To improve patient access to health care services and provide improved medical care by reducing the excessive burden the liability system places on the health care delivery system.

1  Be it enacted by the Senate and House of Representa-
2  tives of the United States of America in Congress assembled,
SECTION 1. SHORT TITLE.

This Act may be cited as the “Protecting Access to Healthcare Act”.

TITLE I—HEALTH ACT

SEC. 101. SHORT TITLE.

This title may be cited as the “Help Efficient, Accessible, Low-cost, Timely Healthcare (HEALTH) Act of 2012”.

SEC. 102. PURPOSE.

It is the purpose of this title to implement reasonable, comprehensive, and effective health care liability reforms designed to—

(1) improve the availability of health care services in cases in which health care liability actions have been shown to be a factor in the decreased availability of services;

(2) reduce the incidence of “defensive medicine” and lower the cost of health care liability insurance, all of which contribute to the escalation of health care costs;

(3) ensure that persons with meritorious health care injury claims receive fair and adequate compensation, including reasonable noneconomic damages;

(4) improve the fairness and cost-effectiveness of our current health care liability system to resolve
disputes over, and provide compensation for, health
care liability by reducing uncertainty in the amount
of compensation provided to injured individuals; and

(5) provide an increased sharing of information
in the health care system which will reduce unin-
tended injury and improve patient care.

SEC. 103. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.

The time for the commencement of a health care law-
suit shall be 3 years after the date of manifestation of
injury or 1 year after the claimant discovers, or through
the use of reasonable diligence should have discovered, the
injury, whichever occurs first. In no event shall the time
for commencement of a health care lawsuit exceed 3 years
after the date of manifestation of injury unless tolled for
any of the following—

(1) upon proof of fraud;
(2) intentional concealment; or
(3) the presence of a foreign body, which has no
therapeutic or diagnostic purpose or effect, in the
person of the injured person.

Actions by a minor shall be commenced within 3 years
from the date of the alleged manifestation of injury except
that actions by a minor under the full age of 6 years shall
be commenced within 3 years of manifestation of injury
or prior to the minor’s 8th birthday, whichever provides
a longer period. Such time limitation shall be tolled for
minors for any period during which a parent or guardian
and a health care provider or health care organization
have committed fraud or collusion in the failure to bring
an action on behalf of the injured minor.

SEC. 104. COMPENSATING PATIENT INJURY.

(a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL
ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any
health care lawsuit, nothing in this title shall limit a claim-
ant’s recovery of the full amount of the available economic
damages, notwithstanding the limitation in subsection (b).

(b) ADDITIONAL NONECONOMIC DAMAGES.—In any
health care lawsuit, the amount of noneconomic damages,
if available, may be as much as $250,000, regardless of
the number of parties against whom the action is brought
or the number of separate claims or actions brought with
respect to the same injury.

(c) NO DISCOUNT OF AWARD FOR NONECONOMIC
DAMAGES.—For purposes of applying the limitation in
subsection (b), future noneconomic damages shall not be
discounted to present value. The jury shall not be in-
formed about the maximum award for noneconomic dam-
ages. An award for noneconomic damages in excess of
$250,000 shall be reduced either before the entry of judg-
ment, or by amendment of the judgment after entry of
5
judgment, and such reduction shall be made before ac-
accounting for any other reduction in damages required by
law. If separate awards are rendered for past and future
noneconomic damages and the combined awards exceed
$250,000, the future noneconomic damages shall be re-
duced first.

(d) Fair Share Rule.—In any health care lawsuit,
each party shall be liable for that party's several share
of any damages only and not for the share of any other
person. Each party shall be liable only for the amount of
damages allocated to such party in direct proportion to
such party's percentage of responsibility. Whenever a
judgment of liability is rendered as to any party, a sepa-
rate judgment shall be rendered against each such party
for the amount allocated to such party. For purposes of
this section, the trier of fact shall determine the propor-
tion of responsibility of each party for the claimant’s
harm.

SEC. 105. Maximizing Patient Recovery.

