TITLE VIII
GENERAL PROVISIONS
Sec. 8001. No part of any appropriation contained in this Act shall be used for publicity or propaganda purposes not authorized by the Congress.
SEC. 8002. During the current fiscal year, provisions of law prohibiting the payment of compensation to, or employment of, any person not a citizen of the United States shall not apply to personnel of the Department of Defense: Provided, That salary increases granted to direct and indirect hire foreign national employees of the Department of Defense funded by this Act shall not be at a rate in excess of the percentage increase authorized by law for civilian employees of the Department of Defense whose pay is computed under the provisions of section 5332 of title 5, United States Code, or at a rate in excess of the percentage increase provided by the appropriate host nation to its own employees, whichever is higher: Provided further, That, in the case of a host nation that does not provide salary increases on an annual basis, any increase granted by that nation shall be annualized for the purpose of applying the preceding proviso: Provided further, That this section shall not apply to Department of Defense foreign service national employees serving at United States diplomatic missions whose pay is set by the Department of State under the Foreign Service Act of 1980: Provided further, That the limitations of this provision shall not apply to foreign national employees of the Department of Defense in the Republic of Turkey.
SEC. 8003. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year, unless expressly so provided herein.

SEC. 8004. No more than 20 percent of the appropriations in this Act which are limited for obligation during the current fiscal year shall be obligated during the last 2 months of the fiscal year: Provided, That this section shall not apply to obligations for support of active duty training of reserve components or summer camp training of the Reserve Officers’ Training Corps.

(TRANSFER OF FUNDS)

SEC. 8005. Upon determination by the Secretary of Defense that such action is necessary in the national interest, he may, with the approval of the Office of Management and Budget, transfer not to exceed $4,000,000,000 of working capital funds of the Department of Defense or funds made available in this Act to the Department of Defense for military functions (except military construction) between such appropriations or funds or any subdivision thereof, to be merged with and to be available for the same purposes, and for the same time period, as the appropriation or fund to which transferred: Provided, That such authority to transfer may not be used unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated
and in no case where the item for which funds are requested has been denied by the Congress: Provided further, That the Secretary of Defense shall notify the Congress promptly of all transfers made pursuant to this authority or any other authority in this Act: Provided further, That no part of the funds in this Act shall be available to prepare or present a request to the Committees on Appropriations for reprogramming of funds, unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no case where the item for which reprogramming is requested has been denied by the Congress: Provided further, That a request for multiple reprogrammings of funds using authority provided in this section shall be made prior to June 30, 2011: Provided further, That transfers among military personnel appropriations shall not be taken into account for purposes of the limitation on the amount of funds that may be transferred under this section.

Sec. 8006. (a) With regard to the list of specific programs, projects, and activities (and the dollar amounts and adjustments to budget activities corresponding to such programs, projects, and activities) contained in the tables titled “Explanation of Project Level Adjustments” in the explanatory statement regarding this Act, the obligation and expenditure of amounts appropriated or other-
wise made available in this Act for those programs, projects, and activities for which the amounts appropriated exceed the amounts requested are hereby required by law to be carried out in the manner provided by such tables to the same extent as if the tables were included in the text of this Act.

(b) Amounts specified in the referenced tables described in subsection (a) shall not be treated as subdivisions of appropriations for purposes of section 8005 of this Act: Provided, That section 8005 shall apply when transfers of the amounts described in subsection (a) occur between appropriation accounts.

Sec. 8007. (a) Not later than 60 days after enactment of this Act, the Department of Defense shall submit a report to the congressional defense committees to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2011: Provided, That the report shall include—

(1) a table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if appropriate, and the fiscal year enacted level;

(2) a delineation in the table for each appropriation both by budget activity and program,
project, and activity as detailed in the Budget Appendix; and

(3) an identification of items of special congressional interest.

(b) Notwithstanding section 8005 of this Act, none of the funds provided in this Act shall be available for reprogramming or transfer until the report identified in subsection (a) is submitted to the congressional defense committees, unless the Secretary of Defense certifies in writing to the congressional defense committees that such reprogramming or transfer is necessary as an emergency requirement.

(TRANSFER OF FUNDS)

SEC. 8008. During the current fiscal year, cash balances in working capital funds of the Department of Defense established pursuant to section 2208 of title 10, United States Code, may be maintained in only such amounts as are necessary at any time for cash disbursements to be made from such funds: Provided, That transfers may be made between such funds: Provided further, That transfers may be made between working capital funds and the “Foreign Currency Fluctuations, Defense” appropriation and the “Operation and Maintenance” appropriation accounts in such amounts as may be determined by the Secretary of Defense, with the approval of
the Office of Management and Budget, except that such transfers may not be made unless the Secretary of Defense has notified the Congress of the proposed transfer. Except in amounts equal to the amounts appropriated to working capital funds in this Act, no obligations may be made against a working capital fund to procure or increase the value of war reserve material inventory, unless the Secretary of Defense has notified the Congress prior to any such obligation.

SEC. 8009. Funds appropriated by this Act may not be used to initiate a special access program without prior notification 30 calendar days in advance to the congressional defense committees.

SEC. 8010. None of the funds provided in this Act shall be available to initiate: (1) a multiyear contract that employs economic order quantity procurement in excess of $20,000,000 in any one year of the contract or that includes an unfunded contingent liability in excess of $20,000,000; or (2) a contract for advance procurement leading to a multiyear contract that employs economic order quantity procurement in excess of $20,000,000 in any one year, unless the congressional defense committees have been notified at least 30 days in advance of the proposed contract award: Provided, That no part of any appropriation contained in this Act shall be available to ini-
tiate a multiyear contract for which the economic order quantity advance procurement is not funded at least to the limits of the Government’s liability: Provided further, That no part of any appropriation contained in this Act shall be available to initiate multiyear procurement contracts for any systems or component thereof if the value of the multiyear contract would exceed $500,000,000 unless specifically provided in this Act: Provided further, That no multiyear procurement contract can be terminated without 10-day prior notification to the congressional defense committees: Provided further, That the execution of multiyear authority shall require the use of a present value analysis to determine lowest cost compared to an annual procurement: Provided further, That none of the funds provided in this Act may be used for a multiyear contract executed after the date of the enactment of this Act unless in the case of any such contract—

(1) the Secretary of Defense has submitted to Congress a budget request for full funding of units to be procured through the contract and, in the case of a contract for procurement of aircraft, that includes, for any aircraft unit to be procured through the contract for which procurement funds are requested in that budget request for production beyond advance procurement activities in the fiscal
year covered by the budget, full funding of procure-
ment of such unit in that fiscal year;

(2) cancellation provisions in the contract do
not include consideration of recurring manufacturing
costs of the contractor associated with the produc-
tion of unfunded units to be delivered under the con-
tract;

(3) the contract provides that payments to the
contractor under the contract shall not be made in
advance of incurred costs on funded units; and

(4) the contract does not provide for a price ad-
justment based on a failure to award a follow-on
contract.

Funds appropriated in title III of this Act may be
used for a multiyear procurement contract as follows:

Sec. 8011. Within the funds appropriated for the op-
eration and maintenance of the Armed Forces, funds are
hereby appropriated pursuant to section 401 of title 10,
United States Code, for humanitarian and civic assistance
costs under chapter 20 of title 10, United States Code.
Such funds may also be obligated for humanitarian and
civic assistance costs incidental to authorized operations
and pursuant to authority granted in section 401 of chap-
ter 20 of title 10, United States Code, and these obliga-
tions shall be reported as required by section 401(d) of title 10, United States Code: Provided, That funds available for operation and maintenance shall be available for providing humanitarian and similar assistance by using Civic Action Teams in the Trust Territories of the Pacific Islands and freely associated states of Micronesia, pursuant to the Compact of Free Association as authorized by Public Law 99–239: Provided further, That upon a determination by the Secretary of the Army that such action is beneficial for graduate medical education programs conducted at Army medical facilities located in Hawaii, the Secretary of the Army may authorize the provision of medical services at such facilities and transportation to such facilities, on a nonreimbursable basis, for civilian patients from American Samoa, the Commonwealth of the Northern Mariana Islands, the Marshall Islands, the Federated States of Micronesia, Palau, and Guam.

Sec. 8012. (a) During fiscal year 2011, the civilian personnel of the Department of Defense may not be managed on the basis of any end-strength, and the management of such personnel during that fiscal year shall not be subject to any constraint or limitation (known as an end-strength) on the number of such personnel who may be employed on the last day of such fiscal year.
(b) The fiscal year 2012 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 2012 Department of Defense budget request shall be prepared and submitted to the Congress as if subsections (a) and (b) of this provision were effective with regard to fiscal year 2012.

(c) Nothing in this section shall be construed to apply to military (civilian) technicians.

SEC. 8013. None of the funds made available by this Act shall be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before the Congress.

SEC. 8014. None of the funds appropriated by this Act shall be available for the basic pay and allowances of any member of the Army participating as a full-time student and receiving benefits paid by the Secretary of Veterans Affairs from the Department of Defense Education Benefits Fund when time spent as a full-time student is credited toward completion of a service commitment: Provided, That this section shall not apply to those members who have reenlisted with this option prior to October 1, 1987: Provided further, That this section applies only to active components of the Army.
SEC. 8015. (a) None of the funds appropriated by this Act shall be available to convert to contractor performance an activity or function of the Department of Defense that, on or after the date of the enactment of this Act, is performed by Department of Defense civilian employees unless—

(1) the conversion is based on the result of a public-private competition that includes a most efficient and cost effective organization plan developed by such activity or function;

(2) the Competitive Sourcing Official determines that, over all performance periods stated in the solicitation of offers for performance of the activity or function, the cost of performance of the activity or function by a contractor would be less costly to the Department of Defense by an amount that equals or exceeds the lesser of—

(A) 10 percent of the most efficient organization’s personnel-related costs for performance of that activity or function by Federal employees; or

(B) $10,000,000; and

(3) the contractor does not receive an advantage for a proposal that would reduce costs for the Department of Defense by—
(A) not making an employer-sponsored health insurance plan available to the workers who are to be employed in the performance of that activity or function under the contract; or

(B) offering to such workers an employer-sponsored health benefits plan that requires the employer to contribute less towards the premium or subscription share than the amount that is paid by the Department of Defense for health benefits for civilian employees under chapter 89 of title 5, United States Code.

(b)(1) The Department of Defense, without regard to subsection (a) of this section or subsection (a), (b), or (c) of section 2461 of title 10, United States Code, and notwithstanding any administrative regulation, requirement, or policy to the contrary shall have full authority to enter into a contract for the performance of any commercial or industrial type function of the Department of Defense that—

(A) is included on the procurement list established pursuant to section 2 of the Javits-Wagner-O’Day Act (section 8503 of title 41, United States Code);

(B) is planned to be converted to performance by a qualified nonprofit agency for the
blind or by a qualified nonprofit agency for
other severely handicapped individuals in ac-
cordance with that Act; or

(C) is planned to be converted to perform-
ance by a qualified firm under at least 51 per-
cent ownership by an Indian tribe, as defined in
section 4(e) of the Indian Self-Determination
and Education Assistance Act (25 U.S.C.
450b(e)), or a Native Hawaiian Organization,
as defined in section 8(a)(15) of the Small
Business Act (15 U.S.C. 637(a)(15)).

