To clarify that compliance with an emergency order under section 202(c) of the Federal Power Act may not be considered a violation of any Federal, State, or local environmental law or regulation, and for other purposes.

1        *Be it enacted by the Senate and House of Representa-*  
2        *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Resolving Environ-  
3 mental and Grid Reliability Conflicts Act of 2013”.

4 **SEC. 2. AMENDMENTS TO THE FEDERAL POWER ACT.**

5 (a) COMPLIANCE WITH OR VIOLATION OF ENVIRON-  
6 MENTAL LAWS WHILE UNDER EMERGENCY ORDER.—  
7 Section 202(c) of the Federal Power Act (16 U.S.C.  
8 824a(c)) is amended—

9 (1) by inserting “(1)” after “(c)”; and

10 (2) by adding at the end the following:

11 “(2) With respect to an order issued under this sub-  
12 section that may result in a conflict with a requirement  
13 of any Federal, State, or local environmental law or regu-  
14 lation, the Commission shall ensure that such order re-  
15 quires generation, delivery, interchange, or transmission  
16 of electric energy only during hours necessary to meet the  
17 emergency and serve the public interest, and, to the max-  
18 imum extent practicable, is consistent with any applicable  
19 Federal, State, or local environmental law or regulation  
20 and minimizes any adverse environmental impacts.

21 “(3) To the extent any omission or action taken by  
22 a party, that is necessary to comply with an order issued  
23 under this subsection, including any omission or action  
24 taken to voluntarily comply with such order, results in  
25 noncompliance with, or causes such party to not comply  
26 with, any Federal, State, or local environmental law or

1 regulation, such omission or action shall not be considered  
2 a violation of such environmental law or regulation, or  
3 subject such party to any requirement, civil or criminal  
4 liability, or a citizen suit under such environmental law  
5 or regulation.

6       “(4)(A) An order issued under this subsection that  
7 may result in a conflict with a requirement of any Federal,  
8 State, or local environmental law or regulation shall expire  
9 not later than 90 days after it is issued. The Commission  
10 may renew or reissue such order pursuant to paragraphs  
11 (1) and (2) for subsequent periods, not to exceed 90 days  
12 for each period, as the Commission determines necessary  
13 to meet the emergency and serve the public interest.

14       “(B) In renewing or reissuing an order under sub-  
15 paragraph (A), the Commission shall consult with the pri-  
16 mary Federal agency with expertise in the environmental  
17 interest protected by such law or regulation, and shall in-  
18 clude in any such renewed or reissued order such condi-  
19 tions as such Federal agency determines necessary to min-  
20 imize any adverse environmental impacts to the maximum  
21 extent practicable. The conditions, if any, submitted by  
22 such Federal agency shall be made available to the public.  
23 The Commission may exclude such a condition from the  
24 renewed or reissued order if it determines that such condi-  
25 tion would prevent the order from adequately addressing

1 the emergency necessitating such order and provides in  
2 the order, or otherwise makes publicly available, an expla-  
3 nation of such determination.”.

4 (b) TEMPORARY CONNECTION OR CONSTRUCTION BY  
5 MUNICIPALITIES.—Section 202(d) of the Federal Power
