(2) DEFINITION.—In this section, the term “advance appropriation” means any new budget authority provided in a bill or joint resolution making appropriations for fiscal year 2014 that first becomes available for any fiscal year after 2014 or any new budget authority provided in a bill or joint resolution making appropriations for fiscal year 2015 that first becomes available for any fiscal year after 2015.

(b) EXCEPTIONS.—Advance appropriations may be provided—

(1) for fiscal years 2015 and 2016 for programs, projects, activities, or accounts identified in the joint explanatory statement of managers accompanying this resolution under the heading “Accounts Identified for Advance Appropriations” in an aggregate amount not to exceed $28,852,000,000 in new budget authority in each year;

amendment, or concur in the House amendment with a fur-
ther amendment, as the case may be, which further amend-
ment shall consist of only that portion of the conference re-
port or House amendment, as the case may be, not so strick-
en. Any such motion in the Senate shall be debatable. In
any case in which such point of order is sustained against
a conference report (or Senate amendment derived from
such conference report by operation of this subsection), no
further amendment shall be in order.

(f) INAPPLICABILITY.—In the Senate, section 402 of S.
Con. Res. 13 (111th Congress) shall no longer apply.

SEC. 403. ADJUSTMENTS FOR SEQUESTRATION OR SEQUES-
TRATION REPLACEMENT.

(a) ADJUSTMENTS UNDER CURRENT LAW.—If the en-
forcement procedures established under section 251A of the
Balanced Budget and Emergency Deficit Control Act of
1985 and section 901(e) of the American Taxpayer Relief
Act of 2012 go into, or remain in effect, the Chairman of
the Committee on the Budget of the Senate may adjust the
allocation called for in section 302(a) of the Congressional
Budget Act of 1974 (2 U.S.C. 633(a)) to the appropriate

SEC. 404. SENATE POINT OF ORDER AGAINST PROVISIONS OF APPROPRIATIONS LEGISLATION THAT CONSTITUTE CHANGES IN MANDATORY PROGRAMS AFFECTING THE CRIME VICTIMS FUND.

(a) IN GENERAL.—In the Senate, it shall not be in order to consider any appropriations legislation, including any amendment thereto, motion in relation thereto, or conference report thereon, that includes any provision or provisions affecting the Crime Victims Fund (as established by
section 1402 of Public Law 98–473 (42 U.S.C. 10601))
which constitutes a change in a mandatory program that
would have been estimated as affecting direct spending or
receipts under section 252 of the Balanced Budget and
Emergency Deficit Control Act of 1985 (as in effect prior
to September 30, 2002) were they included in legislation
other than appropriations legislation. A point of order pur-
suant to this section shall be raised against such provision
or provisions as described in subsections (d) and (e).

(b) DETERMINATION.—The determination of whether a
 provision is subject to a point of order pursuant to this
 section shall be made by the Committee on the Budget of
 the Senate.

(c) SUPERMAJORITY WAIVER AND APPEAL.—This sec-

an affirmative vote of three-fifths of the Members, duly cho-

Members of the Senate, duly chosen and sworn, shall be re-
quired to sustain an appeal of the ruling of the Chair on
 a point of order raised under this section.

(d) GENERAL POINT OF ORDER.—It shall be in order
for a Senator to raise a single point of order that several
provisions of a bill, resolution, amendment, motion, or con-
ference report violate this section. The Presiding Officer
may sustain the point of order as to some or all of the provi-
visions against which the Senator raised the point of order. If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the point of order, then only those provisions (including provision of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section. Before the Presiding Officer rules on such a point of order, any Senator may move to waive such a point of order as it applies to some or all of the provisions against which the point of order was raised. Such a motion to waive is amendable in accordance with rules and precedents of the Senate. After the Presiding Officer rules on such a point of order, any Senator may appeal the ruling of the Presiding Officer on such a point of order as it applies to some or all of the provisions on which the Presiding Officer ruled.

(e) Form of the Point of Order.—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a bill, upon a point of order being made by any Senator pursuant to this section, and such point of order being sustained, such material contained in such conference report or amendment shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its
amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

SEC. 405. SUPERMAJORITY ENFORCEMENT.

Section 425(a)(1) and (2) of the Congressional Budget Act of 1974 shall be subject to the waiver and appeal requirements of subsections (c)(2) and (d)(3) of section 904 of the Congressional Budget Act of 1974.

SEC. 406. PROHIBITING THE USE OF GUARANTEE FEES AS AN OFFSET.

(a) Purpose.—The purpose of this section is to ensure that increases in guarantee fees charged by Fannie Mae and Freddie Mac shall not be used to offset provisions that increase the deficit.

(b) Budgetary Rule.—In the Senate, for purposes of determining budgetary impacts to evaluate points of order under this resolution and the Congressional Budget Act of 1974, this resolution, any previous resolution, and
any subsequent budget resolution, provisions contained in
any bill, resolution, amendment, motion, or conference re-
port that increases any guarantee fees of Fannie Mae and
Freddie Mac shall not be scored with respect to the level
of budget authority, outlays, or revenues contained in such
legislation.

