall be added on a compounded basis to the sum  
11 of all adjustments made each fiscal year after fiscal year  
12 2010 under this subsection.

13 “(d) LIMITATIONS.—

14 “(1) IN GENERAL.—Fees under subsection (a)  
15 shall be refunded for a fiscal year beginning after  
16 fiscal year 2010 unless appropriations for salaries  
17 and expenses of the Food and Drug Administration  
18 for such fiscal year (excluding the amount of fees  
19 appropriated for such fiscal year) are equal to or  
20 greater than the amount of appropriations for the  
21 salaries and expenses of the Food and Drug Admin-  
22 istration for fiscal year 2010 (excluding the amount  
23 of fees appropriated for such fiscal year) multiplied  
24 by the adjustment factor applicable to the fiscal year  
25 involved.

1           “(2) AUTHORITY.—If the Secretary does not  
2 assess fees under subsection (a) during any portion  
3 of a fiscal year because of paragraph (1) and if at  
4 a later date in such fiscal year the Secretary may as-  
5 sess such fees, the Secretary may assess and collect  
6 such fees, without any modification in the rate, for  
7 registration under section 415 at any time in such  
8 fiscal year.

9           “(3) ADJUSTMENT FACTOR.—In this sub-  
10 section, the term ‘adjustment factor’ applicable to a  
11 fiscal year is the Consumer Price Index for all urban  
12 consumers (all items; United States city average) for  
13 October of the preceding fiscal year divided by such  
14 Index for October 2009.

15           “(e) CREDITING AND AVAILABILITY OF FEES.—

16           “(1) IN GENERAL.—Fees authorized under sub-  
17 section (a) shall be collected and available for obliga-  
18 tion only to the extent and in the amount provided  
19 in advance in appropriations Acts. Such fees are au-  
20 thorized to remain available until expended. Such  
21 sums as may be necessary may be transferred from  
22 the Food and Drug Administration salaries and ex-  
23 penses appropriation account without fiscal year lim-  
24 itation to such appropriation account for salaries  
25 and expenses with such fiscal year limitation.

1           “(2) COLLECTIONS AND APPROPRIATIONS  
2 ACTS.—The fees authorized by this section—

3           “(A) shall be retained in each fiscal year in  
4 an amount not to exceed the amount specified  
5 in appropriation Acts, or otherwise made avail-  
6 able for obligation, for such fiscal year; and

7           “(B) shall only be collected and available  
8 to defray the costs of food safety activities.

9           “(3) AUTHORIZATION OF APPROPRIATIONS.—  
10 For each of fiscal years 2010 through 2014, there  
11 are authorized to be appropriated for fees under this  
12 section such sums as may be necessary.

13           “(4) PUBLIC MEETINGS.—For each fiscal year,  
14 the Secretary shall hold a public meeting on how  
15 fees collected under this section will be used to de-  
16 fray the costs of food safety activities in order to so-  
17 licit the views of the regulated industry, consumers,  
18 and other interested stakeholders.

19           “(f) COLLECTION OF UNPAID FEES.—In any case  
20 where the Secretary does not receive payment of a fee as-  
21 sessed under subsection (a) within 30 days after it is due,  
22 such fee shall be treated as a claim of the United States  
23 Government subject to subchapter II of chapter 37 of title  
24 31, United States Code.

1           “(g) CONSTRUCTION.—This section may not be con-  
2   strued to require that the number of full-time equivalent  
3   positions in the Department of Health and Human Serv-  
4   ices, for officers, employees, and advisory committees not  
5   engaged in food safety activities, be reduced to offset the  
6   number of officers, employees, and advisory committees so  
7   engaged.

8           “(h) ANNUAL FISCAL REPORTS.—Beginning with  
9   fiscal year 2011, not later than 120 days after the end  
10   of each fiscal year for which fees are collected under this  
11   section, the Secretary shall prepare and submit to the  
12   Committee on Energy and Commerce of the House of  
13   Representatives and the Committee on Health, Education,  
14   Labor, and Pensions of the Senate a report on the imple-  
15   mentation of the authority for such fees during such fiscal  
16   year and the use, by the Food and Drug Administration,  
17   of the fees collected for such fiscal year.