(a) Court Supervision of Share of Damages
Actually Paid to Claimants.—In any health care law-
suit, the court shall supervise the arrangements for pay-
ment of damages to protect against conflicts of interest
that may have the effect of reducing the amount of dam-
ages awarded that are actually paid to claimants. In par-
ticular, in any health care lawsuit in which the attorney for a party claims a financial stake in the outcome by virtue of a contingent fee, the court shall have the power to restrict the payment of a claimant’s damage recovery to such attorney, and to redirect such damages to the claimant based upon the interests of justice and principles of equity. In no event shall the total of all contingent fees for representing all claimants in a health care lawsuit exceed the following limits:

1. Forty percent of the first $50,000 recovered by the claimant(s).
2. Thirty-three and one-third percent of the next $50,000 recovered by the claimant(s).
3. Twenty-five percent of the next $500,000 recovered by the claimant(s).
4. Fifteen percent of any amount by which the recovery by the claimant(s) is in excess of $600,000.

(b) Applicability.—The limitations in this section shall apply whether the recovery is by judgment, settlement, mediation, arbitration, or any other form of alternative dispute resolution. In a health care lawsuit involving a minor or incompetent person, a court retains the authority to authorize or approve a fee that is less than the maximum permitted under this section. The require-
ment for court supervision in the first two sentences of subsection (a) applies only in civil actions.

SEC. 106. PUNITIVE DAMAGES.

(a) In General.—Punitive damages may, if otherwise permitted by applicable State or Federal law, be awarded against any person in a health care lawsuit only if it is proven by clear and convincing evidence that such person acted with malicious intent to injure the claimant, or that such person deliberately failed to avoid unnecessary injury that such person knew the claimant was substantially certain to suffer. In any health care lawsuit where no judgment for compensatory damages is rendered against such person, no punitive damages may be awarded with respect to the claim in such lawsuit. No demand for punitive damages shall be included in a health care lawsuit as initially filed. A court may allow a claimant to file an amended pleading for punitive damages only upon a motion by the claimant and after a finding by the court, upon review of supporting and opposing affidavits or after a hearing, after weighing the evidence, that the claimant has established by a substantial probability that the claimant will prevail on the claim for punitive damages. At the request of any party in a health care lawsuit, the trier of fact shall consider in a separate proceeding—
(1) whether punitive damages are to be awarded and the amount of such award; and

(2) the amount of punitive damages following a determination of punitive liability.

If a separate proceeding is requested, evidence relevant only to the claim for punitive damages, as determined by applicable State law, shall be inadmissible in any proceeding to determine whether compensatory damages are to be awarded.

(b) Determining Amount of Punitive Damages.—

(1) FACTORS CONSIDERED.—In determining the amount of punitive damages, if awarded, in a health care lawsuit, the trier of fact shall consider only the following—

(A) the severity of the harm caused by the conduct of such party;

(B) the duration of the conduct or any concealment of it by such party;

(C) the profitability of the conduct to such party;

(D) the number of products sold or medical procedures rendered for compensation, as the case may be, by such party, of the kind
causing the harm complained of by the claimant;

(E) any criminal penalties imposed on such party, as a result of the conduct complained of by the claimant; and

(F) the amount of any civil fines assessed against such party as a result of the conduct complained of by the claimant.

(2) MAXIMUM AWARD.—The amount of punitive damages, if awarded, in a health care lawsuit may be as much as $250,000 or as much as two times the amount of economic damages awarded, whichever is greater. The jury shall not be informed of this limitation.

