(2) LIMITATION ON CREDIT EXPOSURE.—The regulations prescribed by the Board shall prohibit each financial holding company subject to stricter standards from having credit exposure to any unaffiliated company that exceeds 25 percent of capital stock and surplus of the financial holding company subject to stricter standards, or such lower amount as the Board may determine by regulation to be necessary to mitigate risks to financial stability.

(a) IN GENERAL.—The Council may subject a finan-

under this subtitle if the Council determines that the con-

thereby threaten the stability of the financial system or
economy.

This au-
authority is in addition to and does not limit any other
authority of the primary financial regulatory agen-
cies. Compliance by an entity with actions taken by
a primary financial regulatory agency under this sec-
tion shall be enforceable in accordance with the stat-utes governing the respective primary financial regu-
latory agency’s jurisdiction over the entity as if the
agency action were taken under those statutes.

(2) IMPOSITION OF STANDARDS.—Standards
imposed under this subsection shall be the standards

Corporation receives from the financial company for which
the credit extension or guarantee is intended, as fair mar-

exercise voting power, as the Corporation determines appropriate; or

(b) TERMS AND CONDITIONS.—The terms and conditions of any warrant or senior debt instrument required under subsection (a) shall meet the following requirements:

Such provisions shall protect the value of the securities from market transactions such as stock splits, stock distributions, dividends, and other distributions, mergers, and other forms of reorganization or recapitalization.

(5) EXERCISE PRICE.—The exercise price for any warrant issued pursuant to this subsection shall
be set by the Corporation, in the interest of the taxpayers.

Should the financial company not have sufficient authorized shares, including preferred shares that may carry dividend rights equal to a multiple number of common shares, the Corporation may, to the extent necessary, accept a senior debt note in an amount, and on such terms as will compensate the Corporation with equivalent value, in the event that a sufficient shareholder vote to authorize the necessary additional shares cannot be obtained.

(e) EXCEPTIONS.—

(1) The Corporation shall establish an exception to the requirements of this section and appropriate alternative requirements for any participating financial company that is legally prohibited from issuing securities and debt instruments, so as not to allow circumvention of the requirements of this section.

“(B) an appropriate agency may specify that the percentage of risk may be more than
5 percent of the credit risk if the underwriting
by the creditor or due diligence by the

which the funds being transferred will be
made available to the recipient; and

being transferred will be made available to
the recipient if the funds are to be made
available only at one location, or if the re-

If the actual rate used for the transfer is known to the remittance provider, either because such rate was set by the remittance provider itself or because the remittance provider receives confirmation of the actual exchange rate used, the remittance provider shall make available to consumers written or electronic confirmation of the actual exchange rate used and the amount of currency that the recipient or the remittance transfer received, using the values of the currency into which the funds were exchanged. However, any discrepancies between the English version and any other version due to the translation of the receipt from English to another language including errors or ambiguities shall be construed against the remittance transfer provider or its agent and the remittance transfer provider or its agent shall be liable for any damages caused by these discrepancies.

sought to be modified or set aside.

(3) SPECIFIC GROUNDS.—Such petition shall

(F) INCLUDES REQUIREMENT FOR CORRECTIVE ACTION.—Such order may, by provisions which may be mandatory or otherwise, require the person to cease-and-desist from the same, and, further, to take affirmative action to correct the conditions resulting from any such violation.

(1) **Issuance.**—
(A) IN GENERAL.—Whenever the Agency determines that the violation specified in the notice of charges served upon a person, including a service provider, pursuant to subsection (b), or the continuation of such violation, is likely to cause the person to be insolvent or otherwise prejudice the interests of consumers before the completion of the proceedings conducted pursuant to subsection (b), the Agency may issue a temporary order requiring the person to cease-and-desist from any such violation or practice and to take affirmative action to prevent or remedy such insolvency or other condition pending completion of such proceedings.

that person or the details or purpose of any
transaction or transactions that may have a
material effect on the financial condition of that
person, the Agency may issue a temporary
order requiring—

(i) the cessation of any activity or
practice which gave rise, whether in whole
or in part, to the incomplete or inaccurate

probabilities and loss expectations under standard-
ized and increasingly severe levels of market stress. The study shall optimize the definitions of the symbols to maximize their overall usefulness for users of credit ratings.

