form and continuation of agricultural and other programs
of the Department of Agriculture and other programs of
the Department of Agriculture through fiscal year 2018,
and for other purposes) should advance provisions to re-
peal the Administration of Tariff Rate Quotas language
as added by the Food, Conservation, and Energy Act of
2008, and thus restore the Secretary of Agriculture’s au-
thority to manage supplies of sugar throughout the mar-
keting year to meet domestic demand at reasonable prices.