(2) This section shall not apply to depot con-
tracts or contracts for depot maintenance as pro-
vided in sections 2469 and 2474 of title 10, United
States Code.

(e) The conversion of any activity or function of the
Department of Defense under the authority provided by
this section shall be credited toward any competitive or
outsourcing goal, target, or measurement that may be es-
tablished by statute, regulation, or policy and is deemed
to be awarded under the authority of, and in compliance
with, subsection (h) of section 2304 of title 10, United
States Code, for the competition or outsourcing of com-
mercial activities.

Sec. 8017. None of the funds in this Act may be available for the purchase by the Department of Defense (and its departments and agencies) of welded shipboard anchor and mooring chain 4 inches in diameter and under unless the anchor and mooring chain are manufactured in the United States from components which are substantially manufactured in the United States: Provided, That for the purpose of this section, the term “manufactured” shall include cutting, heat treating, quality control, testing
of chain and welding (including the forging and shot blast-
ing process): *Provided further,* That for the purpose of this
section substantially all of the components of anchor and
mooring chain shall be considered to be produced or manu-
factured in the United States if the aggregate cost of the
components produced or manufactured in the United
States exceeds the aggregate cost of the components pro-
duced or manufactured outside the United States: *Pro-
vided further,* That when adequate domestic supplies are
not available to meet Department of Defense requirements
on a timely basis, the Secretary of the service responsible
for the procurement may waive this restriction on a case-
by-case basis by certifying in writing to the Committees
on Appropriations that such an acquisition must be made
in order to acquire capability for national security pur-
poses.

Sec. 8018. None of the funds available to the De-
partment of Defense may be used to demilitarize or dis-
pose of M–1 Carbines, M–1 Garand rifles, M–14 rifles,
.22 caliber rifles, .30 caliber rifles, or M–1911 pistols, or
to demilitarize or destroy small arms ammunition or am-
munition components that are not otherwise prohibited
from commercial sale under Federal law, unless the small
arms ammunition or ammunition components are certified
by the Secretary of the Army or designee as unserviceable or unsafe for further use.

Sec. 8019. No more than $500,000 of the funds appropriated or made available in this Act shall be used during a single fiscal year for any single relocation of an organization, unit, activity or function of the Department of Defense into or within the National Capital Region: Provided, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the congressional defense committees that such a relocation is required in the best interest of the Government.

Sec. 8020. In addition to the funds provided elsewhere in this Act, $15,000,000 is appropriated only for incentive payments authorized by section 504 of the Indian Financing Act of 1974 (25 U.S.C. 1544): Provided, That a prime contractor or a subcontractor at any tier that makes a subcontract award to any subcontractor or supplier as defined in section 1544 of title 25, United States Code, or a small business owned and controlled by an individual or individuals defined under section 4221(9) of title 25, United States Code, shall be considered a contractor for the purposes of being allowed additional compensation under section 504 of the Indian Financing Act of 1974 (25 U.S.C. 1544) whenever the prime contract or subcontract amount is over $500,000 and involves the
expenditure of funds appropriated by an Act making Appropriations for the Department of Defense with respect to any fiscal year: Provided further, That notwithstanding section 430 of title 41, United States Code, this section shall be applicable to any Department of Defense acquisition of supplies or services, including any contract and any subcontract at any tier for acquisition of commercial items produced or manufactured, in whole or in part by any subcontractor or supplier defined in section 1544 of title 25, United States Code, or a small business owned and controlled by an individual or individuals defined under section 4221(9) of title 25, United States Code.

Sec. 8021. Funds appropriated by this Act for the Defense Media Activity shall not be used for any national or international political or psychological activities.

Sec. 8022. During the current fiscal year, the Department of Defense is authorized to incur obligations of not to exceed $350,000,000 for purposes specified in section 2350j(c) of title 10, United States Code, in anticipation of receipt of contributions, only from the Government of Kuwait, under that section: Provided, That upon receipt, such contributions from the Government of Kuwait shall be credited to the appropriations or fund which incurred such obligations.
Sec. 8023. (a) Of the funds made available in this Act, not less than $30,374,000 shall be available for the Civil Air Patrol Corporation, of which—

(1) $27,048,000 shall be available from “Operation and Maintenance, Air Force” to support Civil Air Patrol Corporation operation and maintenance, readiness, counterdrug activities, and drug demand reduction activities involving youth programs;

(2) $2,424,000 shall be available from “Aircraft Procurement, Air Force”; and

(3) $902,000 shall be available from “Other Procurement, Air Force” for vehicle procurement.

(b) The Secretary of the Air Force should waive reimbursement for any funds used by the Civil Air Patrol for counter-drug activities in support of Federal, State, and local government agencies.

Sec. 8024. (a) None of the funds appropriated in this Act are available to establish a new Department of Defense (department) federally funded research and development center (FFRDC), either as a new entity, or as a separate entity administrated by an organization managing another FFRDC, or as a nonprofit membership corporation consisting of a consortium of other FFRDCs and other nonprofit entities.
(b) No member of a Board of Directors, Trustees, Overseers, Advisory Group, Special Issues Panel, Visiting Committee, or any similar entity of a defense FFRDC, and no paid consultant to any defense FFRDC, except when acting in a technical advisory capacity, may be compensated for his or her services as a member of such entity, or as a paid consultant by more than one FFRDC in a fiscal year: Provided, That a member of any such entity referred to previously in this subsection shall be allowed travel expenses and per diem as authorized under the Federal Joint Travel Regulations, when engaged in the performance of membership duties.

(c) Notwithstanding any other provision of law, none of the funds available to the department from any source during fiscal year 2011 may be used by a defense FFRDC, through a fee or other payment mechanism, for construction of new buildings, for payment of cost sharing for projects funded by Government grants, for absorption of contract overruns, or for certain charitable contributions, not to include employee participation in community service and/or development.

(d) Notwithstanding any other provision of law, of the funds available to the department during fiscal year 2011, not more than 5,750 staff years of technical effort (staff years) may be funded for defense FFRDCs: Pro-
vided, That of the specific amount referred to previously in this subsection, not more than 1,125 staff years may be funded for the defense studies and analysis FFRDCs: 

Provided further, That this subsection shall not apply to staff years funded in the National Intelligence Program (NIP) and the Military Intelligence Program (MIP).

(e) The Secretary of Defense shall, with the submission of the department’s fiscal year 2012 budget request, submit a report presenting the specific amounts of staff years of technical effort to be allocated for each defense FFRDC during that fiscal year and the associated budget estimates.

(f) Notwithstanding any other provision of this Act, the total amount appropriated in this Act for FFRDCs is hereby reduced by $125,000,000.

SEC. 8025. None of the funds appropriated or made available in this Act shall be used to procure carbon, alloy or armor steel plate for use in any Government-owned facility or property under the control of the Department of Defense which were not melted and rolled in the United States or Canada: Provided, That these procurement restrictions shall apply to any and all Federal Supply Class 9515, American Society of Testing and Materials (ASTM) or American Iron and Steel Institute (AISI) specifications of carbon, alloy or armor steel plate: Provided further,
That the Secretary of the military department responsible for the procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes: Provided further, That these restrictions shall not apply to contracts which are in being as of the date of the enactment of this Act.

Sec. 8026. For the purposes of this Act, the term “congressional defense committees” means the Armed Services Committee of the House of Representatives, the Armed Services Committee of the Senate, the Subcommittee on Defense of the Committee on Appropriations of the Senate, and the Subcommittee on Defense of the Committee on Appropriations of the House of Representatives.

Sec. 8027. During the current fiscal year, the Department of Defense may acquire the modification, depot maintenance and repair of aircraft, vehicles and vessels as well as the production of components and other Defense-related articles, through competition between Department of Defense depot maintenance activities and pri-
vate firms: *Provided*, That the Senior Acquisition Execu-
tive of the military department or Defense Agency con-
cerned, with power of delegation, shall certify that success-
ful bids include comparable estimates of all direct and in-
direct costs for both public and private bids: *Provided fur-
ther*, That Office of Management and Budget Circular A–
76 shall not apply to competitions conducted under this
section.

SEC. 8028. (a)(1) If the Secretary of Defense, after
consultation with the United States Trade Representative,
determines that a foreign country which is party to an
agreement described in paragraph (2) has violated the
terms of the agreement by discriminating against certain
types of products produced in the United States that are
covered by the agreement, the Secretary of Defense shall
repeal the Secretary’s blanket waiver of the Buy Amer-
ican Act with respect to such types of products produced
in that foreign country.

(2) An agreement referred to in paragraph (1) is any
reciprocal defense procurement memorandum of under-
standing, between the United States and a foreign country
pursuant to which the Secretary of Defense has prospec-
tively waived the Buy American Act for certain products
in that country.
(b) The Secretary of Defense shall submit to the Congress a report on the amount of Department of Defense purchases from foreign entities in fiscal year 2011. Such report shall separately indicate the dollar value of items for which the Buy American Act was waived pursuant to any agreement described in subsection (a)(2), the Trade Agreement Act of 1979 (19 U.S.C. 2501 et seq.), or any international agreement to which the United States is a party.

c) For purposes of this section, the term “Buy American Act” means chapter 83 of title 41, United States Code.

SEC. 8030. (a) Notwithstanding any other provision of law, the Secretary of the Air Force may convey at no cost to the Air Force, without consideration, to Indian tribes located in the States of Nevada, Idaho, North Dakota, South Dakota, Montana, Oregon, Minnesota, and Washington relocatable military housing units located at
Grand Forks Air Force Base, Malmstrom Air Force Base, Mountain Home Air Force Base, Ellsworth Air Force Base, and Minot Air Force Base that are excess to the needs of the Air Force.

(b) The Secretary of the Air Force shall convey, at no cost to the Air Force, military housing units under subsection (a) in accordance with the request for such units that are submitted to the Secretary by the Operation Walking Shield Program on behalf of Indian tribes located in the States of Nevada, Idaho, North Dakota, South Dakota, Montana, Oregon, Minnesota, and Washington. Any such conveyance shall be subject to the condition that the housing units shall be removed within a reasonable period of time, as determined by the Secretary.

(c) The Operation Walking Shield Program shall resolve any conflicts among requests of Indian tribes for housing units under subsection (a) before submitting requests to the Secretary of the Air Force under subsection (b).

(d) In this section, the term “Indian tribe” means any recognized Indian tribe included on the current list published by the Secretary of the Interior under section 104 of the Federally Recognized Indian Tribe Act of 1994 (Public Law 103–454; 108 Stat. 4792; 25 U.S.C. 479a–1).
SEC. 8031. During the current fiscal year, appropriations which are available to the Department of Defense for operation and maintenance may be used to purchase items having an investment item unit cost of not more than $250,000.

