13 such methodology, the Secretary shall provide  
14 for a composite assessment (using a scoring  
15 scale of 0 to 100) for each such professional for

2           the methodology established under sub-  
3           paragraph (A), the Secretary shall provide  
4           that in the case of a MIPS eligible profes-  
5           sional who fails to report on an applicable  
6           measure or activity that is required to be

9           lowest potential score applicable to such  
10          measure or activity.

11          “(ii) ENCOURAGING USE OF CER-  
12          TIFIED EHR TECHNOLOGY AND QUALIFIED  
13          CLINICAL DATA REGISTRIES FOR REPORT-

20                 ance category described in paragraph  
21                 (2)(A)(i) through the use of certified  
22                 EHR technology and qualified clinical  
23                 data registries; and

24                 “(II) with respect to a perform-  
25                 ance period, with respect to a year,

1 for which a MIPS eligible professional  
2 reports such measures through the  
3 use of such EHR technology, treat  
4 such professional as satisfying the  
5 clinical quality measures reporting re-  
6 quirement described in subsection  
7 (o)(2)(A)(iii) for such year.

8 “(C) CLINICAL PRACTICE IMPROVEMENT  
9 ACTIVITIES PERFORMANCE SCORE.—

10 “(i) RULE FOR ACCREDITATION.—A

19 period.

20 “(ii) APM PARTICIPATION.—Partici-  
21 pation by a MIPS eligible professional in  
22 an alternative payment model (as defined  
23 in section 1833(z)(3)(C)) with respect to a  
24 performance period shall earn such eligible  
25 professional a minimum score of one-half

3 (2)(A)(iii) for such performance period.

4 “(iii) SUBCATEGORIES.—A MIPS eli-

19 provement is available, the methodology  
20 developed under subparagraph (A)—

21 “(I) in the case of the perform-  
22 ance score for the performance cat-  
23 egory described in clauses (i) and (ii)  
24 of paragraph (2)(A), shall take into

1 account the improvement of the pro-  
2 fessional; and

3 “(II) in the case of performance  
4 scores for other performance cat-  
5 egories, may take into account the im-  
6 provement of the professional.

7 “(ii) ASSIGNING HIGHER WEIGHT FOR  
8 ACHIEVEMENT.—Beginning with the  
9 fourth year to which the MIPS applies,  
10 under the methodology developed under  
11 subparagraph (A), the Secretary may as-  
12 sign a higher scoring weight under sub-  
13 paragraph (F) with respect to the achieve-  
14 ment of a MIPS eligible professional than  
15 with respect to any improvement of such  
16 professional applied under clause (i) with  
17 respect to a measure, activity, or category  
18 described in paragraph (2).

19 “(E) WEIGHTS FOR THE PERFORMANCE  
20 CATEGORIES.—

21 “(i) IN GENERAL.—Under the meth-  
22 odology developed under subparagraph (A),  
23 subject to subparagraph (F)(i) and clauses  
24 (ii) and (iii), the composite performance  
25 score shall be determined as follows:

1 “(I) QUALITY.—

2 “(aa) IN GENERAL.—Sub-  
3 ject to item (bb), thirty percent  
4 of such score shall be based on  
5 performance with respect to the  
6 category described in clause (i) of  
7 paragraph (2)(A). In applying  
8 the previous sentence, the Sec-  
9 retary shall, as feasible, encour-  
10 age the application of outcome  
11 measures within such category.

12 “(bb) FIRST 2 YEARS.—For  
13 the first and second years for  
14 which the MIPS applies to pay-  
15 ments, the percentage applicable  
16 under item (aa) shall be in-  
17 creased in a manner such that  
18 the total percentage points of the  
19 increase under this item for the  
20 respective year equals the total  
21 number of percentage points by  
22 which the percentage applied  
23 under subclause (II)(bb) for the  
24 respective year is less than 30  
25 percent.

1 “(II) RESOURCE USE.—

2 “(aa) IN GENERAL.—Sub-  
3 ject to item (bb), thirty percent  
4 of such score shall be based on  
5 performance with respect to the  
6 category described in clause (ii)  
7 of paragraph (2)(A).