18          “(i) DEFINITIONS.—In this section:

19               “(1) The term ‘costs of food safety activities’  
20               means the expenses incurred in connection with food  
21               safety activities for—

22                       “(A) officers and employees of the Food  
23                       and Drug Administration, contractors of the  
24                       Food and Drug Administration, advisory com-  
25                       mittees, and costs related to such officers, em-

1 employees, and committees and to contracts with  
2 such contractors;

11 supplies; and

12 “(E) collecting fees under this section and  
13 accounting for resources allocated for food safe-  
14 ty activities.

15 “(2) The term ‘food safety activities’ means ac-  
16 tivities related to compliance by facilities registered  
17 under section 415 with the requirements of this Act  
18 relating to food (including research related to and  
19 the development of standards (such as performance  
20 standards and preventive controls), risk assessments,  
21 hazard analyses, inspection planning and inspec-  
22 tions, third-party inspections, compliance review and  
23 enforcement, import review, information technology

1 (d) TRANSITIONAL PROVISIONS.—

2 (1) FEES.—The Secretary of Health and  
3 Human Services shall first impose the fee estab-  
4 lished under section 743 of the Federal Food, Drug,  
5 and Cosmetic Act, as added by subsection (c), for  
6 fiscal years beginning with fiscal year 2010.

7 (2) MODIFICATION OF REGISTRATION FORM.—  
8 Not later than 180 days after the date of the enact-  
9 ment of this Act, the Secretary of Health and  
10 Human Services shall modify the registration form  
11 under section 415 of the Federal Food, Drug, and  
12 Cosmetic Act (21 U.S.C. 350d) to comply with the

15 this section, other than subsections (b)(2) and (c),  
16 shall take effect on the date that is 30 days after  
17 the date on which such modified registration form  
18 takes effect, but not later than 210 days after the  
19 date of the enactment of this Act.

20 (4) SUNSET DATE.—Section 743 of the Federal  
21 Food, Drug, and Cosmetic Act, as added by sub-  
22 section (c), does not authorize the assessment or col-  
23 lection of a fee for registration under section 415 of  
24 such Act (21 U.S.C. 360) occurring after fiscal year  
25 2014.

4           such controls were ineffective;

5           “(5) conduct verification activities;

6           “(6) maintain records of monitoring, corrective

10           “(1) IN GENERAL.—The owner, operator, or  
11           agent of a facility shall evaluate whether there are  
12           any hazards, including hazards due to the source of  
13           the ingredients, that are reasonably likely to occur  
14           in the absence of preventive controls that may affect  
15           the safety, wholesomeness, or sanitation of the food  
16           manufactured, processed, packed, transported, or  
17           held by the facility, including—

18           “(A) biological, chemical, physical, and ra-

3           ator, or agent of a facility to implement an al-  
4           ternative preventive control to one established  
5           by the Secretary, provided that, in response to  
6           a request by the Secretary, the owner, operator,  
7           or agent can present to the Secretary data or  
8           other information sufficient to demonstrate that  
9           the alternative control effectively addresses the  
10          hazard, including meeting any applicable per-  
11          formance standard.

12          “(C) LIMITATION.—Subparagraph (B)  
13          shall not apply to any preventive control de-  
14          scribed in subparagraph (A), (B), or (E) of

16          “(d) MONITORING.—The owner, operator, or agent of  
17          a facility shall monitor the implementation of preventive  
18          controls under subsection (c) to identify any circumstances  
19          in which the preventive controls are not fully implemented  
20          or verification shows that such controls were ineffective.

21          “(e) CORRECTIVE ACTIONS.—The owner, operator,  
22          or agent of a facility shall establish and implement proce-  
23          dures to ensure that, if the preventive controls under sub-  
24          section (c) are not fully implemented or are not found ef-  
25          fective—

1           “(1) no affected product from such facility en-  
2           ters commerce; and

3           “(2) appropriate action is taken to reduce the  
4           likelihood of recurrence of the implementation fail-  
5           ure.