SEC. 8032. (a) During the current fiscal year, none of the appropriations or funds available to the Department of Defense Working Capital Funds shall be used for the purchase of an investment item for the purpose of acquiring a new inventory item for sale or anticipated sale during the current fiscal year or a subsequent fiscal year to customers of the Department of Defense Working Capital Funds if such an item would not have been chargeable to the Department of Defense Business Operations Fund during fiscal year 1994 and if the purchase of such an investment item would be chargeable during the current fiscal year to appropriations made to the Department of Defense for procurement.

(b) The fiscal year 2012 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 2012 Department of Defense budget shall be prepared and submitted to the Congress on the basis that any equipment which was classified as an end item and funded in a procurement appropriation contained in this Act shall be
budgeted for in a proposed fiscal year 2012 procurement
appropriation and not in the supply management business
area or any other area or category of the Department of
Defense Working Capital Funds.

Sec. 8033. None of the funds appropriated by this
Act for programs of the Central Intelligence Agency shall
remain available for obligation beyond the current fiscal
year, except for funds appropriated for the Reserve for
Contingencies, which shall remain available until Sep-
tember 30, 2012: Provided, That funds appropriated,
transferred, or otherwise credited to the Central Intel-
ligence Agency Central Services Working Capital Fund
during this or any prior or subsequent fiscal year shall
remain available until expended: Provided further, That
any funds appropriated or transferred to the Central Intel-
ligence Agency for advanced research and development ac-
quision, for agent operations, and for covert action pro-
grams authorized by the President under section 503 of
the National Security Act of 1947, as amended, shall re-
main available until September 30, 2012.

Sec. 8034. Notwithstanding any other provision of
law, funds made available in this Act for the Defense In-
telligence Agency may be used for the design, develop-
ment, and deployment of General Defense Intelligence
Program intelligence communications and intelligence in-
formation systems for the Services, the Unified and Specified Commands, and the component commands.

Sec. 8035. Of the funds appropriated to the Department of Defense under the heading “Operation and Maintenance, Defense-Wide”, not less than $12,000,000 shall be made available only for the mitigation of environmental impacts, including training and technical assistance to tribes, related administrative support, the gathering of information, documenting of environmental damage, and developing a system for prioritization of mitigation and cost to complete estimates for mitigation, on Indian lands resulting from Department of Defense activities.

Sec. 8036. (a) None of the funds appropriated in this Act may be expended by an entity of the Department of Defense unless the entity, in expending the funds, complies with the Buy American Act. For purposes of this subsection, the term “Buy American Act” means chapter 83 of title 41, United States Code.

(b) If the Secretary of Defense determines that a person has been convicted of intentionally affixing a label bearing a “Made in America” inscription to any product sold in or shipped to the United States that is not made in America, the Secretary shall determine, in accordance with section 2410f of title 10, United States Code, wheth-
er the person should be debarred from contracting with the Department of Defense.

(c) In the case of any equipment or products purchased with appropriations provided under this Act, it is the sense of the Congress that any entity of the Department of Defense, in expending the appropriation, purchase only American-made equipment and products, provided that American-made equipment and products are cost-competitive, quality competitive, and available in a timely fashion.

SEC. 8037. None of the funds appropriated by this Act shall be available for a contract for studies, analysis, or consulting services entered into without competition on the basis of an unsolicited proposal unless the head of the activity responsible for the procurement determines—

(1) as a result of thorough technical evaluation, only one source is found fully qualified to perform the proposed work;

(2) the purpose of the contract is to explore an unsolicited proposal which offers significant scientific or technological promise, represents the product of original thinking, and was submitted in confidence by one source; or

(3) the purpose of the contract is to take advantage of unique and significant industrial accom-
plishment by a specific concern, or to insure that a
new product or idea of a specific concern is given fi-
nancial support: Provided, That this limitation shall
not apply to contracts in an amount of less than
$25,000, contracts related to improvements of equip-
ment that is in development or production, or con-
tracts as to which a civilian official of the Depart-
ment of Defense, who has been confirmed by the
Senate, determines that the award of such contract
is in the interest of the national defense.

SEC. 8038. (a) Except as provided in subsections (b)
and (c), none of the funds made available by this Act may
be used—

(1) to establish a field operating agency; or

(2) to pay the basic pay of a member of the
Armed Forces or civilian employee of the depart-
ment who is transferred or reassigned from a head-
quarters activity if the member or employee’s place
of duty remains at the location of that headquarters.

(b) The Secretary of Defense or Secretary of a mili-
tary department may waive the limitations in subsection
(a), on a case-by-case basis, if the Secretary determines,
and certifies to the Committees on Appropriations of the
House of Representatives and Senate that the granting
of the waiver will reduce the personnel requirements or
the financial requirements of the department.
(c) This section does not apply to—

(1) field operating agencies funded within the
National Intelligence Program;

(2) an Army field operating agency established
to eliminate, mitigate, or counter the effects of im-
provised explosive devices, and, as determined by the
Secretary of the Army, other similar threats; or

(3) an Army field operating agency established
to improve the effectiveness and efficiencies of bio-
metric activities and to integrate common biometric
technologies throughout the Department of Defense.

SEC. 8039. The Secretary of Defense, notwith-
standing any other provision of law, acting through the
Office of Economic Adjustment of the Department of De-
fense, may use funds made available in this Act under the
heading “Operation and Maintenance, Defense-Wide” to
make grants and supplement other Federal funds in ac-
cordance with the guidance provided in the explanatory
statement regarding this Act.

(RESCISSIONS)

SEC. 8040. Of the funds appropriated in Department
of Defense Appropriations Acts, the following funds are
hereby rescinded from the following accounts and programs in the specified amounts:

“Other Procurement, Army, 2009/2011”, $147,600,000.

“Aircraft Procurement, Navy, 2010/2012”, $284,847,000.

“Other Procurement, Navy, 2010/2012”, $9,042,000.
“Aircraft Procurement, Air Force, 2010/2012”, $151,300,000.

“Other Procurement, Air Force, 2010/2012”, $36,600,000.

Sec. 8041. None of the funds available in this Act may be used to reduce the authorized positions for military (civilian) technicians of the Army National Guard, Air National Guard, Army Reserve and Air Force Reserve for the purpose of applying any administratively imposed civilian personnel ceiling, freeze, or reduction on military (civilian) technicians, unless such reductions are a direct result of a reduction in military force structure.

Sec. 8042. None of the funds appropriated or otherwise made available in this Act may be obligated or expended for assistance to the Democratic People’s Republic of Korea unless specifically appropriated for that purpose.

Sec. 8043. Funds appropriated in this Act for operation and maintenance of the Military Departments, Combatant Commands and Defense Agencies shall be available
for reimbursement of pay, allowances and other expenses
which would otherwise be incurred against appropriations
for the National Guard and Reserve when members of the
National Guard and Reserve provide intelligence or coun-
terintelligence support to Combatant Commands, Defense
Agencies and Joint Intelligence Activities, including the
activities and programs included within the National Intel-
ligence Program and the Military Intelligence Program:
Provided, That nothing in this section authorizes deviation
from established Reserve and National Guard personnel
and training procedures.

SEC. 8044. During the current fiscal year, none of
the funds appropriated in this Act may be used to reduce
the civilian medical and medical support personnel as-
signed to military treatment facilities below the September
30, 2003, level: Provided, That the Service Surgeons Gen-
eral may waive this section by certifying to the congres-
sional defense committees that the beneficiary population
is declining in some catchment areas and civilian strength
reductions may be consistent with responsible resource
stewardship and capitation-based budgeting.

SEC. 8045. (a) None of the funds available to the
Department of Defense for any fiscal year for drug inter-
diction or counter-drug activities may be transferred to
any other department or agency of the United States except as specifically provided in an appropriations law.

(b) None of the funds available to the Central Intelligence Agency for any fiscal year for drug interdiction and counter-drug activities may be transferred to any other department or agency of the United States except as specifically provided in an appropriations law.

SEC. 8046. None of the funds appropriated by this Act may be used for the procurement of ball and roller bearings other than those produced by a domestic source and of domestic origin: Provided, That the Secretary of the military department responsible for such procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate, that adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes: Provided further, That this restriction shall not apply to the purchase of “commercial items”, as defined by section 4(12) of the Office of Federal Procurement Policy Act, except that the restriction shall apply to ball or roller bearings purchased as end items.
SEC. 8047. None of the funds in this Act may be used to purchase any supercomputer which is not manufactured in the United States, unless the Secretary of Defense certifies to the congressional defense committees that such an acquisition must be made in order to acquire capability for national security purposes that is not available from United States manufacturers.

SEC. 8048. None of the funds made available in this or any other Act may be used to pay the salary of any officer or employee of the Department of Defense who approves or implements the transfer of administrative responsibilities or budgetary resources of any program, project, or activity financed by this Act to the jurisdiction of another Federal agency not financed by this Act without the express authorization of Congress: Provided, That this limitation shall not apply to transfers of funds expressly provided for in Defense Appropriations Acts, or provisions of Acts providing supplemental appropriations for the Department of Defense.

SEC. 8049. (a) Notwithstanding any other provision of law, none of the funds available to the Department of Defense for the current fiscal year may be obligated or expended to transfer to another nation or an international organization any defense articles or services (other than intelligence services) for use in the activities described in

•HR 1363 IH
subsection (b) unless the congressional defense committees, the Committee on Foreign Affairs of the House of Representatives, and the Committee on Foreign Relations of the Senate are notified 15 days in advance of such transfer.

(b) This section applies to—

(1) any international peacekeeping or peace-enforcement operation under the authority of chapter VI or chapter VII of the United Nations Charter under the authority of a United Nations Security Council resolution; and

(2) any other international peacekeeping, peace-enforcement, or humanitarian assistance operation.

(e) A notice under subsection (a) shall include the following:

(1) A description of the equipment, supplies, or services to be transferred.

(2) A statement of the value of the equipment, supplies, or services to be transferred.

(3) In the case of a proposed transfer of equipment or supplies—

(A) a statement of whether the inventory requirements of all elements of the Armed Forces (including the reserve components) for
the type of equipment or supplies to be trans-
ferred have been met; and

(B) a statement of whether the items pro-
posed to be transferred will have to be replaced
and, if so, how the President proposes to pro-
vide funds for such replacement.

SEC. 8050. None of the funds available to the De-
partment of Defense under this Act shall be obligated or
expended to pay a contractor under a contract with the
Department of Defense for costs of any amount paid by
the contractor to an employee when—

(1) such costs are for a bonus or otherwise in
excess of the normal salary paid by the contractor
to the employee; and

(2) such bonus is part of restructuring costs as-
associated with a business combination.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8051. During the current fiscal year, no more
than $30,000,000 of appropriations made in this Act
under the heading “Operation and Maintenance, Defense-
Wide” may be transferred to appropriations available for
the pay of military personnel, to be merged with, and to
be available for the same time period as the appropriations
to which transferred, to be used in support of such per-
sonnel in connection with support and services for eligible
organizations and activities outside the Department of Defense pursuant to section 2012 of title 10, United States Code.