8 “(bb) FIRST 2 YEARS.—For  
9 the first year for which the MIPS  
10 applies to payments, not more  
11 than 10 percent of such score  
12 shall be based on performance  
13 with respect to the category de-  
14 scribed in clause (ii) of para-  
15 graph (2)(A). For the second  
16 year for which the MIPS applies  
17 to payments, not more than 15  
18 percent of such score shall be  
19 based on performance with re-  
20 spect to the category described in  
21 clause (ii) of paragraph (2)(A).

22 “(III) CLINICAL PRACTICE IM-  
23 PROVEDMENT ACTIVITIES.—Fifteen  
24 percent of such score shall be based  
25 on performance with respect to the

1 category described in clause (iii) of  
2 paragraph (2)(A).

3 “(IV) MEANINGFUL USE OF CER-  
4 TIFIED EHR TECHNOLOGY.—Twenty-  
5 five percent of such score shall be  
6 based on performance with respect to  
7 the category described in clause (iv) of  
8 paragraph (2)(A).

9 “(ii) AUTHORITY TO ADJUST PER-  
10 CENTAGES IN CASE OF HIGH EHR MEAN-  
11 INGFUL USE ADOPTION.—In any year in  
12 which the Secretary estimates that the pro-  
13 portion of eligible professionals (as defined  
14 in subsection (o)(5)) who are meaningful  
15 EHR users (as determined under sub-  
16 section (o)(2)) is 75 percent or greater, the  
17 Secretary may reduce the percent applica-  
18 ble under clause (i)(IV), but not below 15  
19 percent. If the Secretary makes such re-  
20 duction for a year, subject to subclauses  
21 (I)(bb) and (II)(bb) of clause (i), the per-  
22 centages applicable under one or more of  
23 subclauses (I), (II), and (III) of clause (i)  
24 for such year shall be increased in a man-  
25 ner such that the total percentage points

1 of the increase under this clause for such  
2 year equals the total number of percentage  
3 points reduced under the preceding sen-  
4 tence for such year.

5 “(F) CERTAIN FLEXIBILITY FOR  
6 WEIGHTING PERFORMANCE CATEGORIES, MEAS-  
7 URES, AND ACTIVITIES.—Under the method-  
8 ology under subparagraph (A), if there are not  
9 sufficient measures and clinical practice im-  
10 provement activities applicable and available to  
11 each type of eligible professional involved, the  
12 Secretary shall assign different scoring weights  
13 (including a weight of 0)—

14 “(i) which may vary from the scoring  
15 weights specified in subparagraph (E), for  
16 each performance category based on the  
17 extent to which the category is applicable  
18 to the type of eligible professional involved;  
19 and

20 “(ii) for each measure and activity  
21 specified under paragraph (2)(B) with re-  
22 spect to each such category based on the  
23 extent to which the measure or activity is  
24 applicable and available to the type of eli-  
25 gible professional involved.

1           “(G) RESOURCE USE.—Analysis of the  
2 performance category described in paragraph  
3 (2)(A)(ii) shall include results from the method-  
4 ology described in subsection (r)(5), as appro-  
5 priate.

6           “(H) INCLUSION OF QUALITY MEASURE  
7 DATA FROM OTHER PAYERS.—In applying sub-  
8 sections (k), (m), and (p) with respect to meas-  
9 ures described in paragraph (2)(B)(i), analysis  
10 of the performance category described in para-  
11 graph (2)(A)(i) may include data submitted by  
12 MIPS eligible professionals with respect to  
13 items and services furnished to individuals who  
14 are not individuals entitled to benefits under  
15 part A or enrolled under part B.

