(b) PHASED TRANSFERS.—Transfers of project-based assistance under this section may be done in phases to accommodate the financing and other requirements related to rehabilitating or constructing the project or projects to which the assistance is transferred, to ensure
that such project or projects meet the standards under
section (c).

(c) The transfer authorized in subsection (a) is sub-
ject to the following conditions:

(1) **NUMBER AND BEDROOM SIZE OF UNITS.**—

(A) For occupied units in the transferring
project: the number of low-income and very low-
income units and the configuration (i.e. bed-
room size) provided by the transferring project
shall be no less than when transferred to the re-
ceiving project or projects and the net dollar
amount of Federal assistance provided by the
transferring project shall remain the same in
the receiving project or projects.

(B) For unoccupied units in the transferr-
ing project: the Secretary may authorize a re-
duction in the number of dwelling units in the
receiving project or projects to allow for a re-

on, such project by the Secretary, except that the
Secretary may waive this requirement upon deter-
mination that such a waiver is necessary to facilitate
the financing of acquisition, construction, and/or re-
habilitation of the receiving project or projects.

(9) If the transferring project meets the re-
quirements of subsection (c)(2)(E), the owner or
mortgagor of the receiving project or projects shall
execute and record either a continuation of the exist-
ing use agreement or a new use agreement for the
project where, in either case, any use restrictions in
such agreement are of no lesser duration than the
existing use restrictions.

(10) The transfer does not increase the cost (as
defined in section 502 of the Congressional Budget

mortgage, except to the extent that appropriations
are provided in advance for the amount of any such
increased cost.
