**SEC. 715. DISADVANTAGED BUSINESS ENTERPRISE PROGRAM ADJUSTMENTS.**

(a) **PURPOSE.**—It is the purpose of the airport disadvantaged business enterprise program (49 U.S.C. 47107(e) and 47113) to ensure that minority- and women-owned businesses do not face barriers because of their race or gender and so that they have a fair opportunity to compete in Federally assisted airport contracts and concessions.

(b) **FINDINGS.**—The Congress finds the following:

(1) While significant progress has occurred due to the enactment of the airport disadvantaged business enterprise program (49 U.S.C. 47107(e) and 47113), discrimination continues to be a barrier for minority- and women-owned businesses seeking to do business in airport-related markets. This continuing barrier merits the continuation of the airport disadvantaged business enterprise program.

(2) The Congress has received recent evidence of discrimination from numerous sources, including con-
gressional hearings and roundtables, scientific reports, reports issued by public and private agencies, news stories, reports of discrimination by organizations and individuals, and discrimination lawsuits. This evidence also shows that race- and gender-neutral efforts alone are insufficient to address the problem.

(3) This evidence demonstrates that discrimination across the nation poses a barrier to full and fair participation in airport related businesses of women business owners and minority business owners in the racial groups detailed in parts 23 and 26 of title 49, Code of Federal Regulations, and has impacted firm development and many aspects of airport related business in the public and private markets.

(4) This evidence provides a strong basis for the continuation of the airport disadvantaged business enterprise program and the airport concessions disadvantaged business enterprise program.

(c) IN GENERAL.—Section 47107(e) is amended—

(1) by redesignating paragraph (8) as paragraph (9); and

“(B) Implementation.—The training program may be implemented by one or more private entities approved by the Secretary.

“(C) Participants.—A person referred to in paragraph (1) is an official or agent of an airport owner or operator who is required to provide a written assurance under paragraph (1) that the airport owner or operator will meet the percentage goal of paragraph (1) or who is responsible for determining whether or not a small business concern in airport concessions qualifies as a

owner’s personal net worth, any funds held in a