6           “(f) VERIFICATION.—The owner, operator, or agent  
7 of a facility shall ensure that—

8           “(1) the system of preventive controls identified  
9           under subsection (c) has been validated as scientif-  
10          ically and technically sound so that, if such system  
11          is implemented, the hazards identified in the hazard  
12          analysis under subsection (b)(3) will be prevented,  
13          eliminated, or reduced to an acceptable level;

14          “(2) the facility is conducting monitoring in ac-  
15          cordance with subsection (d);

16          “(3) the facility is taking effective corrective ac-  
17          tions under subsection (e); and

18          “(4) the preventive controls are effectively pre-  
19          venting, eliminating, or reducing to an acceptable  
20          level the occurrence of identified hazards, including  
21          through the use of environmental and product test-  
22          ing programs and other appropriate means.

23          “(g) REQUIREMENT TO REANALYZE AND REVISE.—

3           vise the hazard analysis under subsection (b)(3)  
4           for the facility—

5                   “(i) not less than every 2 years;

6                   “(ii) if there is a change in the proc-  
7                   ess or product that could affect the hazard  
8                   analysis; and

9                   “(iii) if the Secretary determines that  
10                  it is appropriate to protect public health;  
11                  and

12           “(B) whenever there is a change in the  
13           hazard analysis, revise the preventive controls  
14           under subsection (c) for the facility as nec-  
15           essary to ensure that all hazards that are rea-  
16           sonably likely to occur are prevented, elimi-  
17           nated, or reduced to an acceptable level, or doc-  
18           ument the basis for the conclusion that no such  
19           revision is needed.

20           “(2) NONDELEGATION.—Any revisions ordered  
21           by the Secretary under this subsection shall be or-  
22           dered by the Secretary or an official designated by  
23           the Secretary. An official may not be so designated  
24           unless the official is the director of the district

1 under this Act in which the facility involved is lo-  
2 cated, or is an official senior to such director.

3 “(h) RECORDKEEPING.—The owner, operator, or  
4 agent of a facility shall maintain, for not less than 2 years,  
5 records documenting the activities described in subsections  
6 (a) through (g).

7 “(i) DEFINITIONS.—For purposes of this section:

8 “(1) FACILITY.—The term ‘facility’ means a  
9 domestic facility or a foreign facility that is required  
10 to be registered under section 415.

11 “(2) PREVENTIVE CONTROLS.—The term ‘pre-  
12 ventive controls’ means those risk-based procedures,  
13 practices, and processes that a person knowledgeable  
14 about the safe manufacturing, processing, packing,  
15 transporting, or holding of food would employ to  
16 prevent, eliminate, or reduce to an acceptable level  
17 the hazards identified in the hazard analysis under  
18 subsection (b)(3) and that are consistent with the  
19 current scientific understanding of safe food manu-  
20 facturing, processing, packing, transporting, or hold-  
21 ing at the time of the analysis. Those procedures,  
22 practices, and processes shall include the following,  
23 as appropriate to the type of facility or food:

6 from ingestion of, or contact with, human and  
7 animal food.

8           “(E) Good manufacturing practices.

9           “(F) Verification procedures, practices,  
10 and processes for suppliers and incoming ingre-

14 processes established by the Secretary under  
15 subsection (c)(2).

16           “(3) HAZARD THAT IS REASONABLY LIKELY TO  
17 OCCUR.—A food safety hazard that is reasonably  
18 likely to occur is one for which a prudent person  
19 who, as applicable, manufactures, processes, packs,  
20 transports, or holds food, would establish controls  
21 because experience, illness data, scientific reports, or  
22 other information provides a basis to conclude that  
23 there is a reasonable possibility that the hazard will  
24 occur in the type of food being manufactured, proc-

1       essed, packed, transported, or held in the absence of  
2       those controls.