16           “(I) USE OF VOLUNTARY VIRTUAL GROUPS  
17 FOR CERTAIN ASSESSMENT PURPOSES.—

18           “(i) IN GENERAL.—In the case of  
19 MIPS eligible professionals electing to be a  
20 virtual group under clause (ii) with respect  
21 to a performance period for a year, for  
22 purposes of applying the methodology  
23 under subparagraph (A)—

24                   “(I) the assessment of perform-  
25                   ance provided under such methodology

1 with respect to the performance cat-  
2 egories described in clauses (i) and  
3 (ii) of paragraph (2)(A) that is to be  
4 applied to each such professional in  
5 such group for such performance pe-  
6 riod shall be with respect to the com-  
7 bined performance of all such profes-  
8 sionals in such group for such period;  
9 and

10 “(II) the composite score pro-  
11 vided under this paragraph for such  
12 performance period with respect to  
13 each such performance category for  
14 each such MIPS eligible professional  
15 in such virtual group shall be based  
16 on the assessment of the combined  
17 performance under subclause (I) for  
18 the performance category and per-  
19 formance period.

20 “(ii) ELECTION OF PRACTICES TO BE  
21 A VIRTUAL GROUP.—The Secretary shall,  
22 in accordance with clause (iii), establish  
23 and have in place a process to allow an in-  
24 dividual MIPS eligible professional or a  
25 group practice consisting of not more than

1           10 MIPS eligible professionals to elect,  
2           with respect to a performance period for a  
3           year, for such individual MIPS eligible pro-  
4           fessional or all such MIPS eligible profes-  
5           sionals in such group practice, respectively,  
6           to be a virtual group under this subpara-  
7           graph with at least one other such indi-  
8           vidual MIPS eligible professional or group  
9           practice making such an election. Such a  
10          virtual group may be based on geographic  
11          areas or on provider specialties defined by  
12          nationally recognized multispecialty boards  
13          of certification or equivalent certification  
14          boards and such other eligible professional  
15          groupings in order to capture classifica-  
16          tions of providers across eligible profes-  
17          sional organizations and other practice  
18          areas or categories.

19                 “(iii) REQUIREMENTS.—The process  
20          under clause (ii)—

21                         “(I) shall provide that an election  
22                         under such clause, with respect to a  
23                         performance period, shall be made be-  
24                         fore or during the beginning of such  
25                         performance period and may not be

1 changed during such performance pe-  
2 riod;

3 “(II) shall provide that a practice  
4 described in such clause, and each  
5 MIPS eligible professional in such  
6 practice, may elect to be in no more  
7 than one virtual group for a perform-  
8 ance period; and

9 “(III) may provide that a virtual  
10 group may be combined at the tax  
11 identification number level.

12 “(6) MIPS PAYMENTS.—

13 “(A) MIPS ADJUSTMENT FACTOR.—Tak-  
14 ing into account paragraph (1)(G), the Sec-  
15 retary shall specify a MIPS adjustment factor  
16 for each MIPS eligible professional for a year.  
17 Such MIPS adjustment factor for a MIPS eligi-  
18 ble professional for a year shall be in the form  
19 of a percent and shall be determined—

20 “(i) by comparing the composite per-  
21 formance score of the eligible professional  
22 for such year to the performance threshold  
23 established under subparagraph (D)(i) for  
24 such year;

1           “(ii) in a manner such that the ad-  
2           justment factors specified under this sub-  
3           paragraph for a year result in differential  
4           payments under this paragraph reflecting  
5           that—

6                       “(I) MIPS eligible professionals  
7                       with composite performance scores for  
8                       such year at or above such perform-  
9                       ance threshold for such year receive  
10                      zero or positive incentive payment ad-  
11                      justment factors for such year in ac-  
12                      cordance with clause (iii), with such  
13                      professionals having higher composite  
14                      performance scores receiving higher  
15                      adjustment factors; and

16                     “(II) MIPS eligible professionals  
17                     with composite performance scores for  
18                     such year below such performance  
19                     threshold for such year receive nega-  
20                     tive payment adjustment factors for  
21                     such year in accordance with clause  
22                     (iv), with such professionals having  
23                     lower composite performance scores  
24                     receiving lower adjustment factors;