SEC. 8052. During the current fiscal year, in the case of an appropriation account of the Department of Defense for which the period of availability for obligation has expired or which has closed under the provisions of section 1552 of title 31, United States Code, and which has a negative unliquidated or unexpended balance, an obligation or an adjustment of an obligation may be charged to any current appropriation account for the same purpose as the expired or closed account if—

(1) the obligation would have been properly chargeable (except as to amount) to the expired or closed account before the end of the period of availability or closing of that account;

(2) the obligation is not otherwise properly chargeable to any current appropriation account of the Department of Defense; and

(3) in the case of an expired account, the obligation is not chargeable to a current appropriation of the Department of Defense under the provisions of section 1405(b)(8) of the National Defense Authorization Act for Fiscal Year 1991, Public Law 101–510, as amended (31 U.S.C. 1551 note): Pro-
vided, That in the case of an expired account, if subsequent review or investigation discloses that there was not in fact a negative unliquidated or unexpended balance in the account, any charge to a current account under the authority of this section shall be reversed and recorded against the expired account: Provided further, That the total amount charged to a current appropriation under this section may not exceed an amount equal to 1 percent of the total appropriation for that account.

SEC. 8053. (a) Notwithstanding any other provision of law, the Chief of the National Guard Bureau may permit the use of equipment of the National Guard Distance Learning Project by any person or entity on a space-available, reimbursable basis. The Chief of the National Guard Bureau shall establish the amount of reimbursement for such use on a case-by-case basis.

(b) Amounts collected under subsection (a) shall be credited to funds available for the National Guard Distance Learning Project and be available to defray the costs associated with the use of equipment of the project under that subsection. Such funds shall be available for such purposes without fiscal year limitation.

SEC. 8054. Using funds made available by this Act or any other Act, the Secretary of the Air Force, pursuant
to a determination under section 2690 of title 10, United States Code, may implement cost-effective agreements for required heating facility modernization in the Kaiserslautern Military Community in the Federal Republic of Germany: Provided, That in the City of Kaiserslautern and at the Rhine Ordnance Barracks area, such agreements will include the use of United States anthracite as the base load energy for municipal district heat to the United States Defense installations: Provided further, That at Landstuhl Army Regional Medical Center and Ramstein Air Base, furnished heat may be obtained from private, regional or municipal services, if provisions are included for the consideration of United States coal as an energy source.

SEC. 8055. None of the funds appropriated in title IV of this Act may be used to procure end-items for delivery to military forces for operational training, operational use or inventory requirements: Provided, That this restriction does not apply to end-items used in development, prototyping, and test activities preceding and leading to acceptance for operational use: Provided further, That this restriction does not apply to programs funded within the National Intelligence Program: Provided further, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Committees
on Appropriations of the House of Representatives and the Senate that it is in the national security interest to do so.

Sec. 8056. None of the funds made available in this Act may be used to approve or license the sale of the F–22A advanced tactical fighter to any foreign government: Provided, That the Department of Defense may conduct or participate in studies, research, design and other activities to define and develop a future export version of the F–22A that protects classified and sensitive information, technologies and U.S. warfighting capabilities.

Sec. 8057. (a) The Secretary of Defense may, on a case-by-case basis, waive with respect to a foreign country each limitation on the procurement of defense items from foreign sources provided in law if the Secretary determines that the application of the limitation with respect to that country would invalidate cooperative programs entered into between the Department of Defense and the foreign country, or would invalidate reciprocal trade agreements for the procurement of defense items entered into under section 2531 of title 10, United States Code, and the country does not discriminate against the same or similar defense items produced in the United States for that country.

(b) Subsection (a) applies with respect to—
(1) contracts and subcontracts entered into on
or after the date of the enactment of this Act; and
(2) options for the procurement of items that
are exercised after such date under contracts that
are entered into before such date if the option prices
are adjusted for any reason other than the applica-
tion of a waiver granted under subsection (a).
(c) Subsection (a) does not apply to a limitation re-
garding construction of public vessels, ball and roller bear-
ings, food, and clothing or textile materials as defined by
section 11 (chapters 50–65) of the Harmonized Tariff
Schedule and products classified under headings 4010,
4202, 4203, 6401 through 6406, 6505, 7019, 7218
through 7229, 7304.41 through 7304.49, 7306.40, 7502
through 7508, 8105, 8108, 8109, 8211, 8215, and 9404.

SEC. 8058. (a) None of the funds made available by
this Act may be used to support any training program in-
volving a unit of the security forces or police of a foreign
country if the Secretary of Defense has received credible
information from the Department of State that the unit
has committed a gross violation of human rights, unless
all necessary corrective steps have been taken.
(b) The Secretary of Defense, in consultation with the
Secretary of State, shall ensure that prior to a decision
to conduct any training program referred to in subsection
(a), full consideration is given to all credible information available to the Department of State relating to human rights violations by foreign security forces.

(c) The Secretary of Defense, after consultation with the Secretary of State, may waive the prohibition in subsection (a) if he determines that such waiver is required by extraordinary circumstances.

(d) Not more than 15 days after the exercise of any waiver under subsection (c), the Secretary of Defense shall submit a report to the congressional defense committees describing the extraordinary circumstances, the purpose and duration of the training program, the United States forces and the foreign security forces involved in the training program, and the information relating to human rights violations that necessitates the waiver.

SEC. 8059. None of the funds appropriated or made available in this Act to the Department of the Navy shall be used to develop, lease or procure the T–AKE class of ships unless the main propulsion diesel engines and propulsors are manufactured in the United States by a domestically operated entity: Provided, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that adequate domestic supplies are not available to meet
Department of Defense requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes or there exists a significant cost or quality difference.

Sec. 8060. None of the funds appropriated or otherwise made available by this or other Department of Defense Appropriations Acts may be obligated or expended for the purpose of performing repairs or maintenance to military family housing units of the Department of Defense, including areas in such military family housing units that may be used for the purpose of conducting official Department of Defense business.

Sec. 8061. Notwithstanding any other provision of law, funds appropriated in this Act under the heading “Research, Development, Test and Evaluation, Defense-Wide” for any new start advanced concept technology demonstration project or joint capability demonstration project may only be obligated 30 days after a report, including a description of the project, the planned acquisition and transition strategy and its estimated annual and total cost, has been provided in writing to the congressional defense committees: Provided, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying to the congressional defense committees that it is in the national interest to do so.
Sec. 8062. The Secretary of Defense shall provide a classified quarterly report beginning 30 days after enactment of this Act, to the House and Senate Appropriations Committees, Subcommittees on Defense on certain matters as directed in the classified annex accompanying this Act.

Sec. 8063. During the current fiscal year, none of the funds available to the Department of Defense may be used to provide support to another department or agency of the United States if such department or agency is more than 90 days in arrears in making payment to the Department of Defense for goods or services previously provided to such department or agency on a reimbursable basis: Provided, That this restriction shall not apply if the department is authorized by law to provide support to such department or agency on a nonreimbursable basis, and is providing the requested support pursuant to such authority: Provided further, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that it is in the national security interest to do so.

Sec. 8064. Notwithstanding section 12310(b) of title 10, United States Code, a Reserve who is a member of the National Guard serving on full-time National Guard
duty under section 502(f) of title 32, United States Code, may perform duties in support of the ground-based elements of the National Ballistic Missile Defense System.

SEC. 8065. None of the funds provided in this Act may be used to transfer to any nongovernmental entity ammunition held by the Department of Defense that has a center-fire cartridge and a United States military nomenclature designation of “armor penetrator”, “armor piercing (AP)”, “armor piercing incendiary (API)”, or “armor-piercing incendiary tracer (API–T)”, except to an entity performing demilitarization services for the Department of Defense under a contract that requires the entity to demonstrate to the satisfaction of the Department of Defense that armor piercing projectiles are either: (1) rendered incapable of reuse by the demilitarization process; or (2) used to manufacture ammunition pursuant to a contract with the Department of Defense or the manufacture of ammunition for export pursuant to a License for Permanent Export of Unclassified Military Articles issued by the Department of State.

SEC. 8066. Notwithstanding any other provision of law, the Chief of the National Guard Bureau, or his designee, may waive payment of all or part of the consideration that otherwise would be required under section 2667 of title 10, United States Code, in the case of a lease of
personal property for a period not in excess of 1 year to any organization specified in section 508(d) of title 32, United States Code, or any other youth, social, or fraternal nonprofit organization as may be approved by the Chief of the National Guard Bureau, or his designee, on a case-by-case basis.

Sec. 8067. None of the funds appropriated by this Act shall be used for the support of any nonappropriated funds activity of the Department of Defense that procures malt beverages and wine with nonappropriated funds for resale (including such alcoholic beverages sold by the drink) on a military installation located in the United States unless such malt beverages and wine are procured within that State, or in the case of the District of Columbia, within the District of Columbia, in which the military installation is located: Provided, That in a case in which the military installation is located in more than one State, purchases may be made in any State in which the installation is located: Provided further, That such local procurement requirements for malt beverages and wine shall apply to all alcoholic beverages only for military installations in States which are not contiguous with another State: Provided further, That alcoholic beverages other than wine and malt beverages, in contiguous States and
the District of Columbia shall be procured from the most
competitive source, price and other factors considered.

SEC. 8068. Funds available to the Department of De-

fense for the Global Positioning System during the current
fiscal year, and hereafter, may be used to fund civil re-
quirements associated with the satellite and ground con-
trol segments of such system’s modernization program.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8069. Of the amounts appropriated in this Act
under the heading “Operation and Maintenance, Army’’,
$147,258,300 shall remain available until expended: Pro-
vided, That notwithstanding any other provision of law,
the Secretary of Defense is authorized to transfer such
funds to other activities of the Federal Government: Pro-
vided further, That the Secretary of Defense is authorized
to enter into and carry out contracts for the acquisition
of real property, construction, personal services, and oper-
ations related to projects carrying out the purposes of this
section: Provided further, That contracts entered into
under the authority of this section may provide for such
indemnification as the Secretary determines to be nec-
essary: Provided further, That projects authorized by this
section shall comply with applicable Federal, State, and
local law to the maximum extent consistent with the na-
tional security, as determined by the Secretary of Defense.
SEC. 8070. Section 8106 of the Department of Defense Appropriations Act, 1997 (titles I through VIII of the matter under subsection 101(b) of Public Law 104–208; 110 Stat. 3009–111; 10 U.S.C. 113 note) shall continue in effect to apply to disbursements that are made by the Department of Defense in fiscal year 2011.

SEC. 8071. In addition to amounts provided elsewhere in this Act, $4,000,000 is hereby appropriated to the Department of Defense, to remain available for obligation until expended: Provided, That notwithstanding any other provision of law, that upon the determination of the Secretary of Defense that it shall serve the national interest, these funds shall be available only for a grant to the Fisher House Foundation, Inc., only for the construction and furnishing of additional Fisher Houses to meet the needs of military family members when confronted with the illness or hospitalization of an eligible military beneficiary.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8072. Of the amounts appropriated in this Act under the headings “Procurement, Defense-Wide” and “Research, Development, Test and Evaluation, Defense-Wide”, $415,115,000 shall be for the Israeli Cooperative Programs: Provided, That of this amount, $205,000,000 shall be for the Secretary of Defense to provide to the Gov-
ernment of Israel for the procurement of the Iron Dome
defense system to counter short-range rocket threats,
$84,722,000 shall be for the Short Range Ballistic Missile
Defense (SRBMD) program, including cruise missile de-
fense research and development under the SRBMD pro-
gram, $58,966,000 shall be available for an upper-tier
component to the Israeli Missile Defense Architecture, and
$66,427,000 shall be for the Arrow System Improvement
Program including development of a long range, ground
and airborne, detection suite, of which $12,000,000 shall
be for producing Arrow missile components in the United
States and Arrow missile components in Israel to meet
Israel's defense requirements, consistent with each na-
ton's laws, regulations and procedures: Provided further,
That funds made available under this provision for pro-
duction of missiles and missile components may be trans-
ferred to appropriations available for the procurement of
weapons and equipment, to be merged with and to be
available for the same time period and the same purposes
as the appropriation to which transferred: Provided fur-
ther, That the transfer authority provided under this pro-
vision is in addition to any other transfer authority con-
tained in this Act.