3       **“SEC. 418A. FOOD SAFETY PLAN.**

4       “(a) IN GENERAL.—Before a facility (as defined in  
5       section 418(i)) introduces or delivers for introduction into  
6       interstate commerce any shipment of food, the owner, op-  
7       erator, or agent of the facility shall develop and implement  
8       a written food safety plan (in this section referred to as  
9       a ‘food safety plan’).

19               toring preventive controls.

20               “(4) A description of the procedures for taking  
21               corrective actions.

22               “(5) A description of verification activities for  
23               the preventive controls, including validation that the  
24               system of controls, if implemented, will prevent,  
25               eliminate, or reduce to an acceptable level the identi-

1       fied hazards, review of monitoring and corrective ac-  
2       tion records, and procedures for determining wheth-  
3       er the system of controls as implemented is effec-  
4       tively preventing, eliminating, or reducing to an ac-  
5       ceptable level the occurrence of identified hazards,  
6       including the use of environmental and product test-  
7       ing programs.

8               “(6) A description of the facility’s record-  
9       keeping procedures.

10              “(7) A description of the facility’s procedures

15       food, whether voluntarily or when required under  
16       section 414.

17              “(9) A description of the facility’s procedures to  
18       ensure a safe and secure supply chain for the ingre-  
19       dients or components used in making the food man-  
20       ufactured, processed, packed, transported, or held by  
21       such facility.

22              “(10) A description of the facility’s procedures  
23       to implement the science-based performance stand-  
24       ards issued under section 419.”.

25              (3) GUIDANCE OR REGULATIONS.—

1           (A) IN GENERAL.—The Secretary of  
2 Health and Human Services (referred to in this  
3 subsection as the “Secretary”) shall issue guid-  
4 ance or promulgate regulations to establish  
5 science-based standards for conducting a haz-  
6 ard analysis, documenting hazards, identifying  
7 and implementing preventive controls, and doc-  
8 umenting the implementation of the preventive  
9 controls, including verification and corrective

15 graph (A), the Secretary shall review inter-  
16 national hazard analysis and preventive control  
17 standards that are in existence on the date of  
18 the enactment of this Act and relevant to such  
19 guidelines or regulations to ensure that the pro-  
20 grams under sections 418 and 418A of the Fed-  
21 eral Food, Drug, and Cosmetic Act (as added  
22 by paragraph (2) are consistent, to the extent  
23 the Secretary determines practicable and appro-  
24 priate, with such standards.

1           (C) AUTHORITY WITH RESPECT TO CER-  
2 TAIN FACILITIES.—The Secretary may, by regu-  
3 lation, exempt or modify the requirements for  
4 compliance under this section and the amend-

6 cilities that are solely engaged in—

7           (i) the production of food for animals  
8 other than man or the storage of packaged  
9 foods that are not exposed to the environ-  
10 ment; or

23           (4) NO EFFECT ON EXISTING HACCP AUTHORI-  
24 TIES.—Nothing in this section or the amendments  
25 made by this section limits the authority of the Sec-

1       retary under the Federal Food, Drug, and Cosmetic  
2       Act (21 U.S.C. 301 et seq.) or the Public Health  
3       Service Act (42 U.S.C. 201 et seq.), as in effect on

5       to revise, issue, or enforce product- and category-  
6       specific regulations, such as the Seafood Hazard  
7       Analysis Critical Controls Points Program, the Juice  
8       Hazard Analysis Critical Control Program, and the  
9       Thermally Processed Low-Acid Foods Packaged in  
10      Hermetically Sealed Containers standards.

11           (5) CONSIDERATION.—When implementing sec-  
12      tions 418 and 418A of the Federal Food, Drug, and  
13      Cosmetic Act, as added by paragraph (2), the Sec-  
14      retary may take into account differences between

15      **SEC. 109. CERTIFICATION AND ACCREDITATION.**

16          (a) MISBRANDING.—

17              (1) IN GENERAL.—Section 403 (21 U.S.C.  
18              343), as amended by section 101(a), is amended by  
19              adding at the end the following:

20              “(aa) If it is part of a shipment offered for import  
21              into the United States and such shipment is in violation  
22              of section 801(q) (requiring a certification of compliance  
23              for certain food shipments).”.