(2) Initial example for guidance.—An example to provide initial guidance for the study is a ratings symbol consisting of three digits, each of which corresponds to default probabilities under different levels of market stress as follows:

(C) requiring a quantitative correspond-
ence between credit ratings and a range of de-
fault probabilities and loss expectations under
standardized conditions of economic stress; and

nology across asset classes, so that named rat-
ings shall correspond to a standard range of de-
fault probabilities and expected losses inde-
dependent of asset class and issuing entity.

date of enactment of this subtitle, the Securities and

ther amended by adding at the end the following
new subsections:

“(m) STANDARD OF CONDUCT.—

“(1) IN GENERAL.—Notwithstanding any other
provision of this Act or the Investment Advisers Act
of 1940, the Commission shall promulgate rules to
provide that, with respect to a broker or dealer,
when providing personalized investment advice about
securities to a retail customer (and such other cus-
tomers as the Commission may by rule provide), the
standard of conduct for such broker or dealer with
respect to such customer shall be the same as the
standard of conduct applicable to an investment ad-
viser under the Investment Advisers Act of 1940.
The receipt of compensation based on commission or
other standard compensation for the sale of securi-
ties shall not, in and of itself, be considered a viola-
tion of such standard applied to a broker or dealer.

“(2) DISCLOSURE OF RANGE OF PRODUCTS OF-
FERED.—Where a broker or dealer sells only propri-
etary or other limited range of products, as deter-
mined by the Commission, the Commission shall by
rule require that such broker or dealer provide no-
tice to each retail customer and obtain the consent
or acknowledgment of the customer. The sale of only
proprietary or other limited range of products by a broker or dealer shall not, in and of itself, be considered a violation of the standard set forth in paragraph (1).

“(3) Retail customer defined.—For purposes of this subsection, the term ‘retail customer’ means a natural person, or the legal representative of such natural person, who—

“(B) uses such advice primarily for personal, family, or household purposes.

“(n) Other matters.—The Commission shall—

In accordance with such rules, any material conflicts of interest shall be disclosed and may be consented to by the customer. Such rules shall provide that such standard of conduct shall be no less stringent than the standard applicable to investment advisers under section 206(1) and (2) of this Act when providing personalized investment advice about securities, except the Commission shall not ascribe a meaning to the term ‘customer’ that would include an investor in a private fund managed by an investment adviser, where such private fund has en-
tered into an advisory contract with such adviser. The receipt of compensation based on commission or fees shall not, in and of itself, be considered a violation of such standard applied to a broker, dealer, or investment adviser.

“(2) RETAIL CUSTOMER DEFINED.—For purposes of this subsection, the term ‘retail customer’ means a natural person, or the legal representative of such natural person, who—

“(A) receives personalized investment advice about securities from a broker, dealer, or investment adviser; and

PART 7—SENIOR INVESTMENT PROTECTION

SEC. 7701. FINDINGS.

Congress finds that—

(1) many seniors are targeted by salespersons and advisers using misleading certifications and professional designations;

(2) many certifications and professional designations used by salespersons and advisers represent limited training or expertise, and may in fact
be of no value with respect to advising seniors on financial and estate planning matters, and far too often, such designations are obtained simply by attending a weekend seminar and passing an open book, multiple choice test;

(3) many seniors have lost their life savings because salespersons and advisers holding a misleading designation have steered them toward products that were unsuitable for them, given their retirement needs and life expectancies;

(4) seniors have a right to clearly know whether they are working with a qualified adviser who understands the products and is working in their best interest or a self-interested salesperson or adviser advocating particular products; and

(5) many existing State laws and enforcement measures addressing the use of certifications, professional designations, and suitability standards in selling financial products to seniors are inadequate to protect senior investors from salespersons and advisers using such designations.

(A) means the use of a purported certification, professional designation, or other credential, that indicates or implies that a salesperson or adviser has special certification or training in advising or servicing seniors; and

“(5) Pending final determination whether any registration under this subsection shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any
registered municipal financial adviser may, upon such
terms and conditions as the Commission deems necessary
or appropriate in the public interest or for the protection
of investors, withdraw from registration by filing a written
notice of withdrawal with the Commission. If the Commiss-

adviser.

