**A BILL**

To direct the Secretary of Commerce to issue a fishing capacity reduction loan to refinance the existing loan funding the Pacific Coast groundfish fishing capacity reduction program.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Revitalizing the Econ-  
3 omy of Fisheries in the Pacific Act” or the “REFI Pacific  
4 Act”.

5 **SEC. 2. FINDINGS; PURPOSE.**

6 (a) FINDINGS.—Congress makes the following find-  
7 ings:

8 (1) In 2000, the Secretary of Commerce de-  
9 clared the West Coast groundfish fishery a Federal  
10 fisheries economic disaster due to low stock abun-  
11 dance, an overcapitalized fleet, and historically over-  
12 fished stocks.

13 (2) Section 212 of the Department of Com-  
14 merce and Related Agencies Appropriations Act,  
15 2003 (title II of division B of Public Law 108–7;  
16 117 Stat. 80) was enacted to establish a Pacific  
17 Coast groundfish fishing capacity reduction pro-  
18 gram, also known as a buyback program, to remove  
19 excess fishing capacity.

20 (3) In 2003, Congress authorized the  
21 \$35,700,000 buyback loan, creating the Pacific  
22 Coast groundfish fishing capacity reduction program  
23 through the National Marine Fisheries Service fish-  
24 eries finance program with a term of 30 years. The  
25 interest rate of the buyback loan was fixed at 6.97

1 percent and is paid back based on an ex-vessel fee  
2 landing rate not to exceed 5 percent for the loan.

3 (4) The groundfish fishing capacity reduction  
4 program resulted in the removal of limited entry  
5 trawl Federal fishing permits from the fishery, rep-  
6 resenting approximately 46 percent of total landings  
7 at the time.

8 (5) Because of an absence of a repayment  
9 mechanism, \$4,243,730 in interest accrued before  
10 fee collection procedures were established in 2005,  
11 over 18 months after the groundfish fishing capacity  
12 reduction program was initiated.

13 (6) In 2011, the West Coast groundfish fishery  
14 transitioned to an individual fishing quota fishery,  
15 which is a type of catch share program.

16 (7) By 2015, West Coast groundfish fisher-  
17 men's expenses are expected to include fees of ap-  
18 proximately \$450 per day for observers, a 3-percent  
19 cost recovery fee as authorized by the Magnuson-  
20 Stevens Fishery Conservation and Management Act  
21 (16 U.S.C. 1801) for catch share programs, and a  
22 5-percent ex-vessel landings rate for the loan repay-  
23 ment, which could reach 18 percent of their total  
24 gross revenue.

1 tion and Management Act (16 U.S.C. 1861a) and sections  
2 53702 and 53735 of title 46, United States Code.

3 (c) LOAN TERM.—

4 (1) IN GENERAL.—Notwithstanding section  
5 53735(e)(4) of title 46, United States Code, a loan  
6 under this section shall have a maturity that expires  
7 at the end of the 45-year period beginning on the  
8 date of issuance of the loan.

9 (2) EXTENSION.—Notwithstanding paragraph  
10 (1) and if there is an outstanding balance on the  
11 loan after the period described in paragraph (1), the  
12 Secretary may extend the loan under the terms pro-  
13 vided in this section.

14 (d) LIMITATION ON FEE AMOUNT.—Notwithstanding  
15 section 312(d)(2)(B) of the Magnuson-Stevens Fishery  
16 Conservation and Management Act (16 U.S.C.  
17 1861a(d)(2)(B)), the fee established by the Secretary with  
18 respect to a loan under this section shall not exceed 3 per-  
19 cent of the ex-vessel value of the harvest from each fishery  
20 for where the loan is issued.

21 (e) INTEREST RATE.—

22 (1) IN GENERAL.—Notwithstanding section  
23 53702(b)(2) of title 46, United States Code, the an-  
24 nual rate of interest an obligor shall pay on a direct  
25 loan obligation under this section is the percent the

1 Secretary must pay as interest to borrow from the  
2 Treasury the funds to make the loan.

3 ~~(2) SUBLOANS.—An individual who holds a~~  
4 ~~subloan under the loan authorized by this section—~~

5 ~~(A) shall receive the interest rate described~~  
6 ~~in paragraph (1) on the subloan; and~~

7 ~~(B) may pay off the subloan at any time~~  
8 ~~notwithstanding subsection (c)(1).~~

9 ~~(f) EX-VESSEL LANDING FEE.—~~

10 ~~(1) CALCULATIONS AND ACCURACY.—The Sec-~~  
11 ~~retary shall set the ex-vessel landing fee to be col-~~  
12 ~~lected for payment of the loan under this section—~~

13 ~~(A) as low as possible, based on recent~~  
14 ~~landings value in the fishery, to meet the re-~~  
15 ~~quirements of loan repayment;~~

16 ~~(B) upon issuance of the loan in accord-~~  
17 ~~ance with paragraph (2); and~~

18 ~~(C) on a regular interval not to exceed~~  
19 ~~every 5 years beginning on the date of issuance~~  
20 ~~of the loan.~~

21 ~~(2) DEADLINE FOR INITIAL EX-VESSEL LAND-~~  
22 ~~INGS FEE CALCULATION.—Not later than 60 days~~  
23 ~~after the date of issuance of the loan under this sec-~~  
24 ~~tion, the Secretary shall recalculate the ex-vessel~~

1 landing fee based on the most recent value of the  
2 fishery.

3 ~~(g) AUTHORIZATION.—There is authorized to be ap-~~  
4 ~~propriated to the Secretary of Commerce to carry out this~~  
5 ~~section an amount equal to 1 percent of the amount of~~  
6 ~~the loan authorized under this section for purposes of the~~  
7 ~~Federal Credit Reform Act of 1990 (2 U.S.C. 661 et seq.).~~