24              (2) EFFECTIVE DATE.—The amendment made  
25              by paragraph (1) shall apply to shipments offered

1 for import on or after the date that is 3 years after  
2 the date of the enactment of this Act.

3 (b) CERTIFICATION OF COMPLIANCE FOR IM-  
4 PORTS.—Chapter VIII (21 U.S.C. 381 et seq.) is amend-  
5 ed—

6 (1) in section 801(a), as amended by section  
7 107(b), by inserting after the third sentence the fol-  
8 lowing: “If such article is food being imported or of-  
9 fered for import into the United States and is not  
10 in compliance with the requirement of subsection (q)  
11 (relating to certifications of compliance with this  
12 Act), then such article shall be refused admission.”;

13 (2) in the second sentence of section 801(b), by  
14 striking “the fourth sentence” and inserting “the  
15 fifth sentence”; and

16 (3) by adding at the end of section 801 the fol-  
17 lowing:

18 “(q) CERTIFICATIONS CONCERNING IMPORTED ARTI-  
19 CLES.—

20 “(1) IN GENERAL.—

21 “(A) REQUIREMENT.—The Secretary may  
22 require, as an additional condition of granting  
23 admission to an article of food being imported  
24 or offered for import into the United States,  
25 that a qualified certifying entity provide a cer-

1           tification that the article complies with require-  
2           ments of this Act as specified by the Secretary  
3           if—

4                   “(i) for food imported from a par-  
5                   ticular country, territory, or region, the  
6                   Secretary finds, based on scientific, risk-  
7                   based evidence, that the government con-  
8                   trols in such country, territory, or region  
9                   are inadequate to ensure that the article is  
10                  safe and that certification would assist the  
11                  Secretary in determining whether to refuse  
12                  to admit such article under subsection (a);

13                   “(ii) for a type of food for which there  
14                   is scientific evidence that there is a par-  
15                   ticular risk associated with the food that  
16                   presents a threat of serious adverse health  
17                   consequences or death, the Secretary finds  
18                   that certification would assist the Sec-  
19                   retary in determining whether to refuse to  
20                   admit such article under subsection (a); or

21                   “(iii) for an article imported from a  
22                   particular country or territory, there is an  
23                   agreement between the Secretary and the  
24                   government of such country or territory  
25                   providing for such certification.

1           “(B) FORM OF CERTIFICATION.—A certifi-  
2 cation under subparagraph (A) may take the  
3 form of a statement that the article or the facil-  
4 ity or farm that manufactured, processed,  
5 packed, held, grew, harvested, sorted, or trans-  
6 ported the article, as the case may be, complies  
7 with requirements of this Act as specified by  
8 the Secretary, or any other form as the Sec-  
9 retary may specify, including a listing of cer-  
10 tified facilities or other entities. The Secretary  
11 may require that the certification include addi-  
12 tional information regarding compliance.

13           “(C) ADEQUATE GOVERNMENT CON-  
14 TROLS.—

15           “(i) PROCESS.—Before requiring a  
16 certification under clause (ii) of subpara-  
17 graph (A) with respect to a food, the Sec-  
18 retary shall establish a process by which a  
19 country or territory may demonstrate that  
20 its government controls are adequate to  
21 ensure that such food exported from its  
22 territory to the United States is safe.

23           “(ii) DEMONSTRATION.—The Sec-  
24 retary shall not require a certification  
25 under clause (ii) of subparagraph (A) for

1 a food exported from a country or terri-  
2 tory, if that country or territory has dem-  
3 onstrated, pursuant to the process estab-  
4 lished by the Secretary under clause (i),  
5 that its government controls are adequate  
6 to ensure that such food exported from its  
7 territory to the United States is safe.