SEC. 8073. None of the funds available to the De-
partment of Defense may be obligated to modify command
and control relationships to give Fleet Forces Command administrative and operational control of U.S. Navy forces assigned to the Pacific fleet: Provided, That the command and control relationships which existed on October 1, 2004, shall remain in force unless changes are specifically authorized in a subsequent Act.

SEC. 8074. Notwithstanding any other provision of law or regulation, the Secretary of Defense may exercise the provisions of section 7403(g) of title 38, United States Code, for occupations listed in section 7403(a)(2) of title 38, United States Code, as well as the following:

Pharmacists, Audiologists, Psychologists, Social Workers, Othotists/Prosthetists, Occupational Therapists, Physical Therapists, Rehabilitation Therapists, Respiratory Therapists, Speech Pathologists, Dietitian/Nutritionists, Industrial Hygienists, Psychology Technicians, Social Service Assistants, Practical Nurses, Nursing Assistants, and Dental Hygienists:

(A) The requirements of section 7403(g)(1)(A) of title 38, United States Code, shall apply.

(B) The limitations of section 7403(g)(1)(B) of title 38, United States Code, shall not apply.
SEC. 8075. Funds appropriated by this Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 414) during fiscal year 2011 until the enactment of the Intelligence Authorization Act for Fiscal Year 2011.

SEC. 8076. None of the funds provided in this Act shall be available for obligation or expenditure through a reprogramming of funds that creates or initiates a new program, project, or activity unless such program, project, or activity must be undertaken immediately in the interest of national security and only after written prior notification to the congressional defense committees.

SEC. 8077. The budget of the President for fiscal year 2012 submitted to the Congress pursuant to section 1105 of title 31, United States Code, shall include separate budget justification documents for costs of United States Armed Forces’ participation in contingency operations for the Military Personnel accounts, the Operation and Maintenance accounts, and the Procurement accounts: Provided, That these documents shall include a description of the funding requested for each contingency operation, for each military service, to include all Active and Reserve components, and for each appropriations account:
Provided further, That these documents shall include estimated costs for each element of expense or object class, a reconciliation of increases and decreases for each contingency operation, and programmatic data including, but not limited to, troop strength for each Active and Reserve component, and estimates of the major weapons systems deployed in support of each contingency: Provided further, That these documents shall include budget exhibits OP–5 and OP–32 (as defined in the Department of Defense Financial Management Regulation) for all contingency operations for the budget year and the two preceding fiscal years.

Sec. 8078. None of the funds in this Act may be used for research, development, test, evaluation, procurement or deployment of nuclear armed interceptors of a missile defense system.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8079. In addition to the amounts appropriated or otherwise made available elsewhere in this Act, $65,200,000 is hereby appropriated to the Department of Defense: Provided, That upon the determination of the Secretary of Defense that it shall serve the national interest, he shall make grants in the amounts specified as follows: $20,000,000 to the United Service Organizations; $24,000,000 to the Red Cross; $1,200,000 to the Special
Olympics; and $20,000,000 to the Youth Mentoring Grants Program: *Provided further*, That funds available in this section for the Youth Mentoring Grants Program may be available for transfer to the Department of Justice Youth Mentoring Grants Program.

**Sec. 8080.** None of the funds appropriated or made available in this Act shall be used to reduce or disestablish the operation of the 53rd Weather Reconnaissance Squadron of the Air Force Reserve, if such action would reduce the WC–130 Weather Reconnaissance mission below the levels funded in this Act: *Provided*, That the Air Force shall allow the 53rd Weather Reconnaissance Squadron to perform other missions in support of national defense requirements during the non-hurricane season.

**Sec. 8081.** None of the funds provided in this Act shall be available for integration of foreign intelligence information unless the information has been lawfully collected and processed during the conduct of authorized foreign intelligence activities: *Provided*, That information pertaining to United States persons shall only be handled in accordance with protections provided in the Fourth Amendment of the United States Constitution as implemented through Executive Order No. 12333.

**Sec. 8082.** (a) At the time members of reserve components of the Armed Forces are called or ordered to ac-
tive duty under section 12302(a) of title 10, United States
Code, each member shall be notified in writing of the ex-
pected period during which the member will be mobilized.

(b) The Secretary of Defense may waive the require-
ments of subsection (a) in any case in which the Secretary
determines that it is necessary to do so to respond to a
national security emergency or to meet dire operational
requirements of the Armed Forces.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8083. The Secretary of Defense may transfer
funds from any available Department of the Navy appro-
priation to any available Navy ship construction appro-
priation for the purpose of liquidating necessary changes
resulting from inflation, market fluctuations, or rate ad-
justments for any ship construction program appropriated
in law: Provided, That the Secretary may transfer not to
exceed $100,000,000 under the authority provided by this
section: Provided further, That the Secretary may not
transfer any funds until 30 days after the proposed trans-
fer has been reported to the Committees on Appropria-
tions of the House of Representatives and the Senate, un-
less a response from the Committees is received sooner:
Provided further, That any funds transferred pursuant to
this section shall retain the same period of availability as
when originally appropriated: Provided further, That the
transfer authority provided by this section is in addition
to any other transfer authority contained elsewhere in this
Act.

Sec. 8084. For purposes of section 7108 of title 41,
United States Code, any subdivision of appropriations
made under the heading “Shipbuilding and Conversion,
Navy” that is not closed at the time reimbursement is
made shall be available to reimburse the Judgment Fund
and shall be considered for the same purposes as any sub-
division under the heading “Shipbuilding and Conversion,
Navy” appropriations in the current fiscal year or any
prior fiscal year.

Sec. 8085. (a) None of the funds appropriated by
this Act may be used to transfer research and develop-
ment, acquisition, or other program authority relating to
current tactical unmanned aerial vehicles (TUAVs) from
the Army.

(b) The Army shall retain responsibility for and oper-
ational control of the MQ–1C Sky Warrior Unmanned
Aerial Vehicle (UAV) in order to support the Secretary
of Defense in matters relating to the employment of un-
manned aerial vehicles.

Sec. 8086. Notwithstanding any other provision of
law or regulation, during the current fiscal year and here-
after, the Secretary of Defense may adjust wage rates for
Sec. 8087. Up to $15,000,000 of the funds appropriated under the heading “Operation and Maintenance, Navy” may be made available for the Asia Pacific Regional Initiative Program for the purpose of enabling the Pacific Command to execute Theater Security Cooperation activities such as humanitarian assistance, and payment of incremental and personnel costs of training and exercising with foreign security forces: Provided, That funds made available for this purpose may be used, notwithstanding any other funding authorities for humanitarian assistance, security assistance or combined exercise expenses: Provided further, That funds may not be obligated to provide assistance to any foreign country that is otherwise prohibited from receiving such type of assistance under any other provision of law.

Sec. 8088. None of the funds appropriated by this Act for programs of the Office of the Director of National Intelligence shall remain available for obligation beyond the current fiscal year, except for funds appropriated for research and technology, which shall remain available until September 30, 2012.
SEC. 8089. For purposes of section 1553(b) of title 31, United States Code, any subdivision of appropriations made in this Act under the heading “Shipbuilding and Conversion, Navy” shall be considered to be for the same purpose as any subdivision under the heading “Shipbuilding and Conversion, Navy” appropriations in any prior fiscal year, and the 1 percent limitation shall apply to the total amount of the appropriation.

SEC. 8090. Notwithstanding any other provision of law, not more than 35 percent of funds provided in this Act for environmental remediation may be obligated under indefinite delivery/indefinite quantity contracts with a total contract value of $130,000,000 or higher.

SEC. 8091. The Director of National Intelligence shall include the budget exhibits identified in paragraphs (1) and (2) as described in the Department of Defense Financial Management Regulation with the congressional budget justification books:

(1) For procurement programs requesting more than $20,000,000 in any fiscal year, the P–1, Procurement Program; P–5, Cost Analysis; P–5a, Procurement History and Planning; P–21, Production Schedule; and P–40, Budget Item Justification.

(2) For research, development, test and evaluation projects requesting more than $10,000,000 in
any fiscal year, the R–1, RDT&E Program; R–2, RDT&E Budget Item Justification; R–3, RDT&E Project Cost Analysis; and R–4, RDT&E Program Schedule Profile.

SEC. 8092. The Secretary of Defense shall create a major force program category for space for each future-years defense program of the Department of Defense submitted to Congress under section 221 of title 10, United States Code, during fiscal year 2011. The Secretary of Defense shall designate an official in the Office of the Secretary of Defense to provide overall supervision of the preparation and justification of program recommendations and budget proposals to be included in such major force program category.

SEC. 8093. (a) Not later than 60 days after enactment of this Act, the Office of the Director of National Intelligence shall submit a report to the congressional intelligence committees to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2011: Provided, That the report shall include—

(1) a table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if appropriate, and the fiscal year enacted level;
(2) a delineation in the table for each appropriation by Expenditure Center and project; and

(3) an identification of items of special congressional interest.

(b) None of the funds provided for the National Intelligence Program in this Act shall be available for reprogramming or transfer until the report identified in subsection (a) is submitted to the congressional intelligence committees, unless the Director of National Intelligence certifies in writing to the congressional intelligence committees that such reprogramming or transfer is necessary as an emergency requirement.

SEC. 8094. The Director of National Intelligence shall submit to Congress each year, at or about the time that the President’s budget is submitted to Congress that year under section 1105(a) of title 31, United States Code, a future-years intelligence program (including associated annexes) reflecting the estimated expenditures and proposed appropriations included in that budget. Any such future-years intelligence program shall cover the fiscal year with respect to which the budget is submitted and at least the four succeeding fiscal years.

SEC. 8095. For the purposes of this Act, the term “congressional intelligence committees” means the Permanent Select Committee on Intelligence of the House of
Representatives, the Select Committee on Intelligence of the Senate, the Subcommittee on Defense of the Committee on Appropriations of the House of Representatives, and the Subcommittee on Defense of the Committee on Appropriations of the Senate.

