13            (2) in recent years preceding the date of enact-

2 for those activities;

3 (5) Federal law in effect on the date of enact-

7 pansion of public target ranges by making available  
8 to States amounts that may be used for construc-  
9 tion, operation, and maintenance of public target  
10 ranges; and

11 (6) it is in the public interest to provide in-  
12 creased Federal support to facilitate the construction  
13 or expansion of public target ranges.

14 (b) PURPOSE.—The purpose of this Act is to facili-