(c) NO PUNITIVE DAMAGES FOR PRODUCTS THAT COMPLY WITH FDA STANDARDS.—

(1) IN GENERAL.—

(A) No punitive damages may be awarded against the manufacturer or distributor of a medical product, or a supplier of any component or raw material of such medical product, based on a claim that such product caused the claimant’s harm where—

(i) such medical product was subject to premarket approval, clearance, or li-
censure by the Food and Drug Administration with respect to the safety of the formulation or performance of the aspect of such medical product which caused the claimant’s harm or the adequacy of the packaging or labeling of such medical product; and

(II) such medical product was so approved, cleared, or licensed; or

(ii) such medical product is generally recognized among qualified experts as safe and effective pursuant to conditions established by the Food and Drug Administration and applicable Food and Drug Administration regulations, including without limitation those related to packaging and labeling, unless the Food and Drug Administration has determined that such medical product was not manufactured or distributed in substantial compliance with applicable Food and Drug Administration statutes and regulations.

(B) RULE OF CONSTRUCTION.—Subparagraph (A) may not be construed as establishing the obligation of the Food and Drug Adminis-
tration to demonstrate affirmatively that a
manufacturer, distributor, or supplier referred
to in such subparagraph meets any of the con-
ditions described in such subparagraph.

(2) LIABILITY OF HEALTH CARE PROVIDERS.—
A health care provider who prescribes, or who dis-
penses pursuant to a prescription, a medical product
approved, licensed, or cleared by the Food and Drug
Administration shall not be named as a party to a
product liability lawsuit involving such product and
shall not be liable to a claimant in a class action
lawsuit against the manufacturer, distributor, or
seller of such product. Nothing in this paragraph
prevents a court from consolidating cases involving
health care providers and cases involving products li-
ability claims against the manufacturer, distributor,
or product seller of such medical product.

(3) PACKAGING.—In a health care lawsuit for
harm which is alleged to relate to the adequacy of
the packaging or labeling of a drug which is required
to have tamper-resistant packaging under regula-
tions of the Secretary of Health and Human Serv-
ices (including labeling regulations related to such
packaging), the manufacturer or product seller of
the drug shall not be held liable for punitive dam-
ages unless such packaging or labeling is found by
the trier of fact by clear and convincing evidence to
be substantially out of compliance with such regula-
tions.

(4) EXCEPTION.—Paragraph (1) shall not
apply in any health care lawsuit in which—

(A) a person, before or after premarket ap-
proval, clearance, or licensure of such medical
product, knowingly misrepresented to or with-
held from the Food and Drug Administration
information that is required to be submitted
under the Federal Food, Drug, and Cosmetic
Act (21 U.S.C. 301 et seq.) or section 351 of
the Public Health Service Act (42 U.S.C. 262)
that is material and is causally related to the
harm which the claimant allegedly suffered;

(B) a person made an illegal payment to
an official of the Food and Drug Administra-
tion for the purpose of either securing or main-
taining approval, clearance, or licensure of such
medical product; or

(C) the defendant caused the medical prod-
uct which caused the claimant’s harm to be
misbranded or adulterated (as such terms are

SEC. 107. AUTHORIZATION OF PAYMENT OF FUTURE DAMAGES TO CLAIMANTS IN HEALTH CARE LAWSUITS.

(a) IN GENERAL.—In any health care lawsuit, if an award of future damages, without reduction to present value, equaling or exceeding $50,000 is made against a party with sufficient insurance or other assets to fund a periodic payment of such a judgment, the court shall, at the request of any party, enter a judgment ordering that the future damages be paid by periodic payments, in accordance with the Uniform Periodic Payment of Judgments Act promulgated by the National Conference of Commissioners on Uniform State Laws.

(b) APPLICABILITY.—This section applies to all actions which have not been first set for trial or retrial before the effective date of this title.

SEC. 108. DEFINITIONS.

against a health care provider, a health care organi-
zation, or the manufacturer, distributor, supplier,
marketer, promoter, or seller of a medical product,
regardless of the theory of liability on which the

tiffs, defendants, or other parties, or the number of
claims or causes of action, in which the claimant al-
leges a health care liability claim. Such term does
not include a claim or action which is based on
criminal liability; which seeks civil fines or penalties
paid to Federal, State, or local government; or which
is grounded in antitrust.