SEC. 8097. The amounts appropriated in title II of this Act are hereby reduced by $483,000,000 to reflect excess cash balances in Department of Defense Working Capital Funds, as follows: From “Operation and Maintenance, Army”, $483,000,000.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8098. During the current fiscal year, not to exceed $11,000,000 from each of the appropriations made in title II of this Act for “Operation and Maintenance, Army”, “Operation and Maintenance, Navy”, and “Operation and Maintenance, Air Force” may be transferred by the military department concerned to its central fund es-
established for Fisher Houses and Suites pursuant to section 2493(d) of title 10, United States Code.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8099. Of the funds appropriated in the Intelligence Community Management Account for the Program Manager for the Information Sharing Environment, \$24,000,000 is available for transfer by the Director of National Intelligence to other departments and agencies for purposes of Government-wide information sharing activities: Provided, That funds transferred under this provision are to be merged with and available for the same purposes and time period as the appropriation to which transferred: Provided further, That the Office of Management and Budget must approve any transfers made under this provision.

SEC. 8100. Funds appropriated by this Act for operation and maintenance may be available for the purpose of making remittances to the Defense Acquisition Workforce Development Fund in accordance with the requirements of section 1705 of title 10, United States Code.

SEC. 8101. (a) Any agency receiving funds made available in this Act, shall, subject to subsections (b) and (c), post on the public website of that agency any report required to be submitted by the Congress in this or any
other Act, upon the determination by the head of the agency that it shall serve the national interest.

(b) Subsection (a) shall not apply to a report if—

(1) the public posting of the report compromises national security; or

(2) the report contains proprietary information.

(e) The head of the agency posting such report shall do so only after such report has been made available to the requesting Committee or Committees of Congress for no less than 45 days.

SEC. 8102. (a) None of the funds appropriated or otherwise made available by this Act may be expended for any Federal contract for an amount in excess of $1,000,000 unless the contractor agrees not to—

(1) enter into any agreement with any of its employees or independent contractors that requires, as a condition of employment, that the employee or independent contractor agree to resolve through arbitration any claim under title VII of the Civil Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention; or
(2) take any action to enforce any provision of an existing agreement with an employee or independent contractor that mandates that the employee or independent contractor resolve through arbitration any claim under title VII of the Civil Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention.

(b) None of the funds appropriated or otherwise made available by this Act may be expended for any Federal contract unless the contractor certifies that it requires each covered subcontractor to agree not to enter into, and not to take any action to enforce any provision of, any agreement as described in paragraphs (1) and (2) of subsection (a), with respect to any employee or independent contractor performing work related to such subcontract. For purposes of this subsection, a “covered subcontractor” is an entity that has a subcontract in excess of $1,000,000 on a contract subject to subsection (a).

(c) The prohibitions in this section do not apply with respect to a contractor’s or subcontractor’s agreements with employees or independent contractors that may not be enforced in a court of the United States.
(d) The Secretary of Defense may waive the application of subsection (a) or (b) to a particular contractor or subcontractor for the purposes of a particular contract or subcontract if the Secretary or the Deputy Secretary personally determines that the waiver is necessary to avoid harm to national security interests of the United States, and that the term of the contract or subcontract is not longer than necessary to avoid such harm. The determination shall set forth with specificity the grounds for the waiver and for the contract or subcontract term selected, and shall state any alternatives considered in lieu of a waiver and the reasons each such alternative would not avoid harm to national security interests of the United States. The Secretary of Defense shall transmit to Congress, and simultaneously make public, any determination under this subsection not less than 15 business days before the contract or subcontract addressed in the determination may be awarded.

(e) By March 1, 2011, or within 60 days after enactment of this Act, whichever is later, the Government Accountability Office shall submit a report to the Congress evaluating the effect that the requirements of this section have had on national security, including recommendations, if any, for changes to these requirements.
SEC. 8103. (a) Prohibition on Conversion of Functions Performed by Federal Employees to Contractor Performance.—None of the funds appropriated by this Act or otherwise available to the Department of Defense may be used to begin or announce the competition to award to a contractor or convert to performance by a contractor any functions performed by Federal employees pursuant to a study conducted under Office of Management and Budget (OMB) Circular A–76.

(b) Exception.—The prohibition in subsection (a) shall not apply to the award of a function to a contractor or the conversion of a function to performance by a contractor pursuant to a study conducted under Office of Management and Budget (OMB) Circular A–76 once all reporting and certifications required by section 325 of the National Defense Authorization Act for Fiscal Year 2010 (Public Law 111–84) have been satisfactorily completed.

SEC. 8104. (a)(1) No National Intelligence Program funds appropriated in this Act may be used for a mission critical or mission essential business management information technology system that is not registered with the Director of National Intelligence. A system shall be considered to be registered with that officer upon the furnishing notice of the system, together with such informa-
tion concerning the system as the Director of the Business Transformation Office may prescribe.

(2) During the current fiscal year no funds may be obligated or expended for a financial management automated information system, a mixed information system supporting financial and non-financial systems, or a business system improvement of more than $3,000,000, within the Intelligence Community without the approval of the Business Transformation Office, and the designated Intelligence Community functional lead element.

(b) The Director of the Business Transformation Office shall provide the congressional intelligence committees a semi-annual report of approvals under paragraph (1) no later than March 30 and September 30 of each year. The report shall include the results of the Business Transformation Investment Review Board’s semi-annual activities, and each report shall certify that the following steps have been taken for systems approved under paragraph (1):

(1) Business process reengineering.

(2) An analysis of alternatives and an economic analysis that includes a calculation of the return on investment.

(3) Assurance the system is compatible with the enterprise-wide business architecture.
(4) Performance measures.

(5) An information assurance strategy consistent with the Chief Information Officer of the Intelligence Community.

(c) This section shall not apply to any programmatic or analytic systems or programmatic or analytic system improvements.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8105. Of the funds appropriated in this Act for the Office of the Director of National Intelligence, $50,000,000, may be transferred to appropriations available to the Central Intelligence Agency, the National Security Agency, and the National Geospatial Intelligence Agency, the Defense Intelligence Agency and the National Reconnaissance Office for the Business Transformation Transfer Funds, to be merged with and to be available for the same time period and the same purposes as the appropriation to which transferred: Provided, That the transfer authority provided under this provision is in addition to any other transfer authority contained in this Act.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8106. In addition to funds made available elsewhere in this Act, there is hereby appropriated $538,875,000, to remain available until transferred: Provided, That these funds are appropriated to the “Tanker
Replacement Transfer Fund” (referred to as “the Fund” elsewhere in this section): Provided further, That the Secretary of the Air Force may transfer amounts in the Fund to “Operation and Maintenance, Air Force”, “Aircraft Procurement, Air Force”, and “Research, Development, Test and Evaluation, Air Force”, only for the purposes of proceeding with a tanker acquisition program: Provided further, That funds transferred shall be merged with and be available for the same purposes and for the same time period as the appropriations or fund to which transferred: Provided further, That this transfer authority is in addition to any other transfer authority available to the Department of Defense: Provided further, That the Secretary of the Air Force shall, not fewer than 15 days prior to making transfers using funds provided in this section, notify the congressional defense committees in writing of the details of any such transfer: Provided further, That the Secretary shall submit a report no later than 30 days after the end of each fiscal quarter to the congressional defense committees summarizing the details of the transfer of funds from this appropriation.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8107. From within the funds appropriated for operation and maintenance for the Defense Health Program in this Act, up to $132,200,000, shall be available
for transfer to the Joint Department of Defense-Department of Veterans Affairs Medical Facility Demonstration Fund in accordance with the provisions of section 1704 of the National Defense Authorization Act for Fiscal Year 2010, Public Law 111–84: Provided, That for purposes of section 1704(b), the facility operations funded are operations of the integrated Captain James A. Lovell Federal Health Care Center, consisting of the North Chicago Veterans Affairs Medical Center, the Navy Ambulatory Care Center, and supporting facilities designated as a combined Federal medical facility as described by section 706 of Public Law 110–417: Provided further, That additional funds may be transferred from funds appropriated for operation and maintenance for the Defense Health Program to the Joint Department of Defense-Department of Veterans Affairs Medical Facility Demonstration Fund upon written notification by the Secretary of Defense to the Committees on Appropriations of the House of Representatives and the Senate.

Sec. 8108. (a) Of the amounts made available in this Act under the heading “Operation and Maintenance, Navy”, not less than $2,000,000, shall be made available for leveraging the Army’s Contractor Manpower Reporting Application, modified as appropriate for Service-specific requirements, for documenting the number of full-time
contractor employees (or its equivalent) pursuant to
United States Code title 10, section 2330a(e) and meeting
the requirements of United States Code title 10, section
2330a(e) and United States Code title 10, section 235.

(b) Of the amounts made available in this Act under
the heading “Operation and Maintenance, Air Force”, not
less than $2,000,000 shall be made available for
leveraging the Army’s Contractor Manpower Reporting
Application, modified as appropriate for Service-specific
requirements, for documenting the number of full-time
contractor employees (or its equivalent) pursuant to
United States Code title 10 section 2330a(e) and meeting
the requirements of United States Code title 10, section
2330a(e) and United States Code title 10, section 235.

(c) The Secretaries of the Army, Navy, Air Force,
and the Directors of the Defense Agencies and Field Ac-
tivities (in coordination with the appropriate Principal
Staff Assistant), in coordination with the Under Secretary
of Defense for Personnel and Readiness, shall report to
the congressional defense committees within 60 days of
enactment of this Act their plan for documenting the num-
ber of full-time contractor employees (or its equivalent),
as required by United States Code title 10, section 2330a.
(INCLUDING TRANSFER OF FUNDS)

SEC. 8109. In addition to amounts provided elsewhere in this Act, there is appropriated $250,000,000, for an additional amount for “Operation and Maintenance, Defense-Wide”, to be available until expended: Provided, That such funds shall only be available to the Secretary of Defense, acting through the Office of Economic Adjustment of the Department of Defense, or for transfer to the Secretary of Education, notwithstanding any other provision of law, to make grants, conclude cooperative agreements, or supplement other Federal funds to construct, renovate, repair, or expand elementary and secondary public schools on military installations in order to address capacity or facility condition deficiencies at such schools: Provided further, That in making such funds available, the Office of Economic Adjustment or the Secretary of Education shall give priority consideration to those military installations with schools having the most serious capacity or facility condition deficiencies as determined by the Secretary of Defense.

SEC. 8110. In addition to amounts provided elsewhere in this Act, there is appropriated $300,000,000, for an additional amount for “Operation and Maintenance, Defense-Wide”, to remain available until expended. Such funds may be available for the Office of Economic Adjust-
ment, notwithstanding any other provision of law, for
transportation infrastructure improvements associated
with medical facilities related to recommendations of the
Defense Base Closure and Realignment Commission.

Sec. 8111. Section 310(b) of the Supplemental Ap-
1871) is amended by striking “1 year” both places it ap-
ppears and inserting “2 years”.

Sec. 8112. The Office of the Director of National
Intelligence shall not employ more Senior Executive em-
ployees than are specified in the classified annex: Pro-
vided, That not later than 90 days after enactment of this
Act, the Director of National Intelligence shall certify that
the Office of the Director of National Intelligence selects
individuals for Senior Executive positions in a manner
consistent with statutes, regulations, and the requirements
of other Federal agencies in making such appointments
and will submit its policies and procedures related to the
appointment of personnel to Senior Executive positions to
the congressional intelligence oversight committees.