1           “(iii) in a manner such that MIPS eli-  
2           gible professionals with composite scores  
3           described in clause (ii)(I) for such year,  
4           subject to clauses (i) and (ii) of subpara-  
5           graph (F), receive a zero or positive ad-  
6           justment factor on a linear sliding scale  
7           such that an adjustment factor of 0 per-  
8           cent is assigned for a score at the perform-  
9           ance threshold and an adjustment factor of  
10          the applicable percent specified in subpara-  
11          graph (B) is assigned for a score of 100;  
12          and

13           “(iv) in a manner such that—

14           “(I) subject to subclause (II),  
15           MIPS eligible professionals with com-  
16           posite performance scores described in  
17           clause (ii)(II) for such year receive a  
18           negative payment adjustment factor  
19           on a linear sliding scale such that an  
20           adjustment factor of 0 percent is as-  
21           signed for a score at the performance  
22           threshold and an adjustment factor of  
23           the negative of the applicable percent  
24           specified in subparagraph (B) is as-  
25           signed for a score of 0; and

1                   “(II) MIPS eligible professionals  
2                   with composite performance scores  
3                   that are equal to or greater than 0,  
4                   but not greater than  $\frac{1}{4}$  of the per-  
5                   formance threshold specified under  
6                   subparagraph (D)(i) for such year, re-  
7                   ceive a negative payment adjustment  
8                   factor that is equal to the negative of  
9                   the applicable percent specified in  
10                  subparagraph (B) for such year.

11                  “(B) APPLICABLE PERCENT DEFINED.—  
12                  For purposes of this paragraph, the term ‘ap-  
13                  plicable percent’ means—

14                         “(i) for 2018, 4 percent;

15                         “(ii) for 2019, 5 percent;

16                         “(iii) for 2020, 7 percent; and

17                         “(iv) for 2021 and subsequent years,  
18                         9 percent.

19                  “(C) ADDITIONAL MIPS ADJUSTMENT FAC-  
20                  TORS FOR EXCEPTIONAL PERFORMANCE.—

21                         “(i) IN GENERAL.—In the case of a  
22                         MIPS eligible professional with a com-  
23                         posite performance score for a year at or  
24                         above the additional performance threshold  
25                         under subparagraph (D)(ii) for such year,

1 in addition to the MIPS adjustment factor  
2 under subparagraph (A) for the eligible  
3 professional for such year, subject to the  
4 availability of funds under clause (ii), the  
5 Secretary shall specify an additional posi-  
6 tive MIPS adjustment factor for such pro-  
7 fessional and year. Such additional MIPS  
8 adjustment factors shall be determined by  
9 the Secretary in a manner such that pro-  
10 fessionals having higher composite per-  
11 formance scores above the additional per-  
12 formance threshold receive higher addi-  
13 tional MIPS adjustment factors.

14 “(ii) ADDITIONAL FUNDING POOL.—  
15 For 2018 and each subsequent year  
16 through 2023, there is appropriated from  
17 the Federal Supplementary Medical Insur-  
18 ance Trust Fund \$500,000,000 for MIPS  
19 payments under this paragraph resulting  
20 from the application of the additional  
21 MIPS adjustment factors under clause (i).

22 “(D) ESTABLISHMENT OF PERFORMANCE  
23 THRESHOLDS.—

24 “(i) PERFORMANCE THRESHOLD.—  
25 For each year of the MIPS, the Secretary

1 shall compute a performance threshold  
2 with respect to which the composite per-  
3 formance score of MIPS eligible profes-  
4 sionals shall be compared for purposes of  
5 determining adjustment factors under sub-  
6 paragraph (A) that are positive, negative,  
7 and zero. Such performance threshold for  
8 a year shall be the mean or median (as se-  
9 lected by the Secretary) of the composite  
10 performance scores for all MIPS eligible  
11 professionals with respect to a prior period  
12 specified by the Secretary. The Secretary  
13 may reassess the selection under the pre-  
14 vious sentence every 3 years.