(7) HEALTH CARE LIABILITY ACTION.—The
term “health care liability action” means a civil ac-
tion brought in a State or Federal court or pursuant
to an alternative dispute resolution system, against
a health care provider, a health care organization, or
the manufacturer, distributor, supplier, marketer,

(9) **Health care organization.**—The term “health care organization” means any person or entity which is obligated to provide or pay for health benefits under any health plan, including any person or entity acting under a contract or arrangement with a health care organization to provide or administer any health benefit.

U.S.C. 321(g)(1) and (h)) and section 351(a) of the

(A) this title does not affect the application
of the rule of law to such an action; and

(B) any rule of law prescribed by this title
in conflict with a rule of law of such title XXI
shall not apply to such action.

(2) If there is an aspect of a civil action

title or otherwise applicable law (as determined
under this title) will apply to such aspect of such ac-

(b) Other Federal Law.—Except as provided in
this section, nothing in this title shall be deemed to affect
any defense available to a defendant in a health care law-

STATES’ RIGHTS.

(a) Health Care Lawsuits.—The provisions gov-
erning health care lawsuits set forth in this title preempt,
subject to subsections (b) and (c), State law to the extent
that State law prevents the application of any provisions
of law established by or under this title. The provisions
governing health care lawsuits set forth in this title super-
sede chapter 171 of title 28, United States Code, to the
extent that such chapter—

(1) provides for a greater amount of damages
or contingent fees, a longer period in which a health
care lawsuit may be commenced, or a reduced appli-
cability or scope of periodic payment of future dam-
ages, than provided in this title; or

(2) prohibits the introduction of evidence re-
garding collateral source benefits, or mandates or
permits subrogation or a lien on collateral source
benefits.
(b) Protection of States’ Rights and Other Laws.—(1) Any issue that is not governed by any provision of law established by or under this title (including State standards of negligence) shall be governed by otherwise applicable State or Federal law.

(2) This title shall not preempt or supersede any State or Federal law that imposes greater procedural or substantive protections for health care providers and health care organizations from liability, loss, or damages than those provided by this title or create a cause of action.

c) State Flexibility.—No provision of this title shall be construed to preempt—

(1) any State law (whether effective before, on, or after the date of the enactment of this title) that specifies a particular monetary amount of compensatory or punitive damages (or the total amount of damages) that may be awarded in a health care lawsuit, regardless of whether such monetary amount is greater or lesser than is provided for under this title, notwithstanding section 4(a); or

(2) any defense available to a party in a health care lawsuit under any other provision of State or Federal law.
SEC. 111. APPLICABILITY; EFFECTIVE DATE.

“(ii) the provisions of this section shall apply to an entity described in subparagraph (B) in the same manner as such provisions apply to an entity described in paragraph (4), except that—
“(I) notwithstanding paragraph (1)(B), the deeming of any entity described
in subparagraph (B), or of an officer, governing board member, employee, contractor, or on-call provider of such an entity, to be an employee of the Public Health Service for purposes of this section shall apply only with respect to items and services that are furnished to an individual pursuant to section 1867 of the Social Security Act and to post stabilization services (as defined in subparagraph (D)) furnished to such an individual;

“(II) nothing in paragraph (1)(D) shall be construed as preventing a physician or physician group described in subparagraph (B)(ii) from making the application referred to in such paragraph or as conditioning the deeming of a physician or physician group that makes such an application upon receipt by the Secretary of an application from the hospital or emergency department that employs or contracts with the physician or group, or enlists the physician or physician group as an on-call provider;
“(III) notwithstanding paragraph (3), this paragraph shall apply only with respect to causes of action arising from acts or omissions that occur on or after January 1, 2012;

“(IV) paragraph (5) shall not apply to a physician or physician group described in subparagraph (B)(ii);

“(C) For purposes of this paragraph, the term ‘on-call provider’ means a physician or physician group that—

“(i) has full, temporary, or locum tenens staff privileges at a hospital or emergency department to which section 1867 of the Social Security Act applies; and

“(ii) is not employed by or under contract with such hospital or emergency department, but agrees to be ready and available to provide

‘post stabilization services’ means, with respect to an
individual who has been treated by an entity de-
scribed in subparagraph (B) for purposes of com-
plying with section 1867 of the Social Security Act,
services that are—

“(i) related to the condition that was so
treated; and

“(ii) provided after the individual is sta-
bilized in order to maintain the stabilized condi-
tion or to improve or resolve the condition of
the individual.