8 “(D) NOTICE OF CANCELLATION OR SUS-  
9 PENSION OF CERTIFICATION.—As a condition  
10 on acceptance of certifications from a qualified  
11 certifying entity, the Secretary shall require the  
12 qualified certifying entity to notify the Sec-  
13 retary whenever the qualified certifying entity  
14 cancels or suspends the certification of any fa-  
15 cility or other entity included in a listing under  
16 subparagraph (B).

17 “(E) CONSISTENCY WITH INTERNATIONAL  
18 OBLIGATIONS.—The Secretary shall apply this  
19 paragraph consistently with United States obli-  
20 gations under international agreements.

21 “(2) QUALIFIED CERTIFYING ENTITY.—For  
22 purposes of this subsection, the term ‘qualified certi-

3           “(B) an individual or entity determined by  
4           the Secretary or an accredited body recognized  
5           by the Secretary to be qualified to provide a  
6           certification under paragraph (1).

7           “(3) NO CONFLICTS OF INTEREST.—

8           “(A) IN GENERAL.—The Secretary shall  
9           issue regulations to ensure that any qualified  
10          certifying entity and its auditors are free from  
11          conflicts of interest. In issuing these regula-  
12          tions, the Secretary may rely on or incorporate  
13          international certification standards.

14          “(B) REGULATIONS.—Such regulations  
15          shall require that—

16                 “(i) the qualified certifying entity  
17                 shall have a committee or management  
18                 structure for safeguarding impartiality;

19                 “(ii) conflict of interest policies for a  
20                 qualified certifying entity and auditors act-  
21                 ing for the qualified certifying entity shall  
22                 be written;

23                 “(iii) the qualified certifying entity  
24                 shall not be owned, operated, or controlled  
25                 by a producer, manufacturer, processor,

21 processor, packer, holder, supplier, or  
22 vendor of foods, and a list of any such  
23 companies in which they do have fi-  
24 nancial interests or by which they  
25 were employed in the past year; and

1                   “(II) when an auditor is assigned  
2                   to audit a facility, require that indi-  
3                   vidual to affirm that he or she has no  
4                   financial interest in the company that  
5                   owns or operates that facility and was  
6                   not employed by that facility in the  
7                   previous year;

8                   “(vii) neither the qualified certifying

17                  tified by the qualified certifying entity, or  
18                  the owner, operator, or agent in charge of  
19                  such a facility, unless the qualified certi-  
20                  fying entity has procedures in place, ap-  
21                  proved by the Secretary, to ensure separa-  
22                  tion of functions between auditors pro-

10          “(xi) neither the qualified certifying

21          other conflicts of interest that threaten im-  
22          partiality;

23          “(xiv) the qualified certifying entity  
24          and its auditors shall sign a statement at-

3 “(xv) the qualified certifying entity  
4 shall ensure that any subcontractors that  
5 might be used (such as laboratories and

14 **“SEC. 420. NOTIFICATION, NONDISTRIBUTION, AND RECALL**  
15 **OF ADULTERATED OR MISBRANDED FOOD.**

16 “(a) NOTIFICATION, NONDISTRIBUTION, AND RE-

18 “(1) IN GENERAL.—A responsible party as that  
19 term is defined in section 417(a)(1) or a person re-

3 of serious adverse health consequences or death to  
4 humans or animals shall, as soon as practicable, no-

6 article.

7 “(2) MANNER OF NOTIFICATION.—Notification  
8 under paragraph (1) shall be made in such manner  
9 and by such means as the Secretary may require by

14 misbranded, or otherwise in violation of this Act volun-  
15 tarily—

16 “(1) recall such article; and

17 “(2) provide for notice, including to individuals  
18 as appropriate, to persons who may be affected by  
19 the recall.

20 “(c) ORDER TO CEASE DISTRIBUTION.—If the Sec-

16 opportunity for an informal hearing, the Secretary shall  
17 determine whether the order should be amended to require  
18 a recall of such article. If, after providing an opportunity