15 “(ii) ADDITIONAL PERFORMANCE  
16 THRESHOLD FOR EXCEPTIONAL PERFORM-  
17 ANCE.—In addition to the performance  
18 threshold under clause (i), for each year of  
19 the MIPS, the Secretary shall compute an  
20 additional performance threshold for pur-  
21 poses of determining the additional MIPS  
22 adjustment factors under subparagraph  
23 (C)(i). For each such year, the Secretary  
24 shall apply either of the following methods

1 for computing such additional performance  
2 threshold for such a year:

3 “(I) The threshold shall be the  
4 score that is equal to the 25th per-  
5 centile of the range of possible com-  
6 posite performance scores above the  
7 performance threshold with respect to  
8 the prior period described in clause  
9 (i).

10 “(II) The threshold shall be the  
11 score that is equal to the 25th per-  
12 centile of the actual composite per-  
13 formance scores for MIPS eligible  
14 professionals with composite perform-  
15 ance scores at or above the perform-  
16 ance threshold with respect to the  
17 prior period described in clause (i).

18 “(iii) SPECIAL RULE FOR INITIAL 2  
19 YEARS.—With respect to each of the first  
20 two years to which the MIPS applies, the  
21 Secretary shall, prior to the performance  
22 period for such years, establish a perform-  
23 ance threshold for purposes of determining  
24 MIPS adjustment factors under subpara-  
25 graph (A) and a threshold for purposes of

1 determining additional MIPS adjustment  
2 factors under subparagraph (C)(i). Each  
3 such performance threshold shall—

4 “(I) be based on a period prior to  
5 such performance periods; and

6 “(II) take into account—

7 “(aa) data available with re-  
8 spect to performance on meas-  
9 ures and activities that may be  
10 used under the performance cat-  
11 egories under subparagraph  
12 (2)(B); and

13 “(bb) other factors deter-  
14 mined appropriate by the Sec-  
15 retary.

16 “(E) APPLICATION OF MIPS ADJUSTMENT  
17 FACTORS.—In the case of items and services  
18 furnished by a MIPS eligible professional dur-  
19 ing a year (beginning with 2018), the amount  
20 otherwise paid under this part with respect to  
21 such items and services and MIPS eligible pro-  
22 fessional for such year, shall be multiplied by—

23 “(i) 1, plus

24 “(ii) the sum of—

1           “(I) the MIPS adjustment factor  
2           determined under subparagraph (A)  
3           divided by 100, and

4           “(II) as applicable, the additional  
5           MIPS adjustment factor determined  
6           under subparagraph (C)(i) divided by  
7           100.

8           “(F) AGGREGATE APPLICATION OF MIPS  
9           ADJUSTMENT FACTORS.—

10           “(i) APPLICATION OF SCALING FAC-  
11           TOR.—

12           “(I) IN GENERAL.—With respect  
13           to positive MIPS adjustment factors  
14           under subparagraph (A)(ii)(I) for eli-  
15           gible professionals whose composite  
16           performance score is above the per-  
17           formance threshold under subpara-  
18           graph (D)(i) for such year, subject to  
19           subclause (II), the Secretary shall in-  
20           crease or decrease such adjustment  
21           factors by a scaling factor in order to  
22           ensure that the budget neutrality re-  
23           quirement of clause (ii) is met.

1                   “(II) SCALING FACTOR LIMIT.—

2                   In no case may be the scaling factor  
3                   applied under this clause exceed 3.0.

4                   “(ii) BUDGET NEUTRALITY REQUIRE-  
5                   MENT.—

6                   “(I) IN GENERAL.—Subject to  
7                   clause (iii), the Secretary shall ensure  
8                   that the estimated amount described  
9                   in subclause (II) for a year is equal to  
10                  the estimated amount described in  
11                  subclause (III) for such year.

12                  “(II) AGGREGATE INCREASES.—  
13                  The amount described in this sub-  
14                  clause is the estimated increase in the  
15                  aggregate allowed charges resulting  
16                  from the application of positive MIPS  
17                  adjustment factors under subpara-  
18                  graph (A) (after application of the  
19                  scaling factor described in clause (i))  
20                  to MIPS eligible professionals whose  
21                  composite performance score for a  
22                  year is above the performance thresh-  
23                  old under subparagraph (D)(i) for  
24                  such year.