“(E)(i) Nothing in this paragraph (or in any
other provision of this section as such provision ap-
plies to entities described in subparagraph (B) by
operation of subparagraph (A)) shall be construed as
authorizing or requiring the Secretary to make pay-
ments to such entities, the budget authority for
which is not provided in advance by appropriation
Acts.
“(ii) The Secretary shall limit the total amount
of payments under this paragraph for a fiscal year
to the total amount appropriated in advance by ap-
propriation Acts for such purpose for such fiscal
year. If the total amount of payments that would
otherwise be made under this paragraph for a fiscal
year exceeds such total amount appropriated, the
Secretary shall take such steps as may be necessary
to ensure that the total amount of payments under
this paragraph for such fiscal year does not exceed
such total amount appropriated.”.

PLICATION OF ANTITRUST
LAWS TO HEALTH SECTOR IN-
SURERS

SEC. 401. SHORT TITLE.

This title may be cited as the “Health Insurance In-
dustry Fair Competition Act of 2012”.

HR 5 RDS
SEC. 402. APPLICATION OF THE ANTITRUST LAWS TO THE
BUSINESS OF HEALTH INSURANCE.

(a) Amendment to McCarran-Ferguson Act.—
Section 3 of the Act of March 9, 1945 (15 U.S.C. 1013),
commonly known as the McCarran-Ferguson Act, is
amended by adding at the end the following:

“(c) Nothing contained in this Act shall modify, im-
pair, or supersede the operation of any of the antitrust
laws with respect to the business of health insurance. For
purposes of the preceding sentence, the term ‘antitrust
laws’ has the meaning given it in subsection (a) of the
first section of the Clayton Act, except that such term in-
cludes section 5 of the Federal Trade Commission Act to
the extent that such section 5 applies to unfair methods
of competition. For the purposes of this subsection, the
term ‘business of health insurance’ shall—

“(1) mean ‘health insurance coverage’ offered
by a ‘health insurance issuer’ as those terms are de-
defined in section 9001 of the Patient Protection and
Affordable Care Act, which incorporates by reference
and utilizes the definitions included in section 9832
of the Internal Revenue Code (26 U.S.C. 9832); and

“(2) not include—

“(A) life insurance and annuities;

“(B) property or casualty insurance, in-
cluding but not limited to, automobile, medical
malpractice or workers’ compensation insurance; or

“(C) any insurance or benefits defined as ‘excepted benefits’ under section 9832(c) of the Internal Revenue Code (26 U.S.C. 9832(c)), whether offered separately or in combination with products described in subparagraph (A).”.

(b) RELATED PROVISION.—For purposes of section 5 of the Federal Trade Commission Act (15 U.S.C. 45) to the extent such section applies to unfair methods of competition, section 3(c) of the McCarran-Ferguson Act shall apply with respect to the business of health insurance without regard to whether such business is carried on for profit, notwithstanding the definition of “Corporation” contained in section 4 of the Federal Trade Commission Act.

(c) LIMITATION ON CLASS ACTIONS.—

(1) LIMITATION.—No class action may be heard in a Federal or State court on a claim against a person engaged in the business of health insurance for a violation of any of the antitrust laws (as defined in section 3(c) of the Act of March 9, 1945 (15 U.S.C. 1013), commonly known as the McCarran-Ferguson Act).
(2) EXEMPTION.—Paragraph (1) shall not apply with respect to any action commenced—

(A) by the United States or any State; or

(B) by a named claimant for an injury only to itself.

TITLE V—PROTECTIONS FOR GOOD SAMARITAN HEALTH PROFESSIONALS