Subtitle B—Other Provisions

SEC. 411. OVERSIGHT OF GOVERNMENT PERFORMANCE.

In the Senate, all committees are directed to review
programs and tax expenditures within their jurisdiction to
identify waste, fraud, abuse, or duplication, and increase
the use of performance data to inform committee work.
Committees are also directed to review the matters for con-
gressional consideration identified on the Government Ac-
countability Office’s High Risk list and the annual report
to reduce program duplication. Based on these oversight ef-
forts and performance reviews of programs within their ju-
risdiction, committees are directed to include recommenda-
tions for improved governmental performance in their an-
nual views and estimates reports required under section
301(d) of the Congressional Budget Act of 1974 to the Com-
mittees on the Budget.
SEC. 412. BUDGETARY TREATMENT OF CERTAIN DISCRETIONARY ADMINISTRATIVE EXPENSES.

In the Senate, notwithstanding section 302(a)(1) of the Congressional Budget Act of 1974, section 13301 of the Budget Enforcement Act of 1990, and section 2009a of title 39, United States Code, the joint explanatory statement accompanying the conference report on any concurrent resolution on the budget shall include in its allocations under section 302(a) of the Congressional Budget Act of 1974 to the Committees on Appropriations amounts for the discretionary administrative expenses of the Social Security Administration and of the Postal Service.

SEC. 413. APPLICATION AND EFFECT OF CHANGES IN ALLOCATIONS AND AGGREGATES.

(a) APPLICATION.—Any adjustments of allocations and aggregates made pursuant to this resolution shall—

(1) apply while that measure is under consideration;

(2) take effect upon the enactment of that measure; and

(3) be published in the Congressional Record as soon as practicable.

(b) EFFECT OF CHANGED ALLOCATIONS AND AGGREGATES.—Revised allocations and aggregates resulting from these adjustments shall be considered for the purposes of the
Congressional Budget Act of 1974 as allocations and aggregates contained in this resolution.

(c) **Budget Committee Determinations.**—For purposes of this resolution the levels of new budget authority, outlays, direct spending, new entitlement authority, revenues, deficits, and surpluses for a fiscal year or period of fiscal years shall be determined on the basis of estimates made by the Committee on the Budget of the Senate.

SEC. 414. **Adjustments to Reflect Changes in Concepts and Definitions.**

Upon the enactment of a bill or joint resolution providing for a change in concepts or definitions, the Chairman of the Committee on the Budget of the Senate may make adjustments to the levels and allocations in this resolution in accordance with section 251(b) of the Balanced Budget and Emergency Deficit Control Act of 1985.

SEC. 415. **Exercise of Rulemaking Powers.**

Congress adopts the provisions of this title—

(1) as an exercise of the rulemaking power of the Senate, and as such they shall be considered as part of the rules of the Senate and such rules shall supersede other rules only to the extent that they are inconsistent with such other rules; and

(2) with full recognition of the constitutional right of the Senate to change those rules at any time,
in the same manner, and to the same extent as is the case of any other rule of the Senate.

SEC. 416. CONGRESSIONAL BUDGET OFFICE ESTIMATES.

(a) Request for Supplemental Estimates.—In the case of any legislative provision to which this section applies, the Congressional Budget Office, with the assistance of the Joint Committee on Taxation, shall prepare, to the extent practicable, as a supplement to the cost estimate for legislation affecting revenues, an estimate of the revenue changes in connection with such provision that incorporates the macroeconomic effects of the policy being analyzed. Any macroeconomic impact statement under the preceding sentence shall be accompanied by a written statement fully disclosing the economic, technical, and behavioral assumptions that were made in producing—

(1) such estimate; and

(2) the conventional estimate in connection with such provision.

(b) Legislative Provisions to Which This Section Applies.—This section shall apply to any legislative provision—

(1) which proposes a change or changes to law that the Congressional Budget Office determines, pursuant to a conventional fiscal estimate, has a revenue
impact in excess of $5,000,000,000 in any fiscal year;

or

(2) with respect to which the chair or ranking member of the Committee on the Budget of either the Senate or the House of Representatives has requested an estimate described in subsection (a).

**TITLE V—OTHER MATTERS**

**SEC. 501. TO REQUIRE TRANSPARENT REPORTING ON THE ONGOING COSTS TO TAXPAYERS OF OBAMACARE.**

When the Congressional Budget Office releases its annual Update to the Budget and Economic Outlook, the Congressional Budget Office shall report changes in direct spending and revenue associated with the Patient Protection and Affordable Care Act (Public Law 111–148) and the Health Care and Education Reconciliation Act of 2010 (Public Law 111–152), including the net impact on deficit, both with on-budget and off-budget effects. The information shall be similar to that provided in Table 2 of the Congressional Budget Office’s March 20, 2010 estimate of the budgetary effects of the Health Care and Education Reconciliation Act of 2010 and the Patient Protection and Affordable Care Act (PPACA), as passed by the Senate.
SEC. 502. TO REQUIRE FULLER REPORTING ON POSSIBLE COSTS TO TAXPAYERS OF OBAMACARE.