1                   “(III)       AGGREGATE       DE-  
2                   CREASES.—The amount described in  
3                   this subclause is the estimated de-  
4                   crease in the aggregate allowed  
5                   charges resulting from the application  
6                   of negative MIPS adjustment factors  
7                   under subparagraph (A) to MIPS eli-  
8                   gible professionals whose composite  
9                   performance score for a year is below  
10                  the performance threshold under sub-  
11                  paragraph (D)(i) for such year.

12                  “(iii) EXCEPTIONS.—

13                       “(I) In the case that all MIPS eli-  
14                       gible professionals receive composite  
15                       performance scores for a year that are  
16                       below the performance threshold  
17                       under subparagraph (D)(i) for such  
18                       year, the negative MIPS adjustment  
19                       factors under subparagraph (A) shall  
20                       apply with respect to such MIPS eligi-  
21                       ble professionals and the budget neu-  
22                       trality requirement of clause (ii) shall  
23                       not apply for such year.

24                       “(II) In the case that, with re-  
25                       spect to a year, the application of

1 clause (i) results in a scaling factor  
2 equal to the maximum scaling factor  
3 specified in clause (i)(II), such scaling  
4 factor shall apply and the budget neu-  
5 trality requirement of clause (ii) shall  
6 not apply for such year.

7 “(iv) ADDITIONAL INCENTIVE PAY-  
8 MENT ADJUSTMENTS.—In specifying the  
9 MIPS additional adjustment factors under  
10 subparagraph (C)(i) for each applicable  
11 MIPS eligible professional for a year, the  
12 Secretary shall ensure that the estimated  
13 increase in payments under this part re-  
14 sulting from the application of such addi-  
15 tional adjustment factors for MIPS eligible  
16 professionals in a year shall be equal (as  
17 estimated by the Secretary) to the addi-  
18 tional funding pool amount for such year  
19 under subparagraph (C)(ii).

20 “(7) ANNOUNCEMENT OF RESULT OF ADJUST-  
21 MENTS.—Under the MIPS, the Secretary shall, not  
22 later than 30 days prior to January 1 of the year  
23 involved, make available to MIPS eligible profes-  
24 sionals the MIPS adjustment factor (and, as appli-  
25 cable, the additional MIPS adjustment factor) under

1 paragraph (6) applicable to the eligible professional  
2 for items and services furnished by the professional  
3 for such year. The Secretary may include such infor-  
4 mation in the confidential feedback under paragraph  
5 (12).

6 “(8) NO EFFECT IN SUBSEQUENT YEARS.—The  
7 MIPS adjustment factors and additional MIPS ad-  
8 justment factors under paragraph (6) shall apply  
9 only with respect to the year involved, and the Sec-  
10 retary shall not take into account such adjustment  
11 factors in making payments to a MIPS eligible pro-  
12 fessional under this part in a subsequent year.

13 “(9) PUBLIC REPORTING.—

14 “(A) IN GENERAL.—The Secretary shall,  
15 in an easily understandable format, make avail-  
16 able on the Physician Compare Internet website  
17 of the Centers for Medicare & Medicaid Serv-  
18 ices the following:

19 “(i) Information regarding the per-  
20 formance of MIPS eligible professionals  
21 under the MIPS, which—

22 “(I) shall include the composite  
23 score for each such MIPS eligible pro-  
24 fessional and the performance of each  
25 such MIPS eligible professional with

1                   respect to each performance category;  
2                   and

3                   “(II) may include the perform-  
4                   ance of each such MIPS eligible pro-  
5                   fessional with respect to each measure  
6                   or activity specified in paragraph  
7                   (2)(B).

8                   “(ii) The names of eligible profes-

12 literacy, limited English proficiency (LEP),  
13 and patient activation, on quality and re-  
14 source use outcome measures under the  
15 Medicare program (such as to recognize  
16 that less healthy individuals may require  
17 more intensive interventions). In con-  
18 ducting such study the Secretary may use  
19 existing Federal data and collect such ad-  
20 ditional data as may be necessary to com-  
21 plete the study.

