7 Congress finds the following:

8 (1) The turmoil in the Middle East poses a se-

2 Israel’s defensive and deterrent capabilities and up-  
3 grading the framework of the United States-Israel  
4 strategic and military relationships, as well as the  
5 technological cooperation between both countries.

6 (3) On August 16, 2007, the United States and  
7 Israel signed a Memorandum of Understanding re-  
8 affirming United States commitment to the security

11 sistance to Israel.

18 semi-annual Strategic Dialogue. The Department of  
19 State, in a statement following the July 12, 2012,  
20 meeting of the Strategic Dialogue, noted that the  
21 discussions focused on such issues of mutual concern  
22 as “Iran’s continued quest to develop nuclear weap-  
23 ons, which the United States and Israel are both de-  
24 termined to prevent” and “how the continued vio-  
25 lence of the Syrian regime against its citizens [as-

1       sisted by Iran and Hezbollah] could also lead to se-  
2       vere consequences for the entire region”.

3 **SEC. 3. DECLARATION OF POLICY.**