“(6)(A) With respect to any person who is associated,
who is seeking to become associated, or, at the time of
the alleged misconduct, who was associated or was seeking
to become associated with a municipal financial adviser,
the Commission, by order, shall censure, place limitations
on the activities or functions of such person, or suspend
for a period not exceeding 12 months, or bar such person
from being associated with a municipal financial adviser,
if the Commission finds, on the record after notice and
opportunity for a hearing, that such censure, placing of
limitations, suspension, or bar is in the public interest and
that such person—

“(i) has committed or omitted any act, or is
subject to an order or finding, enumerated in sub-
paragraph (A), (D), or (E) of paragraph (4) of this subsection;

“(ii) has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within 10 years of the commencement of the proceedings under this paragraph; or

natural persons associated with such municipal financial adviser meet such standards of training, experience, competence, and such other qualifications as the Commission finds necessary or appropriate in the public interest or for the protection of investors. The Commission shall establish such standards by rules and regulations, which may—

“(A) specify that all or any portion of such standards shall be applicable to any class of municipal financial advisers and persons associated with municipal financial advisers;

“(B) require persons in any such class to pass tests prescribed in accordance with such rules and regulations, which tests shall, with respect to any class of partners, officers, or supervisory employees (which latter term may be defined by the Commission's rules and regulations) engaged in the management of the municipal financial adviser, include questions relating to bookkeeping, accounting, supervision of employees, maintenance of records, and other appropriate matters; and

“(C) provide that persons in any such class other than municipal financial advisers and partners, officers, and supervisory employees of municipal financial advisers, may be qualified solely on the basis of compliance with such standards of training and
such other qualifications as the Commission finds appropriate.

The Commission, by rule, may prescribe reasonable fees and charges to defray its costs in carrying out this paragraph, including, but not limited to, fees for any test administered by it or under its direction.

“(c)(1)(A) No municipal financial adviser shall make use of the mails or any means or instrumentality of interstate commerce in connection with which such municipal financial adviser engages in any fraudulent, deceptive, or manipulative act or practice or violates such rules and regulations regarding conflicts of interest or fair practices, including but not limited to rules and regulations related to political contributions, as the Commission shall prescribe in the public interest or for the protection of investors or to maintain fair and orderly markets.

“(B) The Commission shall, for the purposes of this paragraph as the Commission finds necessary or appropriate in the public interest or for the protection of investors, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative.

“(2) If the Commission finds, after notice and opportunity for a hearing, that any person subject to the provisions of this section or any rule or regulation thereunder
has failed to comply with any such provision, rule, or regulation in any material respect, the Commission may publish its findings and issue an order requiring such person, and any person who was a cause of the failure to comply due to an act or omission the person knew or should have known would contribute to the failure to comply, to comply, or to take steps to effect compliance, with such provision or such rule or regulation thereunder upon such terms and conditions and within such time as the Commission may specify in such order.

“(d) Every registered municipal financial adviser shall establish, maintain, and enforce written policies and procedures reasonably designed, taking into consideration the nature of such municipal financial adviser’s business, to prevent the misuse in violation of this title, or the rules or regulations thereunder, of material, nonpublic information by such municipal financial adviser or any person associated with such municipal financial adviser. The Commission, as it deems necessary or appropriate in the public interest or for the protection of investors, shall adopt rules or regulations to require specific policies or procedures reasonably designed to prevent misuse in violation of this title (or the rules or regulations thereunder) of material, nonpublic information.
“(e) A municipal financial adviser and any person associated with such municipal financial adviser shall be deemed to have a fiduciary duty to any municipal securities issuer for whom such municipal financial adviser acts as a municipal financial adviser. A municipal financial adviser may not engage in any act, practice, or course of business which is not consistent with a municipal financial adviser’s fiduciary duty. The Commission shall, for the purposes of this paragraph, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts, practices, and courses of business as are not consistent with a municipal financial adviser’s fiduciary duty to its clients.”