4 DUCTING STUDIES.—In conducting the studies  
5 under subparagraphs (A) and (B), the Sec-  
6 retary shall examine what non-Medicare data  
7 sets, such as data from the American Commu-  
8 nity Survey (ACS), can be useful in conducting  
9 the types of studies under such paragraphs and  
10 how such data sets that are identified as useful  
11 can be coordinated with Medicare administra-  
12 tive data in order to improve the overall data  
13 set available to do such studies and for the ad-  
14 ministration of the Medicare program.

15 (D) RECOMMENDATIONS TO ACCOUNT FOR  
16 INFORMATION IN PAYMENT ADJUSTMENT  
17 MECHANISMS.—If the studies conducted under  
18 subparagraphs (A) and (B) find a relationship  
19 between the factors examined in the studies and  
20 quality and resource use outcome measures,  
21 then the Secretary shall also provide rec-  
22 ommendations for how the Centers for Medicare  
23 & Medicaid Services should—

24 (i) obtain access to the necessary data  
25 (if such data is not already being collected)

1 on such factors, including recommenda-  
2 tions on how to address barriers to the  
3 Centers in accessing such data; and

4 (ii) account for such factors in deter-  
5 mining payment adjustments based on  
6 quality and resource use outcome measures  
7 under the eligible professional Merit-based  
8 Incentive Payment System under section  
9 1848(q) of the Social Security Act (42  
10 U.S.C. 1395w-4(q)) and, as the Secretary

20 (A) HIERARCHAL CONDITION CATEGORY  
21 (HCC) IMPROVEMENT.—Taking into account the  
22 relevant studies conducted and recommenda-  
23 tions made in reports under paragraph (1), the  
24 Secretary, on an ongoing basis, shall, as the  
25 Secretary determines appropriate, estimate how

1 an individual's health status and other risk fac-  
2 tors affect quality and resource use outcome  
3 measures and, as feasible, shall incorporate in-  
4 formation from quality and resource use out-  
5 come measurement (including care episode and  
6 patient condition groups) into provisions of title  
7 XVIII of the Social Security Act that are simi-  
8 lar to the eligible professional Merit-based In-  
9 centive Payment System under section 1848(q)  
10 of such Act.

11 (B) ACCOUNTING FOR OTHER FACTORS IN  
12 PAYMENT ADJUSTMENT MECHANISMS.—

13 (i) IN GENERAL.—Taking into ac-  
14 count the studies conducted and rec-  
15 ommendations made in reports under para-  
16 graph (1) and other information as appro-  
17 priate, the Secretary shall, as the Sec-  
18 retary determines appropriate, account for  
19 identified factors with an effect on quality  
20 and resource use outcome measures when  
21 determining payment adjustment mecha-  
22 nisms under provisions of title XVIII of  
23 the Social Security Act that are similar to

8           (iii) PERIODIC ANALYSES.—The Sec-  
9           retary shall carry out periodic analyses, at  
10          least every 3 years, based on the factors  
11          referred to in clause (i) so as to monitor  
12          changes in possible relationships.

13          (C) FUNDING.—There are hereby appro-  
14          priated from the Federal Supplementary Med-  
15          ical Insurance Trust Fund under section 1841  
16          of the Social Security Act to the Secretary to  
17          carry out this paragraph and the application of

21          pended.

22          (3) STRATEGIC PLAN FOR ACCESSING RACE  
23          AND ETHNICITY DATA.—Not later than 18 months  
24          after the date of the enactment of this Act, the Sec-  
25          retary shall develop and report to Congress on a

2 data on race and ethnicity for purposes of carrying  
3 out the eligible professional Merit-based Incentive  
4 Payment System under section 1848(q) of the Social  
5 Security Act and, as the Secretary determines ap-  
6 propriate, other similar provisions of title XVIII of  
7 such Act.

11 take into account—

12 “(I) the patient’s clinical history  
13 at the time of each medical visit, such

21          (E). In seeking such comments, the Secretary  
22          shall use one or more mechanisms (other than  
23          notice and comment rulemaking) that may in-

16           the time of furnishing an item or service. Such  
17           patient relationship categories shall include dif-  
18           ferent relationships of the physician or applica-  
19           ble practitioner to the patient (and the codes  
20           may reflect combinations of such categories),  
21           such as a physician or applicable practitioner  
22           who—

23           “(i) considers himself to have the  
24           primary responsibility for the general and

1 ongoing care for the patient over extended

2 list of patient relationship categories and codes.