Sec. 8113. For all major defense acquisition pro-
grams for which the Department of Defense plans to pro-
cceed to source selection during the current fiscal year, the
Secretary of Defense shall perform an assessment of the
winning bidder to determine whether or not the proposed
costs are realistic and reasonable with respect to proposed
development and production costs. The Secretary of De-
fense shall provide a report of these assessments, to spe-
cifically include whether any cost assessments determined
that such proposed costs were unreasonable or unrealistic,
to the congressional defense committees not later than 60
days after enactment of this Act and on a quarterly basis
thereafter.

SEC. 8114. (a) The Deputy Under Secretary of De-
fense for Installations and Environment, in collaboration
with the Secretary of Energy, shall conduct energy secu-
rity pilot projects at facilities of the Department of De-
fense.

(b) In addition to the amounts provided elsewhere in
this Act, $20,000,000, is appropriated to the Department
of Defense for “Operation and Maintenance, Defense-
Wide” for energy security pilot projects under subsection
(a).

SEC. 8115. None of the funds appropriated or other-
wise made available by this Act may be obligated or ex-
pended to pay a retired general or flag officer to serve
as a senior mentor advising the Department of Defense
unless such retired officer files a Standard Form 278 (or
successor form concerning public financial disclosure
under part 2634 of title 5, Code of Federal Regulations) to the Office of Government Ethics.

SEC. 8116. Not later than 180 days after the date of the enactment of this Act, the Secretary of Defense, the Chief of the Air Force Reserve, and the Director of the National Guard Bureau, in collaboration with the Secretary of Agriculture and the Secretary of the Interior, shall submit to the Committees on Appropriations of the House and Senate, the House Committee on Agriculture, the Senate Committee on Agriculture, Nutrition and Forestry, the House Committee on Natural Resources, and the Senate Committee on Energy and Natural Resources a report of firefighting aviation assets. The report required under this section shall include each of the following:

(1) A description of the programming details necessary to obtain an appropriate mix of fixed wing and rotor wing firefighting assets needed to produce an effective aviation resource base to support the wildland fire management program into the future. Such programming details shall include the acquisition and contracting needs of the mix of aviation resources fleet, including the acquisition of up to 24 C–130Js equipped with the Mobile Airborne Fire Fighting System II (in this section referred to as
“MAFFS”), to be acquired over several fiscal years starting in fiscal year 2012.

(2) The costs associated with acquisition and contracting of the aviation assets described in paragraph (1).

(3) A description of the costs of the operation, maintenance, and sustainment of a fixed and rotor wing aviation fleet, including a C–130J/MAFFS II in an Air National Guard tactical airlift unit construct of 4, 6, or 8 C–130Js per unit starting in fiscal year 2012, projected out through fiscal year 2020. Such description shall include the projected costs associated with each of the following through fiscal year 2020:

(A) Crew ratio based on 4, 6, or 8 C–130J Air National Guard unit construct and requirement for full-time equivalent crews.

(B) Associated maintenance and other support personnel and requirement for full-time equivalent positions.

(C) Yearly flying hour model and the cost for use of a fixed and rotor wing aviation fleet, including C–130J in its MAFFS capacity supporting the United States Forest Service.
(D) Yearly flying hour model and cost for use of a C–130J in its capacity supporting Air National Guard tactical airlift training.

(E) Any other costs required to conduct both the airlift and firefighting missions, including the Air National Guard unit construct for C–130Js.

(4) Proposed program management, utilization, and cost share arrangements for the aircraft described in paragraph (1) for primary support of the Forest Service and secondary support, on an as available basis, for the Department of Defense, together with any proposed statutory language needed to authorize and effectuate the same.

(5) An integrated plan for the Forest Service and the Department of the Interior wildland fire management programs to operate the fire fighting air tanker assets referred to in this section.

Sec. 8117. Notwithstanding any other provision of this Act, to reflect savings from revised economic assumptions, the total amount appropriated in title II of this Act is hereby reduced by $244,000,000, the total amount appropriated in title III of this Act is hereby reduced by $258,000,000, and the total amount appropriated in title IV of this Act is hereby reduced by $175,000,000: Pro-
vided, That the Secretary of Defense shall allocate this reduction proportionally to each budget activity, activity group, subactivity group, and each program, project, and activity, within each appropriation account.

SEC. 8118. The total amount available in this Act for pay for civilian personnel of the Department of Defense for fiscal year 2011 shall be the amount otherwise appropriated or made available by this Act for such pay reduced by $723,000,000.

SEC. 8119. None of the funds appropriated or otherwise made available to the Department of Defense may be used for the disestablishment, closure, or realignment of the Joint Forces Command unless within 120 days of the enactment of this Act—

(1) the Secretary of Defense notifies the congressional defense committees of the proposed disestablishment, closure, or realignment of the Joint Forces Command; and

(2) the Secretary submits to the congressional defense committees a plan for the disestablishment, closure, or realignment of the Joint Forces Command, which plan shall contain at a minimum—

(A) an explanation of the projected savings of the proposed disestablishment, closure, or realignment;
(B) a cost-benefit analysis of the proposed disestablishment, closure, or realignment;

(C) the budgetary impact of the proposed disestablishment, closure, or realignment;

(D) the strategic and operational consequences of the proposed disestablishment, closure, or realignment; and

(E) an appropriate local economic assessment of the proposed disestablishment, closure, or realignment, which shall include at a minimum—

(i) a list of Federal, State, and local government departments and agencies that are required by statute or regulation to provide assistance and outreach for the community affected by the proposed disestablishment, closure, or realignment; and

(ii) a list of the contractors and businesses affected by the proposed disestablishment, closure, or realignment.

Sec. 8120. The explanatory statement regarding this Act, printed in the House of Representatives section of the Congressional Record on or about April 6, 2011, by the Chairman of the Committee on Appropriations of the House of Representatives, shall have the same effect with
respect to the allocation of funds and implementation of this Act as if it were a Report of the Committee on Appropriations.

SEC. 8121. None of the funds appropriated or otherwise made available by this Act or any other appropriations Act may be used to transfer, release, or assist in the transfer or release to or within the United States, its territories, or possessions Khalid Sheikh Mohammed or any other detainee who—

(1) is not a United States citizen or a member of the Armed Forces of the United States; and

(2) is or was held on or after June 24, 2009, at the United States Naval Station, Guantanamo Bay, Cuba, by the Department of Defense.

SEC. 8122. (a)(1) Except as provided in paragraph (2), none of the funds appropriated or otherwise made available by this Act or any other appropriations Act may be used to transfer any individual detained at Guantanamo to the custody or effective control of the individual’s country of origin, any other foreign country, or any other foreign entity unless the Secretary of Defense submits to Congress the certification described in subsection (b) by not later than 30 days before the transfer of the individual.
(2) Paragraph (1) shall not apply to any action taken by the Secretary of Defense to transfer any individual detained at Guantanamo to effectuate an order affecting the disposition of the individual that is issued by a court or competent tribunal of the United States having lawful jurisdiction. The Secretary of Defense shall notify Congress promptly upon issuance of any such order.

(b) The certification described in this subsection is a written certification made by the Secretary of Defense, with the concurrence of the Secretary of State, that the government of the foreign country or the recognized leadership of the foreign entity to which the individual detained at Guantanamo is to be transferred—

(1) is not a designated state sponsor of terrorism or a designated foreign terrorist organization;

(2) maintains effective control over each detention facility in which an individual is to be detained if the individual is to be housed in a detention facility;

(3) is not, as of the date of the certification, facing a threat that is likely to substantially affect its ability to exercise control over the individual;

(4) has agreed to take effective steps to ensure that the individual cannot take action to threaten
the United States, its citizens, or its allies in the future;

(5) has taken such steps as the Secretary determines are necessary to ensure that the individual cannot engage or re-engage in any terrorist activity; and

(6) has agreed to share any information with the United States that—

(A) is related to the individual or any associates of the individual; and

(B) could affect the security of the United States, its citizens, or its allies.

(c)(1) Except as provided in paragraph (3), none of the funds appropriated or otherwise made available by this Act or any other appropriations Act may be used to transfer any individual detained at Guantanamo to the custody or effective control of the individual's country of origin, any other foreign country, or any other foreign entity if there is a confirmed case of any individual who was detained at United States Naval Station, Guantanamo Bay, Cuba, at any time after September 11, 2001, who was transferred to the foreign country or entity and subsequently engaged in any terrorist activity.

(2) The Secretary of Defense may waive the prohibition in paragraph (1) if the Secretary determines that
such a transfer is in the national security interests of the United States and includes, as part of the certification described in subsection (b) relating to such transfer, the determination of the Secretary under this paragraph.

(3) Paragraph (1) shall not apply to any action taken by the Secretary to transfer any individual detained at Guantanamo to effectuate an order affecting the disposition of the individual that is issued by a court or competent tribunal of the United States having lawful jurisdiction. The Secretary shall notify Congress promptly upon issuance of any such order.

(d) For the purposes of this section:

(1) The term “individual detained at Guantanamo” means any individual who is located at United States Naval Station, Guantanamo Bay, Cuba, as of October 1, 2009, who—

(A) is not a citizen of the United States or a member of the Armed Forces of the United States; and

(B) is—

(I) in the custody or under the effective control of the Department of Defense; or
(ii) otherwise under detention at United States Naval Station, Guantanamo Bay, Cuba.

(2) The term “foreign terrorist organization” means any organization so designated by the Secretary of State under section 219 of the Immigration and Nationality Act (8 U.S.C. 1189).

SEC. 8123. (a) None of the funds appropriated or otherwise made available by this Act or any other appropriation Act may be used to construct or modify any facility in the United States, its territories, or possessions to house any individual described in subsection (c)) for the purposes of detention or imprisonment in the custody or under the effective control of the Department of Defense.

(b) The prohibition in subsection (a) shall not apply to any modification of facilities at United States Naval Station, Guantanamo Bay, Cuba.

(c) An individual described in this subsection is any individual who, as of June 24, 2009, is located at United States Naval Station, Guantanamo Bay, Cuba, and who—

(1) is not a citizen of the United States or a member of the Armed Forces of the United States; and

(2) is—
(A) in the custody or under the effective
control of the Department of Defense; or
(B) otherwise under detention at United
States Naval Station, Guantanamo Bay, Cuba.