When the Congressional Budget Office releases its annual update to the Budget and Economic Outlook, the Congressional Budget Office shall provide an analysis of the budgetary effects of 30 percent, 50 percent, and 100 percent of Americans losing employer sponsored health insurance and accessing coverage through Federal or State exchanges.

SEC. 503. TO REQUIRE FULLER REPORTING ON POSSIBLE COSTS TO TAXPAYERS OF ANY BUDGET SUBMITTED BY THE PRESIDENT.

When the Congressional Budget Office submits its report to Congress relating to a budget submitted by the President for a fiscal year under section 1105 of title 31, United States Code, such report shall contain—

(1) an estimate of the pro rata cost for taxpayers who will file individual income tax returns for taxable years ending during such fiscal year of any deficit that would result from the budget; and

(2) an analysis of the budgetary effects described in paragraph (1).

SEC. 504. SENSE OF SENATE ON UNDERUTILIZED FACILITIES OF THE NATIONAL AERONAUTICS AND SPACE ADMINISTRATION AND THEIR POTENTIAL USE.

(a) FINDINGS.—The Senate finds the following:
(1) The National Aeronautics and Space Administration (NASA) is the ninth largest real property holder of the Federal Government, with more than 124,000 acres and more than 4,900 buildings and other structures with a replacement value of more than $30,000,000,000.

(2) The annual operation and maintenance costs of the National Aeronautics and Space Administration have increased steadily, and, as of 2012, the Administration has more than $2,300,000,000 in annual deferred maintenance costs.

(3) According to Office of Inspector General (OIG) of the National Aeronautics and Space Administration, the Administration continues to retain real property that is underutilized, does not have identified future mission uses, or is duplicative of other assets in its real property inventory.

(4) The Office of Inspector General, the Government Accountability Office (GAO), and Congress have identified the aging and duplicative infrastructure of the National Aeronautics and Space Administration as a high priority and longstanding management challenge.

(5) In the NASA Authorization Act of 2010, Congress directed the National Aeronautics and Space
Administration to examine its real property assets and downsize to fit current and future missions and expected funding levels, paying particular attention to identifying and removing unneeded or duplicative infrastructure.

(6) The Office of Inspector General found at least 33 facilities, including wind tunnels, test stands, airfields, and launch infrastructure, that were underutilized or for which National Aeronautics and Space Administration managers could not identify a future mission use and that the need for these facilities have declined in recent years as a result of changes in the mission focus of the Administration, the condition and obsolescence of some facilities, and the advent of alternative testing methods.

(7) The Office of Inspector General found that the National Aeronautics and Space Administration has taken steps to minimize the costs of continuing to maintain some of these facilities by placing them in an inactive state or leasing them to other parties.

(8) The National Aeronautics and Space Administration has a series of initiatives underway that, in the judgment of the Office of Inspector General, are "positive steps towards 'rightsizing' its real property footprint", and the Office of Inspector General has
concluded that “it is imperative that NASA move forward aggressively with its infrastructure reduction efforts”.

(9) Existing and emerging United States commercial launch and exploration capabilities are providing cargo transportation to the International Space Station and offer the potential for providing crew support, access to the International Space Station, and missions to low Earth orbit while the National Aeronautics and Space Administration focuses its efforts on heavy-lift capabilities and deep space missions.

(10) National Aeronautics and Space Administration facilities and property that are underutilized, duplicative, or no longer needed for Administration requirements could be utilized by commercial users and State and local entities, resulting in savings for the Administration and a reduction in the burden of the Federal Government to fund space operations.

(b) SENSE OF SENATE.—It is the sense of the Senate that the levels in this concurrent resolution assume—

(1) the National Aeronautics and Space Administration should move forward with plans to reduce its infrastructure and, to the greatest extent practicable, make property available for lease to a govern-
ment or private tenant or report the property to the
General Services Administration (GSA) for sale or
transfer to another entity;

(2) the National Aeronautics and Space Admin-
istration should pursue opportunities for streamlined
sale or lease of property and facilities, including for
exclusive use, to a private entity, or expedited convey-
ance or transfer to a State or political subdivision,
municipality, instrumentality of a State, or Depart-
ment of Transportation-licensed launch site operators
for the promotion of commercial or scientific space
activity and for developing and operating space
launch facilities; and

(3) leasing or transferring underutilized facili-
ties and properties to commercial space entities or
State or local governments will reduce operation and
maintenance costs for the National Aeronautics and
Space Administration, save money for the Federal
Government, and promote commercial space and the
exploration goals of the Administration and the
United States.
