A BILL

To provide for auditable financial statements for the Department of Defense, and for other purposes.

Be it enacted by the Senate and House of Representa-

tives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Audit the Pentagon

Act of 2012”.

SEC. 2. FINDINGS.

Congress makes the following findings:

(1) Section 9 of Article 1 of the Constitution of

the United States requires all agencies of the Fed-
eral Government, including the Department of De-
fense, to publish “a regular statement and account
of the receipts and expenditures of all public
money”.

(2) Section 3515 of title 31, United States
Code, requires the agencies of the Federal Govern-
ment, including the Department of Defense, to
present auditable financial statements beginning not
later than March 1, 1997. The Department has not
complied with this law.

(3) The Federal Financial Management Im-
provement Act of 1996 (31 U.S.C. 3512 note) re-
quires financial systems acquired by the Federal
Government, including the Department of Defense,
to be able to provide information to leaders to man-
age and control the cost of government. The Depart-
ment has not complied with this law.

(4) The financial management of the Depart-
ment of Defense has been on the “High-Risk” list
of Government Accountability Office, which means
that the Department is not consistently able to “con-
trol costs; ensure basic accountability; anticipate fu-
ture costs and claims on the budget; measure per-
formance; maintain funds control; [and] prevent and
detect fraud, waste, and abuse”.
(5) The National Defense Authorization Act for Fiscal Year 2002 (Public Law 107–107) requires the Secretary of Defense to report to Congress annually on the reliability of the financial statements of the Department of Defense, to minimize resources spent on producing unreliable financial statements, and to use resources saved to improve financial management policies, procedures, and internal controls.

(6) In 2005, the Department of Defense created a Financial Improvement and Audit Readiness (FIAR) Plan, overseen by a directorate within the office of the Under Secretary of Defense (Comptroller), to improve Department business processes with the goal of producing timely, reliable, and accurate financial information that could generate an audit-ready annual financial statement. In December 2005, that directorate, known as the FIAR Directorate, issued the first of a series of semiannual reports on the status of the Financial Improvement and Audit Readiness Plan.

(7) The National Defense Authorization Act for Fiscal Year 2010 (Public Law 111–84) requires regular status reports on the Financial Improvement and Audit Readiness Plan described in paragraph (6), and codified as a statutory requirement the goal
of the Plan in ensuring that Department of Defense financial statements are validated as ready for audit not later than September 30, 2017.

(8) At a September 2010 hearing of the Senate, the Government Accountability Office stated that past expenditures by the Department of Defense of $5,800,000,000 to improve financial information, and billions of dollars more of anticipated expenditures on new information technology systems for that purpose, may not suffice to achieve full audit readiness of the financial statement of the Department. At that hearing, the Government Accountability Office could not predict when the Department would achieve full audit readiness of such statements.

SEC. 3. AUDIT READINESS OF THE FINANCIAL STATEMENTS OF THE DEPARTMENT OF DEFENSE.

(1) in clause (i), by striking “and” at the end;

(2) by redesignating clause (ii) as clause (iv); and
(3) by inserting after clause (i) the following new clauses:

“(ii) ensuring that a complete and validated statement of budgetary resources of the Department of Defense is ready by not later than September 30, 2014;

“(iii) ensuring that the full set of consolidated financial statements of the Department for the fiscal year ending September 30, 2017, and each fiscal year thereafter, are ready in a timely manner and in preparation for an audit, including submitting the reports not later than November 15, 2017, and each year thereafter, in order to seek an audit opinion on its financial statements; and”.

(b) DEFINITION OF VALIDATED AS READY FOR AUDIT.—Such section is further amended by adding at the end the following new subsection:

“(d) VALIDATED AS READY FOR AUDIT DEFINED.—In this section, the term ‘validated as ready for audit’ means the following:

“(1) In the case of the financial statements of a military department, that the audit agencies of the military department have reviewed such statements
and determined, in writing, that such statements are ready for audit.

“(2) In the case of the financial statements of a Defense Agency, that the audit agencies of the Defense Agency have reviewed such statements and determined, in writing, that such statements are ready for audit.”.

SEC. 4. CESSION OF APPLICABILITY OF REPORTING REQUIREMENTS REGARDING THE FINANCIAL STATEMENTS OF THE DEPARTMENT OF DE- FENSE.

(a) CESSATION OF APPLICABILITY.—

(1) MILITARY DEPARTMENTS.—The financial statements of a military department shall cease to be covered by the reporting requirements specified in subsection (b) upon the issuance of an unqualified audit opinion on such financial statements.

(2) DEPARTMENT OF DEFENSE.—The reporting requirements specified in subsection (b) shall cease to be effective when an unqualified audit opinion is issued on the financial statements of the Department of Defense, including each of the military departments and the Defense Agencies.

(1) A list of each report of the Department of Defense required by law to be submitted to Congress which, in the opinion of the Under Secretary, would no longer be necessary if the financial statements of the Department of Defense were audited with an unqualified opinion.

(2) A list of each report of the Department required by law to be submitted to Congress which, in the opinion of the Under Secretary, interferes with
the capacity of the Department to achieve an audit
of the financial statements of the Department with
an unqualified opinion.

PARTMENTS OF AUDIT WITH UNQUALIFIED