AFGHANISTAN INFRASTRUCTURE FUND

(INCLUDING TRANSFER OF FUNDS)

There is hereby established in the Treasury of the United States the “Afghanistan Infrastructure Fund”. For the “Afghanistan Infrastructure Fund”, $400,000,000, to remain available until September 30, 2012: Provided, That such sums shall be available for infrastructure projects in Afghanistan, notwithstanding any other provision of law, which shall be undertaken by the Secretary of State, unless the Secretary of State and the Secretary of Defense jointly decide that a specific project will be undertaken by the Department of Defense: Provided further, That the infrastructure referred to in the preceding proviso is in support of the counterinsurgency strategy, requiring funding for facility and infrastructure projects, including, but not limited to, water, power, and transportation projects and related maintenance and sustainment costs: Provided further, That the authority to undertake such infrastructure projects is in addition to any other authority to provide assistance to foreign nations: Provided further, That any projects funded by this appropriation shall be jointly formulated and concurred in by the Secretary of State and Secretary of Defense: Provided further, That funds may be transferred to the Department of State for purposes of undertaking projects,
which funds shall be considered to be economic assistance 
under the Foreign Assistance Act of 1961 for purposes 
of making available the administrative authorities con-
tained in that Act: Provided further, That the transfer au-
thority in the preceding proviso is in addition to any other 
authority available to the Department of Defense to trans-
fer funds: Provided further, That any unexpended funds 
transferred to the Secretary of State under this authority 
shall be returned to the Afghanistan Infrastructure Fund 
if the Secretary of State, in coordination with the Sec-
retary of Defense, determines that the project cannot be 
implemented for any reason, or that the project no longer 
supports the counterinsurgency strategy in Afghanistan: 
Provided further, That any funds returned to the Sec-
retary of Defense under the previous proviso shall be avail-
able for use under this appropriation and shall be treated 
in the same manner as funds not transferred to the Sec-
retary of State: Provided further, That contributions of 
funds for the purposes provided herein to the Secretary 
of State in accordance with section 635(d) of the Foreign 
Assistance Act from any person, foreign government, or 
international organization may be credited to this Fund, 
to remain available until expended, and used for such pur-
poses: Provided further, That the Secretary of Defense 
shall, not fewer than 15 days prior to making transfers
to or from, or obligations from the Fund, notify the appropriate committees of Congress in writing of the details of any such transfer: Provided further, That the “appropriate committees of Congress” are the Committees on Armed Services, Foreign Relations and Appropriations of the Senate and the Committees on Armed Services, Foreign Affairs and Appropriations of the House of Representa-
tives: Provided further, That each amount in this para-
graph is designated as being for contingency operations directly related to the global war on terrorism pursuant to section 3(c)(2) of H. 4
5 GENERAL PROVISIONS—THIS TITLE
6
7 Sec. 9001. Notwithstanding any other provision of
8 law, funds made available in this title are in addition to
9 amounts appropriated or otherwise made available for the
10 Department of Defense for fiscal year 2011.
11
12 (INCLUDING TRANSFER OF FUNDS)
13
14 Sec. 9002. Upon the determination of the Secretary
15 of Defense that such action is necessary in the national
16 interest, the Secretary may, with the approval of the Of-
17 fice of Management and Budget, transfer up to
18 $4,000,000,000 between the appropriations or funds made
19 available to the Department of Defense in this title: Pro-
20 vided, That the Secretary shall notify the Congress
21 promptly of each transfer made pursuant to the authority
22 in this section: Provided further, That the authority pro-
23 vided in this section is in addition to any other transfer
24 authority available to the Department of Defense and is
25 subject to the same terms and conditions as the authority
26 provided in the Department of Defense Appropriations
27 Act, 2011.
28
29 Sec. 9003. Supervision and administration costs as-
30 sociated with a construction project funded with appro-
priations available for operation and maintenance or the
“Afghanistan Security Forces Fund” provided in this Act
and executed in direct support of overseas contingency op-
erations in Afghanistan, may be obligated at the time a
collection contract is awarded: Provided, That for the
purpose of this section, supervision and administration
costs include all in-house Government costs.

Sec. 9004. From funds made available in this title,
the Secretary of Defense may purchase for use by military
and civilian employees of the Department of Defense in
Iraq and Afghanistan: (a) passenger motor vehicles up to
a limit of $75,000 per vehicle; and (b) heavy and light
armored vehicles for the physical security of personnel or
for force protection purposes up to a limit of $250,000
per vehicle, notwithstanding price or other limitations ap-
licable to the purchase of passenger carrying vehicles.

Sec. 9005. Not to exceed $500,000,000 of the
amount appropriated in this title under the heading “Op-
eration and Maintenance, Army” may be used, notwith-
standing any other provision of law, to fund the Com-
mander’s Emergency Response Program (CERP), for the
purpose of enabling military commanders in Iraq and Af-
ghanistan to respond to urgent, small scale, humanitarian
relief and reconstruction requirements within their areas
of responsibility: Provided, That projects (including any
ancillary or related elements in connection with such project) executed under this authority shall not exceed $20,000,000: Provided further, That not later than 45 days after the end of each fiscal year quarter, the Secretary of Defense shall submit to the congressional defense committees a report regarding the source of funds and the allocation and use of funds during that quarter that were made available pursuant to the authority provided in this section or under any other provision of law for the purposes described herein: Provided further, That, not later than 30 days after the end of each month, the Army shall submit to the congressional defense committees monthly commitment, obligation, and expenditure data for the Commander’s Emergency Response Program in Iraq and Afghanistan: Provided further, That not less than 15 days before making funds available pursuant to the authority provided in this section or under any other provision of law for the purposes described herein for a project with a total anticipated cost for completion of $5,000,000 or more, the Secretary shall submit to the congressional defense committees a written notice containing each of the following:

(1) The location, nature and purpose of the proposed project, including how the project is in-
tended to advance the military campaign plan for
the country in which it is to be carried out.

(2) The budget, implementation timeline with
milestones, and completion date for the proposed
project, including any other CERP funding that has
been or is anticipated to be contributed to the com-
pletion of the project.

(3) A plan for the sustainment of the proposed
project, including the agreement with either the host
nation, a non-Department of Defense agency of the
United States Government or a third party contrib-
utor to finance the sustainment of the activities and
maintenance of any equipment or facilities to be pro-
vided through the proposed project.

SEC. 9006. Funds available to the Department of De-
fense for operation and maintenance may be used, not-
withstanding any other provision of law, to provide sup-
plies, services, transportation, including airlift and sealift,
and other logistical support to coalition forces supporting
military and stability operations in Iraq and Afghanistan:
Provided, That the Secretary of Defense shall provide
quarterly reports to the congressional defense committees
regarding support provided under this section.

SEC. 9007. None of the funds appropriated or other-
wise made available by this or any other Act shall be obli-
gated or expended by the United States Government for a purpose as follows:

(1) To establish any military installation or base for the purpose of providing for the permanent stationing of United States Armed Forces in Iraq.

(2) To exercise United States control over any oil resource of Iraq.

(3) To establish any military installation or base for the purpose of providing for the permanent stationing of United States Armed Forces in Afghanistan.

Sec. 9008. None of the funds made available in this Act may be used in contravention of the following laws enacted or regulations promulgated to implement the United Nations Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment (done at New York on December 10, 1984):

(1) Section 2340A of title 18, United States Code.

(2) Section 2242 of the Foreign Affairs Reform and Restructuring Act of 1998 (division G of Public Law 105–277; 112 Stat. 2681–822; 8 U.S.C. 1231 note) and regulations prescribed thereto, including regulations under part 208 of title 8, Code of Fed-
eral Regulations, and part 95 of title 22, Code of Federal Regulations.

(3) Sections 1002 and 1003 of the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006 (Public Law 109–148).

SEC. 9009. (a) The Secretary of Defense shall submit to the congressional defense committees not later than 45 days after the end of each fiscal quarter a report on the proposed use of all funds appropriated by this or any prior Act under each of the headings Iraq Security Forces Fund, Afghanistan Security Forces Fund, Afghanistan Infrastructure Fund, and Pakistan Counterinsurgency Fund on a project-by-project basis, for which the obligation of funds is anticipated during the 3-month period from such date, including estimates for the accounts referred to in this section of the costs required to complete each such project.

(b) The report required by this subsection shall include the following:

(1) The use of all funds on a project-by-project basis for which funds appropriated under the headings referred to in subsection (a) were obligated prior to the submission of the report, including esti-
mates for the accounts referred to in subsection (a) of the costs to complete each project.

(2) The use of all funds on a project-by-project basis for which funds were appropriated under the headings referred to in subsection (a) in prior appropriations Acts, or for which funds were made available by transfer, reprogramming, or allocation from other headings in prior appropriations Acts, including estimates for the accounts referred to in subsection (a) of the costs to complete each project.

(3) An estimated total cost to train and equip the Iraq, Afghanistan, and Pakistan security forces, disaggregated by major program and sub-elements by force, arrayed by fiscal year.

SEC. 9010. Funds made available in this title to the Department of Defense for operation and maintenance may be used to purchase items having an investment unit cost of not more than $250,000: Provided, That, upon determination by the Secretary of Defense that such action is necessary to meet the operational requirements of a Commander of a Combatant Command engaged in contingency operations overseas, such funds may be used to purchase items having an investment item unit cost of not more than $500,000.
Sec. 9011. Of the funds appropriated by this Act for the Office of the Director of National Intelligence, $3,375,000 is available, as specified in the classified annex, for transfer to other departments and agencies of the Federal Government.

Sec. 9012. (a) The Task Force for Business and Stability Operations in Afghanistan may, subject to the direction and control of the Secretary of Defense and with the concurrence of the Secretary of State, carry out projects in fiscal year 2011 to assist the commander of the United States Central Command in developing a link between United States military operations in Afghanistan under Operation Enduring Freedom and the economic elements of United States national power in order to reduce violence, enhance stability, and restore economic normalcy in Afghanistan through strategic business and economic opportunities.

(b) The projects carried out under paragraph (a) may include projects that facilitate private investment, industrial development, banking and financial system development, agricultural diversification and revitalization, and energy development in and with respect to Afghanistan.

(c) The Secretary may use up to $150,000,000 of the funds available for overseas contingency operations in
“Operation and Maintenance, Army” for additional activities to carry out projects under paragraph (a).

SEC. 9013. (a) Not more than 85 percent of the funds provided in this title for Operation and Maintenance may be available for obligation or expenditure until the date on which the Secretary of Defense submits the report under subsection (b).

(b) Not later than 120 days after the date of the enactment of this Act, the Secretary of Defense shall submit to the congressional defense committees a report on contractor employees in the United States Central Command, including—

(1) the number of employees of a contractor awarded a contract by the Department of Defense (including subcontractor employees) who are employed at the time of the report in the area of operations of the United States Central Command, including a list of the number of such employees in each of Iraq, Afghanistan, and all other areas of operations of the United States Central Command; and

(2) for each fiscal year quarter beginning on the date of the report and ending on September 30, 2012—

(A) the number of such employees planned by the Secretary to be employed during each
such period in each of Iraq, Afghanistan, and all other areas of operations of the United States Central Command; and

(B) an explanation of how the number of such employees listed under subparagraph (A) relates to the planned number of military personnel in such locations.

SEC. 9014. From funds made available in this title to the Department of Defense for operation and maintenance, up to $129,100,000 may be used by the Secretary of Defense, notwithstanding any other provision of law, to support the United States Government transition activities in Iraq by undertaking facilities renovation and construction associated with establishing Office of Security Cooperation locations, at no more than four sites, in Iraq: Provided, That not less than 15 days before making funds available pursuant to the authority provided in this section, the Secretary shall submit to the congressional defense committees a written notice containing a detailed justification and timeline for each proposed site and the source of funds.

SEC. 9015. Any reference to “this Act” in this division shall apply solely to this division.

This division may be cited as the “Department of Defense Appropriations Act, 2011”.
