of Alcohol, Tobacco, Firearms and Explosives shall include
in all such data releases, language similar to the following
that would make clear that trace data cannot be used to
draw broad conclusions about firearms-related crime:

(1) Firearm traces are designed to assist law
enforcement authorities in conducting investigations
by tracking the sale and possession of specific firearms. Law enforcement agencies may request firearms traces for any reason, and those reasons are not necessarily reported to the Federal Government. Not all firearms used in crime are traced and not all firearms traced are used in crime.

(2) Firearms selected for tracing are not chosen for purposes of determining which types, makes, or models of firearms are used for illicit purposes. The firearms selected do not constitute a random sample and should not be considered representative of the larger universe of all firearms used by criminals, or any subset of that universe. Firearms are normally traced to the first retail seller, and sources reported for firearms traced do not necessarily represent the sources or methods by which firearms in general are acquired for use in crime.

SEC. 515. The results shall be made available in redacted form to exclude—

(2) sensitive personal information for any individual, the public access to which could be used to commit identity theft or for other inappropriate or unlawful purposes.

c) A grant or contract funded by amounts appropriated by this Act may not be used for the purpose of defraying the costs of a banquet or conference that is not directly and programmatically related to the purpose for which the grant or contract was awarded, such as a banquet or conference held in connection with planning, train-
ing, assessment, review, or other routine purposes related to a project funded by the grant or contract.

(d) Any person awarded a grant or contract funded by amounts appropriated by this Act shall submit a statement to the Secretary of Commerce, the Attorney General, the Administrator, Director, or President, as appropriate, certifying that no funds derived from the grant or contract will be made available through a subcontract or in any other manner to another person who has a financial interest in the person awarded the grant or contract.

(e) The provisions of the preceding subsections of this section shall take effect 30 days after the date on which the Director of the Office of Management and Budget, in consultation with the Director of the Office of Government Ethics, determines that a uniform set of rules and requirements, substantially similar to the requirements in such subsections, consistently apply under the executive branch ethics program to all Federal departments, agencies, and entities.

(b) The foregoing exemption from obtaining an ex-

(1) does not exempt an exporter from filing any
Shipper’s Export Declaration or notification letter
required by law, or from being otherwise eligible
under the laws of the United States to possess, ship,
transport, or export the articles enumerated in sub-
section (a); and

(2) does not permit the export without a license

(d) The President may require export licenses under this section on a temporary basis if the President determines, upon publication first in the Federal Register, that the Government of Canada has implemented or maintained inadequate import controls for the articles specified in subsection (a), such that a significant diversion of such articles has and continues to take place for use in international terrorism or in the escalation of a conflict in an-
other nation. The President shall terminate the requirements of a license when reasons for the temporary requirements have ceased.