3 “(F) SUBSEQUENT REVISIONS.—Not later  
4 than November 1 of each year (beginning with  
5 2017), the Secretary shall, through rulemaking,  
6 make revisions to the operational list of patient  
7 relationship categories and codes as the Sec-  
8 retary determines appropriate. Such revisions  
9 may be based on experience, new information  
10 developed pursuant to subsection (n)(9)(A), and  
11 input from the physician specialty societies, ap-  
12 plicable practitioner organizations, and other  
13 stakeholders, including representatives of indi-  
14 viduals entitled to benefits under part A or en-  
15 rolled under this part.

16 “(4) REPORTING OF INFORMATION FOR RE-  
17 SOURCE USE MEASUREMENT.—Claims submitted for

3 “(5) METHODOLOGY FOR RESOURCE USE ANAL-  
4 YSIS.—

5 “(A) IN GENERAL.—In order to evaluate  
6 the resources used to treat patients (with re-  
7 spect to care episode and patient condition  
8 groups), the Secretary shall—

9 “(i) use the patient relationship codes  
10 reported on claims pursuant to paragraph  
11 (4) to attribute patients (in whole or in

13 cable practitioners;

14 “(ii) use the care episode and patient  
15 condition codes reported on claims pursu-  
16 ant to paragraph (4) as a basis to compare  
17 similar patients and care episodes and pa-  
18 tient condition groups; and

19 “(iii) conduct an analysis of resource  
20 use (with respect to care episodes and pa-  
21 tient condition groups of such patients), as  
22 the Secretary determines appropriate.

23 “(B) ANALYSIS OF PATIENTS OF PHYSI-  
24 CIANS AND PRACTITIONERS.—In conducting the  
25 analysis described in subparagraph (A)(iii) with

1 respect to patients attributed to physicians and  
2 applicable practitioners, the Secretary shall, as  
3 feasible—

4 “(i) use the claims data experience of  
5 such patients by patient condition codes  
6 during a common period, such as 12  
7 months; and

8 “(ii) use the claims data experience of  
9 such patients by care episode codes—

10 “(I) in the case of episodes with-  
11 out a hospitalization, during periods  
12 of time (such as the number of days)  
13 determined appropriate by the Sec-

18 fore, during, and after the hospitaliza-  
19 tion.

20 “(C) MEASUREMENT OF RESOURCE USE.—

21 In measuring such resource use, the Sec-  
22 retary—

23 “(i) shall use per patient total allowed  
24 charges for all services under part A and  
25 this part (and, if the Secretary determines

1 appropriate, part D) for the analysis of pa-  
2 tient resource use, by care episode codes  
3 and by patient condition codes; and

4 “(ii) may, as determined appropriate,  
5 use other measures of allowed charges  
6 (such as subtotals for categories of items  
7 and services) and measures of utilization of  
8 items and services (such as frequency of  
9 specific items and services and the ratio of  
10 specific items and services among attrib-  
11 uted patients or episodes).

12 “(D) STAKEHOLDER INPUT.—The Sec-  
13 retary shall seek comments from the physician  
14 specialty societies, applicable practitioner orga-  
15 nizations, and other stakeholders, including rep-  
16 resentatives of individuals entitled to benefits  
17 under part A or enrolled under this part, re-  
18 garding the resource use methodology estab-

3           any part of the provisions of this subsection, the  
4           Secretary may not contract with an entity or an en-  
5           tity with a subcontract if the entity or subcon-  
6           tracting entity currently makes recommendations to  
7           the Secretary on relative values for services under  
8           the fee schedule for physicians’ services under this  
9           section.

10           “(7) LIMITATION.—There shall be no adminis-  
11           trative or judicial review under section 1869, section  
12           1878, or otherwise of—

13                   “(A) care episode and patient condition
