8 *tation. The Secretary is authorized to take such actions as*
9 *the Secretary considers appropriate to ascertain whether*
10 *such individual has knowingly and voluntarily waived all*
11 *such conflicts of interest. If the Secretary finds that such*
12 *an individual cannot be represented adequately by such an*
13 *attorney due to such conflicts of interest, the Secretary may*
14 *petition the appropriate United States District Court which*
15 *shall have jurisdiction to disqualify such attorney as coun-*

19 “(1) *PATTERN STATUS.—*

20 “(A) *IN GENERAL.—For purposes of this*

19 “(B) MITIGATING CIRCUMSTANCES.—Not-
20 withstanding subparagraph (A), if the Secretary,
21 after conducting an assessment of a coal or other
22 mine that otherwise qualifies for pattern status,
23 certifies that there are mitigating circumstances
24 wherein the operator has already implemented
25 remedial measures that have reduced risks to the

1 *health and safety of miners to the point that*
2 *such risks are no longer elevated and has taken*
3 *sufficient measures to ensure such elevated risk*
4 *will not recur, the Secretary may deem such*
5 *mine to not be in pattern status under this sub-*

11 *made, be—*

12 *“(i) made available on the public*

23 *graph (8).*

1 “(2) *ACTIONS FOLLOWING PLACEMENT OF MINE*
2 *IN PATTERN STATUS.*—*For any coal or other mine*
3 *that is in pattern status, the Secretary shall—*

4 “(A) *notify the operator of such mine that*
5 *the mine is being placed in pattern status;*

6 “(B) *issue an order requiring such operator*
7 *to cause all persons to be withdrawn from such*
8 *mine, except those persons referred to in sub-*
9 *section (c) or authorized by an order of the Sec-*
10 *retary issued under this subsection;*

11 “(C) *issue a remediation order described in*
12 *paragraph (3) to such operator within 3 days;*

14 *with the complainant’s employment;*

15 “(ii) *any other compensatory and con-*
16 *sequential damages sufficient to make the*
17 *complainant whole, and exemplary damages*

2 *shall be calculated at the current underpayment rate deter-*
3 *mined by the Secretary of the Treasury pursuant to section*

9 **SEC. 708. REVIEW OF STATE OCCUPATIONAL SAFETY AND**
10 **HEALTH PLANS.**

11 *Section 18 of the Occupational Safety and Health Act*
12 *of 1970 (29 U.S.C. 668) is amended—*

13 *(1) by amending subsection (f) to read as follows:*

14 *“(f)(1) The Secretary shall, on the basis of reports sub-*
15 *mitted by the State agency and the Secretary’s own inspec-*
16 *tions, make a continuing evaluation of the manner in which*
17 *each State that has a plan approved under this section is*
18 *carrying out such plan. Such evaluation shall include an*
19 *assessment of whether the State continues to meet the re-*
20 *quirements of subsection (c) of this section and any other*
21 *criteria or indices of effectiveness specified by the Secretary*
22 *in regulations. Whenever the Secretary finds, on the basis*
23 *of such evaluation, that in the administration of the State*
24 *plan there is a failure to comply substantially with any*
25 *provision of the State plan (or any assurance contained*

1 *therein), the Secretary shall make an initial determination*
2 *of whether the failure is of such a nature that the plan*
3 *should be withdrawn or whether the failure is of such a*
4 *nature that the State should be given the opportunity to*
5 *remedy the deficiencies, and provide notice of the Sec-*
6 *retary's findings and initial determination.*

7 “(2) *If the Secretary makes an initial determination*
8 *to reassert and exercise concurrent enforcement authority*
9 *while the State is given an opportunity to remedy the defi-*
10 *ciencies, the Secretary shall afford the State an opportunity*
11 *for a public hearing within 15 days of such request, pro-*
12 *vided that such request is made not later than 10 days after*
13 *Secretary's notice to the State. The Secretary shall review*
14 *and consider the testimony, evidence, or written comments,*
15 *and not later than 30 days following such hearing, make*
16 *a determination to affirm, reverse, or modify the Secretary's*
17 *initial determination to reassert and exercise concurrent en-*
18 *forcement authority under sections 8, 9, 10, 13, and 17 with*
19 *respect to standards promulgated under section 6 and obli-*
20 *gations under section 5(a). Following such a determination*
21 *by the Secretary, or in the event that the State does not*
22 *request a hearing within the time frame set forth in this*
23 *paragraph, the Secretary may reassert and exercise such*
24 *concurrent enforcement authority, while a final determina-*
25 *tion is pending under paragraph (3) or until the Secretary*

1 *has determined that the State has remedied the deficiencies*
2 *as provided under paragraph (4). Such determination shall*
3 *be published in the Federal Register. The procedures set*
4 *forth in section 18(g) shall not apply to a determination*
5 *by the Secretary to reassert and exercise such concurrent*
6 *enforcement authority.*

7 “(3) *If the Secretary makes an initial determination*
8 *that the plan should be withdrawn, the Secretary shall pro-*
9 *vide due notice and the opportunity for a hearing. If based*
10 *on the evaluation, comments, and evidence, the Secretary*
11 *makes a final determination that there is a failure to com-*
12 *ply substantially with any provision of the State plan (or*
13 *any assurance contained therein), he shall notify the State*
14 *agency of the withdrawal of approval of such plan and*
15 *upon receipt of such notice such plan shall cease to be in*
16 *effect, but the State may retain jurisdiction in any case*
17 *commenced before the withdrawal of the plan in order to*
18 *enforce standards under the plan whenever the issues in-*
19 *volved do not relate to the reasons for the withdrawal of*
20 *the plan.*

21 “(4) *If the Secretary makes a determination that the*
22 *State should be provided the opportunity to remedy the defi-*
23 *ciencies, the Secretary shall provide the State an oppor-*
24 *tunity to respond to the Secretary’s findings and the oppor-*
25 *tunity to remedy such deficiencies within a time period es-*

1 *established by the Secretary, not to exceed 1 year. The Sec-*
2 *retary may extend and revise the time period to remedy*
3 *such deficiencies, if the State’s legislature is not in session*
4 *during this 1 year time period, or if the State demonstrates*
5 *that it is not feasible to correct the deficiencies in the time*
6 *period set by the Secretary, and the State has a plan to*
7 *correct the deficiencies within a reasonable time period. If*
8 *the Secretary finds that the State agency has failed to rem-*
9 *edy such deficiencies within the time period specified by*
10 *the Secretary and that the State plan continues to fail to*
11 *comply substantially with a provision of the State plan,*
12 *the Secretary shall withdraw the State plan as provided*
13 *for in paragraph (3).”; and*

14 (2) *by adding at the end the following new sub-*
15 *section:*

16 “(i) *Not later than 18 months after the date of enact-*
17 *ment of this subsection, and every 5 years thereafter, the*
18 *Comptroller General shall complete and issue a review of*
19 *the effectiveness of State plans to develop and enforce safety*
20 *and health standards to determine if they are at least as*
21 *effective as the Federal program and to evaluate whether*
22 *the Secretary’s oversight of State plans is effective. The*
23 *Comptroller General’s evaluation shall assess—*

1 “(1) the effectiveness of the Secretary’s oversight
2 of State plans, including the indices of effectiveness
3 used by the Secretary;

23 consistent with Federal policy and procedure,
24 whether employees are notified of their rights,

1 *and whether there is an effective process for em-*

3 “(F) *program administration, including*
4 *whether the State’s standards and policies are at*
5 *least as effective as the Federal program and are*
6 *updated in a timely manner, and whether Na-*
